Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as @gpw.gov.za

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at www.gpwonline.co.za
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

NATIONAL QUALIFICATIONS FRAMEWORK ACT, 2008 (ACT NO. 67 OF 2008)
EXCEPTIONS TO THE DETERMINATION OF THE SUB-FRAMEWORKS THAT
COMPRISE THE NATIONAL QUALIFICATIONS FRAMEWORK

I, Bonginkosi Emmanuel Nzimande, Minister of Higher Education, Science and Innovation in terms of section 8(2)(e) of the National Qualifications Framework Act, 2008, hereby publish exceptions to the *Determination of the Sub-Frameworks that comprise the National Qualifications Framework, Government Gazette No. 44031 of 24 December 2020*.

This gazette retracts *Government Gazette No. 46688 of 08 July 2022* regarding the SAQA ID of the General Education and Training Certificate: Adult Basic Education and Training (GETC: ABET).

These exceptions only apply to adult qualifications, namely, the General Education and Training Certificate: Adult Basic Education and Training (GETC: ABET), SAQA ID No. 73249 and the Senior Certificate, SAQA ID No. 15947. The exceptions are in respect of paragraphs 16 to 18 of the *Determination of the Sub-Frameworks that comprise the National Qualifications Framework, Government Gazette No. 44031 of 24 December 2020*.

The rationale for the exceptions is that the replacement qualifications for the GETC: ABET and the Senior Certificate (as amended) are not yet ready for implementation, namely the General Education and Training Certificate for Adults (GETCA) and the National Senior Certificate for Adults (NASCA).

In this Schedule, “**value**” in relation to a motor vehicle used by the recipient of an allowance as contemplated in section 8(1)(b)(ii) and (iii) of the Income Tax Act, 1962, means—

- (a) where that motor vehicle (not being a motor vehicle in respect of which paragraph (b)(ii) of this definition applies) was acquired by that recipient under a *bona fide* agreement of sale or exchange concluded by parties dealing at arm’s length, the original cost thereof to him/her, including any value-added tax but excluding any finance charge or interest payable by him/her in respect of the acquisition thereof;
- (b) where that motor vehicle—
 - (i) is held by that recipient under a lease contemplated in paragraph (b) of the definition of “instalment credit agreement” in section 1 of the Value-Added Tax Act, 1991; or

- (c) in any other case, the market value of that motor vehicle at the time when that recipient first obtained the vehicle or the right of use thereof, plus an amount equal to value added tax which would have been payable in respect of the purchase of the vehicle had it been purchased by the recipient at that time at a price equal to that market value.

2. Determination of rate per kilometre

The rate per kilometre referred to in section 8(1)(b)(ii) and (iii) must, subject to the provisions of paragraph 4, be determined in accordance with the cost scale set out in paragraph 3, and must be the sum of—

- (b) where the recipient of the allowance has borne the full cost of the fuel used in the vehicle, the fuel cost; and
- (c) where that recipient has borne the full cost of maintaining the vehicle (including the cost of repairs, servicing, lubrication and tyres), the maintenance cost.

FRUIT INDUSTRY

**REQUEST FOR A PER HECTARE STATUTORY LEVY TO FUND THE AREA WIDE
FRUIT FLY CONTROL PROGRAMME
(FOCUSING ON THE MEDITERRANEAN FRUIT FLY BUT INCLUDE CAPE FRUIT FLY AND THE
ORIENTAL FRUIT FLY)**

NAMC REQUESTING COMMENTS / INPUTS FROM INDUSTRY ROLE PLAYERS

On 12 February 2024, the Minister of Agriculture, Land Reform and Rural Development received a request from FruitFly Africa (Pty) Ltd (FFA) for the continuation, of a per hectare statutory levy the funding of an area wide control fruit fly programme, in specific production regions, for a new four-year period. The current statutory levy will expire on 2 December 2024.

If approved this will be a separate and differentiated levy, meaning that the existing statutory levies in the fruit industry (to finance research, information, transformation etc.) will remain unchanged. **It is proposed that the differentiated levy be introduced, in the specific production regions, based on the needs and unique requirements in terms of international best practice and tailor-made strategies for those areas.**

The Medfly programme is managed in conjunction with the Department of Agriculture, Land Reform & Rural Development (DALRRD) which co-fund the operational expenses *via* a Public Private Partnership arrangement between the Department and the participating producers for the past approximately two decades. Producers are represented by area coordinating committees and the various national deciduous fruit industry commodity organisations.

Council Members: Mr. A. Petersen (Chairperson), Ms. T. Ntshangase (Deputy Chairperson), Prof. A. Jooste, Mr. S.J. Mhlaba, Ms. F. Mkile, Ms. N. Mokose, Ms. S. Naidoo, Mr. G. Schutte and Dr. S.T. Xaba.

Internationally, fruit flies are proclaimed quarantine pests and their presence in a country can hinder free trade in terms of fruit exports. Some of South Africa's main deciduous fruit and table grape production areas are in the Western, Eastern and Northern Cape Provinces. Medfly is the most prevalent economically important fruit fly species.

Although the focus will be on Mediterranean fruit fly (Medfly), risks associated with other quarantine pests *via* early warning monitoring and control programmes incorporated into the Medfly programme, is also managed in conjunction with DALRRD. FFA will also provide pest monitoring and an operational rapid response capacity for the suppression of Cape fruit fly and the Oriental fruit fly both declared international quarantine pests.

It is proposed that the differentiated levy be introduced in the respective production regions based on the needs and unique requirements in terms of international best practice and tailor-made strategies for such areas. The proposed strategy includes the Sterile Insect Technique (SIT) at various stages of implementation as agreed with the producers in such areas.

The areas that agreed to be included during this levy cycle, of the envisaged ultimate industry-wide roll of the programme, are:

- **Langkloof** (Various subregions);
- **Lower Orange River (Table grapes);**
(Note: Raisins SA (RSA) agreed to include the fruit fly levy in their statutory measures application. A 4-year Service Level Agreement will be signed between FFA and RSA to ensure continued service to the raisin producers in the region);
- **Elgin-Grabouw, Vyeboom, Hemel & Aarde Valley;**
- **Warm Bokkeveld, Wolseley & Tulbagh; and**
- **Hex River Valley** (Incl. De Wet and Brandwacht).

Limited other regions / sub-regions will also be serviced but on a user-pay basis. This includes other areas in the Langkloof, Orange River, Olifants River and Little Karoo regions.

<i>The areas (production regions) that agreed to be included during this levy cycle are:</i>	2024/25	2025/26	2026/27	2027/28
	<i>R p/ha (not more than):</i>			
Langkloof (Joubertina, Krakeel, Louerwater, Misgund, Noll, Waboomskraal*) <i>*Tree nuts (i.e. almonds and pekan nuts) are excluded.</i>	1 939	2 075	2 220	2 376
Langkloof (Avontuur, Haarlem, Ongelegen)	745	797	853	913
Lower Orange River (Table grapes)	1 740	1 862	1 992	2 131
Elgin/Grabouw	1 845	1 974	2 112	2 260
Vyeboom	1 785	1 910	2 044	2 187
Hemel and Aarde Valley:	1 751	1 873	2 004	2 145
Warm Bokkeveld:	2 156	2 307	2 468	2 641
Wolseley:	1 886	2 018	2 160	2 311

Hex River Valley (including De Wet & Brandwacht):	2 539	2 717	2 907	3 111

The business plan provides for a 23% and 77% split contribution from DALRRD and producers respectively according to the following proposed schedule for the new period:

	DALRRD		Producers		Annual Sub-total
2024/25	R17 105 000	23%	R58 607 696	77%	R75 712 696
2025/26	R17 966 000	22%	R63 096 339	78%	R81 062 339
2026/27	R18 595 000	21%	R68 198 191	79%	R86 793 191

Furthermore, FFA also provide on a user-pay basis monitoring services for False Codling Moth (an international quarantine pest) and Vine mealybug.

Both commercial and small-scale farmers, as well as informal communities are affected by these species and supported via FFA.

The NAMC believes that the statutory levy requested are consistent with the objectives of the MAP Act (as set out in section 2 of the Act).

Directly affected groups (e.g. producers, packers and exporters) in the fruit industry are kindly requested to submit any comments, in writing, regarding the proposed statutory levy, to the NAMC (e-mail to mathildavdw@namc.co.za) on or before 15 March 2024, to enable the Council to finalise its recommendation to the Minister in this regard.

PROPOSED AMENDMENTS TO THE NATIONAL NORMS AND STANDARDS FOR TVET COLLEGES FUNDING NORMS (NNSF-TVET COLLEGES) ARE AS FOLLOWS:

1. Paragraph 60 of the NNSF-TVET Colleges - Original

The Capital Infrastructure Efficiency Grant (CIEG) was introduced as earmarked grant by National Treasury for college new building and refurbishment as student numbers rise, as well as the increased maintenance costs consequent on rising numbers given the expansion in the college system. The maintenance situation (including the repair and updating of equipment) needs to be carefully monitored and funds for it specifically earmarked. Special conditions will be developed by DHET on the expenditure of CIEG. **[The CIEG allocation must be dedicated to an average of 10% for TVET College infrastructure to be compliant to disability needs]**

Please note that Cilmor Wynkelder applied to the Wine Certification Authority to define Moordkuil (Ward) as a production area to produce Wine of Origin.

Starts, at the inflow of the Hoeks River into the Breede River at Alvi's Drift Cellar, and runs south-westwards upstream along the Hoeks River (overflow from the Draaivlei Dam into the Breede River) up to the Doornrivier/Scherpenheuvel Road stretching from the R43 past Brandvlei Cellar. It then follows said road in a southern direction until just past Brandvlei Cellar, and then the southern boundary of this site (no. 600), in a western direction and then further in a south-western direction along the western boundaries of the farms 14/546, 15/546, 16/546, 18/546, RE/7/546 and 17/546. From this point south-eastwards along the southern boundaries of farms 17/546 and 33/546, to where the latter farm boundary crosses the gravel road through the farm 821. From there along the gravel road further south-east to where the road crosses the southern boundary of the farm 821. Then generally eastwards along the southern boundary of said farm and then north along the western boundary of this farm, as well as farm 11/546, up to the south-westernmost corner of the farm 24/546 where it crosses the 250 m contour, and finally in a generally north-eastern direction along said contour to where this contour joins the existing Scherpenheuvel boundary, thence generally north with the western boundary of the existing Scherpenheuvel WO Ward to a point at the westernmost corner thereof, the point of beginning mentioned above.
