**JUDGMENT**

---

**SENYATSI J:**

- [1] This is an application for default judgment against RAF. The claim was launched by the plaintiff Ntombela Bella, on behalf of Nomaswazi Noluthando Ntombela, who at the time the summons was issued, was a minor.
- [2] The child was a passenger in a bus that overturned on 3 October 2011 at about 00h30 on the N3, Harrismith following a collision with three other vehicles.
- [3] RAF filed appearance to defend and plea to the claim. However, when ordered by Cajee AJ on 20 January 2021, to attend a pre-trial meeting within 10 days of the order, it failed to comply as a result of which its plea was struck out on 2 March 2022 by Mdalana- Mayisela J.
- [4] The matter was set down for hearing on an undefended basis on 23 February 2023. The notice of set down was served on the RAF.
- [5] As the matter was progressing the minor child reached the age of majority and she substituted the initial plaintiff and this was done in terms of the Rule 28 notice served on RAF on 13 January 2023.
- [6] In the said Notice, paragraph 9 of the particulars of claim was amended to read as follows:

“7. As a result of the collision the Plaintiff sustained the following injuries

- (i) Future medical expenses: Under-taking

(ii) Future loss of income R4 653 730.00

(iii) General damages R1 200 000.00”

[7] No objection was filed on behalf of RAF for the proposed amendment and the subsequent amendment.

[8] On the hearing of the matter, Advocate Mabena (Ms) appeared for the Plaintiff and Mr Ngomana from the State Attorney, appeared for the RAF. The latter informed me that he received instruction three weeks prior to the hearing of the matter and conceded that the default judgment was unopposed. The only point he wanted to take was that since the general damages were rejected on the morning of the hearing, the court did not have jurisdiction to deal with the hearing of “general damages.”

[9] In opposing the submission by Mr Ngomane, Ms Mabena referred me to RAF 4 completed by Dr AN Mogotsi on 11 April 2014 which sets out the extent of the injuries sustained.

[10] I hold the view that the injuries sustained are supported by the expert reports filed of record. This is so having regard to the fact that RAF has failed to file its own experts reports to gainsay the expert reports submitted by the plaintiff

[11] Regard being had to the heads or argument submitted on behalf of the plaintiff and more importantly, in exercise of the discretion of this court the order will be made as hereunder.
