## ANNEXURE B

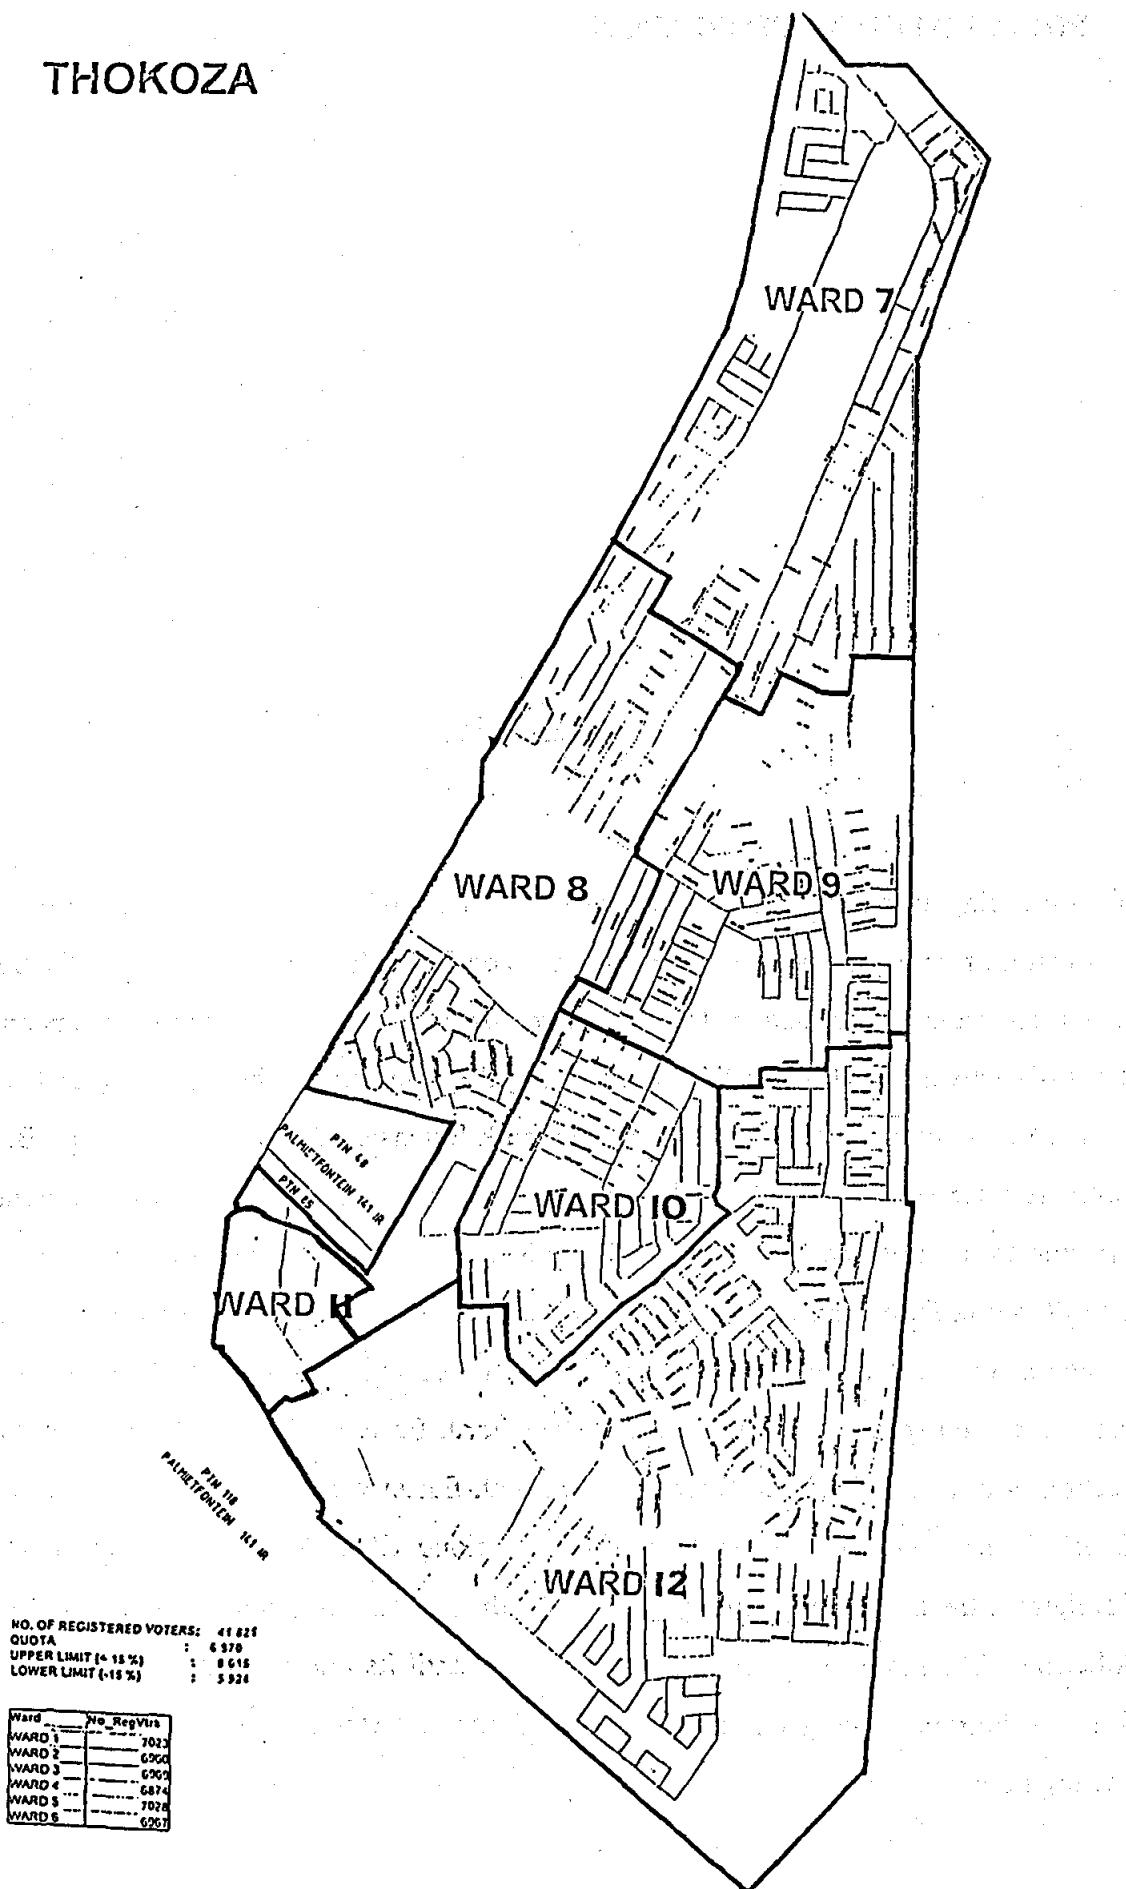

Map indicating wards (a more detailed map may be examined at the Head Office of the Council):

## POINT TO POINT DESCRIPTION

### WARD 1

Start at the intersection of the municipal boundary in the west with Road N3 and move south. Keep on following the municipal boundary up to its intersection with Vlakplaats Road. Move east following Vlakplaats Road up to its intersection with Brickfield Road. After this intersection keep moving east but along Bierman Road up to its intersection with Road N3. Move west along Road N3 up to the starting point.

### WARD 2

Start at the intersection of Vlakplaats Road with the municipal boundary in the west and move south following the municipal boundary. Where it intersects with the western boundary of Vosloorus Extension 3 move north along the latter up to its intersection with MC Botha Drive. Follow MC Botha Drive up to its intersection with Bierman Road and start moving west along Bierman Road up to the starting point.

### WARD 3

Start at the intersection of Bierman Road and MC Botha Drive and move south along the latter up to its intersection with Roets Drive. Then move east along the latter up to its intersection with Moagi Road and follow the latter in a northern direction where it meets with the western boundary of Vosloorus Extension 4. Follow the latter in a northern direction up to its intersection with Bierman Road. Move west along Bierman Road up to the starting point.

### WARD 4

Start at the intersection of Road N3 and Bierman Road and follow the latter to the west where it intersects with the western boundary of Vosloorus Extension 4. Move along the latter until it meets with Moagi Road and follow such until it intersects with Roets Drive. Follow Roets Drive in a eastern direction up to its intersection with Nguza Road. Follow the latter to the north up to its intersection with the Road N3. Move north west along Road N3 up to the starting point.

### WARD 5

Start where the western boundary of Vosloorus Extension 3 meets with the most southern section of the municipal boundary. Move north along the western boundary of Vosloorus Extension 3 up to its intersection with MC Botha Drive. Follow the latter up to its intersection with Roets Drive and then follow the latter in a eastern direction up to its intersection with Khoza Road. Follow Khoza Road in a southern direction up to the southern boundary of Vosloorus Extension 8. Move west along the latter up to its intersection with the eastern boundary with Vosloorus Extension 3 and follow such in a southern direction to meet with the most southern section of the municipal boundary. Move north west along the latter up to the starting point.

**WARD 6**

Start at the intersection of Road N3 with Nguza Road. Follow Nguza Road up to its intersection with Roets Drive. Then follow the latter in a western direction up to its intersection with Khoza Road. Move south along the latter up to the southern boundary of Vosloorus Extension 8. Now move in a western direction up to the eastern boundary of Vosloorus Extension 3. Move south along this boundary up to the most southern section of the municipal boundary and follow such in an eastern direction to meet with Road N3. Move north west along Road N3 up to the starting point.

**WARD 7**

Start at the north western corner of the township Impala Park Extension 1 where its boundary intersects with the municipal boundary. Move east following the minicipal boundary until it swings to the north and follow it. Move north and follow the municipal boundary around Caro Nome and then south and south west around Atlasville. Then move south along the municipal boundary where it runs along with Atlas Road up to the point where it intersects with Main Reef Road. Then move west along Main Reef Road up to its intersection with Trichardts Road. From that point, move north along Trichardts Road up to the point where it meets the southern boundary of the township Impala Park Extension 1. Move west along the said township boundary and then north along its western boundary until the starting point is met.

**WARD 8**

Start at the starting point for Ward 1 but move to the west along the municipal boundary. Follow the municipal boundary around Jet Park, Ravensklip and Berton Park up to the point where it intersects with Main Reef Road. Follow Main Reef Road in a eastern direction until it intersects with Trichardts Road. Follow Trichardts Road up to the starting points exactly as for Ward 1, since the latter segment is a common boundary.

**WARD 9**

Start at the intersection of Main Reef/Cason Road with Trichardts Road and move south along Trichardts Road up to its intersection with Leeupoort Street. Move west along Leeupoort Street up to its intersection with the western boundary of the township Boksburg South. Then follow the common boundary of the townships Parkdene and Boksburg South up to its intersection with Trichardts Road. Then follow Trichardts Road up to its intersection with Langenhoven Street and then follow the latter in a south eastern direction. As this is also the common boundary between the townships Parkrand and Parkrand Extension 1, keep on following this common boundary until it meets Road N17. Follow Road N17 to the east up to its intersection with Barry Marais Road. Move south along Barry Marais Road up to its intersection with North Boundary Road. Then turn and move north east along North Boundary Road up to its intersection with the municipal boundary. Follow the municipal boundary up to its intersection with main Reef Road where Main Reef Road is to be followed to the west up to the starting point.

**WARD 10**

Start at the point where Main Reef Road intersects with the municipal boundary in the west. Move south along the municipal boundary and follow it up to the intersection with Road N17. From this point move directly towards the most eastern point of the Delphinium Street situated in the south eastern corner of the township Reigerpark Extension 1. Move north to be in Gladiolus Street and follow this street up to its intersection with Alwyn Street. Follow the latter in a northern direction up to its intersection with the boundary of the township Reigerpark Proper. Now move west and along this boundary up to its intersection with Tulip Road and follow the latter up to its intersection with Commissioner Street. Move in a eastern direction along Commissioner Street up to its intersection with the very western point of the boundary of the township Boksburg. Move north east along the boundary of this township up to its intersection with Comet Road. Follow Comet Road north up to its intersection with Main Reef Road. Move west along Main Reef Road up to the starting point.

**WARD 11**

The eastern boundary of this ward is defined by the western boundary of Ward 9 (see the Ward 9 boundary between the Main Reef Road/Trichardts Road intersection and the intersection of Road N17 with the common boundary of the townships Parkrand and Parkrand Extensions 1). The northern boundary of this ward is defined by the section of the southern boundary of Ward 8 between Trichardts Road and Comet Road. The western boundary of this ward is defined by the eastern boundary of Ward 10 (see the Ward 10 boundary between the Main Reef Road/Comet Road intersection and the intersection of the western municipal boundary with Road N17). From the latter point follow the municipal boundary in a southern direction up to its intersection with Rondebult Road. Then move north along Rondebult Road up to its intersection with Road N17. Move in an eastern direction along Road N17 up to its intersection with the common boundary of the townships Parkrand and Parkrand Extension 1.

**WARD 12**

Start at the intersection of North Boundary Road with the municipal boundary in the east. Move west along North Boundary Road up to its intersection with Barry Marais Road. Move north along the latter up to its intersection with Road N17. Then move along Road N17 in a western direction until its intersection with Rondebult road. Move south along Rondebult Road until it borders with the municipal boundary and from there, move west along the municipal boundary. Follow the municipal boundary from there in a southern direction up to its intersection with Road N3. Follow Road N3 towards the south east until it meets the municipal boundary on the eastern side. Move generally north from there and keep on following the municipal boundary until the starting point is met.
