The township applicant shall install and provide internal engineering services in the township as provided for in the services agreement.

The Local Authority shall install and provide external engineering services for the township as provided for in the services agreement.

2.2 RESTRICTIONS ON THE ALIENATION OF LAND

In terms of Section 82(1) of the Town-planning and Townships Ordinance, 1986 (Ordinance 15 of 1986), no erf or erven in the township may be transferred until the City of Tshwane has certified that the township owner has complied with his obligations as contained in Section 82 and the conditions of establishment have been complied with.

In terms of Section 98(2) of the Town-planning and Townships Ordinance, 1986 (Ordinance 15 of 1986), as a condition of approval of township establishment, the registration of a Certificate of Registered Title, the opening of a Sectional Title Scheme, or registration or transfer of a sectional title unit, resulting from the approval of this township, may not be performed unless the Local Authority certifies that all the requirements and conditions for the registration thereof, have been complied with, read with Section 53 of the Spatial Planning and Land Use Management Act, 16 of 2013, where applicable.

## 2.3 THE DEVELOPER'S OBLIGATIONS

### 2.3.1 PROVISION OF ENGINEERING DRAWINGS

The developer must submit to the City of Tshwane complete engineering drawings in respect of internal sewers and sewer connection points and complete detail design engineering drawings in respect of the internal road and storm water sewers as well as water and electricity services, prior to the commencement of the construction of the said services.

The detail design drawings will only be evaluated after the required Services Reports has been approved.

The Developer must obtain a way-leave from the Municipality prior to commencement of construction work, if such work will be done on Municipal property.

### 2.3.2 PROVISION OF A CERTIFICATE BY A PROFESSIONAL ENGINEER

Before any erf is transferred, the City of Tshwane must be provided with a certificate by a Professional Engineer for water, sewerage, electricity, and the internal road and storm water sewers, in which it is certified that the internal engineering services have been completed and that the engineers accept liability for the services. The City of Tshwane may at its own discretion allow an exception in respect of the internal road and storm water sewers. If this is the case, the developer must give the City of Tshwane an undertaking that the developer will complete this service on or before a certain date and must provide the City of Tshwane with a guarantee issued by a recognized financial institution.

No building plans will be approved before the services are completed and (if applicable) taken over by the divisions of the Public Works and Infrastructure Development Department.

### 2.3.3 MAINTENANCE PERIOD AND GUARANTEE

A maintenance period of 12 (twelve) months commences on the date on which the council has certified that the provisions of Section 82 (1)(b)(ii)(cc) of the Town-Planning and Townships Ordinance 15 of 1986 has been complied with and when the last of the internal engineering services (i.e. water, sewerage, electricity), and the road and storm water sewers have been completed.

All internal and external water-and sanitation infrastructure will be maintained by the Municipality and not by the non profit Company. The developer must furnish the City of Tshwane with a 10% guarantee of the estimate contract cost with regard to the water and sewerage services, issued by a recognized financial institution before the commence date of the contract. and proof of this must be submitted to the City of Tshwane.
