ORGANOGRAM OF KING CETSHWAYO DISTRICT MUNICIPALITY

5. PUBLIC SERVICES

King Cetshwayo District Municipality plays an important role in bringing investment to the region and uplifting rural areas by providing municipal infrastructure and services. It is responsible for providing basic services such as water and sanitation.

The Municipality plays an important role in facilitating economic development in the region by pursuing partnerships with the private sector to provide equitable and sustainable services. It also relies on good relations with the local business community, which funds its sustainable development initiatives through the payment of monthly levies.

6. Public participation and remedies

July 2021

An Executive Committee consisting of the Mayor as chairperson and eight members manages the King Cetshwayo District Municipality. A total of 41 councillors serve on the Council; 17 of them directly elected and 24 from the local Municipalities in the district, which include Mfolozi, uMhlathuze, uMlalazi, Mthonjaneni and Nkandla.

Public participation in the formulation of policies and the exercise of powers or performance of duties by the body is through the electoral process. Should King Cetshwayo District Municipality or any of its officials seem to be derelict in their duty, or fail to fulfill their mandate, the public has recourse in the first instance, to the Director of the department concerned. Failure to obtain satisfaction would result in a direct appeal to the Municipal Manager. If the problem is still not resolved, it should be taken to the Mayor. Should this not have the desired effect, the final resort would be to the Minister of Local Government and Traditional Affairs.
