- 2.1.1 These Rules shall apply to bets on horse races, sporting events or any lawful contingency placed with or through the Totalisator [Operator] or through any outlet authorised by the Operator as the case may be, provided that, they have been approved by the Board.
- 2.1.2. In so far as any Rule may relate to a specific totalisator pool such Rule shall be applicable only if the Operator offers such pool.
- 2.1.3. Horseracing is conducted subject to the Rules of the National Horseracing Authority and any other condition(s) imposed by the Board.
- 2.1.4. These Rules cover all bets on events hosted by the Operators in South Africa, and do not apply to events hosted in foreign jurisdictions. The Rules of the foreign host jurisdiction shall be applied when betting into such foreign pools (commingling), provided that these foreign host Rules have been forwarded by the relevant Operator to the Board and are made available in advance to customers wishing to place a bet. The Operators must ensure that new foreign bets are clearly explained and any differences are clearly highlighted and published.
- 2.1.5. These Rules do not constitute an offer by the totalisator to any person to place a bet on the totalisator and accordingly, the totalisator shall not be obliged to offer any bet type provided for in these Rules at any particular race meeting or for any particular horse race, sporting event or lawful contingency.

### **2.2 Tax and Commission**

Deductions as stipulated by the relevant provincial or national legislation as laid down from time to time shall be deducted from every gross pool before the calculation of any dividend.

### **2.3 Bracketed Horses**

- 2.3.1 Whenever in any race, a trainer has two or more horses carded (including Reserve runners) such horses shall be bracketed or coupled on the Totalisator for the Pick 4 (jackpot) and Pick 6 Pools only.
- 2.3.2 Subject to the provisions of these Rules, whenever a bracketed horse wins a race, all the horses in the bracket shall qualify for the purpose of the calculation and payment of Pick 4 (jackpot) and Pick 6 dividends.

- 2.3.4 The change in the trainer of a horse after the printing of the race card shall not be recognised for the purpose of bracketing of horses. The status prior to the change will remain.

**2.4 Refunds for Horseracing Bets**

2.4.1 Whenever a horse is withdrawn from a race before or after coming under starter's orders, or if one or more of the starting gates do not open, thus preventing a fair start; the horse shall be deemed to be scratched and the money wagered on such horse in any Win, Place, Exacta, Quartet, Swinger, Trifecta or first leg of the Double pool shall, subject to the provisions of these Rules, be refundable to the customer. If for any reason whatsoever an event or contingency is abandoned or cancelled, a full refund of the total stake wagered shall be made provided that:

2.4.1.2 No refund shall be made in respect of any Double, Place Accumulator, Pick 3, Pick 4 (jackpot) or Pick 6 ticket except where a race meeting is cancelled or abandoned before the first leg of a Double, Pick 3 or either the first or second leg of the Place Accumulator, Pick 4 (jackpot) or Pick 6, as the case may be.

**2.4.2 Change of venue or track**

Where the venue of a race or track is changed from that originally advertised, the bets shall stand and pools carried over. Refunds shall be entertained on customer request, unless the race is abandoned, in which case the provisions of Rule 2.4.1 shall apply.

**2.4.3 Postponement of an event**

Where a race advertised to be run on a certain date is postponed to any future date:

2.4.3.1 within 48 hours after the original advertised date at the same venue, the bet shall stand.

2.4.3.3 However, the Operator may, at any time within the period mentioned above, abandon the race and provisions of Rule 2.4.1 shall apply.

**2.5 Dividends**

2.5.1 All unit bet dividends shall be calculated to the completed R0-10 and any balance remaining after such calculation shall accrue to and become the property of the Operator as the case maybe.

2.5.2 Fractional bet dividends shall be calculated by multiplying the unit bet dividend by the percentage of the unit bet purchased and rounded down to the nearest cent. This resultant dividend is then multiplied by the number of times that the bet is won and rounded down to the nearest R0-10. Any balance remaining shall accrue to the Operator as the case maybe.

**2.6 Lost or Mutilated Tickets**

No claim shall be recognised or entertained in respect of a lost or mutilated ticket unless the Operator in its internal control procedures provides otherwise.

**2.11 Minors**

No bet may be made by or on behalf of a minor and no dividend shall be paid to a minor or to anyone on behalf of a minor.

**2.12 Limitation of liability**

The Operator or any Steward, Official, Member, Independent Authorised Contractor, Agent or Employee shall not be liable for damages resulting from any breach of contract or any act relating in any way to totalisator betting for which they are responsible either directly, indirectly, vicariously or in any way, and in particular none of the aforementioned shall be liable in damages either directly, indirectly, vicariously or in any other way for loss, destruction or disappearance of any original betting ticket, or for any error made by any of the aforesaid persons, subject to Rule 2.24

**2.13 Closing times of pools**

Bets must either be accepted by the wagering system of the Operator before the stated closing time or when the wagering system closes for the purposes of accepting bets for the particular pool for which the bet is placed. A bet cannot be accepted after the result of the event is known, if

a wagering system of the operator erroneously accepts a bet in this circumstance the bet shall be refunded.

No employee, whether permanent or temporary of the Operator is entitled to participate, either directly or indirectly, in any way whatsoever in any totalisator pool or dividend while on duty, subject to the Act.

The onus is on the customer to ensure that a bet slip is correctly completed and that the ticket issued corresponds with the selections requested on that bet slip or in the case of a verbal bet that such ticket issued corresponds to the bet called by the said customer or in the case of a telephone bet that the bet called back by the Operator corresponds to the bet called by the said customer. The Operator shall prominently display this requirement at all of its betting outlets.

2.16.1 The customer shall not have any claim arising out of any error made by the Operator and the customer's failure to comply with the provision of Rule 2.16 and subject to Rule 2.24.

**2.17 Assistance by staff**

Staff who offer any advice on betting and/or assistance to customers in the completion of any bet slip or in the issue of any ticket in accordance with these Rules, shall not be liable for failure to comply with the requirements of such customer, nor shall any claim lie against the Operator.

2.17.1 The Operator likewise is not bound contractually for any default or omission caused by any member of staff dealing with a customer.

**2.18 Equipment failure**

In the event of breakdown in any equipment, device or means of communication employed by the Operator for processing bets, the Operator may declare the favourite for the race (based on the dividends at the time of such failure) and such dividend or refund as may be appropriate in the circumstances having regard to the information available.

**2.19 Log tape or audit files**

2.19.1 The only admissible evidence to a betting transaction shall be the record of the original transaction contained on the log tape or audit files of the approved wagering system of the Operator.

2.19.2 In the event of a discrepancy existing between the bet details printed on the ticket issued and the aforementioned logged records the bet details reflected in the records shall prevail, subject to Rule 2.24.

**2.20. Minimum guaranteed dividends**

There is a minimum guaranteed dividend, for all bet types, equal to the unit of wager as provided for in Chapter 4 except where a dead heat results in more winning combinations than otherwise contemplated. However, the exception shall not apply to runners not affected by the deadline.

**2.21 More than 20 runners**

Where there is a field in excess of 20 runners, all runners bearing the number 20 and higher are treated as a single runner (bearing the number 20, even if the runner actually bearing the number 20 is scratched), and, notwithstanding the official result, all such runners are deemed to finish in the place that the first of such runners finishes.

**2.22 Obligations**

Customers shall be obliged to comply with any laws or conditions pertaining to payment of dividends including the Financial Intelligence Centre Act, Act No. 38 of 2001.

**2.23 Rules pertaining to betting through interactive wagering systems**

2.23.1 All telephone, on-line, GPRS and other technology facilitated betting transactions are subject to these Rules as amended from time to time.

2.23.2 A customer must have an active account with the Operator in order to transact through telephone, on-line, GPRS and other technology facilitated betting wagering systems.

**2.23.3 Calling of bets**

After the placing of a bet through a telephone, the Operator or consultant shall orally confirm what he has keyed in and obtain authority from the customer to transmit the bet to the system.

2.23.4 If the customer does not query or rectify the oral confirmation of the bet he is deemed to have accepted the details as called back by the Operator or consultant as being correct and becomes bound by the call back.

**2.23.5 Alteration of bets**

No bets may be altered after they have been accepted.

**2.23.6 Dividends**

Dividends shall be credited to the customer's account with the Operator as soon as possible after being declared "Official".

**2.23.7 Refunds**

Refunds in respect of scratchings are credited to the customer's account by the Operator at the same time as dividends are paid.

**2.23.8 Communication failure-waiver of claims**

The customer shall not have any claim of any nature against Operator and/or any of its employees arising from a failure to accept his/her bets because of delays caused by a breakdown in the telephone system and/or other telecommunication system for whatever reason.

**2.23.9 System unavailable**

Bets can only be accepted whilst the approved wagering system is operative.

**2.23.10 Recording equipment and waiver of rights**

2.23.10.1 For the protection of the customers all telephone transactions shall be recorded.

2.23.10.2 The recording shall be retained for a minimum period of 14 days following the race meeting or event, before being erased. In the event of a dispute being lodged the Operator shall retain the recordings until the dispute has been resolved.

2.23.10.3 Disputes regarding account balances and betting transactions must be made in writing within 14 days of the race meeting or event concerned. The customer shall not have a claim once this period has elapsed and the dispute has not been raised.

**2.23.11 Security**

2.23.11.1 The customer's security or personal identification code must prevent unauthorised use of his account and must not be divulged to other parties.

2.23.11.2 The customer shall immediately notify the Operator should he lose his account details.

2.23.11.3 No betting transaction or withdrawal from an account is permitted unless the customer provides his security or personal identification code or any detail required by the Operator for verification purposes.

**2.23.12 Unauthorised use of account**

The Operator shall not be liable for any loss incurred by a customer due to the unauthorised use of his account.

**2.23.13 Termination of account**

The Operator shall be entitled to terminate the Operator contract or account with immediate effect at its sole discretion. The customer shall not have any claim of whatsoever nature against the Operator arising out of the lawful cancellation of such contract or account other than to claim a refund of the money outstanding to the credit of his account.

**2.24 Disputes**

Subject to the provisions of the Act and relevant legislation, gambling or otherwise, the Operator shall decide on any dispute arising in any way whatsoever from the running of the totalisator betting transactions. For

this purpose, the Operator shall be entitled to conduct an inquiry, which the complainant shall be obliged to attend, answer questions and be entitled to be heard, make representations and call witnesses.

- 2.24.1. Any dispute that remains unresolved shall be referred to the Board.

**2.25. Account withdrawals**

Customers shall only be authorised by the Operator to make withdrawals on the effects of their dividend(s) and not their deposits. The only exception to this Rule shall be on final closure of the account by the customer.

**2.26. Official results**

The result of a race shall be official when they are declared as such in terms of these Rules, that is when the "All Clear" is declared by the racetrack and the "Official result" is announced by the Operator.

**2.27 Availability and binding effect of rules**

- 2.27.1. These Rules shall be published and made available to the customer. It is the responsibility of the customer to make himself or herself familiar with these Rules and any amendments thereto.

- 2.27.2. A customer who places bets or claims to have placed bets on the totalisator shall be deemed to have read these Rules and to have agreed to be bound by these Rules including any other Rule(s) or condition (s) which may apply to the event or bet or contingency in question.

**2.28. Dormant account**

**If a customer has not transacted on or made claim on a deposit made into a betting account held with the Operator, the customer will lose claim to this money after a period of three years. This money shall be forfeited by the customer to the Operator and declared as income.**

**CHAPTER 3 - FRACTIONAL BETTING**

**3.1. Purpose**

Fractional betting allows the purchase of a portion of a bet, or a bet a number of times, i.e. a fraction greater than 1.

**3.2. Application**

Fractional betting is available on the bet types listed in 3.3 and the totalisator Rules applicable to these bet types apply to their use in fractional betting, and is offered from all betting terminals including telephone, on-line, GPRS, and other technology facilitated betting.

**3.3. Method of purchase**

Subject to the provisions of Rule 4.2 the following units shall apply: Pick 4 (jackpot), Pick 6, Place Accumulator, Trifecta, Quartet. **The Operator must ensure that the wagering system is capable of:**

- 3.3.1. Determining the value of the bet by multiplying the horse selection (i.e. number of bets) by the unit of betting for that particular bet type.
- 3.3.2. Comparing the amount of money wagered with the value of the bet at the unit of betting as in 3.3.1 above. The resultant percentage is then applied to the unit of betting and rounded down to the nearest cent, thus arriving at the fractional value of each bet unit purchased, i.e. the base unit of betting.
- 3.3.3. Multiplying this base unit of betting with the number of bets taken to determine actual cost of bet. This shall be rounded up to the nearest R0, 10.

- (5) Notwithstanding Rule 3.10, in this Rule, the words "payable places" mean those official places on which a bookmaker offers fixed odds for place betting.

- (8) If the number of horses involved in a dead heat is higher than the number of vacant places which are also payable places, the place bets shall be recalculated as follows -
  - (a) the stake amount will be divided by the number of horses involved in the dead heat and thereafter multiplied by the unfilled payable places; and

- (a) "starting price" bets shall be calculated and paid at the current price at the time the race is finally run;

- (c) "ante-post" bets shall stand.

**SECTION D****4. Betting Rules for sporting events (other than horseracing)****4.1. Application of this section**

- (1) In all betting relating to sports, other than horseracing, the Rules relating to betting on horses/contestants shall apply *mutatis mutandis* to all circumstances not covered by the provisions of this section.

### 4.3. Soccer (Football)

The following shall apply to soccer (football) –

- (2) In the event of extra time, a new market may be created.
- (3) Where a bet is struck "to win outright", "lift the cup" or "to progress" there shall be no betting on the draw, as extra time, golden-goal or penalties may be required to decide the outcome.
- (4) Betting odds shall be displayed on both teams as well as the draw.
- (5) The price on the home team should be displayed first and then the price on the away team or it must be clearly indicated which is the home team.
- (6) If a team plays a different opponent to that which is advertised, or if the venue of a match is the reverse of that displayed, or if the venue is changed to a neutral ground, all bets on that match shall become void. Multiple bets which include that match shall stand with that match being treated as void.
- (7)
  - (a) Where various betting opportunities are offered for the same match (e.g. correct score, first player to score, half-time or full-time result forecast) these cannot be combined in multiple bets where the outcome is related or where the result of one part of the bet contributes or assists in determining the outcome of another part of the bet. Where a multiple bet of this type has been accepted in error, it shall be settled by equally dividing the stake unit where the related outcomes clash; for example: Chelsea to win with the exact score 3-0 (10/1) and Chelsea to win in 90 minutes (1/1) is a related bet and therefore any bets placed on this double would be amended and the stake on the double split between the two individual bets; i.e. if R200 was placed on the double, the bet would be amended to read R100 on Chelsea to win 3-0 (1000/100) and R100 on Chelsea to win in 90 minutes (100/100).
  - (b) Where various betting opportunities are offered for the same tournament (e.g. pick the finalists, teams to or not to proceed to further stages of the tournament, a team to win a group) these cannot be combined in multiple bets where the outcome is related. When a multiple bet of this type has been accepted in error, it will be settled by equally dividing the stake unit where the related outcomes clash.
- (8)
  - (a) Should a match start and be abandoned prior to the completion of full time and an official result is declared by the governing association of the match or event within 24 hours, relevant bets will be determined on that result, notwithstanding any later changes to the result and/or error. However, in these circumstances, selections which are dependent upon the number of goals scored (including handicap bets) are void.
  - (b) If a soccer match is officially called off prior to its scheduled completion and an official match result is not declared by the relevant recognised governing body within 24 hours, selections not determined at the time the match is concluded are deemed void. This does not apply to bets already determined at the conclusion of the match (e.g. first goal scorer).
- (9)
  - (a) Settlement of "first or last player to score" bets shall be based on the goal scorer credited with the goal. Own goals do not count.

- (b) "First player to score" selections shall become void if the selected player does not take part or takes the field as a substitute after the first goal has been scored.
  - (c) If a match is abandoned "first player to score" bets will stand provided a goal has been scored.
  - (d) In "first goal scorer" bets and "any other goal scorer" bets, it means any player besides those quoted (having betting next to their name) in the event. Only players NOT quoted in this event will be taken into account for the "any other player" bets.
- (10) Selections on any matches that are postponed by more than 24 hours after the advertised date, or where there is a change of venue, shall become void.
  - (11) Selections are accepted up to kick-off time. Any bet inadvertently taken where the kick-off time was earlier than when the bet was accepted will be void.

(b) Where no clock is available to use, or the game is not on television, then all related bets will be settled according to the information published on the internet or by the Press Association.
  - (14) All "soccer specials" are offered as one bet and should any part of the special not be determined for whatever reason, then the whole bet is void as the option was offered as one bet (e.g. Ryan Giggs to score the first goal and Manchester United to win – if Giggs does not play then the bet is void).

#### **4.4. Athletics and Swimming**

For settlement purposes the podium position or medal ceremony will count as the official result.

#### **4.5. Boxing**

The following shall apply to boxing –

- (1) In the event of a contest being postponed for more than 24 hours or should there be a substitution for one of the boxers, all selections will be void.
- (2) A price may be offered for a draw and in the event of that occurring; bets on either boxer to win will be losing bets.
- (3) If either boxer fails to answer the bell, his opponent will be deemed to have won the contest in the previous round for betting purposes.
- (4) A points decision is effective on completion of the scheduled number of rounds. Where for any reason a points decision is awarded before the full number of rounds is completed, bets will be settled on the round in which the fight was stopped.
- (5) If for any reason the number of rounds scheduled is changed, all "round by round" selections will be void.
- (6) Notwithstanding Rule 4.2(c), where a boxer is disqualified by reason of technical infringement such a low-blow, eye-gouging and head butting, such boxer will be deemed to have lost and all bets shall stand.

  - (d) Bets on matches that are reduced in length but not abandoned, including "in-running" bets, will stand provided that the match has been completed and an official result declared. This applies whether the result is determined by the Duckworth/Lewis method or any other form of calculation used to determine the official result.
  - (e) All total runs bets on a single innings will stand regardless of how many overs have been bowled so long as an official result is declared.
  - (f) Bets will stand for all postponed matches so long as they are played within 24 hours. If there is a change of venue or team selection, selections will be declared void.
  - (g) When a match is tied –
    - (i) top batsman, bowler and total bets shall stand;
    - (ii) match selections are void unless tie betting is quoted.
  - (h) In "top batsman" and "top bowler" betting, and "runs scored by an individual batsman" or "wickets taken by individual bowlers" –
    - (i) selections on any player not in the starting eleven shall be void;
    - (ii) selections shall become void in a match where at least one ball has not been bowled to both sides;
    - (iii) top batsman and bowler bets will stand so long as the player is picked to play in the match irrespective of whether he bats/bowls or not and such players will be deemed to have scored zero runs and taken zero wickets respectively;
    - (iv) head to head bets in this sub Rule require at least one ball to have been bowled and a minimum of 25 overs to have been bowled or the relevant innings to have been completed to stand. In the event of a tie, head to head selections will be void;
    - (v) selections on an individual batsman's runs will be void if he does not face at least one ball;
    - (vi) dead-heat Rules apply for "top batsman/bowler" and "catches" betting;

- (c) If a match is officially abandoned due to outside interference and no official result is declared, then undecided selections on the match are void.
- (d) In the event of a tie, i.e: both teams have completed two innings each and have the same score, dead-heat Rules will apply, and bets on the draw will be losing bets.
- (3) Series betting: test or one day
  - (a) Selections are void if the designated number of matches in the series is not completed, unless a sufficient number of matches have been played to determine the series.
  - (b) Correct score selections shall become void if the stipulated number of matches is not played.
- (4) Tournament or Series
 

In a tournament or series, where a bet on an outright winner has been taken and the trophy is shared due to a tie or a no result, dead-heat Rules apply. However, selections on a team to win a final are void if the match ends in a tie.

#### **4.7. Golf**

The following shall apply to golf -

- (1) (a) Where a tournament which is scheduled for 72 holes and play is abandoned for any reason, all selections on the outcome of the tournament are void, unless an official result is declared by the relevant recognised governing body within 48 hours.

- (2) Where a tournament is suspended by the recognised governing body and no official result declared under circumstances where the balance of the tournament is intended to be rescheduled, all bets not yet determined are to be held in trust by the bookmaker until a result is declared by the relevant recognised governing body. In these circumstances, if a result is not declared within 7 days of the original scheduled commencement date; all selections not yet determined are deemed void.
- (3) (a) All outright bets are settled on the player who wins the trophy and any play-off holes will be taken into account when determining the winner of a tournament.
- (b) In the case of place bets where there is a tie after completion of the predetermined number of holes subject to Rule 4.7 (1) and 4.7 (2) herein), the revised payout payable shall be calculated by the following method:
  - (i) divide the face value of the sports bet (the original payout and the original stake) by the number of competitors involved in the tie, draw or dead-heat, then
  - (ii) multiply the figure obtained in (i) by the number of official placings to be filled by the competitors involved in the tie, draw or dead-heat.

**Example 1:**

Tiger Woods wins a tournament, Ernie Els comes 2nd and Adam Scott, Retief Goosen, Vijay Singh and Michael Campbell finish in a tie for 3rd **place**. If you have selected Scott to finish in the placings at 5/1 and you wagered 1000/200, the original payout of 1000 would be divided by 4 leaving the face value of the bet at 250/50. The official placings filled by the competitors who have tied is 2 (assuming you are paying the top 4 places), viz: 3rd and 4th place, so the bet would become 500/100.

**Example 2:**

Woods wins a tournament, Els and Scott tie for 2nd, Goosen, Singh, Campbell and Garcia tie for 4th. Your wager is 2000/500 on Garcia to finish in the top 4. Your bet would be 500/125.

If a player is not eligible to do so (even if the Rules for the cut have been changed during the tournament) that player is deemed to have missed the cut.
- (7) The following applies to tournament group betting -
  - (a) selections shall become void on any player in that group who fails to start the tournament and deduction Rules applicable to horseracing as contemplated in Rule 3.4, shall apply on the remaining players in that group; and

  - (b) and if either player fails to take any part in the tournament, or if the specific round is abandoned, selections on that match shall become void; and
  - (c) play-off holes do not count; unless the bet was made specifically to exclude the tie; i.e. one player to win outright against another in the tournament match betting scenario.
- (9) The following applies to two, three and four balls matches:

- (a) All bets are settled on the lowest single round score over the specified 18 holes play and all 18 holes must be completed.
- (b) If a player starts a round but fails to complete it, all bets on that player will be deemed losers regardless of score.
- (c) All selections shall become void if the specified round is abandoned or if any one of the players fails to start the round.
- (d) Dead-heat Rules applicable to horse racing shall apply for three and four balls if more than one player achieves the lowest score, unless a tie is quoted.

- (f) In the event of a player listed in a three or four-ball withdrawing before the event has started all selections on that specific three or four ball are void.
- (g) If for any reason a player withdraws or is disqualified during the tournament after he has teed off (i.e. played one stroke), all bets will stand on that three or four ball.
- (h) If 2 or 3 players are tied on the same score they will be settled as a dead heat for betting purposes, unless they are involved in a playoff, where the winner of the three or four ball is the golfer with the lowest finishing score. If all three or four golfers miss the cut the player with the lowest score will be deemed the winner.
