A. L. KIMMIE

Acting Provincial Secretary: Northern Cape Legislature

MEMORANDUM ON THE OBJECTS OF THE NORTHERN CAPE DETERMINATION OF TYPES OF MUNICIPALITIES AND REGULATION OF PRIVILEGES AND IMMUNITIES OF COUNCIL MEMBERS BILL, 2000

National legislation enables Provinces to pass legislation that would empower them to determine the types of municipality that may be established for each category of municipality in their respective provinces. Such enabling Acts are the Constitution of the Republic of South Africa Act, 1996 (Act 108 of 1996) and the Local Government: Municipal Structures Act, 1998 (Act 117 of 1998). The latter Act further enables provincial legislatures to legislate on matters pertaining to the privilege and immunity of members of municipal councils.

Such provincial legislation must be enacted in accordance with the national framework.

PREAMBLE

The preamble to the Bill re-emphasises the specific legal provisions by virtue of which this provincial legislation is enacted as well as the fact that such legislation must be enacted in accordance with the national framework.

SECTION 1—DEFINITIONS

In view of the fact that this Bill is based on National Legislation which already defines most of the words, expressions and phrases used herein, it suffices to say that the meanings assigned to those words, expressions and phrases shall be applicable to this Bill. The National Legislation referred to in this instance is the Local Government: Municipal Structures Act, 1998.

SECTION 2

This section provides that the establishment of a municipality shall be the sole domain of the MEC for local government, who shall act in terms of the Local Government: Municipal Structures Act.

SECTION 3

This section sets out the different types of municipality that may be established in the province, under Category B Municipality.

SECTION 4

This section sets out the different types of municipalities that may be established under Category C Municipality.

SECTION 5 AND 6

The section defines the confines within which the MEC for Local Government is empowered to act in the exercise of his powers in establishing, re-establishing the types of municipality and amending or repealing notices for such establishments and re-establishments of municipality.

SECTION 7

The section sets out the circumstances under which members of a municipal council shall enjoy privileges and immunities regarding freedom of speech as well as civil and criminal liability.

SECTION 8

The section gives the title of the Act (when it is eventually passed) as well as date when it shall come into operation.

BILL

To provide for the determination of the different types of municipalities that may be established for each category of municipality in the Province of the Northern Cape; to regulate the privileges and immunities of members of municipal councils; and to provide for incidental matters thereto.

PREAMBLE

Whereas section 155(1) of the Constitution defines the different categories of municipalities that may be established;

And whereas section 155(2) of the Constitution requires national legislation to define the different types of municipalities that may be established within each category of municipality;

And whereas Part 2 of Chapter 1 of the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998), in compliance with section 155(2) of the Constitution, has defined the different types of municipalities that may be established within each category of municipality;

And whereas section 155(5) of the Constitution requires provincial legislation to determine which of the defined types of municipalities may be established in the province;

And whereas section 161 of the Constitution, 1996, requires provincial legislation within the framework of national legislation to provide for privileges and immunities of Municipal Councils and their members;

And whereas section 28(1) of the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998), provides for such national framework legislation in respect of privileges and immunities of Municipal Councils and their members within which a provincial legislature must legislate;
