**2.** (1) Appropriations of money by the Provincial Parliament from the Provincial Revenue Fund for the requirements of the Province in the 2013/14 financial year, to votes and main divisions within a vote, and for the specific listed purposes, are set out 10 in the Schedule.

(2) The spending of appropriations contemplated in subsection (1) is subject to this Act and the Public Finance Management Act.

### Amounts specifically and exclusively appropriated

**3.** Amounts listed in the Schedule as specifically and exclusively appropriated and 15 which refer to—

- (a) national conditional grants, may be used only for the purpose stipulated in the Division of Revenue Act and in accordance with the framework certified in terms of that Act; and
- (b) earmarked allocations, may be used only for the purpose stipulated in the 20 Schedule and in accordance with the framework published in terms of section 4 of this Act.

### Earmarked allocations and frameworks

**4.** (1) Earmarked allocations to provincial departments are described in column 2 of the Schedule.

(2) The Provincial Treasury must, within 14 days of the commencement of this Act, publish in the *Provincial Gazette* a framework for each earmarked allocation.

(3) The framework—

- (a) must prescribe comprehensive reporting on outputs for a programme or function funded or partially funded by each allocation, except where such comprehensive reporting is already required in terms of other legislation; and
- (b) may further prescribe measures in respect of an allocation to ensure transparency, accountability and expenditure control.

(4) Subject to subsection (5), the Provincial Treasury may at any time, after consultation with or at the written request of a provincial department, revise or amend 35 a framework published in terms of this section.

(5) The Provincial Treasury must publish in the *Provincial Gazette* any revision or amendment of a framework published in terms of subsection (2) and—

- (a) any revision or amendment of an earmarked allocation; and
- (b) any re-allocations by the Provincial Treasury referred to in section 5(3), 40 authorised by an adjustments budget in terms of the Public Finance Management Act.

### Withholding or stopping of earmarked allocations

**5.** (1) The Provincial Treasury may withhold or stop the transfer of funds in respect of an earmarked allocation to a provincial department if that department, or any other recipient organ of state for which that department is responsible, is in serious or 45 persistent material breach of the measures in respect of the earmarked allocation contemplated in section 4(3) of this Act.

(2) The Provincial Treasury must, before withholding an earmarked allocation in terms of subsection (1), give the relevant provincial department—

- (a) written notice of the intention to withhold the earmarked allocation; and
- (b) an opportunity to submit written representations as to why the earmarked allocation should not be withheld.

50

(3) The Provincial Treasury may, where it stops an earmarked allocation in terms of this section, after consultation with any relevant provincial department, provide in an adjustments budget that a part of the earmarked allocation that is not spent be re-allocated to any other provincial department.

(4) The Provincial Treasury must, where it stops an earmarked allocation in terms of this section, publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*. 5

### **Withholding of conditional allocations**

**6.** (1) A transferring provincial officer may withhold the transfer to a municipality of a conditional allocation or any part of such an allocation for a period not exceeding 30 days if— 10

- (a) the municipality does not comply with conditions to which the allocation is subject in terms of the framework concerned; or
- (b) expenditure on previous transfers during the municipal financial year reflects significant under-spending, for which no satisfactory explanation is given. 15

(2) A transferring provincial officer must, at least seven days, or the shorter period approved by the Provincial Treasury, before withholding an allocation in terms of subsection (1)—

- (a) give the municipality concerned—
  - (i) written notice of the intention to withhold the allocation; and 20
  - (ii) an opportunity to submit written representations, within those seven days or that shorter period, as to why the allocation should not be withheld; and
- (b) inform the Provincial Treasury and the provincial department responsible for local government of its intention to withhold the allocation. 25

(3) A notice contemplated in subsection (2) must include the reasons for withholding the allocation and the intended duration of the withholding.

(4)(a) The Provincial Treasury may, when a transferring provincial officer is withholding an allocation in terms of subsection (1), instruct that officer, or approve a request from that officer, to withhold the allocation for a period longer than 30 days, but not exceeding 120 days, if the withholding— 30

- (i) facilitates compliance with the conditions to which the allocation is subject; or
- (ii) minimises the risk of under-spending.

(b) A transferring provincial officer must, when requesting the withholding of an allocation as contemplated in paragraph (a), provide the Provincial Treasury with proof of compliance with subsection (2) and a copy of any representations received from the municipality concerned. 35

(c) The transferring provincial officer must again comply with subsection (2) when the Provincial Treasury instructs, or approves a request for, the withholding of an allocation in terms of paragraph (a). 40

### **Stopping of conditional allocations**

**7.** (1) Despite section 6, the Provincial Treasury may, in its discretion or at the request of a transferring provincial officer, stop the transfer of a conditional allocation or any part of such an allocation to a municipality— 45

- (a) on the grounds of persistent and material non-compliance with conditions to which the allocation is subject in terms of the framework concerned; or
- (b) if the Provincial Treasury anticipates that the municipality will substantially under-spend on the programme or allocation concerned in the current municipal financial year. 50

(2) The Provincial Treasury must, before stopping an allocation in terms of this section—

- (a) give the municipality concerned—
  - (i) 21 days' written notice of the intention to stop the allocation; and
  - (ii) an opportunity to submit written representations within those 21 days as to why the transfer of the allocation or part thereof should not be stopped; and
- (b) consult the Provincial Minister responsible for the provincial department that transfers the conditional allocation. 55

(3) The Provincial Treasury must, where it stops an allocation in terms of subsection (1), publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*.

(4) The Provincial Minister responsible for finance must report the stopping of the allocation to—

- (a) the Auditor-General; and
- (b) the Provincial Parliament at the tabling of the next appropriation legislation in the Provincial Parliament.

#### **Re-allocation after stopping of allocation to municipality**

8. The Provincial Treasury may, where it stops an allocation in terms of section 7, 10 after consultation with the transferring provincial officer and subject to the Division of Revenue Act, determine that the allocation or any part thereof be re-allocated to one or more municipalities on condition that the allocation must be spent in the current or the next municipal financial year.

#### **Transfers made in error**

15

9. (1) The transfer of an allocation to a municipality in error is regarded as not legally due to that municipality.

(2) A transfer contemplated in subsection (1) must be recovered, without delay, by the responsible transferring provincial officer.

(3) Despite subsection (2), the Provincial Treasury may instruct that the recovery 20 contemplated in subsection (2) be effected by set-off against future transfers due to the municipality.

#### **Unspent conditional allocations**

10. (1) Subject to the Public Finance Management Act, the Local Government: Municipal Finance Management Act, 2003, and the Division of Revenue Act, any 25 conditional allocation, that is not spent by the municipality at the end of a municipal financial year, reverts to the Provincial Revenue Fund, unless the relevant receiving municipal officer can prove to the satisfaction of the Provincial Treasury and the transferring provincial officer that the unspent allocation is committed to identifiable projects.

30

(2) The Provincial Treasury may, at the request of a transferring provincial officer or a municipality, approve that the conditional allocation be retained by the municipality to be spent in the next municipal financial year.

(3) Any funds which must revert to the Provincial Revenue Fund in terms of subsection (1), and which have not been approved by the Provincial Treasury to be 35 retained in terms of subsection (2), must be repaid by the municipality to the Provincial Revenue Fund.

35

(4) The Provincial Treasury, in accordance with subsection (5), may offset any funds which must be repaid to the Provincial Revenue Fund in terms of subsections (1) and (3), but which have not been repaid, against future conditional allocations to that 40 municipality.

40

(5) Prior to the Provincial Treasury setting-off any amounts against conditional allocations to municipalities in terms of subsection (4), the Provincial Treasury must give the relevant transferring provincial officer, and receiving municipal officer—

- (a) written notice of the intention to offset amounts against upcoming advances 45 for conditional allocations; and

- (b) an opportunity, within 14 days of receipt of the notice referred to in paragraph (a), to—

- (i) submit written representations that prove to the satisfaction of the Provincial Treasury that the unspent conditional allocation was either spent in accordance with the relevant framework, or is committed to identifiable projects;

- (ii) propose alternative means acceptable to the Provincial Treasury by which the unspent conditional allocations can be repaid to the Provincial Revenue Fund; and

55

(iii) propose an alternative payment arrangement in terms of which the unspent conditional allocations will be repaid to the Provincial Revenue Fund.

(6) A notice contemplated in subsection (5)(a) must include the intended amount to be offset against allocations, and the reasons for offsetting the amounts. 5
