ACT

To achieve universal access to quality health care services in the Republic in accordance with section 27 of the [Constitution](#); to establish a National Health Insurance Fund and to set out its powers, functions and governance structures; to provide a framework for the strategic purchasing of health care services by the Fund on behalf of users; to create mechanisms for the equitable, effective and efficient utilisation of the resources of the Fund to meet the health needs of the population; to preclude or limit undesirable, unethical and unlawful practices in relation to the Fund and its users; and to provide for matters connected herewith.

RECOGNISING—

- the socio-economic injustices, imbalances and inequities of the past;
- the need to heal the divisions of the past and to establish a society based on democratic values, social justice and fundamental human rights; and
- the need to improve the quality of life of all citizens and to free the potential of each person;

BEARING IN MIND THAT—

- article 12 of the United Nations Covenant on Economic, Social and Cultural Rights, 1966, provides for the right of everyone to the enjoyment of the highest attainable standard of physical and mental health;
- article 16 of the African Charter on Human and People's Rights, 1981, provides for the right to enjoy the best attainable state of physical and mental health, and requires States Parties to take the necessary measures to protect the health of their people and to ensure that they receive medical attention when they are sick;
- the rights to equality and human dignity are enshrined in the [Constitution](#) in sections 9 and 10, respectively;
- the right to bodily and psychological integrity is entrenched in section 12(2) of the [Constitution](#);
- in terms of section 27(1)(a) of the [Constitution](#) everyone has the right to have access to health care services, including reproductive health care;
- in terms of section 27(2) of the [Constitution](#) the State must take reasonable legislative and other measures, within its available resources, to achieve the progressive realisation of the right of access to health care services;
- in terms of section 27(3) of the [Constitution](#) no one may be refused emergency medical treatment; and
- section 28(1)(c) of the [Constitution](#) provides that every child has the right to basic health care services;

AND IN ORDER TO—

- achieve the progressive realisation of the right of access to quality personal health care services;
- make progress towards achieving Universal Health Coverage;
- ensure financial protection from the costs of health care and provide access to quality health care services by pooling public revenue in order to actively and strategically purchase health care services based on the principles of universality and social solidarity;
- create a single framework throughout the Republic for the public funding and public purchasing of health care services, medicines, health goods and health related products, and to eliminate the fragmentation of health care funding in the Republic;
- promote sustainable, equitable, appropriate, efficient and effective public funding for the purchasing of health care services and the procurement of medicines, health goods and health related products from service providers within the context of the national health system; and
- ensure continuity and portability of financing and services throughout the Republic,

BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows:—

Chapter 1

Purpose and application of Act

2. Purpose of Act

The purpose of this Act is to establish and maintain a National Health Insurance Fund in the Republic funded through mandatory prepayment that aims to achieve sustainable and affordable universal access to quality health care services by—

- (a) serving as the single purchaser and single payer of health care services in order to ensure the equitable and fair distribution and use of health care services;
- (b) ensuring the sustainability of funding for health care services within the Republic; and
- (c) providing for equity and efficiency in funding by pooling of funds and strategic purchasing of health care services, medicines, health goods and health related products from accredited and contracted health care service providers.

3. Application of Act

- (1) This Act applies to all health establishments, excluding military health services and establishments.
- (2) This Act does not apply to members of—
 - (a) the National Defence Force; and
 - (b) the State Security Agency.
- (3) If any conflict, relating to the matters dealt with in this Act, arises between this Act and the provisions of any other law, except the [Constitution](#) and the Public Finance Management Act or any Act expressly amending this Act, the provisions of this Act prevail.
- (4) The Act does not in any way amend, change or affect the funding and functions of any organs of state in respect of health care services until legislation contemplated in sections 77 and 214, read with section [227](#), of the [Constitution](#) and any other relevant legislation have been enacted or amended.
- (5) The Fund is exempt from the Competition Act, 1998 ([Act No. 89 of 1998](#)), to enable it to fulfil its mandate as a single purchaser and single payer as contemplated in section 2.

Chapter 2

Access to health care services

4. Population coverage

- (1) The Fund, in consultation with the Minister, must purchase health care services, determined by the Benefits Advisory Committee, on behalf of—
 - (a) South African citizens;
 - (b) permanent residents;
 - (c) refugees;

- (d) inmates as provided for in section 12 of the Correctional Services Act, 1998 ([Act No. 111 of 1998](#)); and
 - (e) certain categories or individual foreigners determined by the Minister of Home Affairs, after consultation with the Minister and the Minister of Finance, by notice in the *Gazette*.
- (2) An asylum seeker or illegal foreigner is only entitled to—
- (a) emergency medical services; and
 - (b) services for notifiable conditions of public health concern.
- (3) All children, including children of asylum seekers or illegal foreigners, are entitled to basic health care services as provided for in section [28\(1\)\(c\)](#) of the [Constitution](#).
- (4) A person seeking health care services from an accredited health care service provider or health establishment must be registered as a user of the Fund as provided for in section [5](#), and must present proof of identity to the health care service provider or health establishment in order to secure the health care service benefits to which he or she is entitled.
- (5) A foreigner visiting the Republic for any purpose—
- (a) must have travel insurance to receive health care services under their relevant travel insurance contract or policy; and
 - (b) who does not have travel insurance contract or policy referred to in paragraph [\(a\)](#), has the right to health care services as contemplated in subsection [\(2\)](#).

5. Registration as users

- (1) A person who is eligible to receive health care services in accordance with section [4](#) must register as a user with the Fund at an accredited health care service provider or health establishment.
- (2) (a) A person as contemplated in subsection [\(1\)](#), must register his or her child as a user with the Fund at an accredited health care service provider or health establishment.
- (b) A child born to a user must be regarded as having been registered automatically at birth.
- (3) A person between 12 and 18 years of age may apply for registration as a user if he or she is not registered as a user in terms of subsection [\(2\)](#).
- (4) (a) A supervising adult as contemplated in section [137\(3\)](#) of the Children's Act, 2005 ([Act No. 38 of 2005](#)), must register a child in the child-headed household concerned.
- (b) If no adult has been designated in terms of section [137\(3\)](#) of the Children's Act, 2005 ([Act No. 38 of 2005](#)), any employee of an accredited health care service provider or health establishment must assist the child to be so registered.
- (5) When applying for registration as a user, the person concerned must provide his or her biometrics and such other information as may be prescribed, including fingerprints, photographs, proof of habitual place of residence and—
- (a) an identity card as defined in the Identification Act, 1997 ([Act No. 68 of 1997](#));
 - (b) an original birth certificate; or
 - (c) a refugee identity card issued in terms of the Refugees Act.
- (6) The Minister, in consultation with the Minister of Home Affairs, may prescribe any further requirements for registration of foreigners contemplated in section [4\(1\)\(e\)](#).
- (7) Accredited health establishments whose particulars are published by the Minister in the *Gazette* must, on behalf of the Fund, maintain a register of all users containing such details as may be prescribed.

- (8) A person seeking health care services purchased for his or her benefit by the Fund from an accredited health care service provider or health establishment must be registered as a user and present proof of identity to that health care service provider or health establishment when seeking those health care services.

6. Rights of users

Without derogating from any other right or entitlement granted under this Act or under any other law, a user of health care services purchased by the Fund is entitled—

- (a) to receive necessary quality health care services free at the point of care from an accredited health care service provider or health establishment upon proof of identity with the Fund;
- (b) to information relating to the Fund and health care service benefits available to users;
- (c) to access any information or records relating to his or her health kept by the Fund, as provided for in the Promotion of Access to Information Act, in order to exercise or protect his or her rights;
- (d) not to be refused access to health care services on unreasonable grounds;
- (e) not to be unfairly discriminated against as provided for in the [Constitution](#) and the Promotion of Equality and Prevention of Unfair Discrimination Act, 2000 ([Act No. 4 of 2000](#));
- (f) to access health care services within a reasonable time period;
- (g) to be treated with a professional standard of care;
- (h) to make reasonable decisions about his or her health care;
- (i) to submit a complaint in accordance with section [42](#) regarding—
 - (i) poor access to or quality of health care services; or
 - (ii) fraud or other abuses by a health care service provider, a health establishment, a supplier or the Fund;
- (j) to request written reasons for decisions of the Fund;
- (k) to lodge an appeal against a decision of the Fund in accordance with section [43](#);
- (l) to institute proceedings for the judicial review of any decision of the Appeal Tribunal;
- (m) to the protection of his or her rights to privacy and confidentiality, in accordance with the Protection of Personal Information Act, 2013 ([Act No. 4 of 2013](#)), in so far as he or she must grant written approval for the disclosure of personal information in the possession of or accessible to the Fund, unless the information—
 - (i) is shared among health care service providers for the lawful purpose of serving the interests of users; or
 - (ii) is utilised by the Fund for any other lawful purpose related or incidental to the functions of the Fund;
- (n) to have access to information on the funding of health care services in the Republic; and
- (o) to purchase health care services that are not covered by the Fund through a complementary voluntary medical insurance scheme registered in terms of the Medical Schemes Act, private insurance covering an international traveller with a short-term, work or student visa or out of pocket payments, as the case may be.

7. Health care services coverage

- (1) Subject to the provisions of this Act, the Fund, in consultation with the Minister, must purchase health care services, determined by the Benefits Advisory Committee, for the benefit of users.

- (2) Subject to subsection (4)—
- (a) a user must receive the health care services that he or she is entitled to under this Act from a health care service provider or health establishment at which the user had registered for the purposes of receiving those health care services;
 - (b) should a user be unable to access the health care service provider or health establishment with whom or at which the user is registered in terms of section 5, such portability of health services as may be prescribed must be available to that user;
 - (c) should a health care service provider or health establishment contemplated in paragraph (a) or (b) not be able to provide the necessary health care services, the health care service provider or health establishment in question must transfer the user concerned to another appropriate health care service provider or health establishment that is capable of providing the necessary health care services in such manner and on such terms as may be prescribed;
 - (d) a user—
 - (i) must first access health care services at a primary health care level as the entry into the health system;
 - (ii) must adhere to the referral pathways prescribed for health care service providers or health establishments; and
 - (iii) is not entitled to health care services purchased by the Fund if he or she fails to adhere to the prescribed referral pathways;
 - (e) the Fund must enter into contracts with accredited health care service providers and health establishments at primary health care and hospital level based on the health needs of users and in accordance with referral pathways; and
 - (f) in order to ensure the seamless provision of health care services at the hospital level—
 - (i) the Minister must request the Minister of Public Service and Administration to consider and assist in the establishment of central hospitals as national government components in accordance with section 7(5) of the Public Service Act, 1994 ([Proclamation No. 103 of 1994](#));
 - (ii) where central hospitals are not established as national government components, the Minister must establish or designate central hospitals as organs of state in an appropriate form;
 - (iii) the administration, management, budgeting and governance of central hospitals must be made a competence of national government;
 - (iv) the management of central hospitals must be semi-autonomous with certain decision-making powers, including control over financial management, human resource management, minor infrastructure, technology, planning and full revenue retention delegated by the national government; and
 - (v) central hospitals must establish cost centres responsible for managing business activities and determine the cost drivers at the level where the activities are directed and controlled.
- (3) For the purpose of subsection (2)(b), “portability of health care services”, in respect of a user, means the ability of a user to access health care services by an accredited health care service provider or at an accredited health establishment other than by the health care services provider or at the health establishment with whom or at which that user is registered in terms of section 5.
- (4) Treatment must not be funded if a health care service provider demonstrates that—
- (a) no medical necessity exists for the health care service in question;

- (b) no cost-effective intervention exists for the health care service as determined by a health technology assessment; or
 - (c) the health care product or treatment is not included in the Formulary, except in circumstances where a complementary list has been approved by the Minister.
- (5) If the Fund refuses to fund a health care service, the Fund must—
- (a) provide the user concerned with a notice of the refusal;
 - (b) provide the user with a reasonable opportunity to make representations in respect of such a refusal;
 - (c) consider the representations made in respect of paragraph (b); and
 - (d) provide adequate reasons for the decision to refuse the health care service to the user.
- (6) A user who is dissatisfied with the reasons for the decision contemplated in subsection (5)(d) may lodge an appeal in terms of section 43.

8. Cost coverage

- (1) A user of the Fund is entitled to receive the health care services purchased on his or her behalf by the Fund from an accredited health care service provider or health establishment free at the point of care.
- (2) A person or user, as the case may be, must pay for health care services rendered directly or through a voluntary medical insurance scheme registered under the Medical Schemes Act or through a private insurance covering an international traveller with a short-term, work or student visa or out of pocket payment, if that person or user—
- (a) is not entitled to health care services purchased by the Fund in terms of this Act;
 - (b) seeks services that are not deemed medically necessary by the Benefits Advisory Committee;
 - (c) seeks services that are not covered by the Fund as prescribed; or
 - (d) seeks services that are not included in the comprehensive health care services as advised by the Benefits Advisory Committee.

Chapter 3 National Health Insurance Fund

9. Establishment of Fund

The National Health Insurance Fund is hereby established as an autonomous public entity, as contained in Schedule 3A to the Public Finance Management Act.

10. Functions of Fund

- (1) To achieve the purpose of this Act, the Fund must—
- (a) take all reasonably necessary steps to achieve the objectives of the Fund and the attainment of universal health coverage as outlined in section 2;
 - (b) pool the allocated resources in order to actively purchase and procure health care services, medicines, health goods and health related products from health care service providers, health establishments and suppliers that are certified and accredited in accordance with the provisions of this Act, the National Health Act and the Public Finance Management Act;

- (c) purchase health care services on behalf of users as advised by the Benefits Advisory Committee;
 - (d) enter into contracts with accredited health care service providers based on the health care needs of users;
 - (e) prioritise the timely reimbursement of health care services to achieve equity;
 - (f) establish mechanisms and issue directives for the regular, appropriate and timeous payment of health care service providers, health establishments and suppliers;
 - (g) determine payment rates annually for health care service providers, health establishments and suppliers in the prescribed manner and in accordance with the provisions of this Act;
 - (h) take measures to ensure that the funding of health care services is appropriate and consistent with the concepts of primary, secondary, tertiary and quaternary levels of health care services;
 - (i) collate utilisation data and implement information management systems to assist in monitoring the quality and standard of health care services, medicines, health goods and health related products purchased by the Fund;
 - (j) develop and maintain a service and performance profile of all accredited and contracted health care service providers, health establishments and suppliers;
 - (k) ensure that health care service providers, health establishments and suppliers are paid in accordance with the quality and value of the service provided at every level of care;
 - (l) monitor the registration, license or accreditation status, as the case may be, of health care service providers, health establishments and suppliers;
 - (m) account to the Minister on the performance of its functions and the exercise of its powers;
 - (n) undertake internal audit and risk management;
 - (o) undertake research, monitoring and evaluation of the impact of the Fund on national health outcomes;
 - (p) liaise and exchange information with the Department, statutory professional councils, other government departments and organs of state as and when appropriate or necessary in order to achieve the purpose outlined in section 2;
 - (q) maintain a national database on the demographic and epidemiological profile of the population;
 - (r) protect the rights and interests of users of the Fund;
 - (s) enforce compliance with this Act;
 - (t) take any other action or steps which are incidental to the performance of the functions or the exercise of the powers of the Fund; and
 - (u) operate in accordance with the provisions of this Act and other applicable law at all times.
- (2) The Fund must perform its functions in the most cost-effective and efficient manner possible and in accordance with the values and principles mentioned in section 195 of the [Constitution](#) and the provisions of the Public Finance Management Act.
- (3) The Fund performs its functions in accordance with health policies approved by the Minister.
- (4) The Fund must support the Minister in fulfilling his or her obligation to protect, promote, improve and maintain the health of the population as provided for in section 3 of the National Health Act.

11. Powers of Fund

- (1) In order to achieve the purpose of the Act and to perform the functions contemplated in section 10, the Fund may—
 - (a) employ personnel and must comply with all applicable labour laws;
 - (b) purchase or otherwise acquire goods, equipment, land, buildings, and any other kind of movable and immovable property;
 - (c) sell, lease, mortgage, encumber, dispose of, exchange, cultivate, develop, build upon or improve, or in any other manner manage its property;
 - (d) in the prescribed manner and subject to national legislation, invest any money not immediately required for the conduct of its business and realise, alter or reinvest such investments or otherwise manage such funds or investments;
 - (e) draw, draft, accept, endorse, discount, sign and issue promissory notes, bills and other negotiable or transferable instruments, excluding share certificates;
 - (f) insure itself against any loss, damage, risk or liability which it may suffer or incur;
 - (g) improve access to, and the funding, purchasing and procurement of, health care services, medicines, health goods and health related products that are of a reasonable quality;
 - (h) investigate complaints against the Fund, health care service providers, health establishments or suppliers;
 - (i) identify, develop, promote and facilitate the implementation of best practices in respect of—
 - (i) the purchase of health care services and procurement of medicines, health goods and health related products on behalf of users;
 - (ii) payment of health care service providers, health workers, health establishments and suppliers;
 - (iii) facilitation of the efficient and equitable delivery of quality health care services to users;
 - (iv) receiving and collating all required data from health care service providers, health establishments and suppliers for the efficient running of the Fund;
 - (v) managing risks that the Fund is likely to encounter;
 - (vi) fraud prevention within the Fund and within the national health system;
 - (vii) the design of the health care service benefits to be purchased by the Fund, in consultation with the Minister; and
 - (viii) referral networks in respect of users, in consultation with the Minister;
 - (j) undertake or sponsor health research and appropriate programmes or projects designed to facilitate universal access to health care services;
 - (k) discourage and prevent corruption, fraud, unethical or unprofessional conduct or abuse of users or of the Fund;
 - (l) obtain from, or exchange information with, any other public entity or organ of state;
 - (m) conclude an agreement with any person for the performance of any particular act or particular work or the rendering of health care services in terms of this Act, and terminate such agreement, in accordance with the prescribed legal terms and conditions and the provisions of the [Constitution](#);

- (n) institute or defend legal proceedings and commence, conduct, defend or abandon legal proceedings as it deems fit in order to achieve its objects in accordance with this Act; and
 - (o) make recommendations to the Minister or advise him or her on any matter concerning the Fund, including the making of regulations in terms of this Act.
- (2) The Fund may enter into a contract for the procurement and supply of specific health care services, medicines, health goods and health related products with an accredited health care service provider, health establishment or supplier, and must—
- (a) purchase such services of sufficient quantity and quality to meet the needs of users;
 - (b) take all reasonable measures to ensure that there may be no interruption to supply for the duration of the contract;
 - (c) conduct its business in a manner that is consistent with the best interests of users;
 - (d) not conduct itself in a manner that contravenes this Act; and
 - (e) negotiate the lowest possible price for goods and health care services without compromising the interests of users or violating the provisions of this Act or any other applicable law.

Chapter 4 Board of Fund

12. Establishment of Board

A Board that is accountable to the Minister is hereby established to govern the Fund in accordance with the provisions of the Public Finance Management Act.

13. **Constitution** and composition of Board

- (1) The Board consists of not more than 11 persons—
 - (a) who broadly reflect the diversity of the Republic including in respect of age, race, gender and disability; and
 - (b) who are appointed by the Minister, one of whom represents the Minister on the Board.
- (2) Before the Board members contemplated in subsection (1) are appointed, the Minister must issue in the *Gazette* a call for the public nomination of candidates to serve on the Board.
- (3) An *ad hoc* advisory panel appointed by the Minister must—
 - (a) conduct public interviews of shortlisted candidates; and
 - (b) forward their recommendations to the Minister for approval by Cabinet.
- (4) The Minister must, within 30 days from the date of confirmation of the appointment of a Board member, give notice of the appointment in the *Gazette*.
- (5) A Board member is appointed for a term not exceeding five years, which is renewable only once, and must—
 - (a) be a fit and proper person;
 - (b) have appropriate technical expertise, skills and knowledge or experience in health care service financing, health economics, public health planning, monitoring and evaluation, law, actuarial sciences, information technology and communication;
 - (c) be able to perform effectively and in the interests of the general public;
 - (d) not be employed by the State; and

- (e) not have any personal or professional interest in the Fund or the health sector that would interfere with the performance in good faith of his or her duties as a Board member.
- (6) The Chief Executive Officer is an *ex officio* member of the Board, but may not vote at its meetings.
- (7) A Board member may resign by written notice to the Minister.
- (8) The Minister may remove a Board member if that person—
 - (a) is or becomes disqualified in terms of any law;
 - (b) fails to perform the functions of office in good faith, in the public interest and in accordance with applicable ethical and legal prescripts; or
 - (c) becomes unable to continue to perform the functions of office for any other reason.
- (9) The Minister may dissolve the Board only after an inquiry is conducted into the Board and Cabinet approves the dissolution.
- (10) When the Board is dissolved, the Minister—
 - (a) must appoint an interim Board to carry out the functions of the Board for a period not exceeding three months, subject to any conditions he or she may determine; and
 - (b) must, as soon as practicable but not later than three months from the day the Board is dissolved, appoint a Board in the manner contemplated in this section.
- (11) When a vacancy occurs at any time before the expiry of the term of office of a member of the Board, the Minister—
 - (a) must appoint any other person to carry out the functions of a Board member for a period not exceeding three months, subject to any conditions that the Minister may determine; and
 - (b) must, as soon as practicable but not later than three months from the day the vacancy occurs, appoint a member of the Board in the manner contemplated in this section.

14. Chairperson and Deputy Chairperson

- (1) The Minister must, after consultation with Cabinet, appoint a Chairperson from amongst the members of the Board as contemplated in section [13\(1\)](#).
- (2) The Board must appoint a Deputy Chairperson from amongst the members of the Board as contemplated in section [13\(1\)](#).
- (3) Whenever the Chairperson and Deputy Chairperson of the Board are absent or unable to fulfil the functions of the Chairperson, the members of the Board must designate any other member of the Board, to act as Chairperson of the Board during such absence or incapacity.

15. Functions and powers of Board

- (1) The Board must fulfil the functions of an accounting authority as required by the Public Finance Management Act and is accountable to the Minister.
- (2) The entire Board as appointed in terms of sections [13](#) and [14](#) must meet at least four times per year, excluding any special meetings and sub-committee meetings that may be called from time to time as is necessary.
- (3) The Board must advise the Minister on any matter concerning—
 - (a) the financial and administrative policies of the Fund;
 - (b) the development of comprehensive health care services to be funded by the Fund through the Benefits Advisory Committee;

- (c) the pricing of health care services to be purchased by the Fund through the Health Care Benefits Pricing Committee of the Board;
 - (d) the improvement of efficiency and performance of the Fund in terms of strategic purchasing and provision of health care services;
 - (e) terms and conditions of employment of Fund employees;
 - (f) collective bargaining;
 - (g) the budget of the Fund;
 - (h) the implementation of this Act and other relevant legislation; and
 - (i) overseeing the transition from when this legislation is enacted until the Fund is fully implemented.
- (4) For the purposes of subsection (1), the Board—
- (a) may examine and comment on any policies, investigate, evaluate and advise on any practices and decisions of the Fund or the Chief Executive Officer under this Act;
 - (b) is entitled to all relevant information concerning the administration of the Fund;
 - (c) may require—
 - (i) the Chief Executive Officer to submit a report concerning a matter on which the Board must give advice; or
 - (ii) any Fund employee to appear before it and give explanations concerning such a matter; and
 - (d) must inform the Minister of any advice it gives to the Chief Executive Officer.
- (5) The Board and Chief Executive Officer must meet with the Minister and the Director-General of the Department at least twice a year in order to exchange information necessary for the Board to carry out its responsibilities.

16. Conduct and disclosure of interests

- (1) A member of the Board may not engage in any paid employment that may conflict with the proper performance of his or her functions.
- (2) A member of the Board may not—
- (a) be a government employee or an employee of the Fund;
 - (b) attend, participate in, vote or influence the proceedings during a meeting of the Board or of a committee thereof if, in relation to the matter before the Board or committee, that member has an interest, including a financial interest, that precludes him or her from acting in a fair, unbiased and proper manner; or
 - (c) make private use of, or profit from, any confidential information obtained as a result of performing his or her functions as a member of the Board.
- (3) For purposes of subsection (2)(b), a "financial interest" means a direct or indirect material interest of a monetary nature, or to which a monetary value may be attributed.

17. Quorum, decisions and procedures

- (1) A majority of all the members of the Board constitutes a quorum for a meeting of the Board.

- (2) Any matter before the Board is decided by the votes of the majority of the members present at the meeting: Provided that—
 - (a) the members present constitute a quorum for a meeting of the Board; and
 - (b) the member presiding at the meeting must exercise a casting vote in addition to that member's vote as a member, if there is an equality of votes.
- (3) The Board must determine its own procedures in consultation with the Minister.

18. Remuneration and reimbursement

The Fund may remunerate a Board member and compensate him or her for expenses as determined by the Minister in consultation with the Minister of Finance and in line with the provisions of the Public Finance Management Act.

Chapter 5 Chief Executive Officer

19. Appointment

- (1) A Chief Executive Officer must be appointed on the basis of his or her experience and technical competence as the administrative head of the Fund in accordance with a transparent and competitive process.
- (2) The Board must—
 - (a) conduct interviews of shortlisted candidates; and
 - (b) forward their recommendation to the Minister for approval by Cabinet.
- (3) The Minister must, within 30 days from the date of approval by Cabinet of the appointment of the Chief Executive Officer, notify Parliament of the final appointment and give notice of the appointment in the *Gazette*.
- (4) A person appointed as Chief Executive Officer holds office—
 - (a) for an agreed term not exceeding five years, which is renewable only once; and
 - (b) subject to the directives and determinations of the Board in consultation with the Minister.
- (5) The Board may recommend to the Minister the removal of the Chief Executive Officer, after a fair hearing, if that person—
 - (a) is or becomes disqualified in terms of the law;
 - (b) fails to perform the functions of his or her office in good faith, in the public interest and in accordance with applicable ethical and legal prescripts; or
 - (c) becomes unable to continue to perform the functions of his or her office for any other reason.

20. Responsibilities

- (1) The Chief Executive Officer as administrative head of the Fund—
 - (a) is directly accountable to the Board;
 - (b) is responsible for the functions specifically designated by the Board;
 - (c) takes all decisions as contemplated in terms of subsection (6); and
 - (d) must report to the Board on a quarterly basis and to Parliament on an annual basis.

- (2) Subject to the direction and advice of the Board, the responsibilities of the Chief Executive Officer include the—
- (a) formation and development of an efficient Fund administration;
 - (b) organisation and control of the staff of the Fund;
 - (c) terms and conditions of employment of the staff of the Fund;
 - (d) collective bargaining relating to the staff of the Fund;
 - (e) maintenance of discipline within the Fund;
 - (f) effective deployment and utilisation of staff to achieve maximum operational results; and
 - (g) establishment of a Risk Management and Fraud Prevention Investigation unit within the national office of the Fund for the purposes of—
 - (i) investigating complaints of fraud, corruption, other criminal activity, unethical business practices and abuse relating to any matter affecting the Fund or users of the Fund; and
 - (ii) liaising with the District Health Management Office concerning any matter contemplated in subparagraph (i).
- (3) Subject to the direction of the Board, the Chief Executive Officer must establish the following units in order to ensure the efficient and effective functioning of the Fund:
- (a) Planning;
 - (b) Benefits Design;
 - (c) Provider Payment Mechanisms and Rates;
 - (d) Accreditation;
 - (e) Purchasing and Contracting;
 - (f) Provider Payment;
 - (g) Health Products Procurement;

- (4) Subject to the direction of the Board, the Chief Executive Officer is responsible for—
- (a) all income and expenditure of the Fund;
 - (b) all revenue received from the National Treasury established by section 5 of the Public Finance Management Act or obtained from any other source, as the case may be;
 - (c) all assets and the discharge of all liabilities of the Fund; and
 - (d) the proper and diligent implementation of financial matters of the Fund as provided for in the Public Finance Management Act.
- (5) The Chief Executive Officer must submit to the Board an annual report of the activities of the Fund during a financial year as outlined in section 51, which must include—
- (a) details of the financial performance of the Fund, as audited by the Auditor-General, including evidence of the proper and diligent implementation of the Public Finance Management Act;
 - (b) details of performance of the Fund in relation to ensuring access to quality health care services in line with the health care needs of the population;

- (c) the number of accredited and approved health care providers; and
 - (d) the health status of the population based on such requirements as may be prescribed.
- (6) The Chief Executive Officer must perform the functions of his or her office with diligence and as required by this Act and all other relevant law.

21. Relationship of Chief Executive Officer with Director-General and Office of Health Standards Compliance

- (1) The Chief Executive Officer and the Board must meet with the Director-General of the Department and the Chief Executive Officer of the Office of Health Standards Compliance at least four times per year in order to exchange information necessary for him or her to carry out his or her responsibilities.
- (2) Notwithstanding subsection (1) the Chief Executive Officer remains accountable to the Board.

22. Staff at executive management level

The Chief Executive Officer may not appoint or dismiss members of staff at executive management level without the prior written approval of the Board.

Chapter 6

Committees established by Board

23. Committees of Board

- (1) The Board may establish a committee and, subject to such conditions as it may impose, delegate or assign any of its powers or duties to a committee so established.
- (2) Each committee established in terms of subsection (1) must have at least one Board member appointed in term of section 13(1) as a member of that committee.
- (3) Committees of the Board as established in subsection (1) must meet at least four times per year in order to report to the meeting of the full Board and may convene special meetings to discuss urgent matters when necessary.
- (4) The Board may dissolve or reconstitute a committee on good cause shown.
- (5) A member of a committee contemplated in subsection (1) must—
 - (a) act in a way that is impartial and without fear, favour or prejudice;
 - (b) not expose himself or herself to any situation in which the risk of a conflict between his or her official responsibilities and private interests may arise; or
 - (c) not use his or her position or any information entrusted to him or her for self-enrichment or to improperly benefit any other person.

24. Technical committees

- (1)
 - (a) The Board may establish such number of technical committees as may be necessary to achieve the purpose of this Act.
 - (b) The provisions of section 29 apply to paragraph (a) with the changes required by the context.
- (2) A committee established in terms of subsection (1)(a) must perform its functions impartially and without fear, favour or prejudice.

- (3) A person appointed as a member of such a committee must—
 - (a) be a fit and proper person;
 - (b) have appropriate expertise or experience; and
 - (c) have the ability to perform effectively as a member of that committee.
- (4) A member of such a committee must not—
 - (a) act in any way that is inconsistent with subsection (2) or expose himself or herself to any situation in which the risk of a conflict between his or her official responsibilities and private interests may arise; or
 - (b) use his or her position, or any information entrusted to him or her, for self-enrichment or to improperly benefit any other person.
- (5) A member of a committee contemplated in subsection (1) must—
 - (a) act in a way that is impartial and without fear, favour or prejudice;
 - (b) not expose himself or herself to any situation in which the risk of a conflict between his or her official responsibilities and private interests may arise; or
 - (c) not use his or her position or any information entrusted to him or her for self-enrichment or to improperly benefit any other person.

Chapter 7

Advisory Committees established by Minister

25. Benefits Advisory Committee

- (1) The Minister must, after consultation with the Board and by notice in the *Gazette*, establish a committee to be known as the Benefits Advisory Committee as one of the advisory committees of the Fund.
- (2) The membership of the Benefits Advisory Committee, appointed by the Minister, must consist of persons with technical expertise in medicine, public health, health economics, epidemiology and the rights of patients, and one member must represent the Minister.
- (3) A person appointed in terms of subsection (2)—
 - (a) serves for a term of not more than five years and may be reappointed for one more term only; and
 - (b) ceases to be a member of the Committee when he or she resigns.
- (4) A vacancy in the Benefits Advisory Committee must be filled by the appointment of a person for the unexpired portion of the term of office of the member in whose place the person is appointed, and in the same manner in which the member was appointed in terms of subsection (2).
- (5) The Benefits Advisory Committee must determine and review—
 - (a) the health care service benefits and types of services to be reimbursed at each level of care at primary health care facilities and at district, regional and tertiary hospitals;
 - (b) detailed and cost-effective treatment guidelines that take into account the emergence of new technologies; and
 - (c) in consultation with the Minister and the Board, the health service benefits provided by the Fund.
- (6) The Minister must appoint the chairperson from amongst the members of the Committee.

- (7) The Minister must, by notice in the *Gazette*, publish the guidelines contemplated in subsection (5) (b) and may prescribe additional functions to the Benefits Advisory Committee.

26. Health Care Benefits Pricing Committee

- (1) The Minister must, after consultation with the Board and by notice in the *Gazette*, establish a Health Care Benefits Pricing Committee as one of the advisory committees of the Fund, consisting of not less than 16 and not more than 24 members.
- (2) The Health Care Benefits Pricing Committee consists of persons with expertise in actuarial science, medicines, epidemiology, health management, health economics, health financing, labour and rights of patients, and one member must represent the Minister.
- (3) The Committee must recommend the prices of health service benefits to the Fund.
- (4) The Minister must appoint the chairperson from amongst the members of the Committee.

27. Stakeholder Advisory Committee

The Minister must, after consultation with the Board and by notice in the *Gazette*, appoint a Stakeholder Advisory Committee comprised of representatives from the statutory health professions councils, health public entities, organised labour, civil society organisations, associations of health professionals and providers as well as patient advocacy groups in such a manner as may be prescribed.

28. Conduct and disclosure of interest

- (1) A person appointed as a member of a committee contemplated in this Chapter must—
- (a) be a fit and proper person;
 - (b) have appropriate expertise and experience; and
 - (c) have the ability to perform effectively as a member of that committee.
- (2) A member contemplated in subsection (1) must—
- (a) act in a way that is impartial and without fear, favour or prejudice;
 - (b) not expose himself or herself to any situation in which the risk of a conflict between his or her official responsibilities and private interests may arise; or
 - (c) not use his or her position or any information entrusted to him or her for self-enrichment or to improperly benefit any other person.
- (3) A member contemplated in subsection (1) who has a personal or financial interest in any matter in which such committee gives advice, must disclose that interest when that matter is discussed and be recused from the discussion.

29. Procedures and remuneration

When establishing a committee under this Chapter, the Minister must determine by notice in the *Gazette*—

- (a) its composition, functions and working procedures;
- (b) in consultation with the Minister of Finance, the terms, conditions, remuneration and allowances applicable to its members; and
- (c) any incidental matter relating to the committee.

30. Vacation of office

A member of a committee established in terms of this Act ceases to be a member if—

- (a) that person resigns from that committee;
- (b) the Minister terminates that person's membership for adequate reason; or
- (c) the term for which the member was appointed has expired and the membership has not been renewed.

Chapter 8 General provisions applicable to operation of Fund

31. Role of Minister

- (1) Without derogating from any responsibilities and powers conferred on him or her by the [Constitution](#), the National Health Act, this Act or any other applicable law, the Minister is responsible for—
 - (a) governance and stewardship of the national health system; and
 - (b) governance and stewardship of the Fund in terms of the provisions of this Act.
- (2) The Minister must clearly delineate in appropriate legislation the respective roles and responsibilities of the Fund and the national and provincial Departments, taking into consideration the [Constitution](#), this Act and the National Health Act, in order to prevent duplication of services and the wasting of resources and to ensure the equitable provision and financing of health services.

32. Role of Department

- (1) The functions of the Department are outlined in the National Health Act and the [Constitution](#), and include—
 - (a) issuing and promoting guidelines for norms and standards related to health matters;
 - (b) implementing human resources planning, development, production and management;
 - (c) co-ordinating health care services rendered by the Department with the health care services rendered by provinces, districts and municipalities, as well as providing such additional health services as may be necessary to establish an integrated and comprehensive national health system;
 - (d) planning the development of public and private hospitals, other health establishments and health agencies as contemplated in section [36](#) of the National Health Act; and
 - (e) integrating the annual health plans of the Department and the provincial and district health departments and submitting the integrated health plans to the National Health Council.
- (2) Subject to the transitional provisions provided for in section [57](#), the Minister may introduce in Parliament proposed amendments to the National Health Act for the purpose of centralising the funding of health care services as required by this Act, and in such cases the Minister may—
 - (a) delegate to provinces as management agents, for the purposes of provision of health care services, and in those cases the Fund must contract with sections within the province such as provincial tertiary, regional and emergency medical services;
 - (b) designate provincial tertiary and regional hospitals or groups of hospitals as autonomous legal entities accountable to the Minister through regulation; and

- (c) establish District Health Management Offices as government components to manage personal and non-personal health care services.
- (3) Without derogating from the [Constitution](#) or any other law, the functions of a provincial Department must be amended to comply with the purpose and provisions of this Act, subject to the provisions of section [57](#).

33. Role of medical schemes

Once National Health Insurance has been fully implemented as determined by the Minister through regulations in the *Gazette*, medical schemes may only offer complementary cover to services not reimbursable by the Fund.

34. National Health Information System

- (1) The Fund must contribute to the development and maintenance of the national health information system as contemplated in section [74](#) of the National Health Act through the Information Platform established in terms of section [40](#).
- (2) Subject to the provisions of the National Archives and Record Services of South Africa, 1996 ([Act No. 43 of 1996](#)), the Protection of Personal Information Act, 2013 ([Act No. 4 of 2013](#)), and the Promotion of Access to Information Act, 2000 ([Act No. 2 of 2000](#)), data must be accurate and accessible to the Department and the Fund, or to any other stakeholder legally entitled to such information.
- (3) Health workers, health care service providers and persons in charge of health establishments must comply with the provisions in the National Health Act relating to access to health records and the protection of health records.

35. Purchasing of health care services

- (1) The Fund must actively and strategically purchase health care services on behalf of users in accordance with need.
- (2) The Fund must reimburse payment directly to accredited and contracted central, provincial, regional, specialised and district hospitals based on a global budget or Diagnosis Related Groups.
- (3) Funds for primary health care services must be reimbursed directly to accredited and contracted primary health care service providers and health establishments at the sub-district level as outlined in section [37](#).
- (4)
 - (a) Facility-based emergency medical services provided by accredited and contracted public and private health care service providers must be reimbursed on a capped case-based fee basis with adjustments made for case severity, where necessary.
 - (b) Mobile emergency medical services provided by accredited and contracted private health care service providers must be reimbursed on a capped case-based fee basis with adjustments made for case severity, where necessary.
 - (c) Public ambulance services must be reimbursed through the provincial equitable allocation.

36. Role of District Health Management Office

A District Health Management Office established as a national government component in terms of section 31A of the National Health Act must manage, facilitate, support and coordinate the provision of primary health care services for personal health care services and non-personal health services at district level in compliance with national policy guidelines and relevant law.

37. Contracting Unit for Primary Health Care

- (1) A Contracting Unit for Primary Health Care is hereby established.
- (2) A Contracting Unit for Primary Health Care must be comprised of a district hospital, clinics or community health centres and ward-based outreach teams and private providers organised in horizontal networks within a specified geographical sub-district area, and must, amongst others, assist the Fund to—
 - (a) identify health care service needs in terms of the demographic and epidemiological profile of a particular sub-district;
 - (b) identify accredited public and private health care service providers at primary care facilities;
 - (c) manage contracts entered into with accredited health care service providers, health establishments and suppliers in the relevant sub-district in the prescribed manner and subject to the prescribed conditions;
 - (d) monitor the disbursement of funds to health care service providers, health establishments and suppliers within the sub-district;
 - (e) access information on the disease profile in a particular sub-district that would inform the design of the health care service benefits for that sub-district;
 - (f) improve access to health care services in a particular sub-district at appropriate levels of care at health care facilities and in the community;
 - (g) ensure that the user referral system is functional, including the transportation of users between the different levels of care and between accredited public and private health care service providers and health establishments, if necessary;
 - (h) facilitate the integration of public and private health care services within the sub-district; and
 - (i) resolve complaints from users in the sub-district in relation to the delivery of health care services.

38. Health Products Procurement Unit

- (1) The Board, after consultation with the Minister, must establish a Health Products Procurement unit which sets parameters for the public procurement of health related products.
- (2) The Health Products Procurement unit must be located within the Fund and is responsible for the centralised facilitation and coordination of functions related to the public procurement of health related products, including but not limited to medicines, medical devices and equipment.
- (3) The Health Products Procurement Unit must—
 - (a) determine the selection of health related products to be procured;
 - (b) develop a national health products list;
 - (c) coordinate the supply chain management process and price negotiations for health related products contained in the list mentioned in paragraph (b);
 - (d) facilitate the cost effective, equitable and appropriate public procurement of health related products on behalf of users;
 - (e) support the processes of ordering and distribution of health related products nationally, and at the district level with the assistance of the District Health Management Office;
 - (f) support the District Health Management Office in concluding and managing contracts with suppliers and vendors;

- (g) establish mechanisms to monitor and evaluate the risks inherent in the public procurement process;
 - (h) facilitate the procurement of high cost devices and equipment; and
 - (i) advise the Board on any matter pertinent to the procurement of health related products.
- (4) The Health Products Procurement Unit must support the Benefits Advisory Committee in the development and maintenance of the Formulary, comprised of the Essential Medicine List and Essential Equipment List as well as a list of health related products used in the delivery of health care services as approved by the Minister in consultation with the National Health Council and the Fund.
- (5) The Health Products Procurement unit must support the review of the Formulary annually, or more regularly if required, to take into account changes in the burden of disease, product availability, price changes and disease management for approval by the Minister.
- (6) An accredited health care service provider and health establishment must procure according to the Formulary, and suppliers listed in the Formulary must deliver directly to the accredited and contracted health service provider and health establishment.
- (7) The provisions of this section are subject to public procurement laws and policies of the Republic that give effect to the provisions of section 217 of the [Constitution](#), including the Preferential Procurement Policy Framework Act, 2000 ([Act No. 5 of 2000](#)), and the Broad-Based Black Economic Empowerment Act, 2003 ([Act No. 53 of 2003](#)).

39. Accreditation of service providers

- (1) Health care service providers and health establishments accredited by the Fund in terms of this section must deliver health care services at the appropriate level of care to users who are in need and entitled to health care service benefits that have been purchased by the Fund on their behalf.
- (2) In order to be accredited by the Fund, a health care service provider or health establishment, as the case may be, must—
- (a) be in possession of and produce proof of registration by a recognised statutory health professional council;
 - (b) be in possession of and produce proof of certification by the Office of Health Standards Compliance; and
 - (c) meet the needs of users and ensure service provider compliance with prescribed specific performance criteria, accompanied by a budget impact analysis, including the—
 - (i) provision of the minimum required range of personal health care services specified by the Minister in consultation with the Fund and published in the *Gazette* from time to time as required;
 - (ii) allocation of the appropriate number and mix of health care professionals, in accordance with guidelines, to deliver the health care services specified by the Minister in consultation with the National Health Council and the Fund, and published in the *Gazette* from time to time as required;
 - (iii) adherence to treatment protocols and guidelines, including prescribing medicines and procuring health products from the Formulary;
 - (iv) adherence to health care referral pathways;
 - (v) submission of information to the national health information system to ensure portability and continuity of health care services in the Republic and performance monitoring and evaluation; and

- (vi) adherence to the national pricing regimen for services delivered.
- (3) The Fund must conclude a legally binding contract with a health establishment certified by the Office of Health Standards Compliance and with any other prescribed health care service provider that satisfies the requirements listed in subsection (2) to provide—
- (a) primary health care services through Contracting Units for Primary Health Care;
 - (b) emergency medical services; and
 - (c) hospital services.
- (4) The contract between the Fund and an accredited health care service provider or health establishment must contain a clear statement of performance expectation and need in respect of the management of patients, the volume and quality of services delivered and access to services.
- (5) In order to be accredited and reimbursed by the Fund, a health care service provider or health establishment must submit information to the Fund on the prescribed information platform, including—
- (a) identity number or permit and visa details issued by the Department of Home Affairs, as the case may be;
 - (b) diagnosis and procedure codes using the prescribed coding systems;
 - (c) details of treatment administered including medicines dispensed and equipment used;
 - (d) diagnostic tests ordered;
 - (e) length of stay of an inpatient in a hospital facility;
 - (f) facility to which a user is referred if relevant;
 - (g) reasons for non-provision or rationing of treatment, if any; and
 - (h) any other information deemed necessary by the Minister in consultation with the Fund for the monitoring and evaluation of national health outcomes.
- (6) The performance of an accredited health care service provider or health establishment must be monitored and evaluated in accordance with this Act and appropriate sanctions must be applied where there is deviation from contractual obligations.
- (7) The Fund must renew the accreditation of service providers every five years on the basis of compliance with the accreditation criteria as referred to in subsection (2).
- (8) The Fund may withdraw or refuse to renew the accreditation of a health care service provider or health establishment if it is proven that the health care service provider or health establishment, as the case may be—
- (a) has failed or is unable to deliver the required comprehensive health care service benefits to users who are entitled to such benefits;
 - (b) is no longer in possession of, or is unable to produce proof of, certification by the Office of Health Standards Compliance and of proof of registration by the relevant statutory health professions council, as the case may be;
 - (c) has failed or is unable to ensure the allocation of the appropriate number and mix of health care professionals to deliver the health care services specified in the *Gazette*;
 - (d) has failed or is unable to adhere to treatment protocols and guidelines, including prescribing medicines and procuring health products from the Formulary;
 - (e) has failed or is unable to comply with health care referral pathways;

- (f) for any reason whatsoever, does not submit to the Fund the information contemplated in section [34\(3\)](#) timeously;
 - (g) fails to adhere to the national pricing regimen for services delivered;
 - (h) intentionally or negligently breaches any substantive terms of a legally binding contract concluded with the Fund;
 - (i) fails or is unable to perform as required by the terms of a legally binding contract concluded with the Fund;
 - (j) delivers services of a quality not acceptable to the Fund; or
 - (k) infringes any code of health related ethics or relevant law applicable in the Republic.
- (9) If the Fund intends to withdraw the accreditation of a health care service provider or health establishment, or intends to refuse to renew the accreditation of a health care service provider or health establishment, the Fund must—
- (a) provide a health care service provider or health establishment with notice of its intention;
 - (b) provide a health care service provider or health establishment with a reasonable opportunity to make representations in respect of such intention;
 - (c) consider the representations made in respect of paragraph [\(b\)](#); and
 - (d) provide adequate reason for the decision to withdraw or refuse the renewal of accreditation to a health care service provider or health establishment, as the case may be.
- (10) A health care service provider or health establishment who is dissatisfied with the reasons for the decision provided in terms of subsection [\(8\)\(d\)](#) may lodge an appeal in terms of section [43](#).
- (11) The Fund may issue directives relating to the listing and publication of accredited health care service providers and health establishments and the periods of time applicable to health care service providers and health establishments where accreditation is withdrawn, not renewed or appealed.
- (12) The Fund may grant conditional accreditation to a health care service provider or health establishment as prescribed by the Minister after consultation with the Office of Health Standards Compliance.

40. Information platform of Fund

- (1) The Fund must establish an information platform to enable it to make informed decisions on population health needs assessment, financing, purchasing, patient registration, service provider contracting and reimbursement, utilisation patterns, performance management, setting the parameters for the procurement of health goods, and fraud and risk management.
- (2) Health care service providers and health establishments must submit such information as may be prescribed to the Fund, taking into consideration the provisions of the Protection of Personal Information Act, 2013 ([Act No. 4 of 2013](#)).
- (3) The information in subsection [\(2\)](#) may be used by the Fund to—
 - (a) monitor health care service utilisation and expenditure patterns relative to plans and budgets;
 - (b) plan and budget for the purchasing of quality personal health care services based on need;
 - (c) monitor adherence to standard treatment guidelines, including prescribing from the Formulary;
 - (d) monitor the appropriateness and effectiveness of referral networks prescribed by health care service providers and health establishments;

- (e) provide an overall assessment of the performance of health care service providers, health establishments and suppliers; and
 - (f) determine the payment mechanisms and rates for personal health care services.
- (4) Information concerning a user, including information relating to his or her health status, treatment or stay in a health establishment is confidential and no third party may disclose information contemplated in subsection (2), unless—
- (a) the user consents to such disclosure in writing;
 - (b) the information is shared among health care service providers for the lawful purpose of serving the interests of users;
 - (c) the information is required by an accredited health care service provider, health establishment, supplier or researchers for the lawful purpose of improving health care practices and policy, but not for commercial purposes;
 - (d) the information is utilised by the Fund for any other lawful purpose related to the efficient and effective functioning of the Fund;
 - (e) a court order or any law requires such disclosure; or
 - (f) failure to disclose the information represents a serious threat to public health.
- (5) The information architecture must include a fraud and risk management mechanism.
- (6) In order to fulfil the requirements for dissemination of information and the keeping of records, the information platform must facilitate—
- (a) the implementation of the objects and the effective management of the Fund; and
 - (b) portability and continuity of health care services available to users subject to the provisions of this Act.

41. Payment of health care service providers

- (1) The Fund, in consultation with the Minister, must determine the nature of provider payment mechanisms and adopt additional mechanisms.
- (2) The Fund must ensure that health care service providers, health establishments and suppliers are properly accredited before they are reimbursed.
- (3)
 - (a) An accredited primary health care service provider or health establishment providing primary health care services must be reimbursed by the Fund in accordance with the prescribed capitation strategy.
 - (b) In the case of specialist and hospital services, payments must be all-inclusive and based on the performance of the health care service provider, health establishment or supplier of health goods, as the case may be.
 - (c) Emergency medical services must be reimbursed on a capped case-based fee basis with adjustments made for case severity, where necessary.
- (4) Without limiting the powers of the Minister to make regulations in terms of section 55, the Minister may make regulations to—
 - (a) provide that payments may be made on condition that there has been compliance with quality standards of care or the achievement of specified levels of performance;
 - (b) determine mechanisms for the payment of an individual health worker and health care provider; and

- (c) provide that the whole or any part of a payment is subject to the conditions outlined in a contract and that payments must only be effected by the Fund if the conditions have been met.
- (5) For the purposes of subsection (4), "health worker" and "health care provider" have the meanings ascribed to them in section 1 of the National Health Act.

Chapter 9 Complaints and appeals

42. Complaints

- (1) An affected natural or juristic person, namely a user, health care service provider, health establishment or supplier, may furnish a complaint with the Fund in terms of the procedures determined by the Fund in consultation with the Minister, and the Fund must deal with such complaints in a timeous manner and in terms of the law.
- (2) The Investigating Unit established by the Chief Executive Officer in terms of section 20(2)(e) must launch an investigation to establish the facts of the incident reported and must make recommendations to the Chief Executive Officer as to the way in which the matter may be resolved within 30 days of receipt of the complaint.
- (3) The complainant must be informed in writing of the outcome of the investigation launched in terms of subsection (2), and any decision taken by the Fund, within a reasonable period of time.
- (4) If the Fund has made a decision in terms of subsection (3), the Fund must—
 - (a) provide the health care service provider with a notice of the decision to provide the health care service provider with a reasonable opportunity to make representations in respect of such a decision;
 - (b) consider the representations made in respect of paragraph (a); and
 - (c) provide adequate reason for the decision to withdraw or refuse the renewal of accreditation to the health care service provider, as the case may be.

43. Lodging of appeals

A natural or juristic person, namely a user, health care service provider, health establishment or supplier aggrieved by a decision of the Fund delivered in terms of section 42 may, within a period of 60 days after receipt of written notification of the decision, appeal against such decision to the Appeal Tribunal.

44. Appeal Tribunal

- (1) An Appeal Tribunal is hereby established, consisting of five persons appointed by the Minister after consultation with Cabinet:
 - (a) One member appointed on account of his or her knowledge of the law, who must also be the chairperson of the Appeal Tribunal;
 - (b) two members appointed on account of their medical knowledge; and
 - (c) two members appointed on account of their financial knowledge.
- (2) A member of the Appeal Tribunal appointed by the Minister in subsection (1) must serve as a member for a period of three years, which term is renewable only once.
- (3) A member ceases to be a member if—
 - (a) he or she resigns from the Appeal Tribunal;

- (b) the Minister terminates his or her membership on good cause; or
- (c) the term for which the member was appointed has expired and has not been renewed or after a second term may not be renewed.

45. Powers of Appeal Tribunal

- (1) The Appeal Tribunal has the same power as a High Court to—
 - (a) summon witnesses;
 - (b) administer an oath or affirmation;
 - (c) examine witnesses; and
 - (d) call for the discovery of documents and objects.
- (2) The Appeal Tribunal may after hearing the appeal—
 - (a) confirm, set aside or vary the relevant decision of the Fund; or
 - (b) order that the decision of the Fund be effected.

46. Secretariat

The Chief Executive Officer must designate a staff member of the Fund to act as secretary of the Appeal Tribunal and the Fund must keep the minutes and all records of a decision of the Appeal Tribunal for a period of at least three years after the decision has been recorded.

47. Procedure and remuneration

- (1) The Minister, in consultation with the Minister of Finance and the Fund, must determine the terms, conditions, remuneration and allowances applicable to the members of the Appeal Tribunal.
- (2) A member of the Appeal Tribunal must recuse himself or herself if it transpires that he or she has any direct or indirect personal interest in the outcome of the appeal and must be replaced for the duration of the hearing by another person with similar knowledge appointed by the Minister.
- (3) The Appeal Tribunal must determine the outcome of the appeal within 90 days after the lodgement of the appeal and inform the appellant of the decision in writing, and the Secretariat appointed in section 46 must keep record of all proceedings and outcomes.
- (4) The operation and execution of a decision which is the subject of an appeal is suspended pending the decision of the appeal.
- (5) Nothing in this section precludes an aggrieved party from seeking suitable redress in a court of law that has jurisdiction to hear such a matter.

Chapter 10 Financial matters

48. Sources of funding

The revenue sources for the Fund consist of—

- (a) money to which the Fund is entitled in terms of section 49;
- (b) any interest or return on investment made by the Fund;
- (c) any money paid erroneously to the Fund which, in the opinion of the Minister, cannot be refunded;

- (d) any bequest or donation received by the Fund; and
- (e) any other money to which the Fund may become legally entitled.

49. Chief source of income

- (1) The Fund is entitled to money appropriated annually by Parliament in order to achieve the purpose of the Act.
- (2) The money referred to in subsection [\(1\)](#) must be—
 - (a) appropriated from money collected and in accordance with social solidarity in respect of—
 - (i) general tax revenue, including the shifting of funds from national government departments and agencies and the provincial equitable share and conditional grants into the Fund;
 - (ii) reallocation of funding for medical scheme tax credits paid to various medical schemes towards the funding of National Health Insurance;
 - (iii) payroll tax (employer and employee); and
 - (iv) surcharge on personal income tax,
introduced through a money Bill by the Minister of Finance and earmarked for use by the Fund, subject to section [57](#); and
 - (b) calculated in accordance with the estimates of income and expenditure as contemplated in section [53](#) of the Public Finance Management Act.
- (3) Once appropriated, the revenue allocated to the Fund must be paid through a Budget Vote to the Fund as determined by agreement between the Fund and the Minister and subject to the provisions of the [Constitution](#) and the Public Finance Management Act.

50. Auditing

The Auditor-General must audit the accounts and financial records of the Fund annually as outlined in the Public Audit Act, 2004 ([Act No. 25 of 2004](#)).

51. Annual reports

- (1) As the accounting authority of the Fund, the Board must submit to the Minister and Parliament a report on the activities of the Fund during a financial year as determined by the Public Finance Management Act.
- (2) Subject to the provisions of the Public Finance Management Act, the report must include—
 - (a) the audited financial statements of the Fund;
 - (b) a report of activities undertaken in terms of its functions set out in this Act;
 - (c) a statement of the progress achieved during the preceding financial year towards realisation of the purpose of this Act; and
 - (d) any other information that the Minister, by notice in the *Gazette*, determines.
- (3) In addition to the matters which must be included in the annual report and financial statements as determined by section [55](#) of the Public Finance Management Act, the annual report must be prepared in accordance with generally accepted accounting practice and contain a statement showing—
 - (a) the total number of users who received health care benefits in terms of this Act:

- (b) the total monetary value of health care benefits provided in respect of each category of benefits and level of care as determined by the Minister;
 - (c) all loans, overdrafts, advances and financial commitments of the Fund;
 - (d) the particulars of all donations and bequests received by the Fund;
 - (e) an actuarial valuation report;
 - (f) particulars of the use of all immovable and movable property acquired by the Fund;
 - (g) any amount written off by the Fund; and
 - (h) any other matter determined by the Minister.
- (4) The Minister must without delay—
- (a) table a copy of the report in the National Assembly; and
 - (b) submit a copy of the report to the National Council of Provinces.

Chapter 11 Miscellaneous

52. Assignment of duties and delegation of powers

Subject to the Public Finance Management Act—

- (a) the Minister may assign any duty and delegate any power imposed or conferred upon him or her by this Act, except the power to make regulations, to any person in the employ of the Fund; and
- (b) the Chief Executive Officer of the Fund may assign any duty and delegate any power imposed or conferred upon him or her by this Act to any employee of the Fund.

53. Protection of confidential information

Nothing in this Act affects the provisions in any other legislation or law prohibiting or regulating disclosure of personal or other sensitive information accessible to or in possession of the Fund.

54. Offences and penalties

- (1) Any person who—
- (a) knowingly submits false information to the Fund or its agents;
 - (b) makes a false representation with the intention of obtaining health care service benefits from the Fund to which he or she is not entitled;
 - (c) utilises money paid from the Fund for a purpose other than that in respect of which it is paid;
 - (d) obtains money or other gratification from the Fund under false pretences; or
 - (e) sells or otherwise discloses confidential information owned by the Fund to a third party without the prior knowledge and written consent of the Fund, is guilty of an offence and liable on conviction in a court of law to a fine not exceeding R100 000.00 or imprisonment for a period not exceeding five years or to both a fine and such imprisonment.
- (2) Any natural or juristic person who fails to furnish the Fund or an agent of the Fund with information required by this Act or any directive issued under this Act within the prescribed or specified period or any extension thereof, irrespective of any criminal proceedings instituted under this Act, must pay a prescribed fine for every day which the failure continues, unless the Fund, on good cause shown, waives the fine or any part thereof.

- (3) Any penalty imposed under subsection (2) is a debt due to the Fund.

55. Regulations

- (1) Without derogating from the powers conferred on the Minister by the [Constitution](#) and the National Health Act or any other applicable law, the Minister may, after consultation with the Fund and the National Health Council contemplated in section 22 of the National Health Act, make regulations regarding—
- (a) the legal relationship between the Fund and the various categories of health establishments, health care service providers or suppliers as provided for in the National Health Act;
 - (b) payment mechanisms to be employed by the Fund in order to procure health care services from accredited and contracted health care service providers, health establishments or suppliers;
 - (c) the budget of the Fund, including the processes to be followed in drawing up the budget, in compliance with the provisions of the Public Finance Management Act;
 - (d) information to be provided to the Fund for the development and maintenance of the national health information system by users, health establishments, health care service providers or suppliers and the format in which such information must be provided;
 - (e) clinical information and diagnostic and procedure codes to be submitted and used by health care service providers, health establishments or suppliers for reimbursement and reporting purposes to the Fund;
 - (f) participation by the fund in the national health information system contemplated in section 74 of the National Health Act, including the Health Patient Registration System referred to in section 39;
 - (g) the registration of users of the Fund in terms of section 5;
 - (h) the accreditation and conditional accreditation of health care service providers, health establishments or suppliers;
 - (i) the functions and powers of a District Health Management Office;
 - (j) the functions and powers of a Contracting Unit for Primary Health Care Services;
 - (k) the relationship between the Fund and the Office of Health Standards Compliance;
 - (l) the relationship between the Fund and the Department of Correctional Services in order to clarify the mechanisms for purchasing, within available resources, quality needed personal health care services for inmates as is required by the Correctional Services Act, 1998 ([Act No. 111 of 1998](#));
 - (m) the relationship between public and private health establishments, and the optional contracting in of private health care service providers;
 - (n) the relationship between the Fund and medical schemes registered in terms of the Medical Schemes Act and other private health insurance schemes;
 - (o) the development and maintenance of the Formulary;
 - (p) investigations to be conducted by the Fund or complaints against the Fund in order to give effect to the provisions of Chapter 8;
 - (q) appeals against decisions of the Fund in order to give effect to the provisions of Chapter 8;
 - (r) the manner in which health care service providers, health establishments and suppliers must report to the Fund in respect of health care services purchased by the Fund and the content of such reports;

- (s) the monitoring and evaluation of the performance of the Fund;
 - (t) all fees payable by or to the Fund;
 - (u) subject to the Public Finance Management Act, the manner in which money within the Fund must be invested;
 - (v) all practices and procedures to be followed by a health care service provider, health establishment or supplier in relation to the Fund;
 - (w) the scope and nature of prescribed health care services and programmes and the manner in, and extent to which, they must be funded;
 - (x) the proceedings of the meetings of committees appointed in terms of this Act and a code of conduct for members of those committees;
 - (y) the proceedings and other related matters of the Appeal Tribunal;
 - (z) any matter that may or must be prescribed in terms of this Act; and
 - (zA) any ancillary or incidental administrative or procedural matter that may be necessary for the proper implementation or administration of this Act.
- (2) The Minister must, not less than three months before any regulation is made under subsection (1), cause a copy of the proposed regulation to be published in the *Gazette* together with a notice declaring his or her intention to make that regulation and inviting interested persons to furnish him or her with their comments thereon or any representations they may wish to make in regard thereto.
- (3) The provisions of subsection (2) do not apply in respect of—
- (a) any regulation made by the Minister which, after the provisions of that subsection have been complied with, has been amended by the Minister in consequence of comments or representations received by him or her in pursuance of a notice issued thereunder; or
 - (b) any regulation which the Minister, after consultation with the Board, deems in the public interest to publish without delay.

56. Directives

- (1) The Fund may issue directives which must be complied with in the implementation and administration of this Act, and any directives so issued must be published in the *Gazette*.
- (2) Any directive issued under this section may be amended or withdrawn in like manner.

57. Transitional arrangements

- (1)
 - (a) Despite anything to the contrary in this Act, this Act must be implemented over two phases.
 - (b) National Health Insurance must be gradually phased in using a progressive and programmatic approach based on financial resource availability.
- (2) The two phases contemplated in subsection (1)(a) are as follows:
 - (a) Phase 1, for a period of four years from 2023 to 2026 which must—
 - (i) continue with the implementation of health system strengthening initiatives, including alignment of human resources with that which may be required by users of the Fund;
 - (ii) include the development of National Health Insurance legislation and amendments to other legislation;

- (iii) include the undertaking of initiatives which are aimed at establishing institutions that must be the foundation for a fully functional Fund; and
 - (iv) include the purchasing of personal health care services for vulnerable groups such as children, women, people with disabilities and the elderly; and
 - (v) prepare for the establishment of the Fund as a Schedule 3A entity contemplated in section 9, including developing and implementing administrative and personnel related arrangements.
 - (b) Phase 2 must be for a period of three years from 2026 to 2028 and must include—
 - (i) the continuation of health system strengthening initiatives on an on-going basis;
 - (ii) the mobilisation of additional resources where necessary; and
 - (iii) the selective contracting of health care services from private providers.
- (3) In Phase 1 the Minister may establish the following interim committees to advise him or her on the implementation of the National Health Insurance:
 - (a) The National Tertiary Health Services Committee which must be responsible for developing the framework governing the tertiary services platform in South Africa.
 - (b) The National Governing Body on Training and Development which must, amongst others—
 - (i) be responsible for advising the Minister on the vision for health workforce matters, for recommending policy related to health sciences, student education and training, including a human resource for health development plan;
