### About this collection

The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. All amendments have been applied directly to the text and annotated. A scan of the original gazette of each piece of legislation (including amendments) is available for reference.

This is a free download from LawLibrary and is presented in collaboration with the African Legal Information Institute, the Judicial Institute for Africa and the Laws.Africa Legislation Commons, a collection of African legislation that is digitised by Laws.Africa and made available for free.

### Numbering Plan Regulations, 2016

# Harmonisation of short code '111' for COVID-19 National Emergency Services, 2020 General Notice 244 of 2020

Published in Government Gazette 43229 on 15 April 2020

**Commenced on 15 April 2020**

*[This is the version of this document from 15 April 2020.]*

The Independent Communications Authority of South Africa ("the Authority") hereby issues a notice to harmonise and mandate short code '111' in terms of regulation 4(3) read with Schedule 1 of the Numbering Plan Regulations ("Regulations"), Government Gazette No. 39861 published on 24 March 2016.

The service code '111' is hereby harmonised and mandated for COVID-19 national emergency services.

The COVID-19 national emergency services accessed either by call or short messaging services, through the service code '111' shall incur no charges to the caller or sender and shall be subject to the toll-free framework in line with schedule 2 of the Regulations.

The '111' service code is mandated for COVID-19 national emergency services during the National State of Disaster. The service code "111" will cease to be harmonised and mandated within three (3) months after the termination of the National State of Disaster.

Dr Keabetswe Modimoeng

Acting Chairperson
