#### **MARKETING OF AGRICULTURAL PRODUCTS ACT, 1996**

(ACT NO. 47 OF 1996)

#### **ESTABLISHMENT OF STATUTORY MEASURE: RECORDS AND RETURNS BY BROKERS, TRADERS, PROCESSORS, IMPORTERS AND EXPORTERS OF WOOL**

I, Derek André Hanekom, Minister of Agriculture, acting under sections 13 and 18 of the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996), hereby establish the statutory measure set out in the Schedule.

**D. A. HANEKOM**

**Minister of Agriculture**

#### **SCHEDULE**

##### **Definitions**

1. In this Schedule any word or expression to which a meaning has been assigned in the Act shall have that meaning and, unless the context otherwise indicates—

"**broker**" means a person dealing with wool in the course of trade by processing, treating, keeping, conveying, selling or processing wool on behalf of a producer or cause such actions to be taken on behalf of a producer;

"**trader**" means a person dealing with wool in the course of trade by buying wool from and selling wool to other parties and purchases wool directly or indirectly from the producer thereof;

"**Cape Wools SA**" means Cape Wools SA, an association not for gain incorporated under section 21 of the Companies Act, 1973 (Act No. 61 of 1973);

"**exporter**" means a person dealing with wool in the course of trade by exporting it;

"**importer**" means a person dealing with wool in the course of trade by importing it or bringing it into the Republic;

"**own premises**" means premises of which the person referred to is the owner, lessee, or otherwise have the control of and, where such person has more than one such premises, includes all such premises;

"**processor**" means a person dealing with wool in the course of trade by scouring and combing or processing it in any other manner or cause such actions to be taken;

"**the Act**" means the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996);

"**wool**" means the removed natural coat of the sheep (*genus ovis*), in whatever form.

**Purpose and aims of statutory measure and the relation thereof to objectives of the Act**

2. The purpose and aim of this statutory measure is to provide a statutory mechanism for brokers, traders, processors, importers and exporters to keep records and furnish returns to Cape Wools SA. This is deemed necessary to ensure that continuous, timeous and accurate statistics and information relating to wool is made available to all role-players.

In a non-regulated wool marketing environment, sectoral commercial interests are, of necessity, client orientated rather than necessarily focused on the national interest. Consequently, a centralised source of reliable, objective and user-friendly statistics and information on the aggregate profile of the industry at any given point in time, to aid decision-making during the growing, marketing, processing and promotion of South African wool is an essential tool to continuously position the South African wool industry nationally and internationally.

Reliable national statistics and objective aggregate information regarding production, sales, price trends and projections, export volumes, prices and destinations and co-ordinated national and international economic data are fundamental to the need to increase market access for all participants.

Access to a national database of this nature will support the development of efficient marketing mechanisms for wool and will assist in the optimisation of export earnings for all sectors.

The viability of the agricultural sector, particularly in developing areas, can only be accelerated if reliable, inclusive and comprehensive industry data is available to assess the progress of this sector over time against the benchmark of reliable historical data.

This statutory measure will be administered by Cape Wools SA. Considering the South African wool industry's international associations and links and the need to establish a structure that will ensure the ongoing involvement by all affected parties, Cape Wools SA is internationally accepted and representative of all directly affected groups in the wool industry with the main aim to implement the strategic plan for the wool industry as developed by the Wool Industry Forum of South Africa.

The Company is structured in such a way that control does not vest in one directly affected group only. The rights of directly affected groups are vested in their membership of the Company and are exercised by a representative board of directors.

It is envisaged that Cape Wools SA will provide macro generic industry statistics and information to the wool industry on a continuous basis. This information will be made available from the returns rendered to Cape Wools SA in a manner suitable to meet the needs of the role-players in the wool industry.

The information collected will be dealt with in such a manner to ensure compliance with the provisions of section 23 (2) of the Marketing of Agricultural Products Act, which provides as follows:

"(2) No person shall, except in the performance of his or her functions under this Act, or unless required to do so by a court of law or in terms of any law, or with the written consent of the Minister, disclose to any other person information, pertaining to any person, institution or body of persons, collected under section 18 or otherwise acquired in the performance of functions in terms of this Act."

**D. A. HANEKOM**  
**Minister van Landbou**

**BYLAE****Woordomskrywing**

1. In hierdie Bylae het enige woord of uitdrukking waaraan 'n betekenis in die Wet geheg is, daardie betekenis en, tensy uit die samehang anders blyk, beteken—

- “Cape Wools SA” 'n vereniging sonder winsoogmerk ingelyf kragtens artikel 21 van die Maatskappywet, 1973 (Wet No. 61 van 1973);
- “die Wet” die Wet op Bemarking van Landbouprodukte, 1996 (Wet No. 47 van 1996);
- “eie perseel” 'n perseel waarvan die persoon waarna verwys word die eienaar of huurder is of andersins die beheer oor het en waar sodanige persoon meer as een so 'n perseel het, sluit dit al sulke persele in;
- “invoerder” 'n persoon wat met wol as 'n besigheid handel deur dit in die Republiek van Suid-Afrika in te voer of in te bring;
- “handelaar” 'n persoon wat met wol as 'n besigheid handel deur die wol te koop van en te verkoop aan ander partye en wol direk of indirek van die produsent daarvan, aankoop;

**Doele en doelwitte van statutêre maatreëls en die verband daarvan met die oogmerke van die Wet**

2. Die doel en doelwit van hierdie statutêre maatreëls is om 'n statutêre meganisme daar te stel om makelaars, handelaars, verwerkers, invoerders en uitvoerders aantekeninge te laat hou en opgawes aan Cape Wools SA te verstrek. Dit word noodsaaklik geag ten einde te verseker dat deurlopende, tydige en akkurate statistieke en inligting aangaande wol vir alle rolspelers beskikbaar gestel word.

In 'n gederegleerde wolbemarkingsomgewing, is sektorale kommersiële belang kliëntgeoriënteerd, eerder as gefokus op nasionale belang. Gevolglik is 'n gesentraliseerde bron van betroubare, objektiewe en gebruikersvriendelike statistieke en inligting van die totale profiel van die bedryf, op enige gegewe tydstip, 'n essensiële instrument om besluitneming te vergemaklik gedurende produksie, verwerking, bemarking en promosie van Suid-Afrikaanse wol, en is van hulp om voortdurend die Suid-Afrikaanse wolbedryf nasionaal en internasionaal te posisioneer.

Betroubare nasionale statistiek en objektiewe algemene inligting insake produksie, verkoop, prystendense en projeksies, uitvoervolumes, pryse en bestemmings en gekoördineerde nasionale en internationale ekonomiese data, is fundamenteel tot die behoeftte om marktoegang vir alle deelnemers te vergroot.

Toegang tot 'n nasionale databasis van hierdie aard, sal die ontwikkeling van effektiewe bemarkingsmechanismes vir wol ondersteun en sal verder valutaverdienste vir alle sektore verhoog.

Die lewensvatbaarheid van die landbousektor, veral in ontwikkelende gebiede, kan slegs versnel word as betroubare, inklusiewe en omvattende bedryfsdata beskikbaar is om die vooruitgang van die sektor te beoordeel oor tyd, teenoor bestaande historiese data.

Hierdie statutêre maatreëls sal gadministreer word deur Cape Wools SA. Met inagneming van die Suid-Afrikaanse wolbedryf se internasionale verbintenisse en die behoefte om 'n struktuur daar te stel wat die voortgesette betrokkenheid van alle direk geaffekteerde groepe sal verseker, is Cape Wools SA internasional erken en verteenwoordigend van direk geaffekteerde groepe in die wolbedryf met die hoofdoelstelling om die strategiese plan vir die wolbedryf, soos deur die Wolbedryfsforum van Suid-Afrika ontwikkel, te implementeer.

Die maatskappy is op so 'n wyse gestruktureer dat beheer nie in 'n enkel direk geaffekteerde groep setel nie. Die regte van direk geaffekteerde groepe is in hul lidmaatskap van die maatskappy gevestig en word uitgeoefen deur 'n verteenwoordigende raad van direkteure.

Dit word voorsien dat Cape Wools SA makro generiese wolbedryfstatistieke en inligting op 'n deurlopende basis aan die wolfbedryf en ander belanghebbende partye sal voorsien. Hierdie inligting sal verkry word uit die opgawes wat aan Cape Wools SA verstrek word. Die inligting sal beskikbaar gemaak word soos benodig deur die rolspelers in die wolbedryf.

Die inligting wat ingewin word, sal op so 'n wyse hanteer word dat daar voldoen word aan die bepalings van artikel 23 (2) van die Wet op Bemarking van Landbouprodukte, wat soos volg lui:

"(2) Niemand mag, behalwe by die verrigting van sy of haar werkzaamhede kragtens hierdie Wet, of tensy dit deur 'n hof of ingevolge 'n wet vereis word, of met die skriftelike toestemming van die Minister, inligting rakanende enige persoon, instelling of liggaam van persone, wat kragtens artikel 18 of andersins by verrigting van werkzaamhede ingevolge hierdie Wet verkry is, aan iemand anders openbaar nie.".

**No. R. 766****5 June 1998****MARKETING OF AGRICULTURAL PRODUCTS ACT, 1996 (ACT NO. 47 OF 1996)****ESTABLISHMENT OF STATUTORY MEASURE: REGISTRATION OF PRODUCERS AND PERSONS DEALING WITH WOOL IN THE COURSE OF TRADE**

I, Derek André Hanekom, Minister of Agriculture, acting under sections 13 and 19 of the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996), hereby establish the statutory measure set out in the Schedule.

**D. A. HANEKOM****Minister of Agriculture****SCHEDULE****Definitions**

1. In this Schedule any word or expression to which a meaning has been assigned in the Act shall have that meaning, and unless the context otherwise indicates—

“**broker**” means a person dealing with wool in the course of trade by processing, treating, keeping, conveying, selling or processing wool on behalf of a producer or causes such actions to be taken on behalf of a producer;

“**trader**” means a person dealing with wool in the course of trade by buying wool from and selling wool to other parties and purchasing wool directly or indirectly from the producer thereof;

“**Cape Wools SA**” means Cape Wools SA, an association not for gain incorporated under section 21 of the Companies Act, 1973 (Act No. 61 of 1973);

“**exporter**” means a person dealing with wool in the course of trade by exporting it;

“**importer**” means a person dealing with wool in the course of trade by importing it or bringing it into the Republic;

“**processor**” means a person dealing with wool in the course of trade by scouring and combing or processing it in any other manner or causing such actions to be taken;

“**producer**” means a person involved in the production of wool;

“**the Act**” means the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996);

“**wool**” means the removed natural coat of the sheep (*genus ovis*), in whatever form.

**Purpose and aims of statutory measure and the relation thereof to objectives of the Act**

2. The purpose and aim of this statutory measure is to provide a statutory mechanism for producers, brokers, traders, processors, importers and exporters to register with Cape Wools SA. The development and ongoing maintenance of a centralised database of names and addresses of individuals and organisations involved in the production, trading, processing and exporting of wool is of necessity a prerequisite for the accurate and efficient gathering of data for inclusion in a national wool industry database.

This method is more cost-effective and efficient than ad-hoc industry surveys or censuses undertaken as and when information of this nature is required, and provides for co-ordinated distribution of information as and when required by stakeholders. A registration process will provide an important national statistic which is required to maintain a complete industry profile at all times.

Statistics and information is deemed essential for all role-players in a deregulated market, in order for them to be able to make informed decisions. By combining registration with the furnishing of monthly returns, aggregate statistics and information for the whole of the country can be processed and disseminated in an appropriate manner. For example, the South African wool producing sector is non-homogenous in terms of geographical location of individuals, size of operation, production mass and value, level of sophistication and several other demographic factors. Consequently, communication processes with this sector, in order to increase market access and to enhance the viability of the wool sector, need to be stratified accordingly and would be most effectively and efficiently achieved on the basis of a national register consisting of the appropriate information such as names, postal addresses and language preference. Similarly, downstream concerns involving the buying, selling, processing, importing and exporting of wool need to be made accessible by virtue of their details which can be sourced from a national register for the purpose of disseminating information and statistics in an appropriate format.

This statutory measure will be administered by Cape Wools SA. Considering the South African wool industry's international associations and links and the need to establish a structure that will ensure the ongoing involvement by all affected parties, Cape Wools SA is internationally accepted and representative of directly affected groups in the wool industry with the main aim to implement the strategic plan for the wool industry as developed by the Wool Industry Forum of South Africa.

The company is structured in such a way that control of the company does not vest solely in one directly affected group. The rights of directly affected groups are vested in their membership of the company and exercised by a representative board of directors.

The information collected will be dealt with in such a manner to ensure compliance with the provisions of section 23 (2) of the Marketing of Agricultural Products Act, which provides as follows:

"(2) No person shall, except in the performance of his or her functions under this Act, or unless required to do so by a court of law or in terms of any law, or with the written consent of the Minister, disclose to any other person information, pertaining to any person, institution or body of persons, collected under section 18 or otherwise acquired in the performance of functions in terms of this Act."

(4) A registration certificate issued in terms of subsection (3) shall lapse—  
 (a) on 30 June 2000; or

Ek, Derek André Hanekom, Minister van Landbou, handelende kragtens artikels 13 en 19 van die Wet op die Bemarking van Landbouprodukte, 1996 (Wet No. 47 van 1996), stel hiermee die statutêre maatreël in die Bylae uiteengesit, in.

**D. A. HANEKOM****Minister van Landbou****BYLAE****Woordomskrywing**

1. In hierdie Bylae het enige woord of uitdrukking waaraan 'n betekenis in die Wet geheg is, daardie betekenis en, tensy uit die samehang anders blyk, beteken—

**"makelaar"** 'n persoon wat met wol as 'n besigheid handel deur dit ten behoeve van 'n produsent te verwerk, behandel, opberg, vervoer, verkoop of verwerk of sodanige handelinge ten behoeve van 'n produsent laat verrig;

**"handelaar"** 'n persoon wat met wol as 'n besigheid handel deur wol te koop van en te verkoop aan ander partye en wol direk of indirek van die produsent daarvan, aankoop;

**"Cape Wools SA"** 'n vereniging sonder winsoogmerk ingelyf kragtens artikel 21 van die Maatskappywet, 1973 (Wet No. 61 van 1973);

**"uitvoerder"** 'n persoon wat met wol as 'n besigheid handel deur dit uit te voer;

**"Invoerder"** 'n persoon wat met wol as 'n besigheid handel deur dit in die Republiek van Suid-Afrika in te voer of in te bring;

**"verwerker"** 'n persoon wat met wol as 'n besigheid handel deur dit te was en te kam of andersins te verwerk of sodanige handelinge te laat verrig;

**"produsent"** 'n persoon wat betrokke is by die produksie van wol;

**"die Wet"** die Wet op die Bemarking van Landbouprodukte, 1996 (Wet No. 47 van 1996);

**"wol"** die verwyderde natuurlike bedekking van die skaap (*genus ovis*), in watter vorm ook al.

**Doeleind en doelwitte van statutêre maatreël en die verband daarvan met die oogmerke van die Wet**

2. Die doel en doelwit van hierdie statutêre maatreël is om 'n statutêre meganisme daar te stel om produsente, makelaars, handelaars, verwerkers, invoerders en uitvoerders by Cape Wools SA te registreer. Die ontwikkeling en deurlopende instandhouding van 'n gesentraliseerde databasis van name en adresse van individue en organisasies betrokke in die produksie, verhandeling, verwerking en uitvoer van wol is 'n voorvereiste vir akkurate en doeltreffende versameling van data vir insluiting in 'n nasionale wolbedryf databasis.

Dié metode is meer koste-effektief en doeltreffend as ad hoc bedryfsopnames of sensusse onderneem soos en wanneer inligting van hierdie aard benodig word, en maak dit moontlik om inligting gekoördineerd te versprei aan rolspelers soos en wanneer nodig. 'n Registrasieproses sal 'n belangrike nasionale statistiese bron daarstel wat benodig word om 'n volledige bedryfsprofiel te alle tye te handhaaf.

Statistieke en inligting is essensieel vir alle rolspelers in 'n gedereguleerde markomgewing ten einde rolspelers in staat te stel om ingeligte besluite te neem. Deur registrasie te kombineer met die indien van maandelikse opgawes, word markinligting vir die land as 'n geheel verwerk en versprei op 'n geskikte wyse. Byvoorbeeld, die Suid-Afrikaanse wolproduksiesektor is nie homogeen in terme van geografiese verspreiding van individue, grootte van bedryf, produksiemassa en waarde, vlak van gesofistikeerdheid en verskeie ander demografiese faktore nie. Gevolglik moet kommunikasieprosesse met hierdie sektor, ten einde marktoegang te vergroot en die lewensvatbaarheid van die wosektor te verhoog, behoorlik gestratificeer word en sal mees effektief en doeltreffend bereik word aan die hand van 'n nasionale register, bestaande uit toepaslike inligting soos name, posadresse en taalvoorkoue. Verder is dit ook van belang om op soortgelyke wyse detail rondom ander bedryfsbelange verder af in die handelsketting, soos die handel, verwerking, invoer- en uitvoersektore, op 'n nasionale register beskikbaar te hê ten einde inligtingverspreiding te optimaliseer.

Die statutêre maatreël sal deur Cape Wools SA gadministreer word. Met inagneming van die Suid-Afrikaanse wolbedryf se internasionale verbintenisse en die behoefte om 'n struktuur daar te stel wat die voortgesette betrokkenheid van alle direk geaffekteerde groepe sal verseker, is Cape Wools SA internasional erken en verteenwoordigend van direk geaffekteerde groepe in die wolbedryf met die hoofdoelstelling om die strategiese plan vir die wolbedryf, soos deur die Wolbedryfsforum van Suid-Afrika ontwikkel, te implementeer.

Die maatskappy is op so 'n wyse gestruktureer dat beheer nie in 'n enkel direk geaffekteerde groep setel nie. Die regte van direk geaffekteerde groepe is in hul lidmaatskap van die maatskappy gevestig en word uitgeoefen deur 'n verteenwoordigende raad van direkteure.

Die inligting wat ingewin word, sal op so 'n wyse hanteer word dat daar voldoen word aan die bepalings van artikel 23 (2) van die Wet op Bemarking van Landbouprodukte, wat soos volg lui:

"(2) Niemand mag, behalwe by die verrigting van sy of haar werksaamhede kragtens hierdie Wet, of tensy dit deur 'n hof of ingevolge 'n wet vereis word, of met die skriftelike toestemming van die Minister, inligting rakende enige persoon, instelling of liggaam van persone, wat kragtens artikel 18 of andersins by verrigting van werksaamhede ingevolge hierdie Wet verkry is, aan iemand anders openbaar nie."
