UNSGAARD AND SAMSON HOLDINGS, LIMITED.

STATEMENT TO SHAREHOLDERS.

With reference to the Interim Dividend announcement made today, your Directors submit the following information in respect of the profit earned by the Group for the six months ended 31st December, 1965.

Whilst group sales during the period had shown only a slight decrease as compared with the corresponding period in the previous year, extremely competitive conditions coupled with increased costs of production have had a marked effect on the profitability of the Polythene packaging section of your Company's activities.

The Group trading profit for the six months ended 31st December, 1965, was R96,144. From this profit must be deducted a provision for a loss of R31,342, anticipated on stocks declared redundant on the realisation of trade investment. This leaves a group unaudited profit prior to taxation of R64,802, which compares with a profit of R286,355, prior to taxation, for the full year ended 30th June, 1965.

In addition a capital loss of R24,000, will be incurred in the realisation of the trade investment referred to earlier, but it is anticipated that this loss will be more than covered by a capital profit on the sale of a certain fixed property investment at present under negotiation.

Whilst your Directors are taking active steps to maintain the turnover of the Polythene packaging section of the Group, they must prudently anticipate that intense competition will continue in this field.

As far as the paper conversion division of your Group is concerned, your Directors are pleased to inform you that the sales and profit have shown a satisfactory increase, and that it is expected that these conditions will continue during the second half of the current financial year.

Bearing in mind the necessity of conserving your Company's liquid resources, your Directors deem it advisable to declare a reduced Interim Dividend of 7½ per cent (3.75 cents per Share) as reflected in the accompanying Dividend announcement. By Order of the Board.—O. Storch-Nielsen, Secretary, corner of Section and Carlisle Streets, Paarden Eiland, Cape Town, 16th March, 1966. 4549—1

6. To transact any other business which may be brought under consideration in conformity with the Company's Articles of Association.

The Transfer Books of the Company will be closed from 19th April, 1966, to 27th April, 1966 (both days inclusive), for the purpose of determining Shareholders entitled to attend and vote at the Meeting.

Every Shareholder who is entitled to be present and vote at the Meeting hereby convened is entitled to appoint one or more Proxies (who need not be Members of the Company) to attend, speak and vote thereat in his stead. By Order of the Board.—C. D. King, Secretary, Durban, 23rd March, 1966.

PROPOSED AMENDMENTS TO ARTICLES OF ASSOCIATION.

To be proposed as Special Resolution:—

- (a) That Article 95 of the Articles of Association of the Company be amended by the deletion of the word and figure "five (5)" and the substitution thereof of the word and figure "seven (7)" and by the deletion of the word and figure "seven (7)" and the substitution thereof of the word and figure "nine (9)".
- (b) That Article 100 of the Articles of Association of the Company be amended by the deletion of the words and figures "provided that no such commission shall exceed an amount equal to 5 per cent of the dividends declared by the Company on its Ordinary Shares and no such remuneration shall be at a higher total rate than £7,500 (seven thousand five hundred pounds) per annum."

The reasons for the foregoing resolutions being proposed and the effect of their being duly passed and registered are and would be as follows:—

RESOLUTION A.

At present the minimum and maximum number of Directors of your Company are fixed at five (5) and seven (7) respectively.

Your Directors are of the opinion that because of the growth of your Company and its activities, it is desirable that the maximum permissible number of the Directors should be increased to nine (9) with a corresponding increase in their minimum permissible number from five (5) to seven (7).

The resolution would have the effect of so increasing both the maximum and the minimum number of Directors.

RESOLUTION B.

Existing Article 100 of your Company's Articles of Association provides to the effect (inter alia) that the remuneration of a Managing Director or Manager may not exceed, in the case of commission paid to him, an amount equal to 5 per cent of the dividends paid by the Company on its Ordinary Shares and, in the case of his total remuneration, an amount at the rate of R15,000 per annum.

Your Directors are of the opinion that because of the growth of your Company and its Activities, it has become unrealistic for arbitrary restrictions to be placed on the limits of the remuneration which may be granted to Managing Directors or Managers. They suggest that the remuneration to be paid to such Officers, should be left to the discretion of the Directors.

The effect of the resolution would be to leave the fixing of the remuneration of Managing Directors and Managers to the discretion of the Directors.

The proposed Amendments have been approved by the Johannesburg Stock Exchange. 4516—1
