7. The user must apply in terms of regulation 200(2) of the Regulations for the transfer of a number to another vehicle of which he or she is the owner.

If the user of a number intends to sell a motor vehicle to which that number was allocated but wishes to retain the use of the number, he or she must apply in terms of regulation 200(2) of the Regulations for the change of the number of the vehicle to be sold. In order to retain the number, the user must request a duplicate number certificate, and submit the original number certificate to the Province to be defaced. The user must apply for the allocation of the number to a motor vehicle and licence that vehicle within 21 days from the date of the issuance of the duplicate number certificate. If the user does not apply for the allocation of the number and does not licence the vehicle concerned within the said period, the monies paid will be forfeited and the number will revert to the Province.

DE-REGISTRATION OF A MOTOR VEHICLE TO WHICH A NUMBER WAS ALLOCATED

9. If a motor vehicle to which a number was allocated is de-registered, the register of motor vehicles shall reflect that the number is no longer allocated to such vehicle and the user must apply for the allocation of the number to another vehicle or surrender the number.

CHANGE OF PROVINCIAL AUTHORITY

In the event of the user of a number relocating to another province, which would involve a change of registering authority in respect to the motor vehicle to which the number was allocated, the number will revert to the Mpumalanga Province and the user shall not be reimbursed for any monies paid.
