SUMMARY OF FINANCIAL RESULTS

Earnings per share increased by 16,9% to 362,6 cents per share before taking into account the deferred taxation rate adjustment and the tax equalisation provision reflected in the six months ended 31 March 1993. This was achieved despite the weighted average number of shares increasing by 1,2%. Income before taxation grew by 18,7% to R500,5 million. The trading results incorporate those of the First Bowling and Associates Holdings (Pty) Limited with effect from 1 October 1993. This has resulted in both other operating income and other operating expenditure increasing sharply.

Total assets grew by R10 457,3 million to R58 528,1 million, an increase of 21,8%. Advances showed an 18,8% increase, while deposits and current accounts grew by 22,3%.

EXTRAORDINARY ITEMS

The extraordinary item of R29,9 million is attributable to the write-off of the financial rand premium in respect of the capitalisation of First National Bank Holdings (Botswana) Limited following the merger with the Financial Services Company of Botswana Limited, and a goodwill write-off relating to the acquisition of the remaining 50% of First Bowling and Associates Holdings (Pty) Limited.

PROPOSED SUBDIVISION OF ORDINARY SHARES

In order to improve the tradeability of ordinary shares on the Stock Exchanges where the company is listed, in particular to the individual shareholder, the directors have resolved that each existing ordinary share of 100 cents be subdivided into five new ordinary shares of 20 cents each. A circular, including a notice convening a general meeting of shareholders to approve the proposed subdivision, will be posted to shareholders in due course.

For and on behalf of the Board.—T. N. Chapman (Vice Chairman) and B. J. Swart (Managing Director), Johannesburg, 4 May 1994.
