"The owner of the property hereby transferred together with Jacob Johannes Dreyer as owner of the Remaining Extent of the said Portion A measuring as such 26,6453 hectares (after deduction of the Remaining Extent of Lot "A" of portion "A" of the western portion of the farm DERDEPOORT), held by deed of Transfer No. 8407/1905 shall be entitled to equal shares in the water in the existing dam and waterfurrow situate on the property hereby transferred. Specially subject to the condition that the water running during the right shall be turned into the river above the dam from which the joint waterfurrow is taken and further subject to the conditions that the one half share of the water in the said dam and waterfurrow accruing to Jacob Johannes Dreyer as owner of the Remaining Extent shall flow free and undisturbed over the property hereby transferred to the said Remaining Extent and that Jacob Johannes Dreyer as owner of the said Remaining Extent shall have free access to the property hereby transferred for the purpose of conducting his share of the water to the said Remaining Extent and for the purpose of cleaning and repairing the said dam and waterfurrow. The costs of such cleaning and repairing to be borne equally by the owners of the property hereby transferred and to the said Remaining Extent.

The property hereby transferred shall be subject to the aforesaid condition, but shall not be entitled to any water out of the aforesaid dam or waterfurrow and shall not have the right to cultivate ground within 1,57 metres on either side of the furrow nor in any way interfere with the said furrow or the water therein.

The Juta-State Library Index to the Government Gazette

The *Juta - State Library Index to the Government Gazette* provides quick and easy access to the Government Gazette by direct subject indexing of all government notices, proclamations and board notices published weekly in the Gazette.

Whatever subject you are researching, this detailed but uncomplicated guide will direct you to the notice you require, listing the Gazette number, page and date of publication.

Every edition of the index covers one calendar year. You may subscribe to:

-  the quarterly edition, consisting of four cumulatively updated quarterly issues. The first three are published in soft cover and the final volume, which contains the full annual index, is bound in hard cover to serve as a permanent reference work.
-  the annual edition, consisting only of the final hard-cover volume covering the whole year.

The *Juta - State Library Index to the Government Gazette* has been published since 1990. Indexes to pre-1990 Gazettes are consolidated in a separate publication, *Juta's Index to the South African Government and Provincial Gazettes 1910 to 1989, formerly The Windex*.

"OSALL is grateful that this publication is continuing the high standard set by its predecessor and congratulates Juta & Company Limited on its success in this new venture."
