Having read the documents filed of record and having considered the matter:

It is Ordered:

THE PROPERTY

1. This order relates to the property specified in Annexure A hereto, or property representing such property ("the property").

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**PROHIBITION AGAINST DEALING IN ANY MANNER WITH THE PROPERTY**

2. In terms of section 38 (2) of the Prevention of Organised Crime Act, No. 121 of 1998 ("the Act") all persons with knowledge of this order are, other than as required and permitted by this order, prohibited from—

2.1 removing, taking possession of or control over, dissipating, interfering with, diminishing the value of, pledging or otherwise hypothecating, attaching or selling in execution or dealing in any other manner with any of the movable property to which this order relates;

2.2 disposing of, further encumbering, dissipating, interfering with, attaching or selling in execution, diminishing the value of or dealing in any other manner with any of the immovable property to which this order relates.

3. The Registrar of Deeds shall endorse the Title Deed of the immovable property specified in Annexure A with the restriction that the property or property representing such property, shall not, without the prior leave of this Honourable Court, be attached, sold in execution, further mortgaged or otherwise encumbered; provided that such endorsement shall not prevent a transfer of the property effected in accordance with paragraph 6 hereunder.

4. Notwithstanding the provisions of this order, any person who has financial obligations in respect of any of the property is ordered to fulfill such obligations, including any obligations relating to mortgage bonds, vehicle finance, rates, taxes, licences, utilities such as water and electricity accounts, and all interest accruing in respect of such obligations.

CURATOR BONIS

5. In terms of section 42 of the Act, Ms Anna Venter of the firm KPMG Administrators (Pty) Ltd with telephone number (011) 647-7111, is appointed as curator *bonis* over the property ("the curator *bonis*"). The curator *bonis* shall have all such powers, duties and authority as provided for in the Act and in this Order and shall, in addition, be subject to the applicable provisions of the Administration of Estates Act, 66 of 1965.

6. The curator *bonis* is authorised to assume control of the property and to take any movable property into his custody; take care of the property; and administer the property and do anything necessary for the purpose of preserving such property while the Order is in force. Provided that the curator *bonis* may dispose of some or all of the property or property representing such property—

6.1 by agreement with all parties who have a legal interest in the property concerned in order to defray the costs of administering the property.

7. Notwithstanding the provisions set out above, and where appropriate, the curator *bonis* will be entitled to pay any expenses related to preserved property, which would ordinarily be carried by the owner, out of any income derived from such property, or from income derived from other preserved property of such owner.

8. In the event of the sale of immovable property in accordance with this order, the curator *bonis* may facilitate such sale and pay the commission of the estate agent in terms of the sale agreement, as well as other fees and costs attendant on the transfer of the property, after the proceeds of the sale have been received and registration of the property has taken place.

SURRENDER OF PROPERTY AND SAFEGUARDS

9. Any person who holds any of the property is directed in terms of section 42 (1) (b) of the Act to surrender such property forthwith into the custody of the curator *bonis*, failing which any member of the South African Police Service is hereby authorised on the instruction of the curator *bonis*, to seize such property and to place it in the custody of the curator *bonis*.

10. The curator *bonis* in the exercise of her discretion may allow those household contents cited in paragraph 3 of the schedule of assets to remain in the possession of the relevant invested parties if she deems that such property is necessary for the day to day living requirements of the aforesaid persons.

11. Before any such seizure of property takes place, the person from whose possession property is to be seized, shall be afforded a reasonable opportunity, under the supervision of the curator *bonis* and/or any member of the SAPS who may be present, to summon a legal representative to be present during the seizure.

12. If it should appear to the curator *bonis*, from circumstances of which he or she shall keep a contemporaneous note, that the right to summon a legal representative is being made the occasion of needless or unreasonable delay, or that the person concerned appears to be using the delay to create an opportunity to dissipate or conceal or divest themselves of property or in any other manner obstruct the curator *bonis* in carrying out his or her functions under this Order, the curator *bonis* may, after warning those present that the search is to commence, authorise the members of the SAPS to proceed with the seizure forthwith, whether or not the legal representative is then present.

13. If any of the property is not surrendered to the curator *bonis* or seized and placed in his or her custody in accordance with this order, the curator *bonis* is authorised to require the person who holds or who held such property to disclose on affidavit, within a reasonable time specified by the curator *bonis*, full details of the whereabouts of such property or the proceeds thereof.

REPORT BY CURATOR BONIS

14. The curator *bonis* shall file a report with the Registrar of this Honourable Court within 30 days of the granting of the preservation order which shall contain an inventory of the property taken into his custody in terms of this Order, and wherein he shall set out the steps that have been taken by him to give effect to this Order, and make such further recommendations as he may deem fit with regard to any other steps he might be required to take in order to give effect to such Order, and the curator *bonis* shall file supplementary reports containing additional relevant information as and when such reports become necessary.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**FEES AND EXPENDITURE OF CURATOR BONIS**

15. The fees and expenditure of the curator *bonis* shall in terms of section 42 (2) of the Act be paid from the forfeited property and, in the event of no forfeiture order being granted, then such fees and expenditure shall be paid by the State: Provided further that interest on expenditure incurred by the curator *bonis* shall be paid by the State at the prime lending rate of the major financial institutions from the date of expenditure until the date of final payment.

LIVING AND LEGAL EXPENSES

16. If any Respondent or any other person holding an interest in the property satisfies the Court that—

16.1 he or she is unable to meet his or her reasonable living expenses or those of his or her family or household; or

16.2 he or she is unable to meet his or her reasonable legal expenses in connection with any proceedings instituted against him or her in terms of the Act or any other related criminal proceedings; and

16.3 he or she cannot meet the expenses concerned out of his or her property that is not subject to this order, the Court may, after the granting of this order, make appropriate provision for the payment of such expenses as in the Court's determination are reasonable, out of the property subject to this order: Provided further that no such provision for the payment of expenses may be made unless the person concerned has disclosed under oath all his or her interest in the property and has provided the Court a full and sworn written statement of his or her assets and liabilities.
