NOTICE OF SCHEME MEETING

Notice is hereby given that, in terms of an Order of Court granted on 23 August 2005, in the above matter, the High Court of South Africa (Witwatersrand Local Division) ("the Court") has ordered that a meeting ("scheme meeting") in terms of section 311 of the Companies Act, 1973 (Act 61 of 1973), as amended ("the Companies Act"), of the ordinary shareholders of the Applicant, recorded in the register of the Applicant at the close of business on Wednesday, 14 September 2005, other than Tiger Food Brands Limited ("Tiger Food Brands") ("the scheme members"), be held under the chairpersonship of Advocate Arnold Subel S.C. or, failing him, Advocate Rafik Bhana or, failing him, such other independent advocate or attorney as may be

nominated for this purpose by the Company's attorneys ("chairperson"), for the purpose of considering and, if deemed fit, approving, with or without modification, the scheme of arrangement ("the scheme") proposed by the trustees of the Tiger Brands Black Managers Trust (a trust established for the benefit of current, as well as future, black managers of Tiger Food Brands Limited, Adcock Ingram Limited, Adcock Ingram Healthcare (Proprietary) Limited, Adcock Ingram Critical Care (Proprietary) Limited and Enterprise Foods (Proprietary) Limited, Thusani Empowerment Investment Holdings (Proprietary) Limited (a wholly-owned subsidiary of Tiger Food Brands) and the trustees of Tiger Brands General Staff Trust (a trust established for the benefit of the employees of the Applicant) ("the proposers"), between Tiger Brands and its shareholders (other than Tiger Food Brands), provided that the scheme members at the scheme meeting shall not be entitled to agree to any modification of the scheme that has the effect of diminishing the rights that are to accrue the scheme participants in terms of the scheme.

The scheme meeting will be held at 09:00, or 10 minutes after the conclusion or adjournment of the general meeting, convened to be held at 08:30, whichever is the later, on Monday, 19 September 2005 [or any adjourned date as determined by the chairperson ("adjourned meeting")] at the registered office of Tiger Brands, 3010 William Nicol Drive, Bryanston, Sandton.

The implementation of the scheme is subject to the fulfilment of the conditions precedent stated in the scheme, one of such conditions being the sanctioning thereof by the above Honourable Court.

The essence of the scheme is that, upon implementation, the proposers, will, in aggregate, acquire from each scheme participant 4 Tiger Brands shares for every 100 Tiger Brands shares held by such scheme participant on the scheme consideration record date. This will result in the proposers collectively acquiring approximately 6.5 million Tiger Brands shares, representing 4% of the issued ordinary share capital of the Applicant (excluding Tiger Brands shares held by Tiger Food Brands) on the scheme consideration record date. Scheme participants will receive R112 in cash for every scheme share acquired by the proposers.

A copy of this notice, the scheme, the explanatory statement in terms of section 312 (1) of the Companies Act explaining the scheme, the form of proxy for use at the scheme meeting or any adjourned meeting and the Order of Court convening the scheme meeting, have been sent to ordinary shareholders of the Applicant (registered as such on a date or dates not more than 4 business days before the date of posting) in a circular dated 26 August 2005, and copies may, on request by any shareholder of the Applicant, be inspected at or obtained free of charge from the registered office of the Applicant at the registered office of Tiger Brands, 3010 William Nicol Drive, Bryanston, Sandton, and at the office of the investment bank and transaction sponsor, being The Standard Bank of South Africa Limited at 5th Floor, 3 Simmonds Street, Johannesburg, during normal business hours at any time prior to the scheme meeting.

Scheme members who hold certificated ordinary shares in the Applicant and scheme members who hold dematerialised ordinary shares in the Applicant through a Central Securities Depository Participant ("CSDP") or broker in "own name" registration form may attend, speak and vote in person at the scheme meeting or any adjourned meeting, or may appoint one or more proxies (who need not be members of the Applicant) to attend, speak and vote at the scheme meeting or any adjourned meeting in the place of such members. A form of proxy for this purpose is included in the document which has been posted to all holders of ordinary shares in the Applicant at their addresses as recorded in the registrar of members of the Applicant at the close of business not more than 7 (seven) calendar days before the day of such posting.

Properly completed forms of proxy must be lodged with or posted to the transfer secretaries of the Applicant, being Computershare Investor Services 2004 (Proprietary) Limited, Ground Floor, 70 Marshall Street, Johannesburg, 2000, in South Africa (PO Box 61051, Marshalltown, 2107) to be received by no later than 09:00 on Thursday, 15 September 2005, or on the business day immediately preceding any adjourned meeting, or handed to the chairperson no later than 10 (ten) minutes before the scheme meeting or adjourned meeting is due to commence. Notwithstanding the foregoing, the chairperson may approve in his discretion the use of any other form of proxy.

Shareholders who hold dematerialised ordinary shares in the Applicant through a CSDP or broker not in "own name" registration form who wish to attend and vote at the scheme meeting or any adjourned meeting should timeously inform their CSDPs or brokers of their intention to attend and vote at the scheme meeting or any adjourned meeting in order for their CSDPs or brokers to issue them with the necessary authorisations to attend and vote at the scheme meeting, or should they not wish to attend the scheme meeting or adjourned scheme meeting in person, they should timeously provide their CSDPs or brokers with their voting instructions in order for their votes to be represented at the scheme meeting or any adjourned meeting.

Where there are joint holders of the Applicant's ordinary shares, any one of such persons may vote at the scheme meeting or any adjourned meeting in respect of such shares as if he was solely entitled thereto, but if more than one of such joint holders be present or represented at the scheme meeting or any adjourned meeting, that one of such persons whose name stands first in the Applicant's share register in respect of such shares or his proxy, as the case may be, shall alone be entitled to vote in respect thereof.

In terms of the aforementioned Order of Court, the chairperson of the scheme meeting is required to report the results thereof to the above Honourable Court at 10:00, or so soon thereafter as Counsel may be heard on Tuesday, 27 September 2005. A copy of the chairperson's report to the Court will be available to any ordinary shareholder of the Applicant on request free of charge at the registered office of the Applicant, 3010 William Nicol Drive, Bryanston, Sandton, and at the offices of the investment bank and transaction sponsor, being The Standard Bank of South Africa Limited at 5th Floor, 3 Simmonds Street, Johannesburg, during normal business hours from Tuesday, 20 September 2005 until the date fixed by the Court for the chairperson to report back to it. If the scheme meeting is adjourned, a copy of the chairperson's report to the Court will be available for at least 7 (seven) calendar days before the date on which the chairperson is required to report back to the Court.

("NamlTech" or "the company")

NOTICE OF GENERAL MEETING

Notice is hereby given that, subject to the passing of the resolution set out in the notice dated 24 August 2005 convening a separate class meeting of the holders of the preferred ordinary shares of R1,00 in the share capital of the company, a general meeting of shareholders will be held in the boardroom at the company's registered office, 79 Central Street, Houghton, on Friday, 23 September 2005 at 08:15 or immediately after the conclusion of the separate class meeting of the preferred ordinary shareholders on Friday, 23 September 2005, to consider, and if deemed fit, to pass, with or without modification, the following special resolutions:

Special Resolution Number 1:

"Resolved that the company be and it is hereby converted from a public company into a private company."

Special Resolution Number 2:

"Resolved that, subject to the passing and registration of Special Resolution Number 1, the company adopts a new set of articles of association reflecting the company's status as a private company and which incorporates the terms and conditions of the shareholders agreement signed by the members of the company during September 2004, copies of which were initialed for identification purposes by the chairman of the meeting."

Special Resolution Number 3:

"Resolved that, subject to the passing and registration of Special Resolutions 1 and 2, the word "Proprietary" be inserted before the word "Limited" in the name of the company."

Rationale and effect of the Special Resolutions:

The reason for Special Resolution 1 is that the shareholders no longer intend to list the company on the JSE Stock Exchange of South Africa and therefore the company is no longer required to trade as a public company. The effect of Special Resolution 1 is that the company will be converted from a public company into a private company.

The reason for Special Resolution 2 is to amend the companies articles of association so that it reflects the new status as a private company as well as the terms and conditions of the shareholders agreement entered into by all the members of the company during September 2004. The effect thereof is that the company adopts new articles of association that restricts the right to freely transfer shares, records that the total membership of the company may not exceed 50 and prohibits the company from offering shares to the public. It also incorporates the material terms and conditions of the shareholders agreement which regulates the relationship between the shareholders in the company.

The reason for Special Resolution 3 is that the company's name be amended to reflect its status as a private company as is required in terms of the Companies Act. The effect thereof is that the word "(Proprietary)" be inserted before the "Limited" in the name of the company.

Voting and Proxies:

A member entitled to vote at the general meeting is entitled to appoint one or more proxies to attend and vote in his stead. A proxy need not also be a member. Forms of proxy must be received at the registered office of the company not less than 48 hours before the date of the meeting.

By Order of the Board.—Altech Management Services (Pty) Limited

Case No. 18165/2005**IN THE HIGH COURT OF SOUTH AFRICA**

(Witwatersrand Local Division)

Johannesburg, 24 August 2005, before the Honourable Mr Justice A Gildenhuys

In the ex parte application of TIGER BRANDS LIMITED (Registration No. 1944/017881/06), The Applicant

NOTICE OF SCHEME MEETING

Notice is hereby given that, in terms of an Order of Court granted on Wednesday, 24 August 2005, in the above matter, the High Court of South Africa (Witwatersrand Local Division) ("the Court") has ordered that a meeting ("scheme meeting") in terms of section 311 of the Companies Act, 1973 (Act 61 of 1973), as amended ("the Companies Act"), of the ordinary shareholders of the Applicant, recorded in the register of the Applicant at the close of business on Wednesday, 14 September 2005, other than Tiger Food Brands Limited ("Tiger Food Brands") ("the scheme members"), be held under the chairpersonship of Advocate Arnold Subel S.C. or, failing him, Advocate Rafik Bhana ("chairperson"), for the purpose of considering and, if deemed fit, approving, with or without modification, the scheme of arrangement ("the scheme") proposed by the trustees of the Tiger Brands Black Managers Trust [a trust established for the benefit of current, as well as future, black managers of Tiger Food Brands Limited, Adcock Ingram Limited, Adcock Ingram Healthcare (Proprietary) Limited, Adcock Ingram Critical Care (Proprietary) Limited and Enterprise Foods (Proprietary) Limited], Thusani Empowerment Investment Holdings (Proprietary) Limited (a wholly-owned subsidiary of Tiger Food Brands) and the trustees of Tiger Brands General Staff Trust (a trust established for the benefit of the employees of the Applicant) ("the proposers"), between Tiger Brands and its shareholders (other than Tiger Food Brands), provided that the scheme members at the scheme meeting shall not be entitled to agree to any modification of the scheme that has the effect of diminishing the rights that are to accrue the scheme participants in terms of the scheme.

The scheme meeting will be held at 09:00, or 10 minutes after the conclusion or adjournment of the general meeting, convened to be held at 08:30, whichever is the later, on Monday, 19 September 2005 [or any adjourned date as determined by the chairperson ("adjourned meeting")] at the registered office of Tiger Brands, 3010 William Nicol Drive, Bryanston, Sandton.

The implementation of the scheme is subject to the fulfilment of the conditions precedent stated in the scheme, one of such conditions being the sanctioning thereof by the above Honourable Court.

The essence of the scheme is that, upon implementation, the proposers, will, in aggregate, acquire from each scheme participant 4 Tiger Brands shares for every 100 Tiger Brands shares held by such scheme participant on the scheme consideration record date. This will result in the proposers collectively acquiring approximately 6.5 million Tiger Brands shares, representing 4% of the issued ordinary share capital of the Applicant (excluding Tiger Brands shares held by Tiger Food Brands) on the scheme consideration record date. Scheme participants will receive R112 in cash for every scheme share acquired by the proposers.

A copy of this notice, the scheme, the explanatory statement in terms of section 312 (1) of the Companies Act explaining the scheme, the form of proxy for use at the scheme meeting or any adjourned meeting and the Order of Court convening the scheme meeting, are included in the circular dated 26 August 2005 which has been sent to ordinary shareholders of the Applicant, and copies may, on request by any shareholder of the Applicant, be inspected at or obtained free of charge from the registered office of the Applicant at the registered office of Tiger Brands, 3010 William Nicol Drive, Bryanston, Sandton, and at the offices of the investment bank and transaction sponsor, being The Standard Bank of South Africa Limited at 5th Floor, 3 Simmonds Street, Johannesburg, during normal business hours at any time prior to the scheme meeting.

Scheme members who hold certificated ordinary shares in the Applicant and scheme members who hold dematerialised ordinary shares in the Applicant through a Central Securities Depository Participant ("CSDP") or broker in "own name" registration form may attend, speak and vote in person at the scheme meeting or any adjourned meeting, or may appoint one or more proxies (who need not be members of the Applicant) to attend, speak and vote at the scheme meeting or any adjourned meeting in the place of such members. A form of proxy for this purpose is included in the document which has been posted to all holders of ordinary shares in the Applicant at their addresses as recorded in the register of members of the Applicant at the close of business not more than 4 (four) business days before the day of such posting.

Properly completed forms of proxy must be lodged with or posted to the transfer secretaries of the Applicant, being Computershare Investor Services 2004 (Proprietary) Limited, Ground Floor, 70 Marshall Street, Johannesburg, 2000, in South Africa (PO Box 61051, Marshalltown, 2107) to be received by no later than 09:00 on Thursday, 15 September 2005, or on the business day immediately preceding any adjourned meeting, or handed to the chairperson no later than 10 (ten) minutes before the scheme meeting or adjourned meeting is due to commence. Notwithstanding the foregoing, the chairperson may approve in his discretion the use of any other form of proxy.

Shareholders who hold dematerialised ordinary shares in the Applicant through a CSDP or broker not in "own name" registration form who wish to attend and vote at the scheme meeting or any adjourned meeting should timeously inform their CSDPs or brokers of their intention to attend and vote at the scheme meeting or any adjourned meeting in order for their CSDPs or brokers to issue them with the necessary authorisations to attend and vote at the scheme meeting, or should they not wish to attend the scheme meeting or adjourned scheme meeting in person, they should timeously provide their CSDPs or brokers with their voting instructions in order for their votes to be represented at the scheme meeting or any adjourned meeting.

Where there are joint holders of the Applicant's ordinary shares, any one of such persons may vote at the scheme meeting or any adjourned meeting in respect of such shares as if he was solely entitled thereto, but if more than one of such joint holders be present or represented at the scheme meeting or any adjourned meeting, that one of such persons whose name stands first in the Applicant's share register in respect of such shares or his proxy, as the case may be, shall alone be entitled to vote in respect thereof.

In terms of the aforementioned Order of Court, the chairperson of the scheme meeting is required to report the results thereof to the above Honourable Court at 10:00, or so soon thereafter as Counsel may be heard on Tuesday, 27 September 2005. A copy of the chairperson's report to the Court will be available to any ordinary shareholder of the Applicant on request free of charge at the registered office of the Applicant, 3010 William Nicol Drive, Bryanston, Sandton, and at the offices of the investment bank and transaction sponsor, being The Standard Bank of South Africa Limited at 5th Floor, 3 Simmonds Street, Johannesburg, during normal business hours from Tuesday, 20 September 2005 until the date fixed by the Court for the chairperson to report back to it. If the scheme meeting is adjourned, a copy of the chairperson's report to the Court will be available for at least 7 (seven) calendar days before the date on which the chairperson is required to report back to the Court.

Case No. 201/06/08/05

IN THE GAUTENG CONSUMER AFFAIRS COURT HELD AT JOHANNESBURG

In the matter between YUDESH NAIDOO, Complainant, and JOHAN LOUDEWIEKUS MAARTENS, Respondent*Introduction:*

1. This is a judgment concerning an alleged unfair business practice arising out of the Complainant's purchase of a BMW M3 motor vehicle bearing registration letters and numbers PGT 336 GP (the vehicle) from the Respondent in terms of a cash sale in the amount of R90 000 (ninety-thousand rand).

2. The Complainant was represented by the Consumer Protector, Advocate Pitso and the Respondent elected to represent himself.

*Summary of evidence**The Complainant: Yudesh Naidoo.*

3. The Complainant testified that in or about October 2004 he purchased the vehicle from the Respondent.

4. When the Complainant bought the vehicle from the Respondent, he realized from the registration papers furnished by the Respondent that the vehicle was registered in the name of a garage. He informed the Respondent that since he was purchasing the vehicle from the Respondent, the registration papers had to reflect that the Respondent was the owner.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

5. After the Respondent made the necessary changes to the registration papers, the Complainant transferred ownership of the vehicle into his name. It was only then that he realized that the vehicle he had purchased was not a second hand car but had in fact been registered as a code 3 vehicle. A code 3 vehicle is one that has been written off as scrap.

6. Soon thereafter, the Complainant confronted the Respondent with the registration papers and the Respondent did not deny that the vehicle was a code 3 vehicle. Instead, the Respondent informed him that he had used up the money paid to him by the Complainant and that there is nothing he could do to refund the full purchase price. The Respondent undertook to assist the Complainant in finding a buyer for the vehicle.

7. The Complainant was adamant that at no time during the negotiations leading to the purchase of the vehicle, did the Respondent inform him of the true status of the vehicle. He was at all times led to believe by the Respondent that he was in fact purchasing a used vehicle and not a code 3 vehicle.

8. The Complainant further pointed out that the Respondent had informed him that the vehicle was in a minor accident on a rainy day when the Respondent lost control and the left front wheel of the vehicle hit a pavement.

9. The Complainant testified that on discovering that the vehicle was written off as a code 3 vehicle, he asked the Respondent for a refund on the next day.

10. The fact that the Respondent did not deny that the vehicle was written off as a code 3 vehicle and furthermore undertook to assist the Complainant in finding a buyer indicated to the Complainant that the Respondent was at all times aware of the condition of the vehicle.

11. According to the Complainant, the Respondent offered to take back the vehicle and refund the full purchase price in monthly instalments of R2 500,00 per month.

12. This offer was not acceptable to the Complainant since he was out of pocket in the amount of R90 000,00 and he had no guarantee that the Respondent would pay him and not expose him to further liability by being involved in an accident with the vehicle. Furthermore, there was no way in which the Respondent could purchase a comparable vehicle for R2 500,00 a month.

13. As a result of the Respondent's dishonesty and misrepresentation, the Complainant found himself in the situation where he would have no transport to work since his sister was getting married soon.

14. The Respondent acknowledged his wrongdoing, at a meeting with officials of the office of Consumer Affairs when he undertook to refund the Complainant on a monthly basis.

15. Under cross-examination it was put to the Complainant that he asked for the papers of the vehicle prior to the date of the purchase. It was further put to the Complainant that his mother made a copy of the vehicle's registration papers, which were available for inspection over a period of two days. The Complainant denied the version of the Respondent and in particular, denied that his mother made a copy of the registration papers and that the papers were made available for inspection.

16. The Respondent initially asked for R130 000,00 for the vehicle. When the purchase price dropped to R120 000,00 the Complainant asked the Respondent if he could see the vehicle. The Respondent informed him that he was in a financial bind and asked for a cash payment. He met the Complainant at his workplace on the Monday after the telephone conversation.

17. It was put to the Complainant that the vehicle was inspected at a panelbeater by a friend of the Complainant. The Complainant explained that his friend was not there when they got to the panelbeater. The Respondent was in a "big hurry" and refused to wait for his friend to inspect the vehicle. Instead, he took the vehicle to another panelbeater a few blocks down the road.

18. The Complainant, waited in the vehicle when the Respondent went into the reception area and spoke to a gentleman. The gentleman came out, walked briefly around the vehicle and declared that it was a good deal at R90 000,00.

19. It was further put to the Complainant that he asked for a further reduction of R5 000,00 on the purchase price. The Complainant replied that he noticed that the clutch was very hard when the Respondent was driving the vehicle. He then advised the Respondent that he would have the vehicle serviced and the clutch checked at his own cost. He further pointed out that at that time he had no idea whatsoever that the vehicle was badly damaged in an accident because the registration papers were folded in such a manner that it was not possible to read the statutes of the vehicle.

20. It was then put to the Complainant that his panelbeater had assessed that it would cost about R30 000,00 to sort out the vehicle's problems. This version was also denied by the Complainant who emphasized that his friend never got to inspect the vehicle because the Respondent was in a hurry that morning. He further stated that had he known it would cost R30 000,00 to repair the vehicle he would not have considered purchasing it in the first place because he could have bought a BMW from a garage with the addition of R20 000,00 on top of the R90 000,00 purchase price.

21. It was then put to the Complainant that his mother was against him buying the vehicle because the Complainant's brother was killed in a vehicle accident. The Complainant admitted that initially his mother was against him buying a high performance vehicle. He further confirmed that his brother was killed in a car hijacking.

22. It was then put to the Complainant that when the vehicle was in the Respondent's possession, it drove very well but since it was with the Complainant, the vehicle lost a lot of power. The Complainant replied that that was not true. He had both clutch and pressure plates serviced at a cost of R8 500,00.

23. The Complainant was then asked why he had the full service done on the vehicle. The Complainant replied that he did so because he had been given the run around by the Respondent for a period of about six to seven months. He then tried to sell the vehicle to a prospective buyer. The prospective buyer had the vehicle inspected. It was raised on hoist when he saw that the front leg chassis had been cut and joined in several places. The right rear suspensions were worn out. As a result the prospective buyer declined to buy the vehicle. The Complainant further explained that although he did not have the original owner's registration papers, he had original registration papers placing the vehicle in his own name.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

24. It was then put to the Complainant that he bought the vehicle "voetstoots". This was denied by the Complainant. The Complainant referred to a letter by a gentleman who professed to buy the vehicle for the Boksburg Flying Squad. The letter is not on an official letterhead.

25. The Complainant further explained that when he saw the original registration papers, the vehicle was a code 2. At that stage the vehicle was registered to a motor dealer. When he saw that the vehicle was registered as a code 3 on his name, he contacted the Licensing Department but the lady assured him that it was previously registered as a code 3 vehicle. She advised him to lay criminal charges at the police, which he did.

26. Under re-examination the Complainant testified that he would not have purchased the vehicle if he knew it was a code 3 vehicle. The Complainant further testified that he did not purchase the vehicle "voetstoots". He paid in cash because this is what the Respondent demanded.

27. The Complainant further denied meeting or knowing of the "parliamentarian advisor" to the Union of African Countries. This letter was faxed to him by a contact of the Respondent. He further testified that on the day of the purchase the Respondent's cell phone kept ringing and he was in a hurry to be paid in cash.

Ananthie Naidoo

28. Ananthie Naidoo (Naidoo) testified that the Complainant, who is her son, introduced her to the Respondent. The Respondent informed her that he was selling the vehicle because his wife had difficulty in managing the steep gradient to their house.

29. On the day they went to the bank, the Respondent's cell phone kept ringing and he was in a hurry to be paid in cash.

30. She admitted informing the Respondent of her son's killing in a hijacking but denied that she received copies of the registration papers of the vehicle.

31. Naidoo was not present when the vehicle was taken to the panelbeaters and could therefore not offer any evidence relating thereto.

The Respondent**Johan Loudewiekus Maartens**

32. The Respondent testified that he got together with the Complainant who wanted to see the vehicle. Testing for his best price, the Complainant then asked to take the vehicle to a panelbeater of his choice. At the panelbeater he came out with another gentleman who opened the bonnet. The gentleman said that the vehicle was a good buy at the price of R90 000,00. As far as he was concerned the vehicle was sold voetstoots to the Complainant.

33. The Respondent pointed out that the Complainant's mother was worried about her son buying a high performance vehicle. He believed that it was because of the Complainant's mother that the Complainant informed him that he no longer wanted the vehicle.

34. The Respondent further confirmed that he informed the Complainant that he did not have the money to refund the Complainant. However, he offered to assist the Complainant to find another buyer for the vehicle. In fact he sent over a friend of his to look at the vehicle. The deal did not go through because the prospective buyer complained that the vehicle did not have any power.

35. Under cross-examination, the Respondent confirmed that it took about three to four days to conclude the deal. He also confirmed that the deal was concluded in a short period because of his financial problems.

36. The Respondent confirmed that the vehicle was involved in an accident, but the accident although the accident was related to the left front wheel. However, this was fixed a long time before the vehicle was sold to the Complainant.

37. The Respondent confirmed further that he did not disclose to the Complainant that the vehicle was a code 3 vehicle. He also confirmed that code 3 meant that the vehicle had been scrapped.

38. The Respondent further confirmed that he offered to refund the purchase price to the Complainant. However, he also argued that he had many buyers for the vehicle but on many occasions the Complainant was not available to meet with the prospective buyers.

39. He conceded that he had done something wrong and apologized for it by saying "sorry".

40. When questioned from the bench, the Respondent confirmed that the vehicle was accident-damaged when he bought it. It took him about six to seven months to repair the vehicle. However, he did not report to the Complainant that the vehicle was badly damaged in an accident.

41. The Respondent further testified that he was unable to refund the money to the Complainant because he had spent it all within two days of receiving it. He also confirmed that he had specifically asked to be paid in cash because he was scared that payment by cheque could prove to be fraudulent.

42. After questions from the bench, the Respondent was unable to say why the status of the car had been blanked out from the registration papers. He however indicated that he gave the papers to the Complainant as he had received them from the previous owner and did not attempt to conceal the status of the vehicle. He also confirmed that he knew one, Nico van Rensburg (Van Rensburg), who was interested in buying the vehicle. However, he could not say why Mr Van Rensburg knew exactly what needed to be replaced on the vehicle.

43. This then was the case for the Respondent.

44. In his closing argument the Consumer Protector alerted the court to the fact that there was a material non-disclosure that the vehicle was a write-off. The Respondent, as seller, had a responsibility to disclose to the buyer that the vehicle was a code 3 vehicle.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

45. The Respondent replied that the Complainant was unhappy with the vehicle because his mother did not want him to have a high performance motor vehicle.

46. The Complainant was called back to give evidence on the odometer reading of the vehicle. The Complainant testified that the present odometer reading was at about 96 000 to 97 000 km. However, the Respondent objected and pointed out that the Complainant had done at least 6 000 km on the vehicle. The Respondent felt that the vehicle was covered by a motor plan which provides for maintenance up to 100 000 km.

47. It was pointed out by the court that a motor plan would not be available to a vehicle that was written-off as a code 3 vehicle. The Respondent could also not remember whether he was issued with the service record book of the vehicle.

Analysis of evidence:

48. The Complainant is required to prove his case against the Respondent on a balance of probabilities. This means that the Complainant's version must be more probable than the Respondent's version.

49. It was common cause between the parties that the Complainant paid R90 000,00 in cash for a BMW M3 vehicle from the Respondent. It was also common cause between the parties that the vehicle was advised in the Junk Mail as a second-hand vehicle for the purchase price of R130 000,00. It was also common cause that between the parties that there was no written contract of sale entered between them. It was also common cause between the parties that the sale of the vehicle was concluded in a matter of three days.

50. On registering the vehicle in his name, the Complainant discovered that he had in fact purchased a code 3 vehicle and not a second-hand vehicle. On realizing this, the Complainant confronted the Respondent for a refund of the purchase price.

51. It was also not in dispute that the Respondent had offered to refund the Complainant in monthly installments of R2 500,00 because he had spent the money in a matter of two days.

52. It is clear from the evidence that the Complainant was induced into purchasing the motor vehicle for R90 000,00 as a result of a misrepresentation made by the Respondent. The Complainant relied on the misrepresentation made by the Respondent in circumstances that prevented him from establishing that the vehicle had been involved in a serious accident and was written-off as scrap prior to making a cash payment.

53. It is trite law that where a party has been induced to enter into a contract based on a misrepresentation and where, as a result of the fraudulent misrepresentation, there is no consensus on a material term of the contract (namely the subject matter of the contract), the parties are not in agreement. Consequently, there is no contract between the parties.

54. The Respondent's conduct throughout the negotiations leading up to the exchange of cash for the motor vehicle is riddled with deviant behaviour by the Respondent who used every trick available to him to induce the Complainant to purchase the vehicle in the first place and secondly, to prevent him from recovering the purchase price.

55. It is clear from a reading of the letter from Van Rensburg, who purports to have knowledge of the alleged good condition of the vehicle and its suitability for the Boksburg Flying Squad, that the letter is a hoax and an example of the level of deception resorted to in this matter.

56. According to it is clear that the Respondent's conduct has unfairly affected the Complainant and constitutes an unfair business practice under the Consumer Affairs (Unfair Business Practices) Act, 1996.

57. The unfair business practice committed by the Respondent is aggravated by the Respondent's actions. The Respondent insisted on being paid in cash for a vehicle that was written off as scrap and misled the Complainant into purchasing the vehicle by providing him with registration papers where the status of the vehicle had been erased. It is clear that at all material times leading to the sale of the vehicle, the Respondent was aware that he was in fact passing off a scrapped vehicle as a second-hand vehicle to the Complainant to induce him to enter into the transaction for the purchase of the vehicle. It follows therefore, that the Respondent acted dishonestly and grossly unreasonably.

58. Ordinarily, since the contract is null and void for fraudulent misrepresentation, the status quo ante must be restored. In other words, the Complainant must be refunded in full and the vehicle should be returned to the Respondent. However, to return the vehicle in the circumstances presented to this court would reward the wrongdoer and perpetuate the fraud. This court cannot in all good conscience make such an order.

59. It is unlikely that the Respondent will refund the purchase price of R90 000,00 and R8 500,00 to the Complainant. It is also highly likely that the Respondent, if placed in possession of the vehicle, may commit another unfair business practice on an unsuspecting consumer.

Compensation

60. The Complainant has been clearly prejudiced by the Respondent's fraudulent misrepresentation. As a result the Complainant is out of pocket in the purchase price of R90 000,00 and R8 500,00 paid for the replacement of the gear box. In our view, the Complainant is entitled to be refunded a total amount of R98 500,00, together with interest thereon at the prescribed rate.

Order

61. Accordingly the court orders that—

61.1 the Respondent is through the Office for the Investigation of Unfair Business Practices and within 21 days of this judgment having been served on the Respondent, to refund the Complainant the amount of R98 500,00 together with interest thereon at the prescribed rate from date of judgment to date of payment, and

61.2 the vehicle is to remain in the possession of the Office for the Investigation of Unfair Business Practices until such time that the Respondent has accounted in full to the Complainant.

Chairperson T Bailey and Members K Madlala, I Jones and A Makwetla Concur with this Judgment of Member A Mayet.

5.2.2 the balance of R50 000,00 by way of progress payments in accordance with the work done.

6. The complainant and respondent also verbally agreed that the respondent would build a swimming-pool for the complainant for an amount of R7 000,00 by utilising the services of a sub-contractor, one Samuel (Samuel).

7. On 15 June 2004, the complainant paid the respondent the deposit. About a week later, she paid the respondent an amount of R7 000,00 for the building of the swimming pool.

8. The respondent commenced with the work and about 2 Fridays later requested a progress payment of R20 000,00 (the progress payment). However, the complainant's brother advised her against making the progress payment because the respondent would never be able to complete the work for the contract price and had allegedly taken money from another Eldorado Park resident without completing building renovation work. Moreover, both Samuel and the respondent's workers complained that the respondent had not paid them for that portion of the work they had carried out on the property.

9. Accordingly, on the Saturday night the complainant and her brother went to the respondent's house where they met with the respondent and one Mangi (Mangi). The complainant asked the respondent whether he was experiencing financial difficulties and how much of the deposit he had spent. The respondent denied he was experiencing financial difficulties and told the complainant that he had spent R10 000,00 on building materials. She asked the respondent to furnish her with receipts for the money he had spent and to return the R20 000,00 to her so that she could buy the building materials herself.

10. The respondent refused to furnish the complainant with receipts. Mangi told the complainant that by Wednesday of the following week the respondent would deliver building materials to the value of R30 000,00 to the property. Mangi added that the complainant should call him if the building materials were not delivered. The following Monday, 27 June 2004, Cashbuild delivered building materials to the value of R2 499,00. The complainant subsequently made numerous telephone calls to the respondent, who did not return her calls.

11. Since the respondent had left the property and did not return the complainant's telephone calls, the complainant lodged a criminal complaint against the respondent for fraud at the Eldorado Park Police Station. The complainant ascertained that 2 other persons had lodged similar complaints against the respondent under CR numbers 239/7/2004 and 240/7/2004. The court initially postponed the matter and ultimately withdrew the charges because of the failure to obtain information under section 205.

12. The complainant then instructed Gavin Dooling Attorney to proceed with a civil case against the respondent. However, despite accepting money from the complainant that firm did not proceed with the civil case and the complainant then approached this Court for assistance.

13. The complainant does not want the respondent to return to the property because of the respondent's lies and manipulation. She wishes to be refunded the money she paid to the respondent less the work he has done and the materials he has supplied.

14. The complainant requested this Court to take into account that the respondent had broken gutters and removed tiles from the roof of her house, which causes the lounge to flood during the rainy season. The complainant's ceilings have also been damaged as a result of the incomplete work. The complainant estimates that the respondent had only completed about 10% of the work despite being almost half of the contract price.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

15. The complainant denied that the contract price for the swimming-pool was R15 000,00. Not only did the respondent quote the complainant an amount of R7 000,00 for Samuel to build the swimming-pool but Samuel told both the complainant and her husband when they took him to the taxi rank that he had quoted the respondent an amount of R6 000,00 to build the swimming-pool. After the respondent left the property, Samuel offered to continue to build the swimming-pool for R7 000,00.

Terence Hinton

16. Terence Hinton (Hinton) testified that he has worked in various capacities in the building industry for 43 years. He is an approved expert opinion consultant to the Gauteng Master Builders Association.

17. Hinton inspected the property and drew an inspection report (the report). He confirmed the report, which reveals that—

17.1 On 11 November 2004 the municipality approved the building plans, drawn by MSM Designs, for the work;

17.2 The on-site inspection showed that only the following work had been done—

17.2.1 excavation and concrete foundations for the TV room, living room, patio, double garage, staff toilet and entertainment area;

17.2.2 superstructure brickwork had commenced in all the areas with the exception of the staff toilet and entertainment area; and

17.2.3 the swimming pool excavation, concrete bottom and sides had been completed;

17.3 Hinton took accurate measurements of the work carried out and based on the "Builders and Home Owners Building and Pricing Guide 2004" (the Builders Pricing Guide) calculated a Bill of Quantities in the amount of R22 353,00;

17.4 According to the complainant, the respondent based the contract price on a floor area rate of R489,00 per square metre. This is "a ridiculously low figure" because the Builders Pricing Guide estimates the national floor area rate in 2004 to be about R2 650,00 per square metre. The Bill of Quantities is based on R2 650,00 per square metre;

17.5 Despite the contract price, the deposit should have been used to buy all the building materials at the best prices;

17.6 the respondent agreed to carry out the work in accordance with the specifications in the schedule but failed to do so;

17.7 the brickwork has been carried out to an acceptable standard;

17.8 the concrete work to the swimming-pool is very rough and uneven while the sides to the swimming-pool are neither parallel nor symmetrical; and

17.9 rain has penetrated into the house and caused damage to suspended ceilings where the respondent removed part of the roof, roof tiles and the gutter.

18. Hinton has no doubt that the complainant overpaid the respondent for the work done by the respondent.

19. Hinton estimates the value of the respondent's work relative to the contract price to be between R8 000,00 and R10 000,00. Hinton requested a breakdown of the contract price to give the benefit of the doubt to the respondent but was not furnished with such a breakdown.

20. In Hinton's view, the respondent underquoted to do the work because if the respondent followed the Builders Pricing Guide of R2 650 per square metre then the work would have cost about R420 000,00. Moreover, the respondent also underquoted to build the swimming pool, which Hinton estimated would "nowadays" be quoted at about R25 000,00.

21. Given the size of the work it was necessary for the building plans to have been approved.

THE RESPONDENT**Errol Dennis**

22. The respondent testified that he had 36 years experience in the building industry. He has built many houses and knows how to build cheap houses.

23. The respondent confirmed that he entered into the agreement with the complainant to carry out the work on the property. However, he denied that he entered into a verbal agreement with the complainant to build a swimming-pool for R7 000,00. Rather, he undertook to supervise the building of the swimming-pool, which would cost R15 000,00 because this was all the complainant could afford. It is not possible to build a swimming-pool for R7 000,00. The respondent disputed that Samuel charged him R6 000,00 to build the swimming-pool.

24. The respondent agreed with the complainant that he would start the work without the municipality having approved the building plans and the plans would be submitted based on the work done.

25. According to the respondent, "everything was going fine" until the complainant's brother started to make false accusations against the respondent. As a result of these accusations, the complainant called at the respondent's home with her brother and her brother-in-law and insisted that the respondent refund her money and stop the work. Later, the respondent was arrested for allegedly committing fraud and was initially denied bail. The respondent and his family allegedly also received death threats. The respondent did not breach the agreement and would have completed the work if the complainant has given him the opportunity to do so. The respondent is not "so silly" as to rob a policewoman.

26. The respondent denied that he was obliged to furnish the complainant with receipts in terms of the agreement. The respondent had spent all but R4 000,00 of the money the complainant had paid to him. He does not care what the Builders Pricing Guide says. Rather, the work done should be measured together with its value because the respondent has to pay for labour and building materials. The respondent secured the services of 2 quantity surveyors, who both calculated the value of the work the respondent carried out on the property at R40 000,00.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**SUMMARY OF ARGUMENTS****The complainant**

27. In argument, Ms Ngcobozi submitted first, that although the agreement did not specifically require the respondent to furnish the complainant with receipts, the respondent owed a duty of care to his customer, the complainant, to explain how he had spent her money. It made no sense for the complainant to make a progress payment to the respondent given the complainant's suspicions and the respondent's failure to explain how he had spent her money. If the work had been financed by a financial institution then progress payments would have only been made according to the work the respondent had done. For these reasons, the respondent's behaviour frustrated the complainant from performing her side of the agreement.

28. Moreover, Hinton's evidence reveals that the respondent committed an unfair business practice against the complainant and the respondent should refund the complainant an amount of R14,647,00, being the difference between the amount of R37 000,00 the complainant paid to the respondent and the value of the work done as set out in the report.

THE RESPONDENT

29. Mr Mogoboya submitted first, that the complainant was in breach of the agreement. The complainant had acted unreasonably towards the respondent and prevented him from performing his side of the agreement by refusing to make the progress payment the respondent had requested and by having the respondent arrested for having allegedly committed fraud.

30. Second, the complainant's breach had caused the respondent to suffer loss in the amount of R50 000,00, being the difference between the contract price and the amount the complainant paid to the respondent, excluding the sub-contract for the building of the swimming-pool. According to Mr Mogoboya, the respondent must be placed in the financial position that he would have been in but for the complainant's breach of the agreement.

31. Third, the complainant's actions had resulted in a "huge tension" between the complainant and the respondent.

32. Moreover, the respondent did not underquote on the work. Residents in disadvantaged communities cannot afford to pay R2 650,00 per square metre for building work. Since the respondent has many years experience in the building industry, he is able to quantify the purchase price of building materials for the work he is required to do.

ANALYSIS OF EVIDENCE AND ARGUMENT

33. The complainant is required to prove her case against the respondent on a balance of probabilities. This standard means that the complainant's version must be more probable than the respondent's version.

34. It was common cause that the complainant paid the respondent a deposit of R30 000,00 and a further amount of R7 000,00 for the swimming-pool. Mr Mogoboya made much in argument that the complainant's conduct in refusing to make the progress payment and causing the respondent to be arrested was both unreasonable and amounted to a breach of the agreement because it prevented the respondent from carrying out the work in terms of the agreement.

35. This Court is not persuaded that the complainant was in breach of agreement. The complainant testified that her suspicions were aroused when her brother advised her against making the progress payment because the respondent would never be able to complete the work for the contract price and had allegedly taken money from another Eldorado Park resident without completing that resident's building alterations.

36. Whatever may have occurred thereafter, Hinton's evidence confirms that the complainant was correct not to make the progress payment because the respondent had based the contract price on a "ridiculously low" floor area rate of R489,00 per square metre and the respondent had delivered building materials and work to the value of R22 353,00. Hinton made a very good impression as a witness. The respondent's failure to call either of the quantity surveyors he referred to in his evidence or produce evidence, such as receipts, to justify his claim that he had incurred costs of about R40 000,00 results in Hinton's evidence being unchallenged and it is therefore accepted.

37. This means that when the respondent requested the progress payment the complainant had overpaid the respondent an amount of R14 647,00. It follows that the complainant was justified in refusing to make the progress payment and could not have breached the agreement.

38. It also became common cause that the complainant lodged a complaint with the police and the respondent was arrested and incarcerated. The reasonableness of the respondent's arrest and incarceration is not a matter which falls to be decided by this Court. Nevertheless, we are satisfied that the relationship between the parties has irretrievably broken down and it would be inappropriate to afford the respondent an opportunity to complete the work for the contract price in terms of the agreement.

39. The fraud charge which the complainant laid was not motivated by malice and was a reasonable step which was available to the complainant to safeguard her interests.

40. Accordingly, this Court is satisfied that the respondent's conduct in taking R37 000,00 from the complainant but only doing work to the value of R22 353,00 has unfairly affected the complainant and constitutes an unfair business practice under the Consumer Affairs (Unfair Business Practices) Act, 1995 (the Act).

41. Moreover, this Court is not satisfied that the respondent has made out a case that it has suffered the loss suggested by Mr Mogoboya. Accordingly, Mr Mogoboya's submission that the complainant is obliged to pay the respondent an amount of R50 000,00 must fail.

COMPENSATION

42. The complainant has been clearly prejudiced. She paid the respondent an amount of R37 000,00 but in the expert opinion of Hinton only received the benefit of work valued at R22 353,00 from the respondent, who held himself out to be both a duly registered and competent building contractor. Accordingly, the complainant is entitled to cancel the agreement and be refunded an amount of R14 647,00.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**ORDER**

43. Accordingly, this Court orders that—

43.1 The agreement that complainant and respondent entered into on 14 June 2004 is hereby cancelled; and

43.2 the respondent is, through the Office for the Investigation of Unfair Business Practices and within 21 days of this judgment having been served on the respondent, to refund the complainant the amount of R14 647,00 together with interest thereon at the prescribed rate from date of judgment to date of payment.
