(3) As geen kandidaat 'n volstrekte meerderheid verkry nie, moet die kiesbeampte die kandidaat met die kleinste aantal eerste keuses van die verkiesing uitsluit en die stembriefies in sy pakkie aan die blywende kandidaat oordra volgens die keuse wat daarop aangeteken is; die waarde van die stemme aldus oorgedra, word by dié van die stemme wat reeds in die pakkie van die betrokke kandidaat is, bygevoeg.

(3) If no candidate has an absolute majority, the returning officer shall exclude from the poll the candidate in whose favour the smallest number of first preferences have been recorded, and transfer the ballot papers in his parcel to the continuing candidates according to the next preferences recorded thereon, the value of the ballot papers so transferred being added to that of the papers already in the parcel of the candidate concerned.

(4) If at any time two or more candidates being the lowest on the poll have the same value of votes, that one in whose favour the smallest number of first preferences have been recorded shall be excluded, and if the first preferences recorded in favour of two or more candidates are also equal, the returning officer shall determine by lot which candidate is to be excluded.

(5) The procedure described in sub-regulation (3) shall be repeated in respect of the continuing candidates as often as may be necessary to obtain an absolute majority in favour of one candidate, the continuing candidate with the lowest value of votes being excluded at each repetition of such procedure.

VERKIESING VAN MEER AS EEN SENATOR.

18. (1) As meer as een Senator verkies moet word, moet die kiesbeampte eers die waarde (hieronder word dit die „kwota” genoem) van die stemme vasstel wat vir die verkiesing van die kandidaat nodig is; dit moet 'n getal wees wat met een die kwosiënt oorskry wat verkry is deur die waarde van al die geldige stembrieffies, wat ten opsigte van die betrokke verkiesing by die kiesbeampte ingedien is, deur 'n getal te deel wat met een groter is as die getal Senatore wat verkies moet word.

(2) Daarna moet die kiesbeampte al die stembrieffies ten opsigte van die betrokke verkiesing by hom ingedien in pakkies verdeel, soos in subregulasie (1) van regulasie 17 bepaal, en die getal eerste keuses vasstel wat vir elke kandidaat aangeteken is.

(3) Iedere kandidaat wat 'n getal stemme ontvang het van 'n waarde wat gelyk is aan of groter is as die kwota, moet behoorlik verkose verklaar word, en as die waarde van die stemme deur 'n kandidaat ontvang, gelyk is aan die kwota, moet sy stembrieffies as finaal afgehandel opsy gesit word.

OORDRA VAN SURPLUSSTEMME.

(4) (a) As 'n kandidaat 'n aantal stemme van 'n waarde wat groter as die kwota is, ontvang het, moet sy surplus op die wyse wat hieronder voorgeskryf word aan die orige kandidaat oorgedra word.

(b) As die surplus slegs uit oorspronklike stemme ontstaan, moet die kiesbeampte die onafgehandelde stembrieffies in die betrokke kandidaat se pakkie volgens die volgende keuses wat daarop aangeteken is, in kleiner pakkies verdeel. Hy moet ook 'n afsonderlike onderverdeelde pakkie van die afgehandelde stembrieffies van sodanige kandidaat maak.

(c) As die waarde van die onafgehandelde stembrieffies van sodanige kandidaat—

(i) gelyk aan of minder as sy surplus is, moet die kiesbeampte sodanige stembrieffies in elke onderverdeelde pakkie teen die waarde oordra waarop hulle deur die kandidaat wie se surplus oorgedra word, ontvang is;

(ii) groter as sy surplus is, moet die kiesbeampte sodanige stembrieffies teen 'n waarde oordra wat vasgestel word deur die surplus deur die totale onafgehandelde stembrieffies te deel.

(d) As die surplus nie uit oorspronklike stemme alleen ontstaan nie, moet die kiesbeampte die onafgehandelde stembrieffies in die laaste onderverdeelde pakkie wat aan die kandidaat oorgedra is, in onderverdeelde pakkies verdeel volgens die volgende keuses daarop aangeteken, en daarna moet hy die onderverdeelde pakkies op dieselfde manier behandel soos in die geval van 'n surplus wat uit oorspronklike stemme alleen ontstaan.

(5) Die stembrieffies wat aan enige kandidaat oorgedra word, moet as 'n onderverdeelde pakkie by die stembrieffies van die kandidaat aan wie die stembrieffies oorgedra word, gevoeg word.

(6) Enige stembrieffies in 'n verkose kandidaat se pakkie of 'n onderverdeelde pakkie wat kragtens hierdie regulasie nie oorgedra word nie, moet as finaal afgehandel opsy gesit word.

(7) (a) Slegs een surplus word op 'n keer oorgedra en as meer as een kandidaat by enige telling 'n surplus het, word die grootste van die betrokke surplusse eerste oorgedra; en indien twee of meer kandidate gelyke surplusse het, word die surplus van die kandidaat vir wie die kleinste getal oorspronklike stemme aangeteken is, eerste oorgedra.

(b) Indien twee of meer kandidate wat gelyke surplusse het ook dieselfde getal oorspronklike stemme het, word die kandidaat wie se surplus eerste oorgedra moet word, aangewys deur loting.

19. (1) (a) As daar, nadat al die surplusse volgens voorskrif van regulasie 18 oorgedra is, minder kandidate as die nodige aantal verkies is, moet die kiesbeampte die kandidaat met die minste stemme van die verkiesing uitsluit en sy onafgehandelde stembrieffies volgens die volgende keuses daarop aangeteken onder die blywende kandidate verdeel. Enige afgehandelde stembrieffies van sodanige kandidaat moet opsy gesit word.

ELECTION OF MORE SENATORS.

18. (1) Where more than one Senator is to be elected, the returning officer shall first determine the value (hereinafter referred to as the “quota”) of the votes required for the election of a candidate, which shall be a number exceeding by one the quotient obtained by dividing the value of all the valid ballot papers lodged with the returning officer in connection with the election in question by a number exceeding by one the number of Senators required to be elected.

(2) Thereupon the returning officer shall divide all the ballot papers lodged with him in connection with the election in question into parcels as provided in sub-regulation (1) of regulation 17 and ascertain the number of first preferences recorded in favour of each candidate.

(3) Every candidate who has obtained a number of votes of a value equal to or exceeding the quota, shall be declared to be duly elected, and where the value of the votes obtained by a candidate is equal to the quota, his ballot papers shall be regarded as finally disposed of and set aside accordingly.

TRANSFER OF SURPLUS VOTES.

(4) (a) Where a candidate has obtained a number of votes of a value exceeding the quota, his surplus shall be distributed amongst the remaining candidates as hereinafter provided.

(b) If the surplus arises from original votes only, the returning officer shall divide the unexhausted papers in the parcel of the candidate in question into sub-parcels according to the next preferences recorded thereon, and also make a separate sub-paragraph of the exhausted papers of such candidate.

(c) If the value of the unexhausted papers of such candidate—

(i) is equal to or less than his surplus, the returning officer shall transfer such papers in each sub-paragraph at the value at which they were received by the candidate whose surplus is being transferred;

(ii) is greater than his surplus, the returning officer shall transfer such papers at a value ascertained by dividing the surplus by the total number of unexhausted papers.

(d) If the surplus does not arise from original votes only, the returning officer shall divide the unexhausted papers in the last sub-paragraph transferred to the candidate into sub-parcels according to the next preferences recorded thereon and thereupon deal with such sub-parcels in the same manner as in the case of a surplus arising from original votes only.

(5) The papers transferred to any candidate shall be added in the form of a sub-paragraph to those of the candidate to whom the transfer is effected.

(6) Any papers in a parcel or sub-paragraph of an elected candidate which are not transferred under this regulation, shall be regarded as finally disposed of and set aside accordingly.

(7) (a) Only one surplus shall be transferred at a time and if at any count more than one candidate has a surplus, the largest of the respective surplus shall be first transferred, and if two or more candidates have equal surplus, the surplus of the candidate in whose favour the smallest number of original votes has been recorded shall be first transferred.

(b) If two or more candidates having equal surplus also have equal numbers of original votes, the candidate whose surplus is to be first transferred shall be determined by lot.

19. (1) (a) If after all surplus have been transferred as provided in regulation 18, the required number of candidates has not been elected, the returning officer shall exclude from the poll the candidate lowest on the poll and distribute his unexhausted papers amongst the continuing candidates according to the next preferences recorded thereon, any exhausted papers of such candidate being set aside.

(b) Die onafgehandelde stembrieffies waarop oorspronklike stemme vir die kandidaat aangeteken is, moet eers oorgedra word; die oordragwaarde van enige sodanige stembrieffie is 'n honderd.

(c) Die stembrieffies wat as gevolg van die uitsluiting van 'n vantevore uitgeslote kandidaat aan 'n kandidaat oorgedra is, word dan oorgedra in die orde waarin en volgens die waarde waarteen hulle vroeër oorgedra is. Iedere oordrag word as 'n afsonderlike oordrag beskou.

(2) Die metode van uitsluiting van kandidate en die oordrag van hulle stembrieffies, soos in subregulasie (1) voorgeskryf, moet na elke nuwe telling wat op 'n voorafgaande uitsluiting en oordrag volg, herhaal word totdat 'n genoegsame aantal kandidate die kwota behaal het of andersins verkies is: Met dien verstande dat indien die waarde van 'n kandidaat se stemme na enige oordrag gelyk aan of groter is as die kwota, geen verdere oordrag aan hom gedoen moet word nie.

20. 'n Kandidaat wat, nadat enige oordrag ingevolge regulasie 19 voltooi is, 'n getal stemme het van 'n waarde wat gelyk aan of groter is as die kwota, moet behoorlik verkose verklaar word en sy stembrieffies moet—

(a) indien hulle gelyk in waarde aan die kwota is, as finaal afgehandel opsy gesit word; of

(b) indien hulle groter as die kwota is, behou word sodat die surplus verdeel kan word voordat enige ander kandidaat uitgesluit word.

21. (1) Wanneer die aantal blywendé kandidate tot die getal vakatures wat nog aangevul moet word, verminder is, moet al daardie kandidate behoorlik verkose verklaar word.

(2) As slegs een vakature nog aangevul moet word en die waarde van die stemme van enige blywendé kandidaat groter is as die totale waarde van al die ander stemme wat oorgedra kan word, moet daardie kandidaat behoorlik verkose verklaar word.

(3) As slegs een vakature nog aangevul moet word en daar slegs twee blywendé kandidate is, en as hierdie twee kandidate iedereen dieselfde waarde van stemme het en daar geen surplus oorbly wat oorgedra kan word nie, moet dié kandidaat wat die grootste getal oorspronklike stemme het, behoorlik verkose verklaar word; indien albei dieselfde getal stemme het, moet die een wat behoorlik verkose verklaar moet word, aangewys word deur loting.

PROSEDURE BY LOTING.

22. (1) As dit nodig word om deur loting te bepaal watter van twee of meer kandidate van 'n stemming uitgesluit moet word, of watter van twee of meer surplusse oorgedra moet word, of watter van twee kandidate behoorlik verkose verklaar moet word, moet die kiesbeampde die name van die betrokke kandidate of van die kandidate wie se surplusse oorgedra moet word of van die twee kandidate van wie een behoorlik verkose verklaar moet word, na gelang van die geval, op aparte stukkies papier van eenderse grootte, en wat dieselfde fatsoen en voorkoms het, skryf. Daarna moet die kiesbeampde die stukkies papier op 'n wyse vou wat sal verseker dat hulle sover moontlik identies lyk.

(2) Die kiesbeampde plaas daarna, in die teenwoordigheid van die assessore ingevolge subregulasie (1) van regulasie 3 aangestel, die stukkies papier in 'n stembus; nadat hy die stembus toegemaak en geskud het, maak hy dit weer oop en haal dan, sonder om in die stembus te kyk, een van die stukkies papier daarin uit.

(3) Die kandidaat wie se naam op die stukkies papier voorkom wat aldus uitgehaal is, is die kandidaat wat uitgesluit moet word of wie se surplus eerste oorgedra moet word, of wat behoorlik verkose verklaar moet word, na gelang van die geval.

LYSTE VAN VERKOSSE KANDIDATE.

23. (1) (a) Sodra 'n verkiesing afgehandel is, moet die kiesbeampde aan die Minister van Binnelandse Sake 'n lys stuur wat die name en adresse van die verkose kandidate moet aantoon in die volgorde van hul verkiesing en die datums waarop hul verkose verklaar is, sowel as 'n volledige opgawe, deur die kiesbeampde onderteken, wat die verskillende stappe van die verkiesing asook die uitslag daarvan moet aantoon.

(b) The unexhausted papers on which original votes have been recorded in favour of the candidate shall first be transferred, the transfer value of any such paper being one hundred.

(c) Thereupon any papers transferred to the candidate in consequence of the exclusion of a previously excluded candidate shall be transferred in the order in which and at the values at which they were previously transferred, each transfer being regarded as a separate transfer.

(2) The process of exclusion of candidates and transfer of their papers provided for in sub-regulation (1) shall be repeated after each fresh count following upon a prior exclusion and transfer until a sufficient number of candidates has obtained the quota or is otherwise elected: Provided that if after any transfer the value of the votes of a candidate is equal to or exceeds the quota, no further transfer to him shall be effected.

20. Any candidate who after completion of any transfer in terms of regulation 19, has a number of votes of a value equal to or greater than the quota, shall be declared to be duly elected, and his voting papers shall—

(a) if equal in value to the quota, be set aside as finally disposed of; or

(b) if in excess of the quota, be retained for the purpose of distribution of the surplus before any other candidate is excluded.

21. (1) Whenever the number of continuing candidates is reduced to the number of vacancies to be filled, all those candidates shall be declared to be duly elected.

(2) Where there is only one vacancy remaining to be filled, and the value of the votes of any continuing candidate exceeds the total value of all other votes capable of being transferred, that candidate shall be declared to be duly elected.

(3) If only one vacancy remains to be filled, and there are only two continuing candidates each having the same value of votes, and no surplus remains to be transferred, that one of such candidates having the largest number of original votes shall be declared to be duly elected, and if both have the same number of votes, the one to be declared to be duly elected shall be determined by lot.

PROCEDURE WHEN DETERMINING BY LOT.

22. (1) Whenever it is necessary to determine by lot which of two or more candidates are to be excluded from a poll, or which of two or more surplusse is to be first transferred or which of two candidates is to be declared to be duly elected, the returning officer shall write the names of the candidates concerned or of the candidates whose surplusse are to be transferred or of the two candidates of whom one is to be declared to be duly elected, as the case may be, on separate pieces of paper of equal size and of the same shape and appearance, which he shall thereupon fold in such a manner as to ensure that they will as far as possible be outwardly identical in appearance.

(2) Thereupon the returning officer shall in the presence of the assessors appointed under sub-regulation (1) of regulation 3 put the pieces of paper in a ballot box, close that ballot box and having shaken it, open it again and without looking draw out one of the pieces of paper therein.

(3) The candidate whose name appears on the piece of paper so drawn out shall be the candidate who shall be excluded or whose surplus shall be first distributed or who shall be declared to be duly elected, as the case may be.

LISTS OF ELECTED CANDIDATES.

23. (1) (a) When an election has been completed, the returning officer shall lodge with the Minister of the Interior a list showing the names and addresses of the candidates declared to be elected in the order of their election and the dates on which they were declared to be elected, as also a complete return signed by him showing the various steps of the election and the result thereof.

(b) By ontvangs van sodanige lys moet die Minister die volle name en adresse van die verkose persone en die datums waarop en die provinsie waarvoor hulle verkose verklaar is, by kennisgewing in die *Staatskoerant* laat publiseer.

BEWARING VAN VERKIESINGSTUKKE.

(2) Die kiesbeamppte moet ook aan vermeldde Minister afsonderlike verseelde pakkies stuur wat al die nominasiebriewe en gebruikte stembrieffies by hom ingedien, tesame met die teenblaaië daarvan, bevat.

(3) Vermeldde Minister moet, nadat hy die pakkies in subregulasie (2) genoem, ontvang het, hulle vir 'n jaar hou en daarna kan hulle vernietig word. Geen sodanige pakkie word te eniger tyd oopgemaak nie behalwe op las van die Hooggeregshof.

ALGEMEEN.

24. Indien 'n assessor wat kragtens subregulasie (1) van regulasie 3 aangestel is, om die een of ander rede ontevrede is met die wyse waarop die verkiesing kragtens hierdie regulasies gehou is, moet hy dienoreenkomstig aan die Minister van Binnelandse Sake rapporteer en die Goewerneur-generaal kan, indien hy dit nodig ag, in so 'n geval 'n óórtelling deur die kiesbeamppte beveel en in daardie geval moet die kiesbeamppte dienoreenkomstig optree.

25. (1) As iemand vir meer as een provinsie, of vir een of meer provinsies sowel as vir die gebied Suidwes-Afrika verkies is, moet hy onmiddellik, nadat hy verkose verklaar is, die Minister van Binnelandse Sake in kennis stel watter provinsie hy sal verteenwoordig, en of, na gelang van die geval, by enige sodanige provinsie of genoemde gebied sal verteenwoordig, en daarna word enige ander setel waarvoor hy verkies is vakant.

(2) As iemand reeds 'n lid van die Senaat vir 'n provinsie is en te eniger tyd as Senator vir die gebied Suidwes-Afrika verkies word, hou hy onmiddellik op om 'n Senator vir daardie provinsie te wees.

- (b) by the Minister of the Interior, the Governor-General shall—

- (i) if the notice is to the effect that the number of candidates nominated is less than the number of vacancies to be filled, by proclamation in the *Official Gazette* of the territory call for further nominations to be lodged with the returning officer on or before a date and an hour specified in the proclamation, not being less than seven or more than fourteen days after the date of publication thereof; or

- (ii) if the notice contains advice of the death of a duly nominated candidate, by proclamation in the *Official Gazette* of the territory repeal the relevant proclamation issued under paragraph (b) of sub-regulation (1) of regulation 5 calling for the nominations in question.

(3) Where a proclamation under paragraph (b) of sub-regulation (1) of regulation 5 has been repealed as provided in sub-paragraph (ii) of paragraph (b) of sub-regulation (2) of this regulation, all proceedings in connection with the relevant election shall be commenced afresh, but any nominations duly made under the repealed proclamation, and not withdrawn as provided in these regulations, shall have effect as if they had been made in pursuance of any proclamation subsequently issued calling for nominations of candidates for election to fill the vacancies to which the repealed proclamation related.

9. (1) Whenever the number of candidates duly nominated for election under these regulations, including any candidates nominated under sub-regulation (2) of regulation 8, is equal to or less than the number of vacancies to be filled at that election, the returning officer shall declare the candidates so nominated to be duly elected and advise the Minister of the Interior and the Administrator of the names of those candidates.

(2) If all the vacancies have not been filled, proceedings shall thereafter be commenced afresh for the filling of the remaining vacancies.

10. (1) Whenever the number of candidates nominated in connection with an election of Senators exceeds the number of vacancies to be filled, the returning officer shall—

- (a) if the nominations were made at a sitting summoned under paragraph (a) of sub-regulation (1) of regulation 5, lodge with the Administrator; or

- (b) if the nominations were made in pursuance of a proclamation issued under paragraph (b) of that sub-regulation, lodge with the Minister of the Interior;

a return showing the names, addresses and occupations of the duly nominated candidates and the names of the members by whom they were nominated.

(2) The Administrator shall as soon as may be thereafter announce the names of the candidates duly nominated to the members attending the sitting in question.

(3) Where any such return is lodged with the Minister of the Interior, the Governor-General shall as soon as may be thereafter by proclamation in the *Official Gazette* of the territory make known the full names of the duly nominated candidates in alphabetical order according to their surnames, together with their addresses and occupations, and shall in that proclamation fix a date, not being less than fourteen or more than twenty-one days after the date of publication thereof, and an hour on or before which ballot papers in connection with the election in question shall be lodged with the returning officer.

OPSTEL EN UITSTUUR VAN STEM BRIEFIES.

11. (1) Vir doeleindes van die uitbring van stemme by 'n verkiesing kragtens hierdie regulasies, moet die kies-beampte stembriefies volgens die vorm S.V. 3 (S.W.A.) laat opstel soos in die Bylae hiervan uiteengesit. Iedere stembriefie moet in albei die amptelike tale van die Unie opgestel wees, en die volle name van al die behoorlik genomineerde kandidate, in alfabetiese orde volgens hulle familienaam gerangskik, en hulle adresse en beroep moet daarop gedruk wees.

(2) Een van daardie stembriefies, agterop met die amptelike stempel gemerk wat vir dié doel verskaf word, moet deur die kiesbeampte aan elke lid wat die betrokke sitting bywoon en wil stem, gegee word, of moet in 'n geval waar stembriefies ingevolge 'n proklamasie kragtens subregulasie (3) van regulasie 10 uitgereik by die kies-beampte ingedien moet word, deur die kiesbeampte aan elke lid op die adres in paragraaf (b) van subregulasie (3) van regulasie 5 genoem, per geregistreerde pos gestuur word.

(3) Die naam van die lid aan wie 'n stembriefie aldus uitgereik of gegee is, moet op die teenblad daarvan aangeteken word.

(4) (a) 'n Stembriefie wat aan 'n lid gegee moet word, moet aan hom gestuur word na sy posadres, soos ooreenkomstig paragraaf (b) van subregulasie (3) van regulasie 5 bepaal, en moet vergesel word van 'n kennisgewing wat die laatste datum en uur aandui voor of waarop sodanige stembriefie ingevolge die betrokke proklamasie kragtens subregulasie (3) van regulasie 10 by die kiesbeampte ingedien moet word asook van twee koeverte onderskeidelik in die vorms S.V. 4 (S.W.A.) en S.V. 5 (S.W.A.) wat in die Bylae hiervan uiteengesit word.

(b) Alle stembriefies wat aan lede gestuur word, moet gelyktydig gegee word.

(5) Sodra 'n lid sy stem op 'n stembriefie uitgebring het wat kragtens subregulasie (2) aan hom afgelewer of gegee is, moet hy—

(a) indien sodanige stembriefie aan hom afgelewer is, dit op so 'n wyse vou dat die amptelike stempel daarop sigbaar is en dit daarna in die teenwoordigheid van die kiesbeampte in die stembus plaas wat vir dié doel verskaf is, nadat daardie beampte die amptelike stempel herken het; of

(b) indien sodanige stembriefie aan hom gegee is, dit in die koevert S.V. 4 (S.W.A.) plaas en dit toemaak; daarna moet hy dit in die koevert S.V. 5 (S.W.A.) steek en, nadat hy die besonderhede ingevul en sy naam geteken het op die plekke wat daarvoor bedoel is, dit dan per geregistreerde pos aan die kiesbeampte stuur.

(6) (a) Die kiesbeampte moet in teenwoordigheid van die assessore ingevolge regulasie 3 aangestel elke koevert, S.V. 5 (S.W.A.) deur hom ontvang, in 'n stembus plaas wat vir dié doel verskaf word, nadat hy die naam van die lid van wie dit ontvang is, aangeteken het.

(b) Onmiddellik na verstryking van die tydperk waarin sodanige stembriefies by hom ingedien moes word, moet die kiesbeampte in teenwoordigheid van sodanige assessore al daardie koeverte oopmaak, die koeverte S.V. 4 (S.W.A.) uithaal wat daarby ingesluit was en, nadat laasgenoemde koeverte deeglik gemeng is, die stembriefies daarin vervat, uithaal. Daarna handel hy daarmee ooreenkomstig hierdie regulasies.

(7) As 'n stembriefie onopsetlik bederf is, moet die kiesbeampte, indien hy daarvan oortuig is dat dit onopsetlik gedoen is, die stembriefie kanselleer, die teenblad daarvan dienooreenkomstig endosseer en op aanvraag 'n nuwe stembriefie aan die betrokke lid uitreik.

PROSEDURE BY STEMMING.

12. (1) Iedere lid het slegs een stem, maar hy kan agterenvolgende keuses vir enige getal kandidate uitbring.

(2) Iedere lid moet persoonlik stem en geen lid word toegelaat om by volmag te stem nie.

PREPARATION AND SUPPLY OF BALLOT PAPERS.

11. (1) For the purpose of voting at any election under these regulations, the returning officer shall cause to be prepared ballot papers in the form S.V. 3 (S.W.A.) set out in the Annexure hereto, which shall be in both of the official languages of the Union and on which shall be printed, in alphabetical order according to their surnames, the full names of all the duly nominated candidates and their addresses and occupations.

(2) One such ballot paper marked on the back with the official mark provided for the purpose shall be delivered by the returning officer to every member attending the sitting in question who desires to vote or, where ballot papers are required to be lodged with the returning officer in terms of a proclamation issued under sub-regulation (3) of regulation 10, transmitted by the returning officer by registered post to each member at the address referred to in paragraph (b) of sub-regulation (3) of regulation 5.

(3) The name of the member to whom a ballot paper is so issued or posted shall be recorded on the counterfoil thereof.

(4) (a) Any ballot paper required to be posted to a member shall be directed to him at his postal address, as ascertaining in terms of paragraph (b) of sub-regulation (3) of regulation 5 and shall be accompanied by a notification of the date and hour on or before which such ballot paper is in terms of the relevant proclamation under sub-regulation (3) of regulation 10 required to be lodged with the returning officer, together with two envelopes respectively in the forms S.V. 4 (S.W.A.) and S.V. 5 (S.W.A.) set out in the Annexure hereto.

(b) All ballot papers despatched to members shall be posted simultaneously.

(5) A member to whom a ballot paper has been delivered or posted in terms of sub-regulation (2) shall, after having recorded his vote thereon—

(a) if such ballot paper has been delivered to him, fold it in such a manner that the official mark thereon is visible, and place it in the ballot box provided for the purpose in the presence of the returning officer after such officer has noted the said official mark;

(b) if such ballot paper has been posted to him, place it in the envelope S.V. 4 (S.W.A.), close such envelope and enclose it in the envelope S.V. 5 (S.W.A.) which he shall, after filling in the details and signing his name in the spaces provided thereon, despatch to the returning officer by registered post.

(6) (a) The returning officer shall in the presence of the assessors appointed under regulation 3, place every envelope S.V. 5 (S.W.A.) received by him in a ballot box provided for the purpose, after having recorded the name of the member from whom it has been received.

(b) Immediately upon the lapse of the period within which such ballot papers were required to be lodged with him, the returning officer shall in the presence of such assessors open all such envelopes, remove therefrom the envelopes S.V. 4 (S.W.A.) enclosed therein, and after having thoroughly mixed the latter envelopes remove the ballot papers enclosed therein, which shall then be further dealt with in accordance with these regulations.

(7) If a ballot paper is inadvertently spoiled, the returning officer shall if satisfied that such is the case, cancel that ballot paper, endorse the counterfoil thereof accordingly, and upon request issue a new ballot paper to the member concerned.

SYSTEM OF VOTING.

12. (1) A member shall have one vote only, but may record successive preferences in favour of any number of candidates.

(2) Voting shall take place by members in person, no member being allowed to vote by proxy.

13. 'n Lid stem deur die syfer een op die plek wat daarvoor bedoel is te plaas, teenoor die naam van die kandidaat vir wie hy wil stem; hy kan terselfdertyd agtereenvolgende keuses vir ander kandidate uitbring, en elke volgende keuse word aangedui deur die daaropvolgende syfer teenoor die naam van die betrokke kandidaat te plaas.

14. 'n Stembriefie is ongeldig—

- (a) as dit die amptelike stempel wat kragtens subregulasie (2) van regulasie 11 daarop geplaas moet word, nie dra nie of enige merk het, uitgesonderd genoemde amptelike stempel en die syfer of syfers wat 'n lid daarop moet aanbring as hy sy stem uitbring en volgende keuses aandui;
- (b) as die syfer een nie teenoor die naam van enige kandidaat geplaas is nie, of teenoor die naam van meer as een kandidaat geplaas is, of teenoor die naam van enige kandidaat tesame met enige ander syfer geplaas is;
- (c) in die geval van 'n stembriefie wat aan die kiesbeampste per pos gestuur is, as die handtekening van die betrokke lid nie op die toepaslike kovert S.V. 5 (S.W.A.) verskyn nie;
- (d) as dit ongemerk of onseker gemerk is: Met dien verstande dat 'n stembriefie nie op grond van onsekerheid as ongeldig beskou word slegs omdat dieselfde plek in orde van keuse vir meer as een kandidaat aangeteken is, indien die orde van keuse van kandidate, vir wie eerste keuses aangeteken is, duidelik aangedui is nie.

TEL VAN STEMME.

15. (1) Sodra die stemming by 'n verkiesing van Senatore afgehandel is, moet die kiesbeampste, in teenwoordigheid van die assessore ingevolge subregulasie (1) van regulasie 3 aangestel, die assistent-kiesbeampste en enige beampstes ooreenkomstig subregulasie (3) van regulasie 2 aangestel, die stembus wat die stembriefies bevat oopmaak en voortgaan met die tel van stemme.

(2) Uitgesonderd 'n persoon in subregulasie (1) genoem, mag geen persoon by die verrigtinge in daardie subregulasie vermeld, aanwesig wees nie.

16. Vir doeleindes van die tel van stemme—

- (a) het iedere geldige stembriefie die waarde van 'n honderd; en
- (b) word alle breuke en alle keuses wat vir kandidate aangeteken is wat reeds verkies is of van die verkiesing uitgesluit is, buite-rekening gelaat.

VERKIESING VAN EEN SENATOR.

17. (1) Wanneer een senator verkies moet word, moet die kiesbeampste vir elke kandidaat 'n aparte pakkie van al die stembriefies waarop 'n eerste keuse van sodanige kandidaat aangeteken is, maak.

(2) As enige kandidaat 'n volstrekte meerderheid stemme verkry nadat die verskillende pakkies stembriefies getel is, moet hy verkose verklaar word.

(3) As geen kandidaat 'n volstrekte meerderheid verkry nie, moet die kiesbeampste die kandidaat met die kleinste aantal eerste keuses van die verkiesing uitsluit en die stembriefies in sy pakkie aan die blywende kandidate oordra volgens die keuses wat daarop aangeteken is; die waarde van die stemme aldus oorgedra, word by dié van die stemme wat reeds in die pakkie van die betrokke kandidaat is, bygevoeg.

(4) As daar te eniger tyd twee of meer kandidate is wat die laagste in die verkiesing staan en dieselfde waarde van stemme het, word die kandidaat vir wie die kleinste aantal eerste keuses aangeteken is, van die verkiesing uitgesluit, en indien die eerste keuses vir twee of meer kandidate aangeteken ook dieselfde is, moet die kiesbeampste bepaal, deur lootjies te trek, watter kandidaat uitgesluit moet word.

13. A member shall record his vote by placing the numeral one in the space provided on the ballot paper for recording a vote against the name of the candidate for whom he desires to vote; and may at the same time record successive preferences in favour of other candidates, each next preference being signified by placing the next following numeral figure against the name of the candidate concerned.

14. A ballot paper shall be invalid—

- (a) if it does not bear the official mark required to be placed thereon in terms of sub-regulation (2) of regulation 11, or bears any mark other than the said official mark and the figure or figures required to be made thereon by a member in recording his vote and signifying his preferences.
- (b) if, in the case of an election in accordance with the system of proportional representation, the numeral one has not been placed against the name of any candidate or has been placed against the name of more than one candidate or has been placed against the name of any candidate together with any other numeral;
- (c) if, in the case of a ballot paper forwarded to the returning officer by post, the signature of the member concerned does not appear on the relevant envelope S.V. 5 (S.W.A.);
- (d) if it is unmarked or is void for uncertainty: Provided that a ballot paper shall not be deemed to be void on the ground of uncertainty by reason only that the same place in order of preference has been recorded in favour of more than one candidate, if the order of preference of candidates for whom prior preferences have been recorded is clearly indicated.

COUNTING OF VOTES.

15. (1) As soon as the voting at an election of Senators has been completed, the returning officer shall in the presence of the assessors appointed under sub-regulation (1) of regulation 3, the assistant returning officer and any officers appointed under sub-regulation (3) of regulation 2, open the ballot box in which the ballot papers are contained and proceed with the counting of the votes.

(2) No person other than a person referred to in sub-regulation (1) shall be present at the proceedings mentioned in that sub-regulation.

16. For the purpose of the counting of votes—

- (a) every valid ballot paper shall be of the value of one hundred; and
- (b) all fractions and all preferences recorded in favour of candidates already elected or excluded from the poll shall be disregarded.

ELECTION OF ONE SENATOR.

17. (1) Where one Senator is required to be elected, the returning officer shall in respect of each candidate make a separate parcel of all the ballot papers on which a first preference is recorded in favour of that candidate.

(2) If after the counting of the various parcels of ballot papers any candidate has an absolute majority, he shall be declared to be duly elected.

(3) If no candidate has an absolute majority, the returning officer shall exclude from the poll the candidate in whose favour the smallest number of first preferences have been recorded, and transfer the ballot papers in his parcel to the continuing candidates according to the next preferences recorded thereon, the value of the ballot papers so transferred being added to that of the papers already in the parcel of the candidate concerned.

(4) If at any time two or more candidates being the lowest on the poll have the same value of votes, that one in whose favour the smallest number of first preferences have been recorded shall be excluded, and if the first preferences recorded in favour of two or more candidates are also equal, the returning officer shall determine by lot which candidate is to be excluded.

(5) Die prosedure in subregulasie (3) uiteengesit, word ten opsigte van die blywende kandidate so dikwels herhaal as wat nodig mag wees om 'n volstrekte meerderheid vir een kandidaat te verkry; die blywende kandidaat met die laagste waarde van stemme word by elke herhaling van sodanige prosedure uitgesluit.

(6) Sodra 'n kandidaat wat as gevolg van enige verrigtinge kragtens hierdie regulasie gedoen, 'n volstrekte meerderheid verkry, moet hy behoorlik verkose verklaar word.

VERKIESING VAN MEER AS EEN SENATOR.

18. (1) As meer as een senator verkies moet word, moet die kiesbeampste eers die waarde (hieronder word dit die „kwota” genoem) van die stemme vasstel wat vir die verkiesing van die kandidaat nodig is; dit moet 'n getal wees wat met een die kwosient oorskry wat verkry is deur die waarde van al die geldige stembrieffies, wat ten opsigte van die betrokke verkiesing by die kiesbeampste ingedien is, deur 'n getal te deel wat met een groter is as die getal Senatore wat verkies moet word.

(2) Daarna moet die kiesbeampste al die stembrieffies wat ten opsigte van die betrokke verkiesing by hom ingedien is, in pakkies verdeel, soos in subregulasie (1) van regulasie 17 bepaal, en die getal eerste keuses vasstel wat vir elke kandidaat aangeteken is.

(3) Iedere kandidaat wat 'n getal stemme ontvang het van 'n waarde wat gelyk is aan of groter is as die kwota, moet behoorlik verkose verklaar word, en as die waarde van die stemme deur 'n kandidaat ontvang, gelyk is aan die kwota, moet sy stembrieffies as finaal afgehandel opsy gesit word.

OORDRA VAN SURPLUSSTEMME.

(4) (a) As 'n kandidaat 'n aantal stemme van 'n waarde wat groter as die kwota is, ontvang het, moet sy surplus op die wyse wat hieronder voorgeskryf word aan die orige kandidate oorgedra word.

(b) As die surplus slegs uit oorspronklike stemme ontstaan, moet die kiesbeampste die onafgehandelde stembrieffies in die betrokke kandidaat se pakkie volgens die volgende keuses wat daarop aangeteken is, in kleiner pakkies verdeel. Hy moet ook 'n afsonderlike onderverdeelde pakkie van die afgehandelde stembrieffies van sodanige kandidaat maak.

(c) As die waarde van die onafgehandelde stembrieffies van sodanige kandidaat—

(i) gelyk aan of minder as sy surplus is, moet die kiesbeampste sodanige stembrieffies in elke onderverdeelde pakkie teen die waarde oordra waarop hulle deur die kandidaat wie se surplus oorgedra word, ontvang is;

(ii) groter as sy surplus is, moet die kiesbeampste sodanige stembrieffies teen 'n waarde oordra wat vasgestel word deur die surplus deur die totale onafgehandelde stembrieffies te deel.

(d) As die surplus nie uit oorspronklike stemme alleen ontstaan nie, moet die kiesbeampste die onafgehandelde stembrieffies in die laaste onderverdeelde pakkie wat aan die kandidaat oorgedra is, in onderverdeelde pakkies verdeel volgens die volgende keuses daarop aangeteken, en daarna moet hy die onderverdeelde pakkies op dieselfde manier behandel soos in die geval van 'n surplus wat uit oorspronklike stemme alleen ontstaan.

(5) Die stembrieffies wat aan enige kandidaat oorgedra word, moet as 'n onderverdeelde pakkie by die stembrieffies van die kandidaat aan wie die stembrieffies oorgedra word, gevoeg word.

(6) Enige stembrieffie in 'n verkose kandidaat se pakkie of 'n onderverdeelde pakkie wat kragtens hierdie regulasie nie oorgedra word nie, moet as finaal afgehandel opsy gesit word.

(7) (a) Slegs een surplus word op 'n keer oorgedra en as meer as een kandidaat by enige telling 'n surplus het, word die grootste van die betrokke surplusse eerste oorgedra, en indien twee of meer kandidate gelyke surplusse het, word die surplus van die kandidaat vir wie die kleinste getal oorspronklike stemme aangeteken is, eerste oorgedra.

(b) Indien twee of meer kandidate wat gelyke surplusse het ook dieselfde getal oorspronklike stemme het, word die kandidaat wie se surplus eerste oorgedra moet word, aangewys deur loting.

(5) The procedure described in sub-regulation (3) shall be repeated in respect of the continuing candidates, as often as may be necessary to obtain an absolute majority in favour of one candidate, the continuing candidate with the lowest value of votes being excluded at each repetition of such procedure.

(6) As soon as any candidate obtains an absolute majority in consequence of any steps taken in terms of this regulation, he shall be declared to be duly elected.

ELECTION OF MORE SENATORS.

18. (1) Where more than one Senator is to be elected, the returning officer shall first determine the value (hereinafter referred to as the “quota”) of the votes required for the election of a candidate, which shall be a number exceeding by one the quotient obtained by dividing the value of all the valid ballot papers lodged with the returning officer in connection with the election in question by a number exceeding by one the number of Senators required to be elected.

(2) Thereupon the returning officer shall divide all the ballot papers lodged with him in connection with the election in question into parcels as provided in sub-regulation (1) of regulation 17 and ascertain the number of first preferences recorded in favour of each candidate.

(3) Every candidate who has obtained a number of votes of a value equal to or exceeding the quota, shall be declared to be duly elected, and where the value of the votes obtained by a candidate is equal to the quota, his ballot papers shall be regarded as finally disposed of and set aside accordingly.

TRANSFER OF SURPLUS VOTES.

(4) (a) Where a candidate has obtained a number of votes of a value exceeding the quota, his surplus shall be distributed amongst the remaining candidates as herein-after provided.

(b) If the surplus arises from original votes only, the returning officer shall divide the unexhausted papers in the parcel of the candidate in question into sub-parcels according to the next preferences recorded thereon, and also make a separate sub-parcel of the exhausted papers of such candidate.

(c) If the value of the unexhausted papers of such candidate—

(i) is equal to or less than his surplus, the returning officer shall transfer such papers in each sub-parcel at the value at which they were received by the candidate whose surplus is being transferred;

(ii) is greater than his surplus, the returning officer shall transfer such papers at a value ascertained by dividing the surplus by the total number of unexhausted papers.

(d) If the surplus does not arise from original votes only, the returning officer shall divide the unexhausted papers in the last sub-parcel transferred to the candidate into sub-parcels according to the next preferences recorded thereon and thereupon deal with such sub-parcels in the same manner as in the case of a surplus arising from original votes only.

(5) The papers transferred to any candidate shall be added in the form of a sub-parcel to those of the candidate to whom the transfer is effected.

(6) Any papers in a parcel or sub-parcel of an elected candidate which are not transferred under this regulation, shall be regarded as finally disposed of and set aside accordingly.

(7) (a) Only one surplus shall be transferred at a time and if at any count more than one candidate has a surplus, the largest of the respective surpluses shall be first transferred, and if two or more candidates have equal surpluses, the surplus of the candidate in whose favour the smallest number of original votes has been recorded shall be first transferred.

(b) If two or more candidates having equal surpluses also have equal numbers of original votes, the candidate whose surplus is to be first transferred shall be determined by lot.

19. (1) (a) As daar, nadat al die surplusse volgens voorskrif van regulasie 18 oorgedra is, minder kandidaat as die nodige aantal verkies is, moet die kiesbeampte die kandidaat met die minste stemme van die verkiesing uitsluit en sy onafgehandelde stembrieffies volgens die volgende keuses daarop aangeteken onder die blywende kandidaat verdeel. Enige afgehandelde stembrieffies van sodanige kandidaat moet opsy gesit word.

(b) Die onafgehandelde stembrieffies waarop oorspronklike stemme vir die kandidaat aangeteken is, moet eers oorgedra word; die oordragwaarde van enige sodanige stembrieffie is 'n honderd.

(c) Die stembrieffies wat as gevolg van die uitsluiting van 'n vantevore uitgeslote kandidaat aan 'n kandidaat oorgedra is, word dan oorgedra in die orde waarin en volgens die waarde waarteen hulle vroeër oorgedra is. Iedere oordrag word as 'n afsonderlike oordrag beskou.

(2) Die metode van uitsluiting van kandidaat en die oordrag van hulle stembrieffies, soos in subregulasie (1) voorgeskryf, moet na elke nuwe telling wat op 'n voorafgaande uitsluiting en oordrag volg, herhaal word totdat 'n genoegsame aantal kandidaat die kwota behaal het of andersins verkies is: Met dien verstande dat indien die waarde van 'n kandidaat se stemme na enige oordrag gelyk aan of groter is as die kwota, geen verdere oordrag aan hom gedoen moet word nie.

20. 'n Kandidaat wat, nadat enige oordrag ingevolge regulasie 19 voltooi is, 'n getal stemme het van 'n waarde wat gelyk aan of groter is as die kwota, moet behoorlik verkose verklaar word en sy stembrieffies moet—

(a) indien hulle gelyk in waarde aan die kwota is, as finaal afgehandel opsy gesit word; of

(b) indien hulle groter as die kwota is, behou word sodat die surplus verdeel kan word voordat enige ander kandidaat uitgesluit word.

21. (1) Wanneer die aantal blywende kandidaat tot die getal vakatures wat nog aangevul moet word, verminder is, moet al daardie kandidaat behoorlik verkose verklaar word.

(2) As slegs een vakature nog aangevul moet word en die waarde van die stemme van enige blywende kandidaat groter is as die totale waarde van al die ander stemme wat oorgedra kan word, moet daardie kandidaat behoorlik verkose verklaar word.

(3) As slegs een vakature nog aangevul moet word en daar slegs twee blywende kandidaat is, en as hierdie twee kandidaat iedereen dieselfde waarde van stemme het en daar geen surplus oorbly wat oorgedra kan word nie, moet dié kandidaat wat die grootste getal oorspronklike stemme het, behoorlik verkose verklaar word; indien albei dieselfde getal stemme het, moet die een wat behoorlik verkose verklaar moet word, aangewys word deur loting.

PROCEDURE BY LOTING.

22. (1) As dit nodig word om deur loting te bepaal watter van twee of meer kandidaat van 'n stemming uitgesluit moet word, of watter van twee of meer surplusse oorgedra moet word, of watter van twee kandidaat behoorlik verkose verklaar moet word, moet die kiesbeampte die name van die betrokke kandidaat of van die kandidaat wie se surplusse oorgedra moet word of van die twee kandidaat van wie een behoorlik verkose verklaar moet word, na gelang van die geval, op aparte stukkie papier van eenderste grootte, en wat dieselfde fatsoen en voorkoms het, skryf. Daarna moet die kiesbeampte die stukkie papier op 'n wyse vou wat sal verseker dat hulle seker moontlik uiterlik identies lyk.

(2) Die kiesbeampte plaas daarna, in die teenwoordigheid van die assessore ingevolge subregulasie (1) van regulasie 3 aangestel, die stukkie papier in 'n stembus; nadat hy die stembus toegemaak en geskud het, maak hy dit weer oop en haal dan, sonder om in die stembus te kyk, een van die stukkie papier daarin uit.

(3) Die kandidaat wie se naam op die stukkie papier voorkom wat aldus uitgehaal is, is die kandidaat wat uitgesluit moet word of wie se surplus eerste oorgedra moet word, of wat behoorlik verkose verklaar moet word, na gelang van die geval.

19. (1) (a) If after all surpluses have been transferred as provided in regulation 18, the required number of candidates has not been elected, the returning officer shall exclude from the poll the candidate lowest on the poll and distribute his unexhausted papers amongst the continuing candidates according to the next preferences recorded thereon, any exhausted papers of such candidate being set aside.

(b) The unexhausted papers on which original votes have been recorded in favour of the candidate shall first be transferred, the transfer value of any such paper being one hundred.

(c) Thereupon any papers transferred to the candidate in consequence of the exclusion of a previously excluded candidate shall be transferred in the order in which and at the value at which they were previously transferred, each transfer being regarded as a separate transfer.

(2) The process of exclusion of candidates and transfer of their papers provided for in sub-regulation (1) shall be repeated after each fresh count following upon a prior exclusion and transfer until a sufficient number of candidates has obtained the quota or is otherwise elected: Provided that if after any transfer the value of the votes of a candidate is equal to or exceeds the quota, no further transfer to him shall be effected.

20. Any candidate who after completion of any transfer in terms of regulation 19, has a number of votes of a value equal to or greater than the quota, shall be declared to be duly elected, and his voting papers shall—

(a) if equal in value to the quota, be set aside as finally disposed of; or

(b) if in excess of the quota, be retained for the purpose of distribution of the surplus before any other candidate is excluded.

21. (1) Whenever the number of continuing candidates is reduced to the number of vacancies to be filled, all those candidates shall be declared to be duly elected.

(2) Where there is only one vacancy remaining to be filled, and the value of the votes of any continuing candidate exceeds the total value of all other votes capable of being transferred, that candidate shall be declared to be duly elected.

(3) If only one vacancy remains to be filled, and there are only two continuing candidates each having the same value of votes, and no surplus remains to be transferred, that one of such candidates having the largest number of original votes shall be declared to be duly elected; and if both have the same number of votes, the one to be declared to be duly elected shall be determined by lot.

PROCEDURE WHEN DETERMINING BY LOT.

22.
