NOTE 1.—The goods appearing in paragraph 5 of this notice shall be exempt from the production of specific permits when they are imported under rebate of customs duty under the Second Schedule to the Customs Act, No. 55 of 1955, as amended.

NOTE 2.—Nothing in this notice absolves an importer from the obligation of also complying with the provisions of other legislation relating to the importation of goods into the Republic of South Africa.

NOTE 3.—The meaning to be ascribed to any description of articles in the above list shall be the meaning attached to similarly-numbered items in the First Schedule to the Customs Act, No. 55 of 1955, as amended.

W. G. GEACH
Acting Director of Imports and Exports.

EXPLANATORY NOTE.

- Government Notice No. R721, dated 12th May, 1961, applies to 1961 import permits, and the above notice now published applies to 1962 import permits.
- The attention of importers is drawn to the following amendments to the free list:—
 - Synthetic yarns for retail sale, as well as woollen yarns for retail sale have been excluded from the goods which may be imported without an import permit. This item is now classified under general merchandise.
 - Additives for lubricating oil in bulk have now been added to the free list.
- Importers of textile piece goods, when applying for additional import permits, should apply on form Excon 70, which shall also be used by other importers of raw materials. Forms Excon 60, 61 and 64 have now been withdrawn.
- Importers wishing to import any goods mentioned in paragraph 5 should apply on form Excon 73.
- Importers are reminded of the following:—
 - Import permits are issued to enable importers to carry on their normal business and to enable them to import the same types of goods which were previously imported by them. In cases where an importer wishes to change the nature of goods imported, written application should be made to the Director of Imports and Exports.

NOTA 1.—Die goedere wat in paraagraaf 5 van hierdie kennisgewing voorkom, word van die voorlegging van spesifieke permitte vrygestel wanneer hulle onder korting van die doeanerreg ingevolge die Tweede Bylae van die Doeanewet, No. 55 van 1955, soos gewysig, ingevoer word.

NOTA 2.—Niks in hierdie kennisgewing stel 'n invoerder vry van die verpligting om ook aan die vereistes van ander wetgewing wat op die invoer van goedere in die Republiek van Suid-Afrika betrekking het, te voldoen nie.

NOTA 3.—Die betekenis wat aan enige beskrywing van artikels in bostaande lys geheg moet word, is die betekenis wat aan enersgenommerde items in die Eerste Bylae van die Doeanewet, No. 55 van 1955, soos gewysig, geheg word.

W. G. GEACH,
Waarnemende Direkteur van Invoer en Uitvoer.

VERDUIDELIKENDE NOTA.

- Goewermentskennisgewing No. R721, gedateer 12 Mei 1961, het betrekking op 1961-invoerpermitte, en die kennisgewing wat hierbo gepubliseer is, het betrekking op 1962-invoerpermitte.
- Die aandag van invoerders word op die volgende wysigings van die vrylys gevestig:—
 - Sintetiese garedraad vir kleinhandelverkoop, asook garedraad van wol vir kleinhandelverkoop, is van die goedere wat sonder 'n invoerpermit ingevoer kan word, uitgesluit. Hierdie item word nou onder algemene handelsware geklassifiseer.
 - Addisietowwe vir smeeroolie in massa is nou by die vrylys gevoeg.
- Invoerders van tekstielstukgoedere moet, wanneer hulle om addisionele invoerpermitte aansoek doen, vorm Excon '70 gebruik, wat ook deur ander invoerders van grondstowwe gebruik moet word. Vorms Excon 60, 61 en 64 is nou ingetrek.
- Invoerders wat enige goedere in paraagraaf 5 genoem, wil invoer, moet op vorm Excon 73 aansoek doen.
- Invoerders word herinner aan die volgende:—
 - Invoerpermitte word uitgereik om invoerders in staat te stel om hulle normale besigheid voort te sit en om dieselfde soort goedere in te voer, wat voorheen deur hulle ingevoer was. In gevalle waar 'n invoerder 'n verandering teweeg wil bring in die aard van die goedere, moet 'n skriftelike aansoek aan die Direkteur van Invoer en Uitvoer gerig word.

- (ii) Goods should not be shipped unless the importer is in possession of a suitable valid import permit. Goods which arrive at ports in the Republic of South Africa and for which the importer cannot produce a valid import permit, will be deemed to be imported in contravention of the Import Control regulations.
- (iii) Import permits may not be negotiated, sold or used for the benefit of any firm not named in the import permit without the prior written approval and consent of the Director of Imports and Exports. Any import permits which appear to have been used in this manner will be cancelled and withdrawn forthwith.
