P1.3. Die Departement kan, onderworpe aan die goedkeuring van die Tesourie, meubels verskaf ten opsigte van een of meer enkelkamers wat aan 'n onderwyser, beampte of werknemer verhuur word. Die huurgeld betaalbaar ten opsigte van sodanige kamer of kamers en meubels word deur die Sekretaris, in oorleg met die Tesourie, bepaal en word ingevorder deur maandelikse aftrekkings van die huurder se salaris.

P1.4. Die huur vir amptelike huisvesting is betaalbaar deur die bekleër van 'n betrekking wat in subregulasie 1 genoem word vanaf 'n datum deur die Sekretaris bepaal, tensy hy kragtens sy aanstellingsvoorwaardes op vry huisvesting geregtig is.

Bepaling van Huurgelde.

P2.1. Die jaarlikse huurgeld vir amptelike huisvesting bedra sewe-en- 'n half persent ($7\frac{1}{2}\%$) van die waarde van die gebou en grond soos deur die Sekretaris vasgestel: Met dien verstande dat geen onderwyser, beampte of werknemer vir meer huurgeld as twaalf-en- 'n half persent ($12\frac{1}{2}\%$) van sy salaris aanspreeklik is nie. In alle gevalle word die huurgeld opnuut vasgestel wanneer verbeterings

been effected which increase the value of the buildings or at such other time as the Secretary may deem fit.

P2.2. For the purposes of this regulation "salary" shall mean the annual pay of a teacher, an officer or employee and shall include allowances of the nature of salary and local allowance and such other allowances as the Secretary determines from time to time with the approval of the Treasury but shall not include allowances granted to cover out-of-pocket expenses such as travelling and subsistence allowances.

P2.3. Rent shall not be held to include the free provision of the supply of water, sanitary and rubbish removal services, electric light or gas supply. Where the charge for water and sanitary and rubbish removal services is included in any general or assessment rates the proportion thereof payable by the tenant shall be assessed by the Secretary.

P2.4. The rent and charges levied by the Department in terms of sub-regulations 1 and 3 in respect of official quarters assigned to a teacher, an officer or employee, shall be collected by means of monthly deductions from his salary.

P2.5. If a teacher, an officer or employee is absent on leave (not school holiday) or on duty and his official quarters are occupied by a *locum tenens*, the latter shall be liable for the rent and other charges payable in terms of the provisions of this Chapter in respect of such occupancy: Provided that the said official quarters may be occupied by a *locum tenens* only with the prior approval of the Secretary.

Occupation of Quarters by Dependants of Deceased Teacher, Officer or Employee.

P3. In the event of the death of a teacher, an officer or employee while he is in occupation of official quarters, his widow or dependants shall be entitled to continue to occupy the official quarters free of rent until the end of the calendar month following that in which his death occurred but subject always to compliance with the provisions of this Chapter.

Liability for Rent When Absent on Duty or Leave or Failure to Occupy.

P4.1. Where official quarters are in a reasonably habitable condition failure to occupy them shall not absolve a teacher, an officer or employee from payment of rent or the observance of the other obligations of occupation.

P4.2. If, through absence on leave (not school holiday) or duty for a continuous period of more than 30 days, a teacher, an officer or employee is unable to occupy his official quarters and they are not required for a *locum tenens* he may be permitted to sub-let the same, subject to the approval of the Secretary as regards the terms of his occupancy. In such case it shall be within the discretion of the Secretary to fix the rent irrespective of the provisions contained in regulation P2 and to decide what proportion of the rent shall be paid into revenue and what proportion may be retained by the teacher, officer or employee as fair compensation for the use of any furniture belonging to him and included in the letting.

P4.3. In the case of any period of absence on leave (not school holiday) or duty for a continuous period of more than 30 days during which a teacher, an officer or employee is unable to sub-let his official quarters, or if the official quarters are not required for a *locum tenens* and are vacant, rent at half the ordinary rates may be accepted in respect of the whole period of absence. If, however, such absence does not exceed 30 days full rent shall be paid.

Conditions of Occupation.

P5.1. The terms and conditions governing the tenancy of official quarters shall be as follows:

(a) The teacher, officer or employee shall pay the following on the due dates and, if required, furnish evidence of having done so:—

(i) any rate levied on a tenant or occupier;

aangebring is wat die waarde van die gebou verhoog of op sodanige ander tye as wat die Sekretaris nodig ag.

P2.2. Vir die toepassing van hierdie regulasie beteken „salaris” die jaarlikse besoldiging van ’n onderwyser, beampte of werknemer, insluitende toelaes in die vorm van salaris en plaaslike toelaes en sodanige ander toelaes as wat die Sekretaris van tyd tot tyd met die goedkeuring van die Tesourie aanwys, maar uitgesonderd toelaes om persoonlike uitgawes te dek, soos reis- en verblyftoelaes.

P2.3. Daar word nie beskou dat huur die kostelose verskaffing van water, sanitêre en vuilgoedverwyderingsdienste, elektriese krag of gas insluit nie. Waar koste vir water en sanitêre en vuilgoedverwyderingsdienste ingesluit is by enige algemene of eiendomsbelasting, word die deel daarvan wat die huurder moet betaal, deur die Sekretaris bepaal.

P2.4. Huurgelde en gelde wat die Departement ingevolge subregulasies 1 en 3 vorder ten opsigte van amptelike huisvesting wat aan ’n onderwyser, beampte of werknemer toegewys is, word ingevorder deur maandelikse aftrekkings van sy salaris.

P2.5. As ’n onderwyser, beampte of werknemer met verlof (nie skoolvakansie nie) of in diens afwesig is en sy amptelike huisvesting word deur ’n plaasvervanger bewoon, is laasgenoemde aanspreeklik vir die huur- en ander gelde wat ooreenkomstig die bepalings van hierdie Hoofstuk ten opsigte van sy bewoning daarvan betaalbaar is: Met dien verstande dat genoemde amptelike huisvesting slegs met die voorafverkreë goedkeuring van die Sekretaris deur ’n plaasvervanger bewoon mag word.

Bewoning van Huisvesting deur Afhanklikes van ’n Afgestorwe Onderwyser, Beampte of Werknemer.

P3. As ’n onderwyser, beampte of werknemer terwyl hy amptelike huisvesting bewoon te sterwe kom, is sy weduwee of afhanklikes geregtig om sonder die betaling van huur die amptelike huisvesting te bewoon tot die end van die kalendermaand na die maand waarin hy gesterf het, mits daar aan die bepalings van hierdie Hoofstuk voldoen word.

Aanspreeklikheid vir Huur wanneer Afwesig in Diens of met Verlof of as Huisvesting nie betrek word nie.

P4.1. As amptelike huisvesting in ’n redelike bewoonbare toestand is en die betrokke onderwyser, beampte of werknemer bly in gebreke om dit te betrek, is hy nie ontneef van die betaling van huurgeld of die nakoming van ander bewoningsverpligtings nie.

P4.2. As ’n onderwyser, beampte of werknemer vir ’n onafgebroke tydperk van meer as dertig dae met verlof (nie skoolvakansie nie) of in diens afwesig is en dus nie sy amptelike huisvesting kan bewoon nie en dit nie vir ’n plaasvervanger nodig is nie, kan hy toegelaat word om die huisvesting te onderverhuur behoudens die goedkeuring van die Sekretaris wat die huurvoorwaardes betref. In so ’n geval kan die Sekretaris die huur, ongeag die bepalings van regulasie P2, na goeddunke vasstel en besluit watter deel van die huur in inkomste gestort moet word en watter deel deur die onderwyser, beampte of werknemer behou kan word as billike vergoeding vir die gebruik van sy meubels wat saam verhuur is.

P4.3. As ’n onderwyser, beampte of werknemer vir ’n onafgebroke tydperk van meer as dertig dae met verlof (nie skoolvakansie nie) of in diens afwesig is en sy amptelike huisvesting nie kan onderverhuur nie of as dit nie vir ’n plaasvervanger nodig is nie en leeg staan, kan huurgeld teen die helfte van die gewone tarief ten opsigte van die hele tydperk van afwesigheid aangeneem word. As sodanige afwesigheid egter nie langer as dertig dae duur nie, moet die volle huurgeld betaal word.

Bewoningsvoorwaardes.

P5.1. Amptelike huisvesting word op die volgende voorwaardes verhuur:—

(a) Die onderwyser, beampte of werknemer moet op die vervaldatums die volgende betaal (en indien vereis, moet hy bewys lewer dat hy dit gedoen het):—

- (ii) any rate or charge levied for water, sanitary and rubbish removal services whether such rate or charge is levied on the tenant or the landlord;

The successor, the regional representative of the Department or other officer, as the case may be, shall also check the condition of the quarters and equipment and shall supply the incoming tenant with a copy of the notes made by the outgoing tenant in regard to breakages and deficiencies. The tenant taking over, unless he points out to the Secretary in writing within seven days of his entry any breakages and deficiencies, shall be held to have received the premises in order.

P5.3. No alteration shall be made to the premises and no trees, shrubs or plants shall be cut down or removed without the consent of the Secretary.

P5.4. The official quarters shall not be utilized in any way as a source of income or be sub-let except as provided in this Chapter.

P5.5. If a teacher, an officer or employee is absent on leave (not school holiday) or duty for a continuous period of longer than 30 days and the official quarters are required for a *locum tenens*, it shall be the duty of the former to remove and store his furniture at his own expense unless he can come to an arrangement with the *locum tenens* whereby the furniture may be either stored in a portion of the quarters or used by the *locum tenens*.

(ii) enige belasting of vordering opgelê vir water, sanitêre en vuilgoedverwyderingsdienste, ongeag of sodanige belasting of vordering die huurder of die eenaar opgelê is;

(iii) enige vorderings vir die verskaffing van gas of elektriese krag.
