The Minister of Transport has, in terms of section *three* (2) and (2) *bis* of Act No. 73 of 1962, approved of the following amendments to the South African Railways and Harbours Tender Board Regulations and Instructions:—

By the insertion of the following new Regulation No. 31:—

“*Incorrect Claims for Preferences.*

31. (1) Where the business against a tender has been awarded to a tenderer because of any preference claimed by him and allowed in accordance with any relevant Instruction, and it is thereafter established

DEPARTEMENT VAN SPOORWEE, HAWENS EN LUGDIENS.

No. R. 1558.]

[8 Oktober 1965.]

DEPARTEMENT VAN DIE SUID-AFRIKAANSE SPOORWEE EN HAWENS.—WYSIGINGS IN DIE TENDERRAADREGULASIES EN -INSTRUKSIES.

Die Minister van Vervoer het ingevolge artikel *drie* (2) en (2) *bis* van Wet No. 73 van 1962, goedkeuring verleen dat die Tenderraadregulasies en -instruksies van die Suid-Afrikaanse Spoorweë en Hawens soos volg gewysig word:—

Voeg die volgende nuwe regulasie no. 31 in:—

„*Verkeerde voorkeure geëis.*

31. (1) As 'n tender aan 'n tenderaar toegeken is op grond van voorkeur wat deur hom geëis en wat ooreenkomstig 'n toepaslike instruksie toegelaat is en daar later tot bevrediging van die Administrasie

to the satisfaction of the Administration that the preference claimed and allowed was too high, there shall be recoverable from the contractor, without prejudice to any right which the Administration may have to repudiate the contract, in so far as it has not been executed, any loss or damage which the Administration has incurred or sustained in consequence of the award of the contract or order to the contractor. In any such case the General Manager may, further, whether or not steps are taken to recover from the contractor any such loss or damage as aforesaid, in his discretion impose on the contractor a penalty not exceeding five per cent of the value of the contract or order.

(2) Nothing in sub-regulation (1) contained shall be deemed to affect any right, conferred on the General Manager by the Instructions, to decide that no tender from the contractor shall be considered during a specified period.

(3) The amount representing any loss, damage or penalty referred to in sub-regulation (1) may be recovered by deduction from any moneys owing by the Administration to the contractor whether under the particular contract or order or through any other cause, or by action in any competent court, or partly by one and partly by the other of those methods.

(4) For the purposes of sub-regulation (1) the Administration shall be deemed to have incurred or sustained loss or damage only where it is shown that, had the correct preference been claimed and allowed, the contract or order would not have been awarded to the contractor, and the amount of the recoverable loss or damage shall be the amount by which the contractor's tender price exceeds the price that would have been payable to the tenderer to whom the contract or order would probably have been awarded had the contractor claimed and been allowed the correct preference. In arriving at the price that would have been payable to such other tenderer as aforesaid, account shall be taken of any incidental costs and charges (over and above the tender price) that would in the ordinary course of events have been borne by the Administration, such as ocean freight, marine insurance, landing and wharfage charges and customs duty (where leviable)."

Instruction No. 10.

By the substitution for the existing instruction of the following:—

"Tender forms shall contain appropriate conditions to ensure fulfilment of the terms of any shipping freight agreement to which the Government is a party and shall stipulate that the successful tenderer undertakes (a) to have all his goods which are despatched by him or on his behalf to himself or to any other persons or places, transported by the various transport services operated by the Administration, where such services are available; provided that in the areas defined under Regulation No. 51 (a) framed under the Motor Carrier Transportation Act (No. 39 of 1930) or any amendment thereof, goods may be despatched by the tenderer by road vehicles which operate under motor carrier certificates or exemptions granted under the Act; and (b) subject to such qualifications as may be stated in the tender form to allow South African Airways (hereinafter referred to as 'SAA') first refusal of the air transport of all goods which may be imported by the tenderer by air into South Africa during the period up to the completion of deliveries under his contract with the Administration from countries to and from which SAA operates regular services, and also of any air travel that may have to be undertaken by officers or employees of the tenderer for the purposes of his contract with the Administration, between South Africa and (i) any such country as aforesaid, or (ii) any other country between which and any country referred to in (i), reasonable convenient air connections are available."

vasgestel word dat die voorkeur wat geëis en toegelaat is, te hoog is, moet verlies of skade wat deur die Administrasie gely is as gevolg van die toekenning van die kontrak of bestelling aan die kontraktant, op die kontraktant verhaal word sonder benadeling van enige reg wat die Administrasie mag hê om die kontrak, vir sover dit nie uitgevoer is nie, te repudieer. Daarenbove kan die Hoofbestuurder die kontraktant in so 'n geval na goëddunke 'n boete opleë wat nie vyf persent van die waarde van die kontrak of bestelling oorskry nie, hetsy stappe gedoen word om sodanige verlies of skade op die kontraktant te verhaal al dan nie.

(2) Daar word beskou dat niks wat in subregulasie (1) vervat is, die reg beïnvloed wat deur die Instruksies aan die Hoofbestuurder verleen is om te besluit dat geen tender van die kontraktant gedurende 'n bepaalde tydperk oorweeg sal word nie.

(3) Die bedrag wat die verlies, skade of boete genoem in subregulasie (1) verteenwoordig, kan verhaal word deur dit af te trek van gelde wat die Administrasie aan die kontraktant skuld, hetsy ingevolge die besondere kontrak of bestelling, of om 'n ander rede, of as gevolg van 'n regsgeeding in 'n hof met regsbevoegdheid, of deels vanweë een en deels vanweë die ander van daardie metodes.

(4) Vir die doeleindes van subregulasie (1) word daar beskou dat die Administrasie verlies of skade gely het slegs waar daar bewys word dat die kontrak of bestelling nie aan die kontraktant toegeken sou gewees het as die korrekte voorkeur geëis en toegelaat was nie, en is die bedrag van die verhaalbare verlies of skade die bedrag waarmee die kontraktant se tenderprys die prys oorskry wat betaalbaar sou gewees het aan die tenderaar aan wie die kontrak of bestelling waarskynlik toegeken sou gewees het as die kontraktant die korrekte voorkeur geëis het en dit toegestaan was. By die bepaling van die prys wat betaalbaar sou gewees het aan die ander tenderaar soos gemeld, moet toevallige koste en heffings (bo en behalwe die tenderprys) wat in die gewone loop van sake deur die Administrasie gedra sou gewees het, soos skeepsvraggeld, seeversekering, lossingskoste, kaaigeld en docaneregte (waar hefbaar), in aanmerking geneem word."

Instruksie no. 10.

Vervang die bestaande instruksie deur die volgende:—

"Tendervorms moet geskikte voorwaardes bevat om te verseker dat die bepalinge van 'n skeepsvragooreenkoms waaraan die Regering deel het, nagekom word, en dit moet bepaal dat die suksesvolle tenderaar onderneem (a) om al sy goedere wat deur of ten behoeve van hom afgestuur word aan homself of aan 'n ander persoon of na 'n ander plek, deur die verskeie vervoerdienste wat die Administrasie eksploiteer, te laat vervoer, waar sodanige dienste beskikbaar is, met dien verstande dat goedere in die gebiede omskryf in regulasie no. 51 (a), wat opgestel is ingevolge die Motortransportwet (No. 39 van 1930) of 'n wysiging daarvan, deur die tenderaar afgestuur kan word met padvoertuie wat karweiwerk doen ingevolge motortransportsertifikate of vrystellings wat kragtens daardie Wet verleen is; en (b) om, onderworpe aan sulke voorbehoude as wat in die tendervorm aangedui mag word, die opsie aan die Suid-Afrikaanse Lugdiens (hierna die S.A.L. genoem) te gee op die lugvervoer van alle goedere wat gedurende die tyd totdat aflewering ingevolge sy kontrak met die Administrasie voltooi is, deur die tenderaar per lug na Suid-Afrika ingevoer mag word uit lande waarheen en waarvandaan die S.A.L. gereelde dienste eksploiteer, en ook op lugreise wat deur die amptenare of werksmanne van die tenderaar vir die doeleindes van sy kontrak met die Administrasie onderneem mag word tussen Suid-Afrika en (i) enige van die voormelde lande, of (ii) enige ander land wat beskik oor redelik gerieflike lug-aansluitings met lande waarna daar in (i) verwys is."

Instruction No. 71.

By the substitution for the words "building, quarry, or construction contracts controlled by the civil engineering and/or architectural staff", in the first and second lines, of the words: "contracts controlled by the civil, electrical or signal engineering departments,".

Instruksie no. 71.

Vervang die woorde „bou-, steengroef- of aanlegkontrakte onder beheer van die siviele ingenieurs-, en/of boukundige personeel,” in die eerste en tweede reël, deur „kontrakte wat deur die departement siviele, elektro-egniese of sinjaalingenieurswese beheer word.”.
