PRICE CONTROL

MAXIMUM PRICES OF BUILDING MATERIAL

I, Gabriël Joseph Johannes Fourie Steyn, Price Controller, acting under the powers vested in me by sections 4, 11 and 15 of the Price Control Act, 1964 (Act 25 of 1964), do hereby prescribe as follows:—

1. The maximum price at which any person may sell building material specified in the Schedule hereto, to any other person, is the price at which he ordinarily would have sold such building material on 12 December 1969, and the maximum price at which any person may deliver such building material to any other person, is the price at which a manufacturer or a merchant ordinarily would have delivered such building material on the said date.

2. If permission is granted to a manufacturer to increase his selling prices of building material, a merchant may increase his selling prices of the building material concerned by a percentage corresponding to the increase granted to the manufacturer.

3. If the cost of any imported building material increases or has increased after 12 December 1969, any importer or dealer who sells any such building material, the cost of which has so increased, may increase his selling price of that building material by the same percentage as that by which the importer's cost of the building material concerned has increased.

4. If a manufacturer increased his selling prices of building material prior to 12 December 1969, and a dealer on 12 December 1969, had not yet made provision in his selling price for such increase, he may increase his selling price of the building material in question by the same percentage as that by which the manufacturer so increased his selling price.

5. In this notice "cost" shall mean cost as determined in Government Notice R. 1532, dated 2 October 1964.

PRYSBEHEER

MAKSIMUM PRYSE VAN BOUMATERIAAL

Ek, Gabriël Joseph Johannes Fourie Steyn, Pryscontroleur, handelende kragtens die bevoegdheid my verleen by artikels 4, 11, en 15 van die Wet op Prysbeheer, 1964 (Wet 25 van 1964), bepaal hierby soos volg:—

1. Die maksimum prys waarteen enigiemand boumateriaal wat in die Bylae hiervan aangegee word, aan iemand anders mag verkoop, is die prys waarteen hy sodanige boumateriaal gewoonlik op 12 Desember 1969 verkoop het en die maksimum prys waarteen sodanige boumateriaal deur enigiemand aan iemand anders afgelewer word, is die prys waarteen 'n fabrikant of 'n handelaar daardie goedere gewoonlik op genoemde datum afgelewer het.

2. Indien toestemming aan 'n fabrikant verleen word vir die verhoging van sy verkoopprijs van boumateriaal, kan 'n handelaar sy verkoopprijs van die betrokke boumateriaal met 'n persentasie wat ooreenstem met die verhoging aan die fabrikant toegestaan, verhoog.

3. Indien die kosprys van enige ingevoerde boumateriaal styg of na 12 Desember 1969 gestyg het, kan 'n invoerder of handelaar wat sodanige boumateriaal waarvan die kosprys aldus gestyg het, verkoop, sy verkoopprijs van die betrokke boumateriaal verhoog met dieselfde persentasie waarmee die invoerder se kosprys van die betrokke boumateriaal gestyg het.

4. Indien 'n fabrikant sy verkoopprijs van boumateriaal voor 12 Desember 1969 verhoog het en 'n handelaar op 12 Desember 1969 nog nie in sy verkoopprijs vir die betrokke verhoging voorsiening gemaak het nie, kan hy sy verkoopprijs van die betrokke boumateriaal verhoog met dieselfde persentasie waarmee die fabrikant sy verkoopprijs aldus verhoog het.

5. In hierdie kennisgewing het "kosprys" die betekenis soos bepaal in Goewermentskennisgewing R. 1532 van 2 Oktober 1964.
