- 1.2 For purposes of this survey, a *central processor* is defined as "electronic and/or mechanical equipment capable of executing stored instructions, provided that the primary source of input is not confined to the console or keyboard of the processor. Such equipment should permit the processing of information to produce results through an output device, and be equipped with any combination of card readers, printers, magnetic tape decks, and disc drives, etc."
- 1.3 Equipment used primarily for process control is excluded from this survey.
- 1.4 Information relating to subsidiary companies, if any, must be furnished on a separate questionnaire.

2. PURPOSE OF THE SURVEY

The purpose of the survey is to obtain detailed information regarding the number, capacity and application of computers in the Republic. The results will enable the Department of Statistics to furnish significant information in reply to numerous enquiries received from local bodies as well as from abroad.

3. PERIOD COVERED BY THE RETURN

The questionnaire must show the position as at 30 June 1975.

DEFINISIES EN VERDUIDELIKENDE OPMERKINGS

Lees asseblief die definisies en verduidelikende opmerkings sorgvuldig deur voordat u die vraelys invul. Dit sal onnodige en tydrowende briefwisseling voorkom.

1. OMVANG VAN DIE SENSUS

Die sensus word gehou ten opsigte van alle handelsagentskappe en verwante diensiinstings in Suid-Afrika en Suidwes-Afrika, en 'n vraelys moet vir elke sodanige inrigting ingeval word. Die sensus word gehou ten opsigte van algemene afslaars, markagente, fabrieks- en handelsverteenvoerders wat op 'n kommissiegrondslag werk, bestel- en buitenlandse agente, huide- en vellemakelaars, wol- en sybokhaarmakelaars en algemene en ander agentskappe, uitgesonderd finansiële, versekerings-, arbeids-, huis-, eiendoms- en skeepsagente. Persele waarop administratiewe, klerklike en ander aktiwiteite verrig word wat regstreeks met bovermelde inrigtings verband hou, word ingesluit.

2. TYDPERK DEUR OPGawe GEDEK

Die vraelys moet ingeval word vir u boekjaar wat op enige datum gedurende die tydperk 1 Julie 1976 tot 30 Junie 1977 geëindig het.

3. DIE SENSUS WORD OP 'N INRIGTINGS- (TAK-) GRONDSLAC GEHOU

- 3.1 'n "Inrigting" beteken die kleinste ekonomiese eenheid, soos 'n winkel, handelsagentskap of verwantediens-aftelpunt wat as 'n afsonderlike entiteit bestuur, beheer en in bedryf gehou word deur 'n eenmansaak, 'n venootskap, 'n maatskappy, 'n koöperatiewe vereniging of enige ander vorm van eienaarskap. Daar dien op gelet te word dat gegewens met betrekking tot 'n algemene handelaarsbesigheid en ander aktiwiteite wat normaalweg verbind word met handelsagentskappe en verwante dienste wat 'n integrerende *aanvullende deel* van 'n handelsagentskapsinrigting met dieselfde eienaar uitmaak, by die opgawe van daardie besondere inrigting ingesluit moet word.
- 3.2 Waar 'n firma meer as een handelsagentskap en verwante diensiinsting besit, beheer of in bedryf hou, moet 'n afsonderlike vraelys vir elke inrigting ingedien word.
- 3.3 Indien verskillende inrigtings op 'n geïntegreerde grondslag in bedryf gehou en in berekening gebring word, word *ramings* van afsonderlike inrigtings vereis.
- 3.4 Inrigtings wat aan dieselfde eienaar behoort waarin twee of meer nie-verwante aktiwiteite, byvoorbeeld 'n handelsagentskap en 'n groothandelaarswinkel op dieselfde of verskillende persele *onafhanklik* gedryf word, word ook as twee of meer inrigtings gereken. In sulke gevalle moet die vraelys(te) in verband met die sensus van handelsagente en verwante dienste ingeval word net ten opsigte van inrigtings wat handelsagentskaps- en verwante dienste lewer.

4. GELDWAARDES

Gee asseblief geldwaardes aan tot die naaste Rand. Moenie sente aangee nie.

5. ONDERGESKIKTE DIENSTE EN BETALINGS IN NATURA

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time-consuming correspondence.

1. SCOPE OF THE CENSUS

The census is conducted in respect of all commercial agents and allied service establishments in South Africa and South-West Africa and a questionnaire must be completed in respect of each such establishment. The census is conducted in respect of general auctioneers, market agents, representatives of manufacturing and trading establishments on commission basis, indent and foreign agents, hide and skin brokers, wool and mohair brokers and general and other agencies, excluding financial, insurance, labour, house, estate and shipping agents. Premises on which administrative, clerical or other activities directly related to the above-mentioned establishments are performed, are included.

2. PERIOD COVERED BY THE RETURN

The questionnaire must be completed for your financial year which ended on any date during the period 1 July 1976 to 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

- 3.1 "Establishment" refers to the smallest economic unit such as the shop, commercial agency or allied services outlet, which is managed, controlled and operated as a separate entity, by an individual, a partnership, a company, a co-operative society or any other form of ownership. It should be noted that data relating to a general dealer's business and other activities usually associated with commercial agencies and allied services which constitute an integral subsidiary part of a commercial agency establishment, under the same ownership, must be included in the return for the particular establishment.
- 3.2 Where a firm owns, controls or operates more than one commercial agency and allied service establishment a separate return must be submitted for each establishment.
- 3.3 If separate establishments are operated and taken into account on an integrated basis, estimates for separate establishments are required.
- 3.4 Establishments under the same ownership in which two or more unrelated kinds of activities are independently carried on, for example a commercial agency business and a wholesale store whether situated on the same premises or different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of commercial agents and allied services should be completed only in respect of the establishments engaged in commercial agents and allied services activities.

4. MONETARY VALUES

Please show monetary values to the nearest Rand. Do not show cents.

5. ANCILLARY SERVICES AND PAYMENTS IN KIND

DEFINISIES EN VERDUIDELIKENDE OPMERKINGS

Lees asseblief die definisies en verduidelikende opmerkings sorgvuldig deur voordat u die vraelys invul. Dit sal onnodige en tydrowende briefwisseling voorkom.

1. OMVANG VAN DIE SENSUS

Die sensus word gehou ten opsigte van alle verversingsdiensinrigtings in Suid-Afrika en Suidwes-Afrika, en 'n vraelys moet vir elke sodanige inrigting ingeval word. Vir die doel van hierdie sensus omvat verversingsdienste kroeë, insluitende biersale en biertuine; kafees, restaurante of teekamers met dranklisensies; kafees, restaurante of teekamers sonder dranklisensies; Bantoe-eethuise, vis-en-aartappelskyfiewinkel, melk- en koffiesalonne, toebroodjiedienste en versnaperingsalonne en ander eetplekke. Persele waar administratiewe, klerklike en ander aktiwiteite verrig word wat verversingsdienste verband hou, word ingesluit.

2. TYDPERK DEUR SENSUS GEDEK

Die vraelys moet ingeval word vir u boekjaar wat op enige datum gedurende die tydperk 1 Julie 1976 en 30 Junie 1977 geëindig het.

3. DIE SENSUS WORD OP 'N INRIGTINGS-(TAK-) GRONDSLAG GEHOU

3.1 'n Inrigting beteken die kleinste ekonomiese eenheid, soos 'n kafee, restaurant of verversingsdiensafsetpunt wat as 'n afsonderlike entiteit bestuur, beheer en in bedryf gehou word deur 'n eenmansaak, 'n venootskap, 'n maatskappy, 'n koöperatiewe vereniging of enige ander vorm van eienaarskap.

Daar dien op gelet te word dat gegewens wat in verband staan met ander aktiwiteite as verversingsdienste wat normaalweg 'n integrerende aanvullende deel van 'n verversingsdiensinrigting van dieselfde eienaar uitmaak, in die opgawe van daardie besondere inrigting ingesluit moet word.

3.2 Waar 'n firma meer as een verversingsdiensinrigting besit, beheer en in bedryf hou, moet 'n afsonderlike vraelys vir elke inrigting ingedien word.

3.3 Indien verskillende inrigtings op geïntegreerde grondslag in bedryf gehou en in berekening gebring word, word *ramings* vir elke afsonderlike inrigting vereis.

3.4 Inrigtings wat aan dieselfde eienaar behoort en waarin twee of meer nie-verwante aktiwiteite, byvoorbeeld 'n kafee, 'n mansuitrustersbesigheid en 'n rolprentteater, op dieselfde of verskillende persele onafhanklik gedryf word, word ook as twee of meer afsonderlike inrigtings gerekend. In sulke gevalle moet die vraelys(te) in verband met die sensus van verversingsdienste egter ingeval word net ten opsigte van die inrigtings wat verversingsdiensaktiwiteite beoefen.

4. GELDWAARDES

Gee asseblief geldwaardes aan tot die naaste Rand. Moenie sente aangee nie.

5. ONDERGESKIKTE DIENSTE EN BETALINGS IN NATURA

Uitgawes in verband met dienste wat hoofsaaklik tot voordeel van werknemers strek (byvoorbeeld vry kwartiere) en betalings *in natura* (rantsoene, etes, verversings, ens.) moet by die toepaslike items in hierdie opgawe ingesluit word. (*Die geskatte netto koste moet in Seksie 4 getoon word.*)

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time-consuming correspondence

1. SCOPE OF THE CENSUS

The census is being conducted in respect of all catering service establishments in South Africa and South-West Africa and a questionnaire must be completed in respect of each such establishment. For the purpose of this census "catering services" comprise bars, including beer-halls and beer-gardens, cafés, restaurants or tea rooms with liquor licences; cafés, restaurants or tea rooms without liquor licences; Bantu eating houses, fish and chips shops, milk and coffee bars, sandwich services and snack bars and other eating places. Premises in which administrative, clerical and other activities directly related to the catering services are performed, are included.

2. PERIOD COVERED BY THE RETURN

The questionnaire must be completed for your financial year which ended on any date during the period 1 July 1976 to 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

3.1 "Establishment" refers to the smallest economic unit, such as the café, restaurant or catering service outlet, which is managed, controlled and operated as a separate entity, by an individual, a partnership, a company, a co-operative society or any other form of ownership.

It should be noted that data relating to activities other than catering, usually associated with catering, which constitute an integral subsidiary part of a catering service establishment under the same ownership, must be included in the return for that particular establishment.

3.2 Where a firm owns, controls or operates more than one catering service establishment a separate return must be submitted for each establishment.

3.3 If separate establishments are operated and taken into account on an integrated basis, estimates for separate establishments are required.

3.4 Establishments under the same ownerships in which two or more unrelated kinds of activities are independently carried on for example, a café, a men's outfitter and a motion picture theatre, whether situated on the same premises or different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of catering services should be completed only in respect of the establishments engaged in catering services activities.

4. MONETARY VALUES

Please show monetary values to the nearest Rand. Do not show cents.

5. ANCILLARY SERVICES AND PAYMENTS IN KIND

(i) iemand wat gedurende die tydperk in regulasie 3 omskryf, die eienaar van sodanige inrigting was: Met dien verstande dat 'n opgawe in paragraaf 2 (a) genoem ook aanvaar kan word van 'n persoon aan wie die eienaar die toesig of beheer oor, of die administrasie, leiding of bestuur, na gelang van die geval, van die inrigting opgedra het;

(ii) 'n trustee of likwidateur of eksekuteur of administrateur van 'n insolvente of bestorwe boedel, of 'n likwidateur van 'n maatskappy of 'n vereniging sonder winsoogmerk of 'n koöperasie in likwidasie, of 'n geregtelike bestuurder van 'n maatskappy onder geregtelike bestuur, welke boedel of maatskappy of vereniging of koöperasie gedurende die tydperk in regulasie 3 omskryf die eienaar van sodanige inrigting was.

DEFINISIES EN VERDUIDELIKENDE OPMERKINGS

Lees asseblief die definisies en verduidelikende opmerkings sorgvuldig deur voordat u die vraelys invul. Dit sal onnodige en tydrowende briefwisseling voorkom.

1. OMVANG VAN DIE SENSUS

Die sensus word gehou ten opsigte van alle inrigtings in Suid-Afrika en Suidwes-Afrika waar barbier-, haarkappery- en skoonheidsalonne as 'n besigheid gedryf word en 'n vraelys moet vir elke sodanige inrigting ingeval word. Kolleges vir haarkappers en skole vir die opleiding van skoonheidsalonoperateurs en mannekyne word ook ingesluit. Persele waarin administratiewe, klerklike en ander aktiwiteite verrig word wat regstreeks met sodanige inrigtings verband hou, word ingesluit.

2. TYDPERK DEUR OPGawe GEDEK

Die vraelys moet ingeval word vir u boekjaar wat op enige datum gedurende die tydperk 1 Julie 1976 en 30 Junie 1977 geëindig het.

3. DIE SENSUS WORD OP 'N INRIGTINGS- (TAK-) GRONDSLAG GEHOU

3.1 'n "Inrigting" beteken die kleinste ekonomiese eenheid, soos 'n skoonheidsalon, wat as 'n afsonderlike entiteit bestuur, beheer en in bedryf gehou word deur 'n eenmansaak, 'n venootskap, koöperatiewe vereniging of enige ander vorm van eienaarskap. Daar dien op gelet te word dat gevawens met betrekking tot ander bedrywigheid wat normaalweg verbind word met 'n haarkappery, skoonheidsalon of opleidingsinrigting en wat 'n integrerende aanvullende deel van die inrigting met dieselfde eienaar uitmaak, in die opgawe van daardie besondere inrigting ingesluit moet word.

3.2 Waar 'n firma meer as een haarkappery, skoonheidsalon of opleidingsinrigting vir mannekyne en modelle besit, beheer of in bedryfhou, moet 'n afsonderlike vraelys vir elke inrigting ingestuur word.

3.3 Indien verskillende inrigtings op geïntegreerde grondslag in bedryf gehou en in berekening gebring word, word ramings vir afsonderlike inrigtings vereis.

3.4 Inrigtings wat aan dieselfde eienaar behoort en waarin twee of meer nie-verwante aktiwiteite, bv. 'n hotel, 'n damesuitrusterswinkel en 'n boekwinkel, op dieselfde of verskillende persele *onafhanklik* gedryf word, word ook as twee of meer inrigtings gereken. In sulke gevalle moet die vraelys(te) in verband met 'n haarkappery, 'n skoonheidsalon of opleidingsinrigting vir mannekyne of modelle ingeval word net ten opsigte van inrigtings wat binne die bestek van hierdie sensus val.

EARLY SUBMISSION OF RETURN

The value of these statistics is dependent upon the timeous release of the results. You are, therefore, requested to submit your return without delay and in any case on or before the DUE DATE, namely 30 SEPTEMBER 1977.

Your return should be completed as soon as figures are available, without waiting for the auditing of your annual accounts. *Final figures are preferred, but estimates will be accepted.*

These statistics are collected in terms of regulations promulgated under section 17 of the Statistics Act, 1976 (Act 66 of 1976).

OBLIGATION TO SECRECY

Your return will be treated as strictly confidential in compliance with the secrecy provisions of the Statistics Act. The contents of individual returns will not be made available to any private person, organisation or Government Department. The results will be published in such a manner as to ensure the confidentiality of the data contained in individual returns.

Furthermore, no entry in the return shall be admissible in any legal proceedings except in the case of an offence under the Statistics Act.

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time-consuming correspondence.

1. SCOPE OF THE CENSUS

The census is being conducted in respect of all establishments in South Africa and South-West Africa which operate barber, hairdressing and beauty parlour saloons as a business and a questionnaire must be completed in respect of each such establishment. Colleges for barbers and schools for the instruction of beauty parlour operators and the training of mannequins are also included. Premises on which administrative, clerical and other activities directly related to the foregoing establishments are performed are included.

2. PERIOD COVERED BY THE RETURN

The questionnaire must be completed for your financial year which ended on any date between 1 July 1976 and 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

- 3.1 "Establishment" refers to the smallest economic unit such as a beauty parlour which is managed, controlled and operated as a separate entity by an individual, a partnership, a company, a co-operative society or any other form of ownership. It should be noted that data relating to activities usually associated with a hairdressing saloon, a beauty parlour or training establishment and which form an *integral* subsidiary part of the establishment under the same ownership, must be included in the return of that particular establishment.
- 3.2 Where a firm owns, controls or operates more than one hairdressing saloon, beauty parlour or training college for mannequins and models a separate return must be submitted for each establishment.
- 3.3 If separate establishments are operated and taken into account on an integrated basis, estimates for separate establishments are required.
- 3.4 Establishments under the same ownership in which two or more unrelated kinds of activities are *independently* carried on, for example a hotel, a ladies' outfitters and a book store, whether situated on the same premises or different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of hairdressing saloons, beauty parlours and training establishments for mannequins and models should be completed only in respect of establishments which fall within the scope of this census.

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time consuming correspondence.

1. SCOPE OF THE CENSUS

The census is conducted in respect of all accommodation establishments in South Africa and South-West Africa where accommodation is provided at a fee and a questionnaire must be completed in respect of each such establishment. Administrative, clerical and other activities directly related to accommodation, are included.

2. PERIOD COVERED BY THE RETURN

The questionnaire must be completed for your financial year which ended on any date during the period 1 July 1976 to 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

3.1 "Establishment" refers to the smallest economic unit, such as a hotel, which is managed, controlled and operated as a separate entity by an individual, a partnership, a company, a co-operative society or any other form of ownership. Particulars in respect of bars, restaurants and other activities usually associated with the provision of accommodation and which constitute an integral part of an accommodation establishment, with the same owner, must be included in the return of that particular establishment. *N.B.—Particulars in respect of off-sales departments and bottle stores must be excluded.*

3.2 Where a firm owns, controls or operates more than one accommodation establishment, a separate return must be submitted for each establishment.

3.3 If separate establishments are operated and taken into account on an integrated basis, estimates for separate establishments are required.

3.4 Establishments under the same ownership in which two or more unrelated kinds of activities are carried on independently for example a hotel, a bioscope and a garage, whether situated on the same premises or different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of accommodation establishments should be completed only in respect of the establishments engaged in accommodation activities.

REGULATIONS IN TERMS OF SECTION 17 OF THE STATISTICS ACT, 1976 (ACT 66 OF 1976)
CENSUS OF WHOLESALE AND RETAIL TRADE, 1977

1. In these regulations, unless the context otherwise indicates—

(a) "trading establishment" means any premises where goods are sold, bartered, exchanged, or offered for sale, or transferred, or received, stored, unpacked, despatched, assembled or repaired (premises where administrative, clerical and other activities are performed, which are directly related to wholesale and retail trade, are included).

(b) "person in charge of a trading establishment" means—

(i) any person who, during the period defined in regulation 3, owned such an establishment: Provided that a return referred to in paragraph 2 (a) may also be accepted from a person who has been charged by such proprietor with the supervision, control, administration, direction or management, as the case may be, of such establishment;

(ii) 'n trustee of likwidateur of eksekuteur of administrator van 'n insolvente of bestorwe boedel, of 'n likwidateur van 'n maatskappy of 'n vereniging sonder winsoogmerk of 'n koöperasie in likwidasie, of 'n geregtelike bestuurder van 'n maatskappy onder geregtelike bestuur, welke boedel of maatskappy of vereniging of koöperasie gedurende die tydperk in regulasie 3 omskryf, die eienaar van sodanige inrigting was.

2. DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time-consuming correspondence.

1. SCOPE OF THE CENSUS

The census is conducted in respect of all wholesale and retail trading establishments in South Africa and South-West Africa, and a questionnaire must be completed in respect of each such establishment, including premises used in conjunction with such establishment for the receipt, unpacking, storage, packing and dispatch of the goods dealt in. Administrative, clerical or other activities directly related to the above-mentioned establishments are included.

2. PERIOD COVERED BY THE CENSUS

The questionnaire must be completed for your financial year which ended on any date during the period 1 July 1976 to 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

3.1 "Establishment" refers to the smallest economic unit such as a shop or wholesale or retail outlet, which is managed, controlled and operated as a separate entity, by an individual, a partnership, a company, a co-operative society or any other form of ownership.

3.2 Where a firm owns, controls or operates more than one wholesale or retail trade establishment, a separate return must be submitted for each establishment.

3.3 If separate establishments are operated and taken into account on an integrated basis, *estimates* for separate establishments are required.

3.4 Establishments under the same ownership in which two or more unrelated kinds of activities are carried on independently, e.g. a retail shop, a mill and a garage, whether situated on the same premises or on different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of wholesale and retail trade should be completed only in respect of the establishments engaged in wholesale or retail activities.

4. MONETARY VALUES

Please show monetary values to the nearest rand. Do not show cents.

5. ANCILLARY SERVICES AND PAYMENTS IN KIND

Expenditure in connection with services conducted primarily for the benefit of employees (e.g. free quarters) and payments in kind (rations, meals, refreshments, etc.) must be included under the relevant items in this return. (*The estimated net cost must be shown in Section 4.*)

The Minister of Statistics has, under the powers vested in him by section 17 of the Statistics Act, 1976 (Act 66 of 1976), read with Government Notice R. 139 of 4 February 1977, made the following regulations in connection with the motor trade and repair services:

1. In these regulations, unless the context otherwise indicates—

 - (i) trade is carried on in new and used motor vehicles, as well as motor service stations with or without workshops;
 - (ii) trade is carried on in motor vehicle spares and equipment;

 - (ii) a trustee or liquidator or an executor or administrator of an insolvent or deceased estate, or a liquidator of a company or a non-profit society or a co-operative society in liquidation, or a judicial manager of a company under judicial management, which estate or company or society or co-operative society was the proprietor of such establishment during the period defined in regulation 3.
 - (a) The person in charge of a motor trade and repair service establishment shall, on or before 30 September 1977, or on or before such later date as the Secretary for Statistics may for good cause allow, on a questionnaire as set out in Annexure A hereof, render a return to the Secretary for Statistics for the period defined in regulation 3.
 - (b) (i) The questionnaire defined in subregulation (a) above is obtainable from the Secretary for Statistics, Private Bag X44, Pretoria, 0001.

(ii) Die Sekretaris van Statistiek kan die vraelys genoem in subregulasie (a) hierbo aan die persoon in beheer van 'n motorhandel- en -hersteldiensinrigting stuur, maar sy versuim om dit te doen, onthef geen persoon in beheer van sodanige inrigting van die verpligting hom by subregulasie (a) hierbo opgelê nie.

3. Die tydperk wat deur die opgawe gedek moet word, is die boekjaar van die betrokke motorhandel- en -hersteldiensinrigting wat op enige datum gedurende die tydperk 1 Julie 1976 tot en met 30 Junie 1977 geëindig het.

This questionnaire is also available in English.

(ii) The Secretary for Statistics may send the questionnaire defined in subregulation (a) above to the person in charge of a motor trade and repair service establishment, but his failure to do so does not exempt any person in charge of such establishment from the obligation imposed on him by subregulation (a) above.

3. The period covered by this return is the financial year of the motor trade and repair establishment concerned which ended on any date during the period 1 July 1976 to 30 June 1977.

4. Any person in charge of a motor trade or repair service establishment who, without reasonable cause, fails to comply with any provision of these regulations, shall be guilty of an offence and liable on conviction to a fine not exceeding R200 or, in the case of continuing failure to comply therewith, to a fine not exceeding R10 for every day during which such failure continues.

5. The Secretary for Statistics may compile a name and address list of motor trade and repair service establishments, as defined in regulation 1 (a), classified according to activities, and make such list available to any person or organisation.

DEFINISIES EN VERDUIDELIKENDE OPMERKINGS

Lees asseblief die definisies en verduidelikende opmerkings sorgvuldig deur voordat u die vraelys invul. Dit sal onnodige en tydrowende briefwisseling voorkom.

1. OMVANG VAN DIE SENSUS

Die sensus word gehou ten opsigte van alle motorhandel- en -hersteldiensinrigtings in Suid-Afrika en Suidwes-Afrika, en 'n vraelys moet vir elke sodanige inrigting ingeval word. Vir die doel van die sensus omvat "motorhandel en -hersteldienste" garages, insluitende handelaars in nuwe en gebruikte voertuie en diensstasies met of sonder werkinkels; handelaars in onderdele en toebehore; kleinhandelaars in buitebande, insluitende herboers en versolers daarvan; motorelektrisiëns; herstellers van verkoelers; duikklopers en spuitverwers; ander gespesialiseerde motorhersteldienste en ander motorhandel wat nie elders geklassifiseer is nie. Persele waarin administratiewe, klerklike en ander aktiwiteite verryg word wat regstreeks met die motorhandel en hersteldienste verband hou, word ingesluit. Garages wat deur firmas of owerheidsliggome vir die onderhou van hulle eie voertuie opgerig is, word *uitgesluit*.

2. TYDPERK DEUR DIE OPGawe GEDEK

Die vraelys moet ingeval word vir u boekjaar wat op enige datum tussen 1 Julie 1976 en 30 Junie 1977 geëindig het.

3. DIE SENSUS WORD GEHOU OP 'N INRIGTINGS- (TAK-) GRONDSLAG

3.1 'n "Inrigting" beteken die kleinste ekonomiese eenheid, soos 'n garage, motorhandel- en -hersteldiens-afsetpunt, ens., wat as 'n afsonderlike entiteit bestuur, beheer en in bedryf gehou word deur 'n eenmansaak, 'n vennootskap, 'n maatskappy, 'n koöperatiewe vereniging of enige ander vorm van eienaarskap. Daar dien op gelet te word dat bedrywighede wat gewoonlik met motorhandel en -hersteldienste verband hou, soos dié van 'n onderdele- en toebehore-afdeling, petroloverkope, ens., wat 'n integrerende aanvullende deel van die inrigting met dieselfde eienaar uitmaak, by die opgawe van die betrokke inrigting *ingesluit* moet word.

- 3.2 Waar 'n firma meer as een motorhandel- en -hersteldienisinrigting besit, beheer of in bedryf hou, moet 'n afsonderlike vraelys vir elke inrigting ingestuur word.
- 3.3 Indien verskillende inrigtings op geïntegreerde grondslag in bedryf gehou en in berekening gebring word, word ramings vir die afsonderlike inrigtings vereis.
- 3.4 Inrigtings wat aan dieselfde eienaar behoort waarin twee of meer nie-verwante aktiwiteite, byvoorbeeld 'n garage, 'n algemene handelwinkel en/of 'n restaurant op dieselfde persele *onafhanklik* gedryf word, word ook as twee of meer inrigtings gerekend. In sulke gevalle moet die vraelyste in verband met die sensus van motorhandel en -hersteldienste ingeval word net ten opsigte van inrigtings wat in motorhandel en -hersteldienste betrokke is.

4. GELDWAARDES

Gee asseblief geldwaardes aan tot die naaste Rand. Moenie sente aangee nie.

5. ONDERGESKIKTE DIENSTE EN BETALINGS IN NATURA

Uitgawes in verband met dienste wat hoofsaaklik tot voordeel van werknemers strek (byvoorbeeld vry kwartiere) en betalings *in natura* (rantsoene, etes, verversings, ens.) moet by die toepaslike items in hierdie opgawe ingesluit word. (*Die geskatte netto koste moet in Seksie 4 getoon word.*)

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time-consuming correspondence.

1. SCOPE OF THE CENSUS

The census is being conducted in respect of all motor trade and repair service establishments in South Africa and South-West Africa and a questionnaire must be completed in respect of each such establishment. For the purpose of this census, "motor trade and repair services" comprise garages, including dealers in new and used motor vehicles and service stations with or without workshops; dealers in spares and accessories; retail tyre dealers, including tyre rebuilders and retreaders; automotive electricians; radiator repairers; panel beaters and spray-painters; other specialised motor repair services and other motor trade not elsewhere classified. Premises in which administrative, clerical, and other activities directly related to the motor trade and repair services are performed are included. Garages established by firms or public authorities for the maintenance of their own vehicles are excluded.

2. PERIOD COVERED BY THE RETURN

The questionnaire must be completed for your financial year which ended on any date during the period 1 July 1976 to 30 June 1977.

3. THE CENSUS IS CONDUCTED ON AN ESTABLISHMENT (BRANCH) BASIS

3.1 "Establishment" refers to the smallest economic unit such as the garage, motor trade and repair services outlet, etc; which is managed, controlled and operated as a separate entity, by an individual, a partnership, a company, a co-operative society or any other form of ownership. It should be noted that all activities usually associated with the motor trade and repair services, such as those at a spares and accessories department, petrol sales, etc., which constitutes an integral subsidiary part of the establishment under the same ownership must be included in the return of that particular establishment.

3.2 Where a firm owns, controls or operates more than one motor trade and repair service establishment a separate return must be submitted for each establishment.

3.3 If separate establishments are operated and taken into account on an integrated basis, estimates for separate establishments are required.

3.4 Establishments under the same ownership in which two or more unrelated kinds of activities are independently carried on, for example a garage, a general dealer's shop and/or a restaurant, whether situated on the same premises or different sites, are also regarded as two or more establishments. In such cases, however, the questionnaire(s) in connection with the census of motor trade and repair services should be completed only in respect of the establishments engaged in motor trade and repair services activities.

4. MONETARY VALUES

Please show monetary values to the nearest Rand. Do not show cents.

5. ANCILLARY SERVICES AND PAYMENTS IN KIND

REGULATIONS IN TERMS OF SECTION 17 OF THE STATISTICS ACT, 1976 (ACT 66 OF 1976) CENSUS OF MINES AND QUARRIES IN BANTU HOMELANDS

The Minister of Statistics has, under the powers vested in him by section 17 (i) (a) of the Statistics Act, 1976 (Act 66 of 1976), read with Government Notice R. 139 of 4 February 1977, made the following regulations in connection with mines and quarries in Bantu Homelands:

1. In these regulations, unless the context otherwise indicates—

(a) “Bantu homelands” means an area for which a legislative assembly has been established in terms of the Bantu Homelands Constitution Act, 1971 (Act 21 of 1971);

(b) “a mine or quarry” means an excavation, place or quarry which for the purposes of the Mines and Works Act, 1956 (Act 27 of 1956), constitutes a mine and in addition shall include any premises in which administrative, clerical, sales, research or other activities related to mines and quarries are carried out; and

(c) “a person in charge of a mine or quarry” means—

(i) any person who, during the period defined in regulation 3, owned such a mine or quarry: Provided that a return referred to in paragraph 2 (a) may also be accepted from a person who has been charged by such proprietor with the supervision, control, administration, direction or management of such mine or quarry, as the case may be;

(ii) a trustee or liquidator or an executor or administrator of an insolvent or deceased estate or a liquidator of a company or a non-profit society or a co-operative society in liquidation, or a judicial manager of a company under judicial management which estate or company or society or co-operative society was the proprietor of such mine or quarry during the period defined in regulation 3.

2. (a) The person in charge of a mine or quarry in a Bantu homeland shall, on or before 15 March of each year or on or before such later date as the Secretary for Statistics may for good cause allow, on a questionnaire as set out in Annexure A hereto, render a return to the Secretary for Statistics for the period defined in regulation 3.

(b) (i) Die vraelys genoem in subregulasie (a) hierbo is verkrygbaar by die Sekretaris van Statistiek, Privaatsak X44, Pretoria, 0001.

(ii) Die Sekretaris van Statistiek kan die vraelys genoem in subregulasie (a) hierbo aan die persoon in beheer van 'n myn of steengroef wat in 'n Bantoetuisland geleë is, stuur, maar sy versuim om dit te doen, onthef geen persoon in beheer van sodanige myn of steengroef van die verpligting hom by subregulasie (a) hierbo opgelê nie.

3. Die tydperk wat deur die opgawe gedek moet word, is die boekjaar wat op enige datum gedurende 'n kalenderjaar eindig of geëindig het.

4. Enige persoon in beheer van myn of steengroef in 'n Bantoetuisland wat sonder redelike oorsaak versuim om aan 'n bepaling van hierdie regulasies te voldoen, is aan 'n misdryf skuldig en is by skuldigbevinding strafbaar met 'n boete van hoogstens R200 of, in die geval van voortdurende versuim om daaraan te voldoen, met 'n boete van hoogstens R10 vir elke dag waarop sodanige versuim voortduur. Sodanige persoon word nie van hierdie strafbepalings onthef slegs omdat hy nie 'n vraelys vir die indiening van die opgawe in regulasie 2 (a) genoem, ontvang het nie.

5. Die Sekretaris van Statistiek kan 'n naam- en adreslys van myne en steengroeve in Bantoetuislande, ingedeel werkzaamhede, opstel en aan enige persoon of instansie beskikbaar stel.

(ii) The Secretary for Statistics may send the questionnaire mentioned in subregulation (a) above to the person in charge of a mine or quarry in a Bantu homeland, but his neglect to do so does not exempt a person in charge of such a mine or quarry from obligation imposed on him by subregulation (a) above.

3. The period covered by the return shall be the financial year which ends or ended on any date during a calendar year.

4. Any person in charge of a mine or quarry in a Bantu homeland who, without reasonable cause, fails to comply with a provision of these regulations shall be guilty of an offence and liable on conviction to a fine not exceeding R200 or, in the case of a continuing failure to comply therewith, to a fine not exceeding R10 for every day during which such failure continues. Such person shall not be exempted from these penalties by reason only of his having received no questionnaire for furnishing the return referred to in regulation 2 (a).

5. The Secretary for Statistics may compile a name and address list of mines and quarries in Bantu homelands, classified according to activities, and furnish it to any person or organisation.

Die sensus word gehou ten opsigte van alle inrigtings in Suid-Afrika en Suidwes-Afrika waar die verhuur/bruukuur van masjinerie en kantoor- en ander uitrusting as 'n gespesialiseerde diens onderneem word, en 'n vraelys moet ingeval word ten opsigte van elke afdeling van sodanige inrigting (bv. so 'n inrigting of afdeling van 'n handelsbank), insluitende persele wat regstreeks gebruik word vir die ontvangs, uitpak, opberg, verpakking, versending, herstel en versiening van masjinerie en uitrusting wat hulle verhuur. 3.3 Indien verskillende inrigtings of afdelings op geïntegreerde grondslag in bedryf gehou en in berekening gebring word, word rammings vir die takke of afdelings van die afsonderlike inrigtings, wat verhuur/bruukuur beoefen, vereis.

3.4 Inrigtings wat aan dieselfde eienaar behoort en waarin twee of meer nie-verwant aktiwiteite, bv. 'n inrigting vir die verhuur van masjinerie en toerusting, 'n fabrieksinrigting, ens., op dieselfde of verskillende persele onafhanklik gedryf word, word ook as twee of meer inrigtings gerekend. In sulke gevalle moet die vraelys(te) in verband met die sensus van verhuur van masjinerie en uitrusting ingeval word net ten opsigte van daardie inrigtings of afdelings van inrigtings wat die verhuur van masjinerie en uitrusting beoefen.

DEFINITIONS AND EXPLANATORY NOTES

Please read the definitions and explanatory notes carefully before completing the questionnaire. This will obviate unnecessary and time consuming correspondence.

1. SCOPE OF THE CENSUS

The census is conducted in respect of all establishments in South Africa and South-West Africa where renting/leasing of machinery, office and other equipment is conducted as a specialised service and a questionnaire must be completed for each department of such establishment (e.g. such an establishment or department of a commercial bank) including premises which are used directly for the reception, unpacking, storage, packing, despatch, repair and servicing of machinery and equipment leased by them. Administrative, clerical and other activities directly related to such renting/leasing departments of the establishment are included.
