GOEWERMENSKENNISGEWING

DEPARTEMENT VAN GESONDHEID

No. R. 313

24 Februarie 1978

WET OP MEDIESE SKEMAS, 1967

Kragtens artikel 30 (10) van die Wet op Mediese Skemas, 1967 (Wet 72 van 1967), soos gewysig, wysig ek, Schalk van der Merwe, Minister van Gesondheid, hierby die geldetarief in artikel 1 (1) van genoemde Wet bedoel, deur die geldetarief wat op 1 November 1974 in Regeringskennisgewing R. 2010 gepubliseer is, met ingang van 1 Maart 1978 te vervang deur die volgende relatiewe-eenheidswaarde-staat en geldetarief vir tandheelkundige dienste:

RELATIEWE-EENHEIDSWAARDE-STAAT EN GELDETARIEF VIR TANDHEELKUNDIGE DIENSTE

I. ALGEMENE REÛLS

001. 'n Konsultasie sluit 'n ondersoek in. Geen verdere konsultasiegeld mag gehêf word alvorens die behandelingsplan wat uit hierdie aanvanklike konsultasie voortspruit, afgehandel is nie. Hierdie reël is van toepassing slegs op tariefitems 8101 en 8103.

002. Met uitsondering van dié gevalle waar die bedrag vasgestel word "volgens ooreenkoms", moet die bedrag vir die lewering van 'n diens wat nie in die tarieflys vermeld word nie, gebaseer word op die bedrag vir 'n vergelykbare diens wat wel daarin vermeld word.

003. Aangesien 'n lid van 'n mediese skema, en dus ook die waarborg van tandheelkundige gelde, onderworpe kan wees aan maksimum jaarlikse voordele, behoort 'n praktisyn met die betrokke skema in verbinding te tree indien hy in twyfel verkeer oor die bedrag van die voordele wat sodanige lede ter beskikking staan.

004. In uitsonderlike gevalle waar die tariefgeld buite verhouding laag is in vergelyking met die dienste werklik deur 'n tandarts gelewer, kan sodanige hoër geld gehêf word as waaroor die tandarts en die skema onderling ooreenkoms.

005. Behalwe in uitsonderlike gevalle, is die dienste van 'n spesialis beskikbaar slegs op aanbeveling van die tandarts of geneesheer wat die pasiënt behandel.

006. Indien 'n lid van 'n skema of 'n afhanklike van sodanige lid 'n afspraak gemaak het en daar nie vroegtijdige stappe gedoen word ter kansellering daarvan nie, kan slegs die lid self vir die konsultasiegeld aanspreeklik gehou word.

007. "Die normale spreekure" is tussen 07h00 en 18h00 op weekdae, en tussen 07h00 en 13h00 op Saterdag.

008. (a) Elke tandarts moet maandeliks 'n rekening lewer vir enige diens gedurende die betrokke maand gelewer, ongeag of die behandeling voltooi is al dan nie. Indien 'n rekening wat aan 'n lid van 'n mediese skema gelewer is, na een maand nog nie betaal is nie, kan die tweede maandelikse rekening regstreeks aan die betrokke mediese skema gestuur word. Ten einde betaling daarvan te verseker, moet die rekening regstreeks per aangetekende pos aan die betrokke skema gestuur word.

GOVERNMENT NOTICE

DEPARTMENT OF HEALTH

No. R. 313

24 February 1978

MEDICAL SCHEMES ACT, 1967

In terms of section 30 (10) of the Medical Schemes Act, 1967 (Act 72 of 1967), as amended, I, Schalk van der Merwe, Minister of Health, hereby amend, with effect from 1 March 1978, the tariff of fees referred to in section 1 (1) of the said Act by substituting the following relative unit value schedule and tariff of fees for dental services for the tariff of fees published on 1 November 1974 in Government Notice R. 2010:

RELATIVE UNIT VALUE SCHEDULE AND TARIFF OF FEES FOR DENTAL SERVICES

I. GENERAL RULES

001. A consultation shall include an examination. No further consultation fee is chargeable until the treatment plan resulting from this initial consultation has been discharged. This rule applies only to tariff items 8101 and 8103.

002. Except in those cases where the fee is determined "by arrangement", the fee for the rendering of a service which is not listed in the tariff of fees shall be based on the fee in respect of a comparable service that is listed therein.

003. Since a member of a medical scheme, and hence also the guarantee of dental fees, may be subject to maximum annual benefits, a practitioner should contact the scheme concerned if he is in doubt as to the amount of the benefits available to such member.

004. In exceptional cases where the tariff fee is disproportionately low in relation to the actual services rendered by a dental practitioner, such higher fee as may be mutually agreed upon between the dental practitioner and the scheme may be charged.

005. Save in exceptional cases the services of a specialist shall be available only on the recommendation of the dental or medical practitioner attending the patient.

006. If a member of a scheme or a dependant of such member has made an appointment and timely steps were not taken to cancel such appointment, only the member himself may be held liable for the consultation fee.

007. "Normal consulting hours" are between 07h00 and 18h00 on weekdays and between 07h00 and 13h00 on Saturdays.

008. (a) Every dentist shall render a monthly account for any service rendered during the month concerned, irrespective of whether or not the treatment has been completed. If payment of an account rendered to a member of a medical scheme is not received after one month, the second monthly account may be sent direct to the medical scheme concerned. In order to ensure payment thereof, the account shall be sent by registered post direct to the scheme concerned.

(b) Elke rekening moet ondergenoemde besonderhede bevat:

- (i) Die naam van die lid;
- (ii) die naam van die pasiënt;
- (iii) die naam van die skema;
- (iv) die lid se lidmaatskapnommer;
- (v) die datum waarop elke diens gelewer is; en
- (vi) die aard en die koste van elke diens en, waar van toepassing, die kodenommer van die geldetarief.

009. Algemene tandheelkundige praktisyns is daartoe geregtig om twee derdes van die gelde van spesialiste te vra slegs vir behandeling wat nie in die tarieflys vir algemene tandheelkundige praktisyns aangegee word nie. 'n Spesialis wat 'n behandeling uitvoer wat nie aangegee word in die tarieflys vir sy spesialiteit nie, moet dieselfde geld vra as dié vir algemene tandheelkundige praktisyns of, indien sodanige behandeling ook in die tarieflys vir algemene tandheelkundige praktisyns nie aangegee word nie, dan twee derdes van die geld in die toepaslike spesialistatarieflys aangegee. Op die rekening moet sodanige behandeling aangetoon word teenoor die kode 0084.

010. Die geld wat 'n tandwerktuigkundige vra (+L), moet op die tandarts se rekening aangedui word teenoor die kode 8099. Sodanige rekening van die tandarts moet vergesel gaan van die werklike rekening van die tandwerktuigkundige (of 'n afskrif daarvan) en die rekening van die tandwerktuigkundige moet die handtekening van die tandarts (of sy gevolmagtigde) dra as bewys dat dit korrek saamgestel is. "L" bestaan uit die geld wat die tandwerktuigkundige vir sy dienste vra, asook uit die koste van goud en van tande. Byvoorbeeld, tarief-item 8231 word soos volg gespesifiseer:

	R
8231.....	X
8099(8231).....	Y
Totaal.....	R (X+Y)

011. Ter aanpassing van spesifieke tariefitems by sekere omstandighede is dit nodig om onderstaande wysigers op die rekening aan te bring:

- 8001 Die toepaslike tariefgeld plus 100 persent.
- 8002 Die toepaslike tariefgeld plus 50 persent.
- 8003 Die toepaslike tariefgeld plus 10 persent.
- 8004 Twee derdes van die toepaslike tariefgeld.
- 8005 Die toepaslike tariefgeld plus 25 eenhede (R14,50).
- 8006 50 persent van die toepaslike tariefgeld.
- 8007 12,5 persent van die toepaslike tariefgeld.

DIE GELDWAARDE VAN 'N EENHEID

Die geldwaarde van 'n eenheid is R0,58.

Indien die geld vir 'n spesifieke diens uitwerk op 'n bedrag waarin vyf sent nie presies kan deel nie, moet die restant, indien dit drie sent of minder is, veronagsaam word ten einde genoemde bedrag wel deelbaar te maak deur vyf sent. Indien die restant egter meer as drie sent beloop, moet genoemde bedrag bereken word tot die naaste vyf sent. Byvoorbeeld, R3,03 word beskou as R3,00; maar R3,64 word vermeerder tot R3,65.

II. ALGEMENE TANDHEELKUNDIGE PRAKTISYNS

Nota.—Kyk algemene reël 010 vir die betekenis van kode 8099 in verband met die gelde van tandwerktuigkundiges, in die tarief aangedui met "+L".

	Eenhede	R
KONSULTASIES		
8101 Konsultasie in spreekkamer.....	6,00	3,45
8103 Konsultasie in hospitaal of tuis.....	9,00	5,20
8105 Afspraak nie nagekom nie.....	5,00	2,90
DIAGNOSTIESE PROSEDURES		
8107 Binnemondse röntgenfoto's—eerste film	5,00	2,90
8109 Elke addisionele film tydens dieselfde besoek	2,00	1,15
8111 Binnemondse röntgenfoto's—volle mond (minimum 11 films)	25,00	14,50
8113 Okklusale röntgenfoto's.....	6,00	3,45
8115 Panoramese röntgenfoto's, per film	20,00	11,60
8117 Studiemodelle—ongemonteer.....	5,00+L	2,90+L
8119 Studiemodelle—gemonteer (op anatomiese artikulator)	12,00+L	6,95+L
8121 Diagnostiese foto's, per foto.....	5,00	2,90

(b) Every account shall contain the following particulars:

- (i) The name of the member;
- (ii) the name of the patient;
- (iii) the name of the scheme;
- (iv) the membership number of the member;
- (v) the date on which every service was rendered; and
- (vi) the nature and cost of every service and, where applicable, the code number of the tariff of fees.

009. General dental practitioners shall be entitled to charge two-thirds of the fees of specialists only for treatment that is not listed in the tariff of fees for general dental practitioners. Any specialist performing any treatment not listed in the tariff of fees for his speciality shall charge the same fee as that for general dental practitioners or, if such treatment does not appear in the tariff of fees for general dental practitioners either, then two-thirds of the fee listed in the appropriate specialist tariff of fees. Such treatment shall be indicated on the account against the code 8004.

010. Fees charged by dental mechanics for their services (+L) shall be shown on the dentist's account against the code 8099. Such dentist's account shall be accompanied by the actual account of the dental mechanic (or a copy thereof) and the account of the dental mechanic shall bear the signature of the dentist (or the person authorised by him) as proof that it has been compiled correctly. "L" comprises the fee charged by the dental mechanic for his services as well as the cost of gold and of teeth.

For example, tariff item 8231 is specified as follows:

	R
8231.....	X
8099(8231).....	Y
Total.....	R (X+Y)

011. For the adjustment of tariff items to certain circumstances, it is necessary to show the following modifiers on the account:

- 8001 The appropriate tariff fee plus 100 per cent.
- 8002 The appropriate tariff fee plus 50 per cent.
- 8003 The appropriate tariff fee plus 10 per cent.
- 8004 Two-thirds of the appropriate tariff fee.
- 8005 The appropriate tariff fee plus 25 units (R14,50).
- 8006 50 per cent of the appropriate tariff fee.
- 8007 12,5 per cent of the appropriate tariff fee.

THE MONETARY VALUE OF A UNIT

The monetary value of a unit is R0,58.

If the fee for a specific service works out at an amount into which five cents cannot be divided exactly, the remainder, if three cents or less, shall be disregarded in order to make it divisible by five. If the remainder exceeds three cents, however, the said amount shall be calculated to the nearest five cents. For example, R3,03 will be taken as R3,00, while R3,64 will be increased to R3,65.

II. GENERAL DENTAL PRACTITIONERS

Note.—See general rule 010 for the meaning of code 8099 in connection with the fees for dental mechanics, indicated in the tariff of fees by "+L".

G. ALGEMENE NARKOSE

8499. Die relevante items in die geldetarief vir mediese dienste, gepubliseer in *Staatskoerant* 5770 van 14 Oktober 1977, is van toepassing op alle algemene narkose in tandheelkundige prosedures.

Die geld vir 'n narkose deur 'n tandarts toegedien, word bereken teen twee derdes van die tarief vir 'n spesialisnarkotiseur, met 'n minimum van R13,35, welke bedrag die vooroperatiewe konsultasie insluit (wysiger 0036 van mediese tarief).

Alle narkosegelde word bereken as die som van die volgende:

1. Vooroperatiewe ondersoek (twee derdes van mediese tarief ooreenkomstig wysiger 0024)..... R 2,20
plus
2. Basiese eenheidswaarde (twee derdes van mediese tarief 1461)..... 8,95
plus
3. Die waarde van die aantal tydeenhede (twee derdes van mediese tarief ooreenkomstig wysiger 0023):
Eerste halfuur of gedeelte daarvan..... 2,20
Elke daaropvolgende kwartier of gedeelte daarvan..... 2,20

G. GENERAL ANAESTHETICS

8499 The relevant items in the tariff of fees for medical services as published in *Government Gazette* 5770 of 14 October 1977 shall apply to all general anaesthetics in dental procedures.

The fees for an anaesthetic administered by a dentist shall be two-thirds of the tariff for a specialist anaesthetist, with a minimum of R13,35, which amount shall include the pre-operative consultation (modifier 0036 of the medical tariff).

All anaesthesia fees are calculated as the sum of the following:

1. Pre-operative examination (two-thirds of medical tariff in accordance with modifier 0024)..... R 2,20
plus
2. Basic unit value (two-thirds of medical tariff 1461)..... 8,95
plus
3. The value of the number of time units (two-thirds of the medical tariff in accordance with modifier 0023):
First half-hour or portion thereof..... 2,20
Each subsequent quarter-hour or portion thereof 2,20

IV. SPESIALISPERIODONTISTE

Inleiding:

(a) Die geskeduleerde gelde vir diagnostiese prosedures kan gehef word ongeag of die behandeling aanvaar word al dan nie.

(b) Die onkoste verbonde aan diagnostiese toetse, laboratorium-prosedures (tensy die laboratorium die betrokke bedrag roetinegewyse van die pasiënt verhaal), spesiale materiale, medikamente, ensovoorts, moet gevra word buite en behalwe die geld vir die behandeling geëef.

(c) Indien 'n prosedure wat 'n periodontis uitgevoer het, van kleiner omvang is as wat in die geldetarief gespesifiseer word, of indien 'n periodontis ten tyde van 'n enkele besoek veelvuldige prosedures uitgevoer het en die waarde van die tydfaktor gevolglik kleiner is, kan hy na goeëdunke 'n verminderde bedrag of bedrae hef.

(d) Die gelde vir chirurgiese prosedures sluit in die nasorg vir 'n tydperk van hoogstens vier maande.

(e) In daardie gevalle waar die behandeling uitgevoer word op 'n ander plek as in die spreekkamer van 'n spesialisperiodontis, kan daar by die koste van die behandeling 'n bykomende heffing van 10 persent gevoeg word, volgens wysiger 8003.

IV. SPECIALIST PERIODONTISTS

Preamble:

(a) The scheduled fees for diagnostic procedures may be charged irrespective of whether treatment is accepted or not.

(b) The expenses appurtenant to diagnostic tests, laboratory procedures (unless routinely charged to the patient by the laboratory), special materials, medicaments, etc., shall be charged over and above the fee for treatment.

(c) If the extent of a procedure carried out by a periodontist is less than that specified in the tariff of fees, or if a periodontist carries out multiple procedures at a single visit and the value of the time factor is consequently reduced, the periodontist may at his discretion charge a reduced fee or reduced fees.

(d) Fees for surgical procedures include aftercare for a period not exceeding four months.

(e) In those cases where treatment is carried out at a place other than in the consulting rooms of a specialist periodontist, an additional charge of 10 per cent may be added to the cost of the treatment, as per modifier 8003.

8791 Soos item 8789, verdere inspuitings	4,65	2,70
<i>Nota.</i> —Konservatiewe behandeling van temporomandibulêre gewrigsaandoenings en miofasiale pyndisfunksie: kyk toepaslike items in hierdie of ander afdelings van die geldetarif.		

V. SPESIALIS-ORTODONTISTE

Inleiding:

(a) Indien 'n enkele ortodontis meer as een van die behandelingstadias van 'n veelfasige behandelingsprosedure uitgevoer het, moet die totale bedrag wat hy vra, hoogstens gelyk wees aan die aanbevole bedrag wat, ten tyde van die aanvang van die finale stadium, vir die betrokke tipe wansluiting voorgeskreef was, behalwe in buitengewone omstandighede, bv. behandeling vir 'n gesplete verhemelte.

(b) Vir die dienste genoem in items 8851 tot en met 8887 moet die gelde soos volg gehef word:

(i) Wanneer 'n toestel vir die eerste keer aangebring word, is 25 persent van die totale geld betaalbaar as 'n aanvangsgeld.

(ii) Die restant van die totale geld moet gehef word in gelyke maandelikse bedrae, welke bedrae oor die verwagte duur van die behandeling, soos vermeld, moet strek.

Indien die behandeling gestaak word voor die voltooiing daarvan, moet die restant van die geld bereken word op die basis van die dienste wat tot op die stakingsdatum gelewer is.

<i>Note.</i> —Conservative treatment of temporomandibular joint disorders and myofacial pain/dysfunction: see relevant items in this or other sections of the tariff of fees.		

V. SPECIALIST ORTHODONTISTS

Preamble:

(a) If more than one of the stages of treatment of a multiphase treatment procedure is carried out by the same orthodontist, the total fee charged by him shall not exceed the recommended fee that, at the time of commencement of the final phase, was laid down for the treatment of the type of malocclusion concerned, save in exceptional circumstances, e.g. cleft palate treatment.

(b) The fees for services covered by items 8851 to 8887 inclusive shall be charged as follows:

(i) An initial fee of 25 per cent of the total fee becomes due when the appliances are first fitted.

(ii) The balance of the total fee shall be charged in equal monthly amounts extending over the stated anticipated duration of the treatment.

If treatment is discontinued prior to its completion, the balance of the fee shall be assessed on the basis of the services rendered up to the time of termination.

VI. SPESIALIS-KAAK-, GESIG-, EN MONDCHIRURGE

8002. Indien die prosedures van tariefitems 8201 tot en met 8218 uitgevoer word deur spesialiste in kaak-, gesig-, en mondchirurgie, is die gelde gelyk aan die toepaslike tariefgelde plus 50 persent.

8005. Die gelde vir meer as een operasie of prosedure via dieselfde insnyding uitgevoer, word bereken as die geld vir die hoofoperasie plus die tariefgeld van die bykomende operasie tot 'n maksimum van 25 eenhede (R14,50) vir elke sodanige operasie of prosedure.

8006. Die gelde vir meer as een operasie of ingreep onder dieselfde narkose maar via 'n ander insnyding uitgevoer, word bereken as die geld vir die hoofoperasie plus die helfte van die geld vir elke bykomende operasie. Hierdie reël is nie van toepassing nie waar twee of meer onverwante operasies deur praktisyns van verskillende spesialiteite uitgevoer word, in welke geval elke praktisyn geregtig is op die volle geld vir sy operasie.

Indien daar binne ses maande 'n tweede operasie vir dieselfde toestand of besering uitgevoer word, is die geld vir die tweede operasie die helfte van die vir die eerste.

Die tariefgeld vir 'n operasie sluit in, tensy daar anders vermeld word, die normale naoperatiewe versorging vir 'n tydperk van hoogstens vier maande. Indien 'n praktisyn nie self die naoperatiewe versorging voltooi nie, moet hy reël dat dit voltooi word sonder bykomende heffing: Met dien verstande dat, in die geval van naoperatiewe behandeling van 'n langdurige of gespesialiseerde aard, sodanige gelde gehef kan word as waaroor die praktisyn en die pasiënt/skema ooreengekom het.

8007. Die bedrag aan 'n assistent betaalbaar word bereken op 12,5 persent van die geld van die praktisyn wat die operasie uitvoer, met 'n minimum van R15,00.

VI. SPECIALIST MAXILLOFACIAL AND ORAL SURGEONS

8002. If procedures under tariff items 8201 to 8218 inclusive are carried out by specialists in maxillofacial and oral surgery, the fees shall be equal to the appropriate tariff fee plus 50 per cent.

8005. The fee for more than one operation or procedure performed through the same incision shall be calculated as the fee for the major operation plus the tariff fee for the subsidiary operation to a maximum of 25 units (R14,50) for each such subsidiary operation or procedure.

8006. The fee for more than one operation or procedure performed under the same anaesthetic but through another incision shall be calculated on the tariff fee for the major operation plus half the tariff fee for each subsidiary operation. This rule shall not apply where two or more unrelated operations are performed by practitioners in different specialities, in which case each practitioner shall be entitled to the full fee for his operation.

If, within six months, a second operation for the same condition or injury is performed, the fee for the second operation shall be half of that for the first operation.

The tariff fee for an operation shall, unless otherwise stated, include normal post-operative care for a period not exceeding four months. If a practitioner does not himself complete the post-operative care, he shall arrange for it to be completed without extra charge: Provided that in the case of post-operative treatment of a prolonged or specialised nature, such fee as may be agreed upon between the practitioner and the patient/scheme may be charged.

8007. The fee payable to an assistant shall be calculated as 12,5 per cent of the fee of the practitioner performing the operation, with a minimum of R15,00.

PHYTOPHYLACTICA

Hierdie publikasie is 'n voortsetting van die Suid-Afrikaanse Tydskrif vir Landbouwetenskap Jaargang 1 tot 11, 1958-1968 en bevat artikels oor Entomologie, Dierkundige Plantplae, Nematologie, Plantpatologie, Mikrobiologie, Mikologie, Taksonomiese Studies, Biologie en Beheer. Vier dele van die tydskrif word per jaar gepubliseer.

Verdienstelike landboukundige bydraes van oorspronklike wetenskaplike navorsing word vir plasing in hierdie tydskrif verwelkom. Voorskrifte vir die opstel van sulke bydraes is verkrygbaar van die Direkteur, Landbou-inligting, Privaatsak X144, Pretoria, aan wie ook alle navrae in verband met die tydskrif gerig moet word.

Die tydskrif is verkrygbaar van bogenoemde adres teen 50c per eksemplaar of R2 per jaar, posvry (buitelands 60 sent per eksemplaar of R2,40 per jaar).

PHYTOPHYLACTICA

This publication is a continuation of the South African Journal of Agricultural Science Vol. 1 to 11, 1958-1968 and deals with Entomology, Zoological Plant Pests, Nematology, Plant Pathology, Microbiology, Mycology, Taxonomic Studies, Biology and Control. Four parts of the journal are published annually.

Contributions of scientific merit on agricultural research are invited for publication in this journal. Directions for the preparation of such contributions are obtainable from the Director, Agricultural Information, Private Bag X144, Pretoria, to whom all communications in connection with the journal should be addressed.

The journal is obtainable from the above-mentioned address at 50 cents per copy or R2 per annum, post free (foreign 60 cents per copy or R2,40 per annum).
