(f) When an employer requires his employee to take leave before the expiration of the 12 months of employment to which it relates, the employer shall grant such employee the full period of leave accruable for the 12 months of employment and, with due regard to the accrual of any increments in terms of clause 4, shall pay such employee in respect of such leave an amount not less than that which the employee would be entitled to at the date on which the leave would normally accrue: Provided that where an employee's employment terminates on his own initiative or for any reason except slackness of trade or physical disability before the expiration of the 12 months in respect of which the leave was granted in terms of this proviso, the employer may set off, against any moneys due to the employee at the termination of employment, the difference between the amount paid to the employee in terms hereof and the amount to which he would have been entitled at termination in terms of paragraph (c) if the leave had not been granted to him.

(g) Payment in respect of the period of annual leave due shall be made not later than the last working day prior to the commencement of such period of leave.

(i) Toevallige verlof met volle besoldiging moet afgetrek word van die jaarlikse verlof wat aan 'n werknemer vir elke jaar diens toeval: Met dien verstande dat hoogstens drie dae toevallige verlof met volle besoldiging in 12 maande toegestaan word.

(j) Geen werknemer mag ander diens met besoldiging aanvaar, en geen werkgever mag 'n werknemer toelaat om ander diens met besoldiging te aanvaar terwyl genoemde werknemer ooreenkomsdig dié klousule met verlof met besoldiging is nie.

No. R. 2591

23 November 1979

WET OP FABRIEKE, MASJINERIE EN BOUWERK, 1941

BROUNYWERHEID, KAAPSTAD

Ek, Stephanus Petrus Botha, Minister van Mannekragbenutting, verklaar hierby, kragtens artikel 22 (1) van die Wet op Fabrieke, Masjinerie en Bouwerk, 1941, dat die bepalings van die Ooreenkoms en kennisgewing in verband met die Brounywerheid, gepubliseer by Goewermentskennisgewing R. 2590 van 23 November 1979, oor die algemeen vir werknemers wie se werkure en besoldiging ten opsigte van oortydwerk, openbare feesdae en werk op Sondae en openbare feesdae daarby gereel word, nie minder gunstig is nie as die desbetrefende bepalings van genoemde Wet.

S. P. BOTHA, Minister van Mannekragbenutting.
