(3) Die Beheerraad kan sodanige verdere inligting as wat hy nodig ag van 'n klaer in subregulasie (2) bedoel, aanvra.

(7) Wanneer 'n ondersoek na die gedrag van so 'n persoon betrekking het op 'n beweerde oortreding van regulasie 19 (4) moet die Beheerraad, na oorlegpleging met die Raad, die Raad versoek om dieselfde aantal professionele ingenieurs aan te wys as die aantal ingenieurstechnici wat deur die Beheerraad kragtens subregulasie (6) aangestel is en die Beheerraad moet sodanige professionele ingenieurs op die aldus ingestelde komitee aanstel.

(2) The acquittal or the conviction of any person registered in terms of these regulations, by a court of law upon a criminal charge shall not be a bar to proceedings against him under these regulations on a charge of improper conduct notwithstanding the fact that the facts set forth in the charge of improper conduct would, if proved, constitute the offence set forth in the criminal charge on which he was so acquitted or convicted or another offence on which he might have been convicted at his trial on the said criminal charge.

(3) If the improper conduct with which a person registered in terms of these regulations is charged amounts to an offence of which he has been convicted by a court of law, a certified copy of the record of his trial and conviction by that court shall, upon the identification of such a person, as the person referred to in the record, be sufficient proof of the commission by him of such offence, unless the conviction has been set aside by a superior court: Provided that it shall be competent for a person charged to adduce evidence that he was in fact wrongly convicted.

21. (5) The Board may cause such further investigation to be made and may seek such legal advice or other assistance as it deems necessary.

(6) Subject to the provisions of subregulation (7), if the Board is of the opinion that *prima facie* evidence exists of an infringement referred to in regulation 19 or 20 (1), it shall appoint a committee of inquiry which shall proceed with an inquiry in terms of these regulations.

(7) When the inquiry into the conduct of such person concerns an alleged infringement of regulation 19 (4), the Board shall, after consultation with the Council, request the Council to designate a number of professional engineers, equal to the number of engineering technicians appointed by the Board in terms of subregulation (6) and the Board shall appoint such professional engineers on the committee of inquiry so appointed.

(8) Indien die Raad versuim om binne 30 dae vanaf sodanige versoek, die vereiste aantal professionele ingenieurs aan te wys om op die komitee van ondersoek te dien, gaan die ondersoek kragtens subregulasie (6) voort.

Procedures

22. (7) Wanneer 'n ondersoek na die gedrag van 'n professionele tegnoloog (ingenieurswese) of 'n tegnoloog-in-opleiding, na gelang van die geval, betrekking het op 'n beweerde oortreding van regulasie 19 (4) moet die Beheer-

(2) The acquittal or the conviction of a professional technologist (engineering) or technologist in training, as the case may be, by a court of law upon a criminal charge shall not be a bar to proceedings against him under these regulations on a charge of improper conduct notwithstanding the fact that the facts set forth in the charge of improper conduct would, if proved, constitute the offence set forth in the criminal charge on which he was so acquitted or convicted or another offence on which he might have been convicted at his trial on the said criminal charge.

(3) If the improper conduct with which a professional technologist (engineering) or technologist in training, as the case may be, is charged amounts to an offence of which he has been convicted by a court of law, a certified copy of the record of his trial and conviction by that court shall, upon the identification of such professional technologist (engineering) or technologist in training as the person referred to in the record, be sufficient proof of the commission by him of such offence, unless the conviction has been set aside by a superior court: Provided that it shall be competent for a professional technologist (engineering) or technologist in training charged to adduce evidence that he was in fact wrongly convicted.

(5) The Board may cause such further investigation to be made and may seek such legal advice or other assistance as it deems necessary.

(6) Subject to the provisions of subregulation (7), if the Board is of the opinion that *prima facie* evidence exists of an infringement referred to in regulation 19 or 20 (1), it shall appoint a committee of inquiry which shall proceed with an inquiry in terms of these regulations.

(8) Indien die Raad versuim om binne 30 dae vanaf sodanige versoek, die vereiste aantal professionele ingenieurs aan te wys om op die komitee van ondersoek te dien, gaan die ondersoek kragtens subregulasie (6) voort.

- (e) Die *pro forma*-klaer stel sy saak en bied daarna sy getuienis ter staving daarvan aan.
- (f) Die voorsitter van die komitee van ondersoek moet enige persoon wat getuienis by sodanige ondersoek lewer, beëdig of 'n plegtige bevestiging laat afneem.
