AGRICULTURAL PRODUCT STANDARDS ACT, 1990 (ACT No. 119 OF 1990)

REGULATIONS RELATING TO THE CLASSIFICATION, PACKING AND MARKING OF MOHAIR PRODUCED AND INTENDED FOR SALE IN THE REPUBLIC OF SOUTH AFRICA

The Deputy Minister of Agriculture, acting on behalf of the Minister of Agriculture has, under section 15 of the Agricultural Product Standards Act, 1990 (Act No. 119 of 1990)—

- (a) made the regulations in the Schedule; and
- (b) determined that the said regulations shall come into operation seven days after publication thereof in the *Government Gazette*.

SCHEDULE

Definitions

1. In these regulations, any word or expression to which a meaning has been assigned in the Act shall have that meaning and, unless the context otherwise indicates—

"adult hair" means mohair showing all the distinctive characteristics of mohair shorn from adult angora goats;

"brands" means mohair contaminated by paint or other indelible marking material;

"coloured mohair" means mohair or mohair fibres of which the colour deviates from the natural colour of pure mohair;

"crossbred mohair" means mohair which does not show all the distinctive characteristics of pure mohair;

"Executive officer" means the Director of the Directorate of Plant and Quality Control of the Department of Agriculture;

"fineness", in relation to the quantity of mohair, means the average fibre diameter of a given quantity of mohair as measured in micron;

"kempy fibres" means, course, brittle (medulated) fibres of a chalky white colour;

"kid hair" means mohair showing all the distinctive characteristics of mohair shorn from angora goat kids (typical of first and second shearing);

"length" in relation to a quantity of mohair, means the average length of the fibres in a representative sample drawn from that quantity;

"pure mohair" means the white, lustrous, natural coat of the angora goat (*Capra angoriensis*);

"registered person" a person or concern who deals with mohair in the course of trade within the Republic; and

"young goat hair" means mohair showing all the distinctive characteristics of mohair shorn from young angora goats (typical of third shearing).

Restrictions of the sale of mohair

2. (1) Subject to the provisions of subregulation (2), no person shall sell any mohair in South Africa unless the mohair—
 - (a) is packed in containers and in a manner referred to in regulation 3;
 - (b) is marked in the manner referred to in regulation 4;
 - (c) which is contaminated, is treated as required in regulation 5; and
 - (d) is classified in classes according to the requirements as set out in regulation 6.
- (2) The Executive Officer may grant written exemption, either entirely or partially and on such conditions as he may deem fit, to any person from the provisions of subregulation (1).

Packing

3. (1) Mohair shall be packed in clean and undamaged—
 - (a) standard green mohair bales of woven high density polyethylene of which the dimensions are 685 × 685 × 1 100 mm; or
 - (b) green bags of woven high density polyethylene of which the dimensions are 950 × 1 250 mm; or
 - (c) green bags of woven high density polyethylene of which the dimensions are 650 × 1 000 mm; or
 - (d) clear plastic bags of which the dimensions are 500 × 750 mm:

Provided that if mohair is packed in a container referred to in paragraph (d), one or more such containers shall be packed in any of the containers referred to in paragraph (a), (b) or (c).

(2) All containers, containing mohair, shall be closed thoroughly either with suitable blue coloured glazed twine or with metal hooks.

(3) Mohair of different classes shall not be packed into the same container: Provided that where more than one of the containers referred to in subregulation (1) (d) are packed in another container, each such first-mentioned container may contain a different class of mohair.

(4) A container referred to in subregulation 1 (a) shall in the case of kid mohair, young goat mohair and adult mohair contain a minimum quantity of 90 kg, 100 kg and 120 kg respectively: Provided that the maximum per container shall not exceed 180 kg.

Marking of containers

4. (1) Each container containing mohair, shall be marked with the following particulars in clear, legible and indelible letters with a minimum height of 35 mm—

- (a) the producer number and initials of the producer or registered person, as the case may be;
- (b) the container number: Provided that where a consignment consists of more than one container (bales and/or bags) the numbers of the containers shall follow numerically; and
- (c) the class mohair packed therein: Provided that if a container contains more than one container as described in regulation 3 (1) (d), each containing a different class of mohair, the container shall be so marked to indicate the fact that there are different containers in the container;

(2) Subject to the provisions of regulation 4 (1), the name and address or registered trade mark of the producer or registered person, as the case may be, may also be indicated on the container.

(3) The particulars referred to in regulation 4 (1) and 4 (2) shall be marked—

- (a) in the case of bales, at the end of the bale with—
 - (i) the producer number and initials on the top left side and the container number and contents mark on the left side in the centre;

- (ii) the broker code and siding number on the lower right side; and
 - (iii) if applicable, the name and address or registered trade mark in the centre upper half.
- (b) in the case of woven bags, on one side of the bag with—
 - (i) the producer number and initials on the top left side and the container number and contents mark on the left side in the centre;
 - (ii) the broker code and siding number on the lower right side; and
 - (iii) if applicable, the name and address or registered trade mark in the centre upper half.
- (c) in the case of clear plastic bags, with a label which shall be placed inside the bag, or pasted on the outside of the bag.

Contamination of mohair

5. (1) Any form of contamination of mohair, for example with synthetic fibres, is forbidden and such contamination shall be removed prior to the mohair being delivered for sale.

(2) Mohair which has been marked or contaminated by paint or other indelible marking materials, shall be offered for sale as "Brands".

Specifications of mohair

6. The minimum specifications of mohair classes are as set out in the Annexure.

Offence and penalties

7. Any person who contravenes or fails to comply with the provisions of these regulations shall be guilty of an offence and upon conviction be liable to a fine not exceeding R8 000 or imprisonment for a period not exceeding two years or to both such fine and imprisonment.

WET OP LANDBOUPRODUKSTANDAARDE, 1990 (WET No. 119 VAN 1990)

**REGULASIES MET BETREKKING TOT DIE KLASSIFISERING, VERPAKKING EN MERK VAN SYBOKHAAR
GEPRODUSEER EN BESTEM VIR VERKOOP IN DIE REPUBLIEK VAN SUID-AFRIKA**

Die Adjunk-minister van Landbou, handelende namens die Minister van Landbou het kragtens artikel 14 van die Wet op Landbouprodukstandaarde, 1990 (Wet No. 119 van 1990)—

- (a) die regulasies in die Bylae uitgevaardig; en
- (b) bepaal dat genoemde regulasies in werking sal tree sewe dae na publikasie daarvan in die *Staatskoerant*.

BYLAE**Woordskrywing**

1. In hierdie regulasies het enige woord of uitdrukking waaraan 'n betekenis in die Wet geheg is, daardie betekenis en, tensy uit die samehang anders blyk beteken—

- “brands” sybokhaar wat met verf of ander onuitwisbare merkstof besoedel is;
- “fynheid” met betrekking tot 'n hoeveelheid sybokhaar, die gemiddelde veseldeursnee van 'n gegewe hoeveelheid sybokhaar soos gemeet in mikron;
- “gekleurde sybokhaar” sybokhaar of sybokhaarvesels waarvan die kleur van die natuurlike kleur van suiwer sybokhaar afwyk;
- “geregistreerde persoon” 'n persoon of instansie wat met sybokhaar binne die Republiek as 'n besigheid handel;
- “grootbokhaar” sybokhaar waarvan die voorkoms ooreenstem met sybokhaar wat van uitgegroeide angorabokke afgeskeer is;
- “jongbokhaar”, sybokhaar waarvan die voorkoms ooreenstem met sybokhaar wat van jong angorabokke afgeskeer is (tipies van derde skeer);
- “kleinbokkiehaar” sybokhaar waarvan die voorkoms ooreenstem met sybokhaar wat van klein angorabokkies afgeskeer is (tipies van eerste en tweede skeer);
- “kruisrashaar” sybokhaar wat nie al die kenmerkende eienskappe van suiwer sybokhaar vertoon nie;
- “lengte” met betrekking tot 'n hoeveelheid sybokhaar, die gemiddelde lengte van die vesels in 'n verteenwoordigende monster uit daardie hoeveelheid getrek;
- “steekhaarvesels” growwe, bros vesels (met 'n medulla) wat 'n kalkagtige wit kleur het;
- “suiwer sybokhaar” die wit, natuurlike, glansryke bedekking van die angorabok (*Capra angoriensis*); en
- “Uitvoerende Beampte” die Direkteur van die Direkoraat Plant- en Gehaltebeheer van die Departement van Landbou.

Beperking op die verkoop van sybokhaar

2. (1) Behouderis die bepalings van subregulasie (2), mag niemand sybokhaar in Suid-Afrika verkoop nie tensy die sybokhaar—

- (a) verpak is in houters en op 'n wyse in regulasie 3 bedoel;
- (b) gemerk is op die wyse in regulasie 4 bedoel;
- (c) wat besoedel is, hanteer word soos vereis in regulasie 5; en
- (d) geklassifiseer is in klasse ooreenkomstig die vereistes soos in regulasie 6 uiteengesit.

(2) Die Uitvoerende Beampte kan skriftelik, in die geheel of gedeeltelik, op die voorwaardes wat hy nodig ag, enige persoon van die bepalings van subregulasie (1) vrystel.

Verpakking

3. (1) Sybokhaar moet verpak word in skoon en onbeskadigde—

- (a) standaard groen sybokhaarbale van geweefde hoëdigtheid poliëtileen met mate $685 \times 685 \times 1\,100$ mm; of
- (b) groen sakke van geweefde hoëdigtheid poliëtileen met mate $950 \times 1\,250$ mm; of
- (c) groen sakke van geweefde hoëdigtheid poliëtileen met mate $650 \times 1\,000$ mm; of
- (d) deurskynende plastieksakke met mate 500×750 mm:

Met dien verstande dat indien sybokhaar verpak word in 'n houer in paragraaf (d) bedoel, een of meer sodanige houters in enige van die houters in paragraaf (a), (b) of (c) bedoel, verpak moet word.

(2) Alle houters wat sybokhaar bevat, moet deeglik toegemaak word met geskikte bloukleurige glanstou of metaalhakies.

(3) Sybokhaar van die verskillende klasse mag nie saam in dieselfde houer verpak word nie: Met dien verstande dat waar meer as een van die houters in subregulasie (1) (d) bedoel, in 'n ander houer verpak word, elke sodanige eersbedoelde houer 'n ander klas sybokhaar kan bevat.

(4) 'n Houer soos in subregulasie 1 (a) bedoel moet in die geval van kleinbokkiehaar, jongbokhaar en grootbokhaar 'n minimum hoeveelheid van 90 kg, 100 kg en 120 kg sybokhaar onderskeidelik bevat. Met dien verstande dat 'n maksimum van 180 kg per houer nie oorskry mag word nie.

Merk van houters

4. (1) Elke houer wat sybokhaar bevat, moet met die volgende besonderhede in duidelike leesbare en onuitwisbare letters van minstens 35 mm hoog gemerk word—

- (a) die produsentnommer en voorletters van die produsent of geregistreerde persoon, na gelang van die geval;
- (b) die houernommer: Met dien verstande dat indien 'n besending uit meer as een houer (bale en/of sakke) bestaan, moet die nommers van die houters numeries volg; en
- (c) die klas sybokhaar daarin verpak: Met dien verstande dat indien 'n houer meer as een van die in regulasie 3 (1) (d) voorgeskrewe houters bevat, wat elk 'n ander klas sybokhaar bevat, die houer so gemerk word dat dit die feit dat daar verskillende houters binne die houer is, aandui.

(2) Behoudens die bepalings van regulasie 4 (1), mag die naam en adres of geregistreerde handelsmerk van die produsent of geregistreerde persoon, na gelang van die geval, ook op die houer aangetoon word.

(3) Die besonderhede verwys na in regulasie 4 (1) en 4 (2) moet gemerk word—

(a) in die geval van bale, op die kopkant van die baal met—

- (i) die produsentnommer en voorletters links bo en die houernommer en inhoudsmerk links in die middel;
- (ii) die makelaarskode en sylynnummer regs onder; en
- (iii) indien van toepassing, die naam en adres of geregistreerde handelsmerk in die middel boonste gedeelte.

(b) in die geval van geweepte sakke, op een sykant van die sak met—

- (i) die produsentnommer en voorletters links bo en die houernommer en inhoudsmerk links in die middel;
- (ii) die makelaarskode en sylynnummer regs onder; en
- (iii) indien van toepassing, die naam en adres of geregistreerde handelsmerk in die middel boonste gedeelte.

(c) in die geval van deurskynende plastieksakke, op 'n etiket wat binne in die sak geplaas is, of wat buite op die sak geplak is.

Besoedeling van sybokhaar

5. (1) Enige vorm van besoedeling van sybokhaar, soos byvoorbeeld met sintetiese vesels, is ongeoorloof en sodanige besoedelingmateriaal moet verwyder word voordat die sybokhaar vir verkoop gelewer word.

(2) Sybokhaar wat met verf of ander onuitwisbare merkstof gemerk of besoedel is, moet as "Brands" vir verkoop aangebied word.

Sybokhaar spesifikasies

6. Die minimum spesifikasies ten opsigte van verskillende soorte sybokhaar, is in die Bylae uiteengesit.

Oortreding en strawwe

AGRICULTURAL PRODUCT STANDARDS ACT, 1990 (ACT No. 119 OF 1990)

REGULATIONS REGARDING CONTROL OVER THE SALE OF MAYONNAISE AND SALAD DRESSING
IN THE REPUBLIC OF SOUTH AFRICA

The Deputy Minister of Agriculture, acting on behalf of the Minister of Agriculture, has under section 15 of the Agricultural Product Standards Act, 1990 (Act No. 119 of 1990)—

- (a) made the regulations in the Schedule; and
- (b) determined that the said regulations shall come into operation three months after date of publication.

SCHEDULE

Definitions

1. In these regulations any word or expression to which a meaning has been assigned in the Act shall have that meaning and—

"acidifying agent" means—

- (a) vinegar;
- (b) either lemon juice or lime juice or lemon juice and lime juice;
- (c) either citric acid or malic acid or citric acid and malic acid, in an amount not more than 25 per cent of the mass of vinegar or diluted vinegar calculated as acetic acid;
- (d) lactic acid; and
- (e) phosphoric acid—food grade;

"address" means an address in the Republic and includes the street or road number (if a number has been allotted), the name of the street or road and the name of the town, village or suburb and, in the case of a farm, the name of the farm and of the magisterial district in which it is situated and, in the case of imported mayonnaise and salad dressing, the address of the manufacturer, supplier or importer;

"consignment" means a quantity of mayonnaise or salad dressing of the same type which is delivered at any one time under cover of the same consignment note, delivery note or receipt note, or is delivered by the same vehicle, or if such a quantity is subdivided into different production groups, types or packing sizes, each quantity of each of the different production groups, types or packing sizes;

"container" means the immediate container into which mayonnaise or salad dressing is packed for sale;

"egg" means the whole egg or egg yolk, in liquid, frozen or dried form, of a hen of the species *Gallus domesticus*;

"inspector" means the Executive Officer or an officer under his or her control or an Assignee or an employee of an Assignee;

"letters" also means figures and symbols;

"main panel" means that part of the label or container that bears the brand or trade name of the product in greatest prominence or any other part of the label or container that bears the brand or trade name in equal prominence;

"modified milk protein" means milk protein precipitated by acidification and neutralised by means of alkali to form sodium, potassium or calcium caseinate;

"outer container" means a container other than a gift pack, which contains more than one container of mayonnaise or salad dressing;

"packer" means a person dealing in the course of trade with mayonnaise or salad dressing by manufacturing or packing it for sale, and also a person on behalf of whom mayonnaise or salad dressing is manufactured or packed for sale and, in the case of mayonnaise or salad dressing that is imported into the Republic the person importing it for sale;

"permitted" means permitted in terms of the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972);

"per cent" means per cent by volume;

"production group", in relation to mayonnaise and salad dressing, means a quantity of containers marked with the same code mark;

"stabilisers" means stabilisers as permitted in terms of the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972);

"trade mark" means a trade mark as defined in section 2 (1) of the Trade Marks Act, 1993 (Act No. 194 of 1993);

"the Act" means the Agricultural Product Standard Act, 1990 (Act No. 119 of 1990);

"thickeners" means thickeners as permitted in terms of the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972); and

"vinegar" means the product which complies with the compositional standards as prescribed in the regulations for vinegar in terms of the Agricultural Product Standards Act, 1990 (Act No. 119 of 1990).

Restriction on the sale of mayonnaise and salad dressing

2. (1) No person shall sell mayonnaise or salad dressing in the Republic of South Africa—
- (a) unless such product complies with the types referred to in regulation 3;
 - (b) unless such product complies with the quality standards referred to in regulations 4 and 5;
 - (c) unless the containers in which such product is packed, comply with the requirements referred to in regulation 6;
 - (d) unless such product is marked with the particulars and in the manner prescribed in regulations 7, 8, 9, 10, 11, 12 and 13; and
 - (e) if such product is marked with particulars and in a manner so prescribed as particulars with which it may not be marked.

(2) The Executive Officer may grant written exemption, entirely or partially, to any person on such conditions as he deems necessary, from the provisions of subregulation (1).

Types of mayonnaise and salad dressing

3. These regulations are applicable to the following types of products:

- (1) Mayonnaise.
- (2) The following types of salad dressing:
 - (a) French, Greek or Italian salad dressings or any similar salad dressings.
 - (b) Salad cream.
 - (c) Salad dressing.
 - (d) Low-oil salad dressing or low-oil dressing.
 - (e) Oil-free salad dressing or oil-free dressing.

Quality standards for mayonnaise

4. (1) Mayonnaise—

- (a) shall contain—

- (i) at least 52 per cent edible vegetable oil;
- (ii) acidifying agent; and
- (iii) either egg or modified milk protein; and

- (b) may contain the following permitted ingredients singly or in combination—

- (i) water;
- (ii) salt;
- (iii) mustard;
- (iv) permitted sweeteners;
- (v) spices and other harmless flavourants;
- (vi) monosodium glutamate;
- (vii) permitted food colourants and permitted preservatives;
- (viii) tomato paste/purée;
- (ix) calcium disodium EDTA and/or disodium EDTA to preserve colour and/or flavour; and
- (x) permitted stabilisers or thickeners.

Provided that the above-mentioned ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).

Quality standards for types of salad dressing

5. (1) French, Greek or Italian salad dressing or any similar salad dressing—

- (a) shall contain—

- (i) at least 35 per cent edible vegetable oil; and
- (ii) acidifying agent; and

- (b) may contain any of the ingredients as prescribed in regulation 4 (1) (b): Provided that the ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).

- (2) Salad cream—

- (a) shall contain—

- (i) at least 30 per cent edible vegetable oil;
- (ii) acidifying agent;

- (iii) either egg or modified milk protein; and
 - (iv) starch paste prepared from food starch, modified food starch, tapioca flour, wheat flour, rye flour, or a combination thereof: Provided that water may be added in the preparation of such paste; and
- (b) may contain any of the ingredients as prescribed in regulation 4 (1) (b): Provided that the ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).
- (3) Salad dressing—
- (a) shall contain at least 13 per cent but not more than 29 per cent edible vegetable oil; and
 - (b) may contain any of the following permitted ingredients, singly or in combination—
 - (i) water;
 - (ii) acidifying agent;
 - (iii) salt;
 - (iv) mustard;
 - (v) permitted sweeteners;
 - (vi) tomato paste/purée;
 - (vii) monosodium glutamate;
 - (viii) spices and other harmless flavourants;
 - (ix) permitted food colourants and permitted preservatives;
 - (x) calcium disodium EDTA and/or disodium EDTA to preserve colour and/or flavour;
 - (xi) permitted stabilisers or thickeners;
 - (xii) either egg or modified milk protein;
 - (xiii) modified starch; and
 - (xiv) milk solids:
- Provided that the above-mentioned ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).
- (4) Low-oil salad dressing—
- (a) shall contain not more than 12 per cent edible vegetable oil; and
 - (b) may contain any of the ingredients as prescribed in regulation 5 (3) (b): Provided that the ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).
- (5) Oil-free salad dressing—
- (a) shall contain up to 0,5 per cent edible vegetable oil; and
 - (b) may contain any of the ingredients as prescribed in regulation 5 (3) (b): Provided that the ingredients shall be added to the extent permitted under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).

Requirements for containers

6. (1) Containers for mayonnaise and salad dressing shall—
- (a) be manufactured from any suitable material;
 - (b) be intact, clean, suitable and strong enough for the packing and normal handling of the mayonnaise and salad dressing;
 - (c) be properly closed and sealed; and
 - (d) not pass on to the product any odour, taste, colour or other foreign characteristics during processing, or distribution of the product, where applicable.
- (2) If containers containing mayonnaise or salad dressing are packed in outer containers, such outer containers shall be clean, neat and intact and strong enough not to tear or break during normal handling.

Marking requirements on the container

General

7. (1) Each container containing mayonnaise or salad dressing shall be indelibly marked, with the particulars required in regulations 8, 9, 10, 11 and 12 in detached letters—
- (a) that are clearly legible;
 - (b) that appear on an adequately contrasting background; and
 - (c) of which the minimum vertical height of the smallest letter shall be as stipulated in column 2 of Table 1 opposite the particulars in column 1 concerned.
- (2) Subject to the provisions of subregulation (1), the letter sizes may be reduced to at least 1,0 mm in height in the case of containers with a volume content of 250 ml or less.

(3) If a word or expression (except a trade mark or a word or expression required in terms of these regulations or another law) appears on a container of mayonnaise or salad dressing in letters which exceed the applicable minimum vertical height required for the product designation, such product designation shall be indicated in letters of which the vertical height is at least that of the largest letter in the word or expression concerned.

Indication of the product designation

8. Subject to the provisions of regulation 7 (1), the product designation of the mayonnaise or salad dressing that is marked on the container of mayonnaise or salad dressing shall be a true description of the contents. Provided that the type of salad dressing shall be included in the product designation.

Indication of the packer or manufacturer

9. (1) The name of the packer or manufacturer of mayonnaise or salad dressing that is marked on a container shall—
- (a) consist of the initials and surname or trade name; and
 - (b) be preceded by the expression "Manufactured by" or "Vervaardig deur" or "Packed by" or "Verpak deur", as the case may be.
- (2) The address of the packer or manufacturer of mayonnaise or salad dressing that is marked on the container shall—
- (a) consist of the address of the premises in the Republic where that product is manufactured or packed by such packer or manufacturer, or where the ordinary place of business is situated, followed by the name of the town, suburb and city or magisterial district in which that premises is situated; and
 - (b) be marked on such container immediately after the particulars referred to in subregulation (1).
- (3) If the mayonnaise or salad dressing has been manufactured and/or packed on behalf of a person—
- (a) the initials and surname or trade name of the person on whose behalf the mayonnaise or salad dressing has been manufactured or packed, shall be substituted for the particulars referred to in paragraph (a) of subregulation (1);
 - (b) such initials or surname or trade name shall be preceded by the expression "Manufactured for" or "Vervaardig vir" or "Packed for" or "Verpak vir", as the case may be;
 - (c) the address of the premises in the Republic where the ordinary place of business of such person is situated, followed by the name of the town, suburb and city or magisterial district in which that premises is situated shall be substituted for the particulars referred to in paragraph (a) of subregulation (2);
 - (d) the address referred to in paragraph (c) shall be marked on such container immediately after the particulars referred to in paragraph (a); and
 - (e) the particulars referred to in the provisions of subregulations (1) and (2) may in addition be marked on such container.
- (4) If the mayonnaise or salad dressing is imported into the Republic, the name of the country of origin thereof shall be marked on such containers.

Indication of the vegetable oil

10. Subject to the provisions of regulation 7 (1), the origin of the vegetable oil together with the vegetable oil content thereof must be marked on a container containing mayonnaise or salad dressing.

Additional particulars

11. Each container containing mayonnaise or salad dressing shall be marked with an indication of the net mass of the contents as required in terms of the Trade Metrology Act, 1973 (Act No. 77 of 1973).

Indication of the production group

12. (1) A number or code that is marked on a container of mayonnaise or salad dressing shall represent the date of manufacture or packing of that mayonnaise or salad dressing and, if applicable, the number of the production group thereof.
- (2) Such number or code shall be the same on all containers in which a product originating from the same production group are packed.

Marking requirements on the outer containers

13. (1) If one or more containers containing mayonnaise or salad dressing are packed in an outer container, such outer container shall be marked or labelled with the following particulars:

- (a) The number of containers packed therein.
- (b) The net mass of the contents thereof.
- (c) The name or trade name of the packing establishment in which the mayonnaise or salad dressing was packed.
- (d) A true description of the contents: Provided that when any such outer container contains assorted kinds of mayonnaise or salad dressing, words signifying the assortment concerned may be marked thereon.

(2) In the case of transparent outer containers where the marking requirements on the containers are visible from the outside, the requirements of subregulation (1) need not be complied with.

Prohibited particulars

14. No word, illustration, depiction or other method of expression that constitutes a misrepresentation or directly or by implication creates or may create a misleading impression regarding the quality, nature, origin or composition of the mayonnaise or salad dressing shall be marked on a container or outer container of such product.

Offences and penalties

15. Any person who contravenes or fails to comply with the provisions of these regulations shall be guilty of an offence and upon conviction be liable of a fine not exceeding R8 000 or to imprisonment for a period not exceeding two years or to both such fine and imprisonment.

Other legislation

16. The provisions of these regulations shall be in addition to and not in substitution for the regulations published under the Foodstuffs, Cosmetics and Disinfectants Act, 1972 (Act No. 54 of 1972).

 - nie enige ongewenste geure, smake, kleur of ander vreemde karaktereienskappe deur prosessering of deur verspreiding van die produk, waar toepaslik, aan die produk oordra nie.
- (2) Indien houters mayonnaise of slaaisous in buitehouters verpak word, moet sodanige buitehouters skoon, netjies, onbeskadig en sterk genoeg wees sodat dit nie gedurende normale hantering sal skeur of breek nie.

Merkvereistes op die houer

Algemeen

7. (1) Elke houer wat mayonnaise of slaaisous bevat, moet onuitwisbaar met die besonderhede vereis in regulasies 8, 9, 10, 11 en 12 gemerk word, in drukletters—
- wat duidelik leesbaar is;
 - wat op 'n geskikte kontrasterende agtergrond verskyn; en
 - waarvan die minimum vertikale hoogte van die kleinste letter is, soos in kolom 2 van Tabel 1 teenoor die besonderhede in kolom 1 vermeld.
- (2) Behoudens die bepalings van subregulasie (1), mag die lettergroottes gereduseer word tot minstens 1,0 mm hoog in die geval van houters met 'n volume-inhoud van 250 ml of minder.
- (3) Indien 'n woord of uitdrukking (uitgesluit 'n handelsmerk of 'n woord of uitdrukking vereis in terme van hierdie regulasies of 'n ander wet) op 'n houer mayonnaise of slaaisous verskyn in letters wat die toepaslike minimum vertikale hoogte vir die produkbenaming oorskry, moet so produkbenaming aangedui word in letters waarvan die vertikale hoogte ten minste so groot is soos die grootste letter in die woord of uitdrukking betrokke.

Aanduiding van die produkbenaming

8. Behoudens die bepalings van regulasie 7 (1), moet die produkbenaming van mayonnaise of slaaisous, wat op die hoofpaneel van die houer gemerk word, 'n ware beskrywing van die inhoud wees: Met dien verstande dat die tipe slaaisous in die produkbenaming ingesluit is.

Aanduiding van die verpakker of vervaardiger

9. (1) Die naam van die verpakker of vervaardiger van mayonnaise of slaaisous wat op die houer gemerk is moet—
- bestaan uit die voorletters en van of handelsnaam; en
 - vooraafgegaan word deur die uitdrukking "Vervaardig deur" of "Manufactured by" of "Verpak deur" of "Packed by", na gelang van die geval.
- (2) Die adres van die verpakker of vervaardiger van mayonnaise of slaaisous wat op die houer gemerk is moet—
- bestaan uit die adres van die perseel in die Republiek waar daardie produk deur sodanige verpakker of vervaardiger vervaardig of verpak is, of waar die gewone besigheidsplek geleë is, gevolg deur die naam van die dorp, voorstad en stad of landdrosdistrik waarin daardie perseel geleë is; en
 - gemerk wees op so 'n houer onmiddellik na die besonderhede verwys na in subregulasie (1).
- (3) Indien die mayonnaise of slaaisous namens 'n persoon vervaardig of verpak word—
- moet die voorletters en van of handelsnaam van die persoon namens wie die mayonnaise of slaaisous vervaardig of verpak is deur die besonderhede in paragraaf (a) van subregulasie (1) bedoel, vervang word;
 - moet sodanige voorletters en van of handelsnaam vooraafgegaan word deur die uitdrukking "Vervaardig vir" of "Manufactured for" of "Verpak vir" of "Packed for", na gelang van die geval;
 - moet die adres van die perseel in die Republiek waar die gewone besigheidsplek van so 'n persoon geleë is, gevolg deur die naam van die dorp, voorstad en stad of landdrosdistrik waarin daardie perseel geleë is met die besonderhede verwys na in paragraaf (a) van subregulasie (2) bedoel, vervang word;

(d) moet die adres verwys na in paragraaf (c) onmiddellik na die besonderhede in paragraaf (a) bedoel, op so 'n houer gemerk word; en

(e) mag die besonderhede in subregulasies (1) en (2) bedoel daarbenewens op so 'n houer gemerk word.

(4) Indien die mayonnaise of slaaisous in die Republiek ingevoer word, moet die land van herkoms op sodanige houer gemerk word.

Aanduiding van plantolie

10. Behoudens die bepalings van regulasie 7 (1), moet die oorsprong van die plantolie tesame met die plantolie-inhoud daarvan op 'n houer wat mayonnaise of slaaisous bevat, gemerk word.

Addisionele besonderhede

11. Elke houer wat mayonnaise of slaaisous bevat moet gemerk wees met 'n aanduiding van die netto massa van die inhoud soos vereis in terme van die Wet op Handelsmetrologie, 1973 (Wet No. 77 van 1973).

Aanduiding van die produksiegroep

12. (1) 'n Nommer of kode wat op 'n houer mayonnaise of slaaisous gemerk is, moet die datum van vervaardiging of verpakking van daardie mayonnaise en slaaisous en, indien van toepassing, die nommer van die produksiegroep daarvan, verteenwoordig.

(2) So 'n nommer of kode moet dieselfde wees op alle houters waarin 'n produk verpak is wat van dieselfde produksiegroep afkomstig is.

Merkvereistes op die buitehouers

13. (1) As een of meer houters wat mayonnaise of slaaisous bevat, in 'n buitehouer verpak word, moet so 'n buitehouer met die volgende besonderhede gemerk of geëtiketteer word:

(a) Die aantal houters daarin verpak.

(b) Die netto massa van die inhoud daarvan.

(c) Die naam of handelsnaam van die verpakkingsaanleg waar die mayonnaise of slaaisous verpak is.

(d) 'n Ware beskrywing van inhoud: Met dien verstande dat wanneer enige sodanige verpakking 'n verskeidenheid van mayonnaise of slaaisous bevat, woorde wat die betrokke verskeidenheid aandui daarop gemerk mag word.

(2) In die geval van deursigtige buitehouers waar die merkvereistes op die houters van buite sigbaar is, hoef die vereistes van subregulasie (1) nie nagekom te word nie.

Verbode besonderhede

14. Gee woord, merk, illustrasie, afbeelding of ander metode van begripsuitdrukking wat 'n wanvoorstelling uitmaak of regstreeks of by implikasie 'n misleidende indruk met betrekking tot die gehalte, aard, oorsprong of samestelling van die mayonnaise of slaaisous skep of kan skep, mag op 'n houer of buitehouer van so 'n produk gemerk word nie.

Misdrywe en strawwe

15. Iemand wat die bepalings van hierdie regulasies oortree of versuim om daaraan te voldoen is aan 'n misdryf skuldig en by skuldigbevinding strafbaar met 'n boete van hoogstens R8 000 of met twee jaar gevangenisstraf of met sowel daardie boete en daardie gevangenisstraf.

Ander wetgewing

16. Die bepalings van hierdie regulasies is aanvullend tot, en nie ter vervanging van die regulasies gepubliseer onder die Wet op Voedingsmiddels, Skoonheidsmiddels en Ontsmettingsmiddels, 1972 (Wet No. 54 van 1972).
