SPECIAL REPORT BY THE AUDITOR OF THE PENSION FUND TO THE REGISTRAR OF PENSION FUNDS

We have audited Annexure B to Schedule I, which was completed by the .... Fund, in terms of Regulation 28, relating to the year ended .... (date). We initialled the annexure for identification purposes. The annexure is the responsibility of the trustees. Our responsibility is to report on the annexure. This report is furnished solely for the information of the Registrar of Pension Funds and should be used only for this purposes.

We conducted our audit in accordance with generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance that, in all material respects, fair representation is achieved on the attached annexure. Our audit included an evaluation of the appropriateness of the accounting policies; and examination, on a test basis, of evidence supporting the amounts used in the calculations; and assessment of the reasonableness of significant estimates made by the trustees; a test of the mathematical accuracy of the calculations made and a review of the adherence by the pension fund to the provisions of section 19(4), 19(5) and 19(5B)(b) of the Pension Funds Act, 1956. We consider that our auditing procedures were appropriate in the circumstances to express our opinion presented below.

In our opinion the return fairly presents the actual percentage of the assets to the total assets of the Fund in accordance with Regulation 28 made under the Pension Funds Act, 1956.
