### ONDERSOEKMETODES

#### *Bepaling van mikrobiologiese bederf*

10. Mikrobiologiese bederf word bepaal deur 'n verteenwoordigende monster ingemaakte pastaproducte vir ten minste 10 dae by 37°C te stoor en die persentasie bederf te bepaal deur die aantal houers wat bars of lek uit te druk as 'n persentasie van die produksiegroep.

  - (c) Die massa so verkry, minus die massa van die sif word beskou as die massa van die gedreineerde pastaproducte.
- (2) Indien die substansmassa wat op die etiket verklaar is of geëmbosseer is op die houer, meer is as die voorgeskrewe minimum substansmassa, moet die werklike substansmassa ooreenstem met dié hoër verklaarde substansmassa.
- (3) Waar die substansmassa aangedui word in hierdie regulasies as 'n persentasie van die netto massa, sal die netto massa geneem word as die verklaarde netto massa.
- (4) In 'n ondersoekmonster mag tien persent van die houers afwyk met nie meer as vyf persent van die voorgeskrewe substansmassa nie: Met dien verstande dat die gemiddelde substansmassa van die ondersoekmonster gelyk of meer is as die voorgeskrewe substansmassa.

#### *Misdrywe en strawwe*

**REQUEST FOR THE IMPOSITION OF A STATUTORY MEASURE (LEVY) ON  
SEED SORGHUM IN TERMS OF THE  
MARKETING OF AGRICULTURAL PRODUCTS ACT, 1996  
(ACT NO 47 OF 1996), AS AMENDED**

**1. STATUTORY MEASURE – LEVIES**

The statutory measure that is requested to be imposed, is that the Minister, in terms of section 10 of the Act, by notice in the Government Gazette, direct that a levy be payable on any seed sorghum bought by a person or entity including producers of sorghum, from any person or entity, including seed companies, and on any imported seed sorghum, to the amount of R40,42/25kg unit or pro-rata, (VAT excluded) to the Sorghum Trust.

**2. INFORMATION REQUIRED BY SECTION 10 OF THE ACT**

The particulars as required by section 10 of the Act to be included in a request for a statutory measure, are as follows:

- 2.1 The statutory measure requested would relate to seed sorghum [sorghum that is intended for planting purposes].
- 2.2 The categories of directly affected groups which would probably be affected by the proposed statutory measure, are:  
**Producers or buyers of seed sorghum,**  
**Importers of seed sorghum.**
- 2.3 Letters of support for the proposed statutory measure on seed sorghum, by the different categories of directly affected and other groups in the sorghum industry were not yet received.
- 2.4 The proposed statutory measure will apply to the whole of the Republic of South Africa, in order to have a uniform levy.
- 2.5 According to the applicant, the proposed statutory measure will further the objectives of the Act as stipulated in section 2(2) thereof. Such amendment will also not contravene section 2(3) of the Act.
- 2.6 According to the applicant, the manner in which the objectives referred to in section 2(2) of the Act will be furthered (namely the increasing of market access for all market participants, the promotion of the efficiency of the marketing of agricultural products, the optimisation of export earnings from agricultural products and the enhancement of the viability of the agricultural sector), are summarised below:

The purpose and aims of this statutory measure are to provide financial support for the sorghum research and information functions that the sorghum industry has identified as essential and in the interest of the industry as a whole.

Research is essential for the furtherance of the sorghum industry's competitive position. It is essential that this infrastructure that was created by means of statutory levies under the previous agricultural marketing dispensation, be retained and maintained to the benefit of the sorghum industry.

Market information is essential for all role-players in a deregulated market, in order for them to be able to make informed decisions and for the market to operate effectively.

A portion of the funds collected by means of this levy will also be focused on small-scale farmers and the developing sorghum industry.

The establishment of this statutory measure will not only assist in increasing market access for all participants, but will also enhance the viability of the sorghum industry.

No one of the objectives of the Marketing Act is envisaged to impact negatively on any of the other objectives. Furthermore, the measure would not contravene Section 2(3) of the Act.

- 2.7 The existing statutory measure (sorghum levy) as published in Government Gazette No. 18876 of 8 May 1998, and extended on 21 July 2000, expires on 28 February 2001.

The proposed statutory levy on seed sorghum is requested to come into operation as soon as possible, for a period of two years.

For the purpose of the proposed measure, the transaction date shall be the date on which payment for the seed sorghum is made and levies shall be payable on seed sorghum transacted at the date of and after the possible implementation of the proposed statutory measure

- 2.8 The Sorghum Forum decided that the Sorghum Trust and Ross & Pienaar Chartered Accountants (SA) would administer the statutory measure. Ross & Pienaar Chartered Accountants (SA) is an established auditing company in Pretoria and are also accountants for the Sorghum Trust. The Sorghum Trust was founded in terms of section 26 of the Marketing of Agricultural Products Act and registered in terms of the Trust Property Control Act, 1988 (Act 57 of 1988) by the Master of the High Court (Registration No. IT9221/97).

Ross & Pienaar Chartered Accountants (SA) will open a separate bank account for the levies, receive the levy returns and the levies as well as the audit certificates/affidavits on behalf of the Sorghum Trust. They will not disclose any information of any trader or importer to the Sorghum Trust, the Sorghum Forum, the Secretary of these bodies or anyone else whosoever. They will sign an affidavit in this regard. Ross & Pienaar Chartered Accountants (SA) will transfer the levies to the bank account of the Sorghum Trust on a monthly basis.

- 2.9 The Sorghum Forum envisaged that Ross & Pienaar Chartered Accountants (SA) will act as inspectors on behalf of the Minister and will be funded out of levy income.
