SCHEDULE

Definitions

1. In this Schedule any word or expression to which a meaning has been assigned in the Act shall have that meaning, and unless the context otherwise indicates –

“CGA” means the Citrus Growers Association of South Africa, incorporated under section 21 of the Companies Act, 1973 (Act No. 61 of 1973) with registration number 2000/010147/08;

“exporter” means an exporter of citrus fruit;

“export citrus fruit” means fresh citrus fruit intended for export;

“producer” means a grower of export citrus fruit; and

“the Act” means the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996).

Purpose and aims of statutory measure and the relation thereof to the objectives of the Act

2. The purpose and aims of this statutory measure is to compel the parties to pay a levy to the CGA. The levy is needed by CGA to gain and maintain market access, to fund and control research and development, to set fruit quality standards and to ensure effective communication. Market access will be increased for all participants through the conducting of research into new markets and to maintain existing markets. This will enhance the choice of producers to market products in markets of their choice and to optimise export earnings. As earnings are the highest in the most discerning markets, it is necessary that fruit standards are maintained and that technical barriers on a phytosanitary and sanitary level are overcome.

The measure will not be detrimental to the number of employment opportunities or fair labour practice to all role players in the citrus industry. The statutory measure aims to maintain the position of South Africa as the third largest producer of fresh citrus in the world.

The measure will be administered by CGA.

Area in which statutory measure shall apply

4. This statutory measure shall apply in the geographical area of the Republic of South Africa.

(a) be payable by producers of export citrus fruit; and

(b) be payable in the manner set out in clause 8.

Payment of levy

8. (1) Payment of the levy shall be made by the Perishable Product Export Control Board, or by the exporter of the export citrus fruit concerned: Provided that –

- (a) the amount of the levy may be recovered from the producer of that export citrus fruit; and
- (b) a collection fee 1% of the levy (1% of 1.4c/Kg) may be deducted from the levy collected.

(2) Payment shall be made no later than thirty days after the fruit has been approved for export in terms of the Agricultural Product Standards Act by means of a cheque or electronic transfer in favour of CGA, and shall –

WET OP DIE BEMARKING VAN LANDBOUPRODUKTE, 1996
(WET No. 47 VAN 1996)

INSTELLING VAN STATUTÊRE MAATREËL EN BEPALING VAN RIGLYNPRYSE:
HEFFING MET BETREKKING TOT VARS SITRUSVRUGTE BEDOEL VIR
UITVOER

Ek, Angela Thokozile Didiza, Minister van Landbou, handelende kragtens artikels 13 en 15 van die Wet op die Bemarking van Landbouprodukte, 1996 (Wet No. 47 van 1996) -

- (a) stel hiermee die statutêre maatreël in die Bylae uiteengesit, in; en
- (b) bepaal dat die riglynprys vir vars uitvoersitrusvrugte R1,50 per kg sal wees.

A.T. DIDIZA,

Minister van Landbou.

BYLAE

Woordomskrywing

1. In hierdie Bylae het enige woord of uitdrukking waaraan 'n betekenis in die Wet geheg is, daardie betekenis en, tensy uit die samehang anders blyk, beteken -

"die Wet" die Wet op die Bemaking van Landbouprodukte, 1996 (Wet No. 47 van 1996);

"produsent" 'n produsent van uitvoersitrusvrugte;

"SKV" die Sitruskwekersvereniging van Suid Afrika, 'n maatskappy ingelyf kragtens artikel 21 van die Maatskappywet, 1973 (Wet No. 61 van 1973) met registrasienommer 200/010147/08;

"uitvoerder" 'n persoon wat sitrusvrugte uitvoer; en

"uitvoersitrusvrugte" vars sitrusvrugte bedoel vir uitvoer.

Doel en doelwitte van statutêre maatreël en die verband daarvan met die oogmerke van die Wet

2. Die doel en doelwitte van die statutêre maatreël is om die partye hierin uiteengesit te verplig om 'n heffing aan die SKV te betaal. Die heffing word deur SKV benodig om marktoegang te bewerkstellig en in stand te hou, navorsing en ontwikkeling te befonds, vrugtegehaltestandaarde te stel en om effektiewe kommunikasie te verseker. Marktoegang sal verhoog vir alle deelnemers deur middel van navorsing in nuwe markte en die instandhouding van bestaande markte. Dit sal produsente die geleentheid bied om produkte te bemark in markte van hul eie keuse, en om uitvoer verdienste te optimaliseer. Aangesien verdienste in sensitiewe markte die hoogste is, is dit noodsaaklik dat vrugtegehaltestandaarde gehandhaaf word en tegniese hindernisse op 'n fitosanitêre en sanitêre vlak oorbrug word.

Hierdie maatreël sal nie die aantal werksgeleenthede of billike arbeidspraktyk benadeel nie en sal slegs die rolspelers in die sitrusbedryf raak. Die instelling van die statutêre maatreël het ten doel om Suid Afrika se posisie as die derde grootste produsent van vars sitrus in die wêreld, te behou.

Die maatreël sal geadministreer word deur die SKV.

Produk waarop statutêre maatreël van toepassing is

3. Hierdie statutêre maatreël sal op alle uitvoersitrusvrugte van toepassing wees.

Gebied waarin statutêre maatreël van toepassing is

4. Hierdie statutêre maatreël is in die geografiese gebied van die Republiek van Suid-Afrika van toepassing.

Instel van heffing

5. 'n Heffing word hiermee ingestel op uitvoersitrusvrugte.

Bedrag van die heffing

6. Die heffing sal R0,014c per kilogram vir uitvoersitrusvrugte, bedra.

Persone deur wie en aan wie heffing betaalbaar is

7. Die heffing wat opgelê is ingevolge klousule 5 sal –

(a) betaalbaar wees deur produsente van uitvoersitrusvrugte; en

(b) betaalbaar wees soos uiteengesit in klousule 8.

Betaling van heffing

8. (1) Die heffing is betaalbaar deur die Bederfbare Produkte Uitvoerbeheerraad, of deur die uitvoerder van die betrokke uitvoer sitrus vrugte: Op voorwaarde dat -

- (a) die bedrag van die heffing teruggevorder mag word van die produsent van daardie uitvoersitrusvrugte; en
- (b) 'n invorderingsfooi van 1% van die heffing (1% van 1.4c/Kg) mag verhaal word van die heffing gevorder.

(2) Betaling sal nie later as die dertigste dag nadat die vrugte goedgekeur is vir uitvoer in terme van die Landbou Produk Standaard Wet, gemaak word nie, deur middel van 'n tjek, posorder of geldorder wat uitgemaak word ten gunste van SKV en sal -

- (a) wanneer per pos gestuur, geadresseer wees aan -

The purport of the amendment is to bring the specification in line with the requirements of modern vehicle braking systems and in so doing to improve vehicle safety by reducing the risk of brake failure resulting from water uptake by the hydraulic fluid.

Any person who wishes to object to the intention of the Minister to thus amend the compulsory specification concerned, shall lodge his objection in writing with the President, South African Bureau of Standards, Private Bag X191, Pretoria, 0001, on or before the date two (2) months after publication of this notice.

VIR HIDROULIESE REM- EN KOPPELAARVLOEISTOF**

Hierby word kragtens artikel 22(3) van die Wet op Standaarde, 1993 (Wet No. 29 van 1993), bekend gemaak dat die Minister van Handel en Nywerheid van voorneme is om die verpligte spesifikasie vir hidrouliese rem- en koppelaarvloeistof, gepubliseer by Goewermentskennisgewing No. 4562 van 17 Januarie 1975, te wysig soos in die Bylae uiteengesit.

Die doel van die wysiging is om die spesifikasie in ooreenstemming te bring met die vereistes van moderne voertuigremstelsels en terselfdertyd voertuigveiligheid te verbeter deur die gevaar van remweiering voortspruitend uit die opneem van water deur die hidrouliese vloeistof te voorkom.

Enige persoon wat beswaar wil maak teen die Minister se voorneme om hierdie verpligte spesifikasie te wysig, moet sy skriftelike beswaar voor of op die datum twee (2) maande na publikasie van hierdie kennisgewing indien by die President, Suid-Afrikaanse Buro vir Standaarde, Privaatsak X191, Pretoria, 0001.
