DEPARTEMENT VAN LANDEN.

De volgende Goevernements Kennisgevingen worden ter algemene informatie gepubliceerd.

J. SOMMERVILLE,
Sekretaris voor Landen.

Departement van Landen, Pretoria.

No. 263.

[17 Februarie 1922.

Overeenkomstig artikel twee van Wet No. 15 van 1887, zoals gewijzigd bij artikels vier, vijf en zes van Wet No. 40 van 1895, en artikel een van Wet No. 6 van 1919, wordt hiermede kennis gegeven, dat de volgende percelen Kroonland bij publieke veiling te koop zullen worden aangeboden op de plaatsen en op de datums en tijden in de navolgende sgedulen vermeld, onderworpen aan de voorwaarden en bepalingen in bovengenoemde wet en in de algemene koopvoorwaarden uiteengezet, en verder aan zulke voorwaarden als op de verkoopdag moeten worden vermeld:—

Ieder perceel zal te koop worden aangeboden tegen de inzetprijs als vastgesteld, en de meestbiedende, die niet minder geboden zal hebben dan die inzetprijs, zal de koper verklaard worden, en zodanige koper zal de koopsom naar verkiezing geheel of gedeeltelijk op de verkoopdag kunnen betalen. Met dien verstande—

- dat, indien geen betaling geschiedt op de verkoopdag, één-tiende van de koopprijs betaald moet worden binnen zes maanden en één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;
- dat, indien minder dan één-tiende van de koopsom op de verkoopdag betaald wordt, het overige van zodanige één-tiende moet betaald worden binnen zes maanden, en het andere één-tiende binnen twaalf maanden, te worden gerekend van af de verkoopdag;
- dat indien het bedrag betaald op de verkoopdag het één-tiende mocht zijn, of enige som tussen het één-tiende en één-vijfde deel van de koopsom, het overige van het één-vijfde van de koopsom betaald moet worden binnen twaalf maanden, te worden gerekend van af de verkoopdag;
- ingeval de koopsom minder dan vijf en twintig ponden mocht zijn, moet het gehele bedrag kontant of in gelijke jaarlijkse paaiementen, zich uitstrekkende over een tijdperk van drie jaren, betaald worden.

Rente moet op de bovengenoemde paaiementen betaald worden, berekend tegen vier percent per jaar; en de betaling van de paaiementen, met de rente erop, zal op de verkoopdag door twee door de Magistraat goedgekeurde en voldoende borgen verzekerd worden, welke borgen zich met betrekking tot die betaling als borgen in solidum en mede-hoofdschuldenaars verbinden, afstand doende van de excepties van inbeslagneming en verdeling.

If the purchaser or his sureties fail or are unable to make the necessary payment of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of survey, etc., on each lot and of the title-deed (viz., 12s. 3d.) and Deeds Office Registration fee (viz., 5s.) shall be paid to the Magistrate or other duly authorized person in that behalf on the day of sale.

The purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of 4 per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of the sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond, or any portion thereof not being less than fifty pounds, at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage, as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which a fine of one shilling will be imposed for every day allowed to pass beyond it up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month, after the date of judgment the sale shall become null and void, and payments already made shall be forfeited to the Government.

Each lot will be offered for sale subject to the following special conditions, viz.:—

That all rights to minerals, mineral products, mineral oils, and precious stones, precious or base minerals, on or under the land hereby sold are expressly reserved to the Crown, together with the right of access to any mines or works undertaken for mining or prospecting purposes by any person duly authorized in that behalf. The land is subject to such further rights as the public or the Government now may or may hereafter have or be entitled to obtain under or by virtue of any law relating to the prospecting, digging, mining, or exploitation of minerals, mineral products, mineral oils, precious stones, precious or base minerals, on or under the land hereby sold, which right shall not be impaired or in any way affected by the title-deed.

The diagrams and conditions of sale may be seen at the Department of Lands, Pretoria, and at the offices of the respective magistrates.

★ NOTICE No. 214 OF 1922.

ERECTION OF COLD STORAGE WORKS AT WALVIS BAY.

As a result of investigations into the problem of disposing of the surplus live stock in South-West Africa, the Administration has come to the conclusion that it is necessary to encourage the export of meat overseas, and for this purpose to obtain the erection of cold storage works at Walvis Bay.

Since the number of animals available for export will for some time to come hardly be sufficient to attract the necessary capital without other inducement, the Administration intends to assist the project, and invites persons, firms, or companies to submit for its consideration schemes for the installation of such cold storage works.

The Administration proposes to provide the site, arrange for railway connection and harbour facilities, and grant an exclusive licence for a term of years and/or a bonus on the actual exports, in consideration for which refrigerating works of modern type, complete to every detail, must be installed for the export of surplus live stock as chilled and frozen meat.

It is suggested that the works should be able to treat about 100-150 cattle and 200-300 sheep per working day, with the requisites for treatment of by-products, provision being made for future extensions. Some cold storage space will be required for dairy produce, and it is desirable to provide for the treatment of pigs and curing of bacon.

The Administration desires to reserve the right of resuming possession of the site with the works (if deemed advisable in the interests of the farming industry), and there should be included in the particulars of any scheme submitted a statement of the terms upon which the Administration could resume such possession during or at the end of the term of the agreement.

★ KENNISGEVING No. 214 VAN 1922.

OPRICHTING VAN KOELKAMERS TE WALVISBAAI.

Na het vraagstuk van het van de hand zetten van de surplus levende hays van Zuidwest-Afrika overwogen te hebben, is de Administratie tot de konklusie gekomen dat het nodig is de uitvoer van vlees overzee aan te moedigen en voor dit doel stappen te nemen tot de oprichting van koelkamers te Walvisbaai.

Aangezien het aantal dieren, voor uitvoer geschikt, voor een geruime tijd nauweliks voldoende zal zijn om het nodige kapitaal zonder andere lokmiddelen aan te lokken, is de Administratie van plan de onderneming te steunen en nodigt hij personen, firma's of maatschappijen uit, om te zijner overweging schema's voor de inrichting van zodanige koelkamers in te zenden.

De Administratie stelt voor het terrein te verschaffen, schikkingen te maken voor spoorwegverbinding en havengerieven en een uitsluitende licentie voor een zekere termijn te verlenen en/of een bonus op wat werkelijk uitgevoerd wordt, in konsideratie waarvan koelkamerwerken van moderne inrichting, compleet in iedere bijzonderheid, ingericht moeten worden voor de uitvoer van surplus levende hays in de vorm van bevroren vlees.

Men meent dat de werken groot genoeg behoren te zijn om van 100 tot 150 beesten en van 200 tot 300 schapen per werkdag te behandelen, met de nodige akkommodatie en toebehoren voor het behandelen van de bijprodukten en met voorziening voor latere uitbreiding. Koelkamerruimte zal ook nodig zijn voor zuivelprodukten en het is tevens wenselijk voorziening te maken voor het behandelen van varkens, het roken van spek en het bereiden van ham.

De Administratie wenst zich het recht te behouden om het terrein met de werken, indien dit in het belang van de boerderij-nijverheid wenselijk geacht wordt—weder in bezit te nemen en in ieder voorgelegd plan behoren er onder de bijzonderheden inbegrepen ten zijn de voorwaarden waarop de Administratie aldus weder bezit kan nemen tijdens de duur of bij afloop van het kontrakt.

If an exclusive licence is granted it will be necessary to safeguard the public interest, and especially the interests of the producers, and applicants should suggest a basis on which this should be done.

The time must be mentioned within which the works will be ready to operate.

The particulars of any scheme must be submitted to the Secretary for South-West Africa, Windhoek, before the 30th day of September, 1922.
