Description of Holdings—

The Novo Settlement is situate approximately 5 miles north of the town of Riversdale, below the Langebergen, and adjoining the Oakdale Estate, which lies between the settlement and the town. Riversdale is on the New Cape Central Railway line about 18 hours' journey from Capetown and 4 hours from Mossel Bay. The climate is healthy and agreeable. The average rainfall is approximately 17 inches per annum, most of which takes place in the winter months. The agricultural lots, which are partially irrigable, are suitable for lucerne, vegetables, root crops, and fruit-growing. The Outer Lots are not irrigable, but are suitable in parts for the growing of all classes of cereals and the grazing of sheep and cattle.

There is a communal commonage of approximately 1,000 morgen for the use only of agricultural lots with which no Outer Lots have been coupled. The lessees of such agricultural lots will, pending the constitution of the committee of management herein after referred to, be entitled to graze on this commonage up to six head of large stock. In no case, whether before or after the constitution of the committee of management, will the grazing of small stock be permitted on this commonage. The Government will, moreover, not guarantee the suitability or sufficiency of the grazing on the commonage at any time, and reserves the right at all times to reduce or withdraw the area so set aside for communal grazing and to deal with such land in such manner as it shall deem necessary or expedient. The Minister of Lands may, pending the constitution of the committee of management, make such rules for the control of the commonage and the grazing thereon as he shall deem fit.

It will be a condition of allotment of the holdings on this settlement that the lessees of such holdings as may be allotted shall, when required by the Minister of Lands, form a committee of management to make, subject to the approval of the Minister of Lands, rules affecting the control, use, and distribution of water for irrigation purposes, the depasturing of stock (subject to the provisions herein above mentioned) on the commonage, and as to such other matters on the settlement necessary for the development and improvement thereof.

Pending the constitution of the committee of management the apportionment, distribution, and control of such water as may be available for irrigation purposes from time to time shall vest in the Minister of Lands, who shall have the right to take from any holding without payment of compensation material for the repair and maintenance of the irrigation works. All distributary furrows shall, however, be made and maintained from their intakes by the lessees concerned at their own expense, and where two or more lessees utilize a common distributary furrow they shall be responsible jointly for the construction and maintenance thereof at their own expense. For these purposes the Minister of Lands' nominee, or any lessee, as the case may be, shall have the necessary access to and rights-of-way over any holding.

No guarantee is or will be given by the Government that a sufficient supply of water will be available at any time for the irrigation of any agricultural holding or any portion thereof, and no responsibility is or will be accepted by the Government at any time owing to any diminution in the volume of the water available for irrigation purposes or that may be due to flooding or diversion.

The right will be reserved to the Government to take and lead water from the irrigation works and from and over all or any of the holdings by furrows or any other means for the benefit of other holdings or Government or private land or for public or any other purposes, without compensation to the lessees concerned, as also the necessary rights of ingress and egress to and from and such rights-of-way over any holdings as may be necessary for these purposes.

All roads on the settlement, not being public roads under the administration of the Provincial authorities, shall be kept in good order by the lessees jointly and severally at their own expense.

No growing trees on the grazing area shall be felled or damaged by the lessees, and no shooting or snaring of or coursing for game and birds will be permitted.

Apart from the rights-of-way shown on the plan of the settlement or specially referred to in this notice, a right of access by a convenient route to and from a public road shall be given over each holding to the lessees of other holdings.

In order to provide for the proper and efficient control and maintenance of the irrigation works and main furrows there shall be reserved in favour of the Minister of Lands or the committee of management, as the case may be, such strips of land on each holding of such dimensions as the Minister or committee of management shall deem necessary.

The committee of management shall, for the purposes herein before mentioned, as from the date of its constitution be responsible, *inter alia*, for the upkeep, repair, and maintenance of the weir, furrows, and other irrigation works on the settlement, for which purposes the committee may levy on and collect from the lessees concerned a rate or tax as provided in section five of Act No. 21 of 1922. Pending constitution of this committee the lessees of the irrigable holdings shall pay such maintenance charges as the Minister of Lands may impose.

Such rights, reservations, and servitudes as are referred to in this notice or may be expressed in the leases of the holdings in favour of the Minister of Lands may wholly or in part be transferred or assigned by the Minister to the committee of management herein before referred to.

Servitudes—

All necessary servitudes will be imposed against each holding in respect of any irrigation works, main or distributary furrow or furrows which may exist on or pass through such holding for the purpose of supplying water to any other holding or holdings, and all the holdings will be further subject to such servitudes and rights to water as are mentioned or referred to in the Government deeds of transfer or which may hereafter be imposed by the Minister of Lands.

Biezonderheden van Hoeven—

De Novo Nederzetting is ongeveer 5 mijlen ten noorden van het dorp Riversdale gelegen, onder de Langebergen, en grenst aan het Oakdale Landgoed, dat tussen de Nederzetting en het dorp ligt. Riversdale ligt aan de Nieuwe Kaapse Centrale Spoorweg lijn, zowat 18 uren van Kaapstad en 4 uren van Mosselbaai. Het klimaat is gezond en aangenaam. De gemiddelde regenval is ongeveer 17 duim per jaar, meestal in de wintermaanden plaatsvindende. De landbouwpercelen zijn gedeeltelijk besproeibaar en geschikt voor lucerne, groenten, wortel-gewassen en het kweken van vruchten. De buitenpercelen zijn niet-besproeibaar, doch zijn gedeeltelijk geschikt voor het groeien van allerlei soorten graange-wassen en voor het weiden van schapen en beesten.

Er is een gemeenschappelijk weiveld van ongeveer 1,000 morgen slechts voor het gebruik van landbouwpercelen, waaraan geen buitenpercelen gekoppeld zijn. De huurders van zulke landbouwpercelen zullen, hangende het vormen van een komitee van bestuur als hierna genoemd, gerechtigd zijn om hoogstens zes stuks groot-vee op deze gemeenschappelijke weigrond te laten grazen. In geen geval, hetzij vóór of na de vorming van het komitee van bestuur, zal het weiden van kleinvee op deze weigrond worden toegelaten. De Regering staat daarenboven niet in voor de geschiktheid en genoegzaamheid van de weiding op het weiveld, en behoudt zich het recht voor om ten alle tijde de grond aldus voor gemeenschappelijk weiveld gereserveerd, te verminderen of terug te trekken, en om daarmede op zulke wijze te handelen als het nodig of raadzaam moge achten. De Minister van Landen kan ook, hangende de vorming van het komitee van bestuur, zulke bepalingen voor de controle van het weiveld en de weiding daarop vaststellen als hij geschikt moge achten.

Het zal een voorwaarde van toekenning van de hoeven op deze nederzetting zijn, dat de huurders van zulke hoeven als toegewezen mochten worden, een komitee van bestuur zullen vormen, wanneer daartoe gelast door de Minister van Landen, om onder nadere goedkeuring van de Minister van Landen, regels vast te stellen in verband met de controle, het gebruik en de verdeling van water voor besproeiingsdoeleinden, het weiden van vee op het weiveld (met inachtneming van de bepalingen hierboven aangehaald) en aangaande zulke andere zaken op de nederzetting, welke nodig zijn voor de uitbreiding en verbetering daarvan.

Hangende de vorming van het komitee van bestuur, zal de verdeling, distributie en controle van zoveel water als van tijd tot tijd voor besproeiingsdoeleinden geschikt is, bij de Minister van Landen berusten, en zal de Minister het recht hebben om van enige hoeve, zonder betaling van vergoeding, materiaal te nemen voor het repareren en onderhoud van de besproeiingswerken. Alle leidingsvoren zullen echter door de betrokken huurders op eigen kosten gemaakt en onderhouden worden van waar ze beginnen, en waar twee of meer huurders een gemeenschappelijke leidingsvoor gebruiken zullen zij gezamenlijk verantwoordelijk zijn voor de konstruktie en het onderhoud daarvan op hun eigen kosten. Voor deze doeleinden zal de door de Minister van Landen genoemde persoon of enige huurder, zoals het geval mag zijn, de nodige toegang tot en rechten van weg over enige hoeve hebben.

Geen verzekering wordt gegeven of zal door de Regering gegeven worden, dat er een genoegzame voorraad water ter eniger tijd beschikbaar zal zijn voor het besproeien van enige landbouw-hoeve of gedeelte daarvan, en geen verantwoordelijkheid wordt of zal door de Regering ter eniger tijd worden aanvaard voor enige vermindering van het voor besproeiingsdoeleinden beschikbare water, of dat een gevolg mocht zijn van overstroming of afleiding.

De Regering behoudt zich het recht voor om water te nemen en te leiden van de besproeiingswerken en van en over alle of enige van de hoeven door middel van voren of op enige andere wijze, tot nut van andere hoeven of Goevernements- of private grond, of voor publieke of andere doeleinden, zonder schadeloosstelling van de betrokken huurders, alsook de nodige rechten van ingang en uitgang van en tot, en zulke rechten van weg over hoeven, als voor deze doeleinden nodig mogen worden geacht.

Alle paden op de nederzetting, geen publieke wegen zijnde onder beheer van de provinciale autoriteiten, moeten door de huurders gezamenlijk en afzonderlijk op eigen kosten in goede orde gehouden worden.

Geen groeiende bomen op het weiveld mogen door de huurders omgekapt of beschadigd worden, en geen schieten of vangen van wild en vogels zal worden toegestaan.

Afgezien van de rechten van weg op de kaart van de nederzetting aangegeven of speciaal in deze kennisgeving vermeld, moet over elke hoeve aan de huurders van andere hoeven een recht van toegang verleend worden met een gerieflijke weg naar en van een publieke weg.

Ten einde in een behoorlijke en degelijke controle en onderhoud van de besproeiingswerken en hoofdvoren te voorzien, zullen er ten gunste van de Minister van Landen of het komitee van bestuur, al naar het geval mag zijn, op iedere hoeve strepen grond van zulke afmetingen worden gereserveerd als de Minister of het komitee van bestuur nodig moge achten.

Het komitee van bestuur zal van af de datum van zijn konstitutie voor de hierboven genoemde doeleinden *inter alia* verantwoordelijk zijn voor het in orde houden, reparatie en onderhoud van de damwal, voren en andere besproeiingswerken op de nederzetting, voor welke doeleinden het komitee een belasting kan opleggen en van de betrokken huurders invorderen, zoals bepaald in artikel vijf van Wet No. 21 van 1922. Hangende de konstitutie van dit komitee moeten de huurders van besproeibare hoeven zulke onderhoudskosten betalen als door de Minister van Landen mochten worden opgelegd.

Alle rechten, voorbehoudingen en servituten in deze kennisgeving vermeld, of welke in de huurkontrakten van de hoeven ten faveure van de Minister van Landen mochten zijn vervat, kunnen door de Minister geheel of gedeeltelijk overgedragen of toegewezen worden aan het komitee van bestuur zoals hierboven genoemd.

Servituten—

Elke hoeve zal bezwaard worden met alle nodige servituten ten aanzien van besproeiingswerken, hoofd- of leidingsvoren, of voren die mogen bestaan op of over zulke hoeven gaan, voor het doel om water te leveren aan enige andere hoeve of hoeven, en al de hoeven zullen verder onderhevig zijn aan zodanige servituten en water-rechten als vermeld of bedoeld zijn in de Goevernements transport-akten, of die hierna door de Minister van Landen zouden kunnen worden opgelegd.

The lessee of Agricultural Lots Nos. 14 and 16 and Building Lot No. 6 shall have a right-of-way from said Lot No. 14 to said Lot No. 16, and vice versa, over Agricultural Lot No. 15, the said right-of-way to be situate and extend as determined by the Minister of Lands.

The lessee of Outer Lot E, abutting on the Witwater River, shall be allowed to use the water in this river for domestic and stock-watering purposes only, and on no account for the irrigation of his land.

The lessee of Outer Lot K, which abuts on the Molen River, shall be allowed to use the water in this river for domestic and stock-watering purposes only and on no account for irrigation of his land.

The allotment of all the holdings on the settlement will be subject, so far as they may be affected, to such rights to water in the Molen River as are held by the owner of Lot D of the original farm Novo, set out in notarial deed dated 7th February, 1887, and referred to in the judgment of the Water Court dated 6th April, 1922.

Improvements on Holdings—

- (i) Small house.
- (ii) House.
- (iii) House.

Issue of Crown Grants—

Crown grants of holdings may in special cases, with the approval of the Governor-General, be issued before the expiry of a period of ten (10) years from the date of allotment. The Department will be prepared to consider applications for Crown grants provided the building and other conditions of allotment are complied with.

NOTE.—Successful applicants for these holdings should not assume that financial assistance will be rendered them by the Department for the purpose of developing their holdings.

The lease shall contain the following special conditions, which will also be inserted in the Crown grant when issued:—

“The land hereby granted or any portion or share thereof shall not be sub-divided, sold, assigned, donated, transferred, leased, mortgaged, or otherwise alienated or encumbered by the grantee or his successor or successors in title, or his or their executors, administrators, or assigns, unless the consent in writing of the Minister of Lands be first obtained.”

In the case of accidents to persons or cattle consequent on the existence of shafts, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.

In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendment thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and instalments of purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are forced, shall accept liability under the Fencing Act, 1912, for any amounts which may be claimed by adjoining owners in terms of the said Act.

General Remarks—

The lease to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended by Acts Nos. 23 of 1917, 28 of 1920, and 21 of 1922, and will be subject further to such other conditions as are mentioned or referred to in the Government's Deeds of Transfer and previous Deeds. The following special clauses will be inserted in the leases which it is proposed to issue and in the Crown grant to be issued later:—

- (a) Giving the Government the right to resume the whole or a portion of any holding required for public purposes or outspan purposes on payment of compensation therefor;
- (b) stipulating that roads and thoroughfares, whether they are described in the diagram or not, existing on the land shall remain free and uninterrupted, and requiring the lessee of any holding to grant to any adjacent or neighbouring proprietor a way or road of necessity to or from the land of such adjacent or neighbouring proprietor;
- (c) governing the exploitation of minerals.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown.

The Department has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holdings applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

De huurder van Landbouwpercelen Nos. 14 en 16 en Bouwperceel No. 6 zal een recht van toegang hebben van genoemd Perceel No. 14 tot genoemd Perceel No. 16, en vice versa, over Perceel No. 15, de uitgestrektheid en ligging van gezegd recht van toegang te zijn zoals door de Minister van Landen vastgesteld.

De huurder van Buitenperceel E, aan de Witwaterrivier gelegen, zal toegestaan worden het water in deze rivier alleen voor huishoudelijke doeleinden en voor het drenken van vee te gebruiken, en onder geen omstandigheden voor het besproeien van zijn grond.

De huurder van Buitenperceel K, dat aan de Molenrivier ligt, zal toegelaten worden water uit deze rivier voor huishoudelijke doeleinden en voor het drenken van vee te gebruiken, maar onder geen omstandigheden voor het besproeien van zijn grond.

De toekenning van alle percelen op de nederzetting zal, voor zover die daarop betrekking mochten hebben, onderhevig zijn aan zulke rechten op water in de Molenrivier, waartoe de eigenaar van Perceel D van de oorspronkelijke plaats Novo gerechtigd is, en die uiteengezet zijn in notariële akte, gedateerd 7 Februarie 1887, en waarnaar in de uitspraak van het Waterhof, gedateerd 6 April 1922, verwezen wordt.

Verbeteringen op Hoeven—

- (i) Klein huis.
- (ii) Huis.
- (iii) Huis.

Uitreiking van Kroongrondbrieven—

In speciale gevallen kunnen, met toestemming van de Gouverneur-generaal, voor hoeven Kroongrondbrieven uitgegeven worden vóórdat een termijn van tien (10) jaar vanaf de datum van toekenning verstreken is. Het Departement zal bereid zijn om applikaties voor Kroongrondbrieven in aanmerking te nemen mits de voorwaarde betreffende het bouwen en andere voorwaarden van toekenning nagekomen worden.

Noor.—Sukksesvolle applikanten voor deze hoeven moeten niet rekenen op financiële steun van het Departement voor het doel hun hoeven te ontginnen.

Het huurkontrakt zal de volgende bijzondere voorwaarde bevatten, die ook in de Kroongrondbrief zal worden opgenomen:—

“De grond hiermede toegekend of enig gedeelte daarvan of aandeel daarin zal niet worden onderverdeeld, verkocht, overgedragen, geschonken, getransporteerd, verhuurd, verbonden of op enigerlei wijze vervreemd of belast worden door de persoon aan wie het is toegekend, of zijn rechtverkrijgenden, eksekuteurs, administrateurs of cessionarissen, zonder vooraf de toestemming van de Minister van Landen verkregen te hebben.”

In het geval van ongelukken aan personen of vee overkomen tengevolge van het bestaan van schachten, tunnels en andere omstandigheden, wettig ontstaande uit prospekter- en mijnwerkzaamheden, ondervonden vóór de datum van aanvang van het huurkontrakt, zal de huurder niet gerechtigd zijn tot vergoeding van het Goevernement of de prospektor of claimhouder.

Ingeval het Goevernement overeenkomstig de Omheiningwet, No. 17 van 1912, of enige wijziging daarvan, tot de kosten van de omheining van de grenslijnen, of enig deel daarvan, van de hoeven in deze kennisgeving geadverteerd, zou moeten bijdragen of voor de betaling van zodanige bijdragen de aansprakelijkheid op zich zou moeten nemen vóór de registratie van het huurkontrakt, dan zal de suksesvolle applikant bij de tekenning van een hoeve aan hem de aansprakelijkheid voor de betaling van zodanige bijdragen aanvaarden. Het bedrag van zodanige bijdragen moet door de persoon aan wie de plaats wordt toegekend in kontanten aan het Goevernement worden betaald, of kan naar verkiezing van de persoon aan wie het eigendom is toegekend, worden gevoegd bij de waardering van de hoeve, in welk geval de bedragen van de huur en paaiementen van de koopprijs dienovereenkomstig zullen worden verhoogd. Geslaagde applikanten voor enige van de hoeven, waarvan de grenslijnen of gedeelten daarvan omheind zijn, zullen aansprakelijkheid moeten aanvaarden, overeenkomstig de Omheiningwet van 1912, voor enige bedragen welke door de eigenaren van aanliggende eigendommen, krachtens die wet, geëist mogen worden.

Algemene Opmerkingen—

Het uit te reiken huurkontrakt zal voorwaarden bevatten met betrekking tot okkupatie, verbeteringen, omheining, mineralen, uitspanningen, wegen en zulke andere voorwaarden als gewoonlijk gesteld worden in landbouw-huurkontrakten uitgereikt onder de Kroongrond Nederzettingwet, No. 12 van 1912, zoals gewijzigd door Wetten Nos. 23 van 1917, 28 van 1920, en 21 van 1922 en zal verder aan zulke andere voorwaarden onderhevig zijn als vermeld of waarnaar verwezen wordt in de Goevernements Akten van Transport en vorige akten.

In het voorgestelde huurkontrakt en de daarop volgende Kroongrondbrief zal speciale voorziening gemaakt worden waardoor—

- (a) de Regering het recht hebben zal om tegen betaling van schadevergoeding enige hoeve of enig gedeelte daarvan terug te nemen, indien voor publieke doeleinden of een uitspanning benodigd.
- (b) aanwezige paden en doorgangen vrij en onbelemmerd zullen blijven, hetzij op de kaart aangegeven of niet, en de huurder van enige hoeve gehouden zal zijn noodzakelijke paden naar en van de grond van aangrenzende of naburige eigenaren toe te laten;
- (c) de eksploitatie van mineralen geregeld zal worden;

De huur, betaald gedurende het tijdperk van het huurkontrakt van vijf jaren, wordt niet van de koopprijs afgetrokken ingeval gebruik gemaakt wordt van de optie tot aankoop.

Alle rechten op mineralen, minerale producten, minerale olieën, metalen en edelgesteenten zijn gereserveerd voor het Goevernement.

Het Departement heeft alle pogingen gedaan om de informatie in deze kennisgeving vervat, zo juist mogelijk te geven, maar zal niet verantwoordelijk zijn voor onjuistheden, welke mochten voorkomen.

Applikanten worden aanbevolen de hoeven persoonlijk te inspecteren, alvorens formele applikatie daarvoor in te dienen. Bij de overweging van applikaties voor hoeven zijn Landraden niet geneigd toekenningen aan te bevelen aan applikanten die verzuimd hebben persoonlijk of door iemand anders ten hun behoeve, de hoeven waarvoor zij applikatie hebben gemaakt te inspecteren. Geen spoorweg- of andere transportkoncessies worden door de Regering in verband met de inspectie van hoeven toegestaan.

IN THE SUPREME COURT OF SOUTH AFRICA

(Eastern Districts Local Division).

Grahamstown, Thursday, 17th April, 1924.

In the matter of the application of MORUM BROTHERS, LTD., of Queenstown and elsewhere, Cape Province.

Upon reading the petition of the above-named setting forth—

- (1) that Robert Snodgrass, of Upper Lafuta, Cala, in the District of Xalanga, is indebted to Petitioners in the sum of £431. 6s. 4d., being balance due and owing for goods sold and delivered to him at his special instance and request as and from July, 1923, up to and including January, 1924;
- (2) that on the 8th April, 1924, Petitioners obtained judgment in the Supreme Court of South Africa (Eastern Districts Local Division), at Grahamstown, against the said Robert Snodgrass for the said debt, interest, and costs;
- (3) that Petitioners hold no security for the said judgment debt and costs;
- (4) that in pursuance of the said judgment, a writ was issued out of the said Court on the 8th April, 1924, against the goods and chattels of the said Robert Snodgrass;
- (5) that the said writ was duly entrusted to the officer responsible for the execution thereof;
- (6) that the said officer has replied to Petitioners' Attorneys to the effect that three other writs have already been issued against the said Robert Snodgrass out of the Magistrate's Court at Cala, and everything that the said Robert Snodgrass possesses has been attached and sold in execution under the said writs, and moreover that the Debtor has departed from his home; the amount realized from the sale in execution under the said writs (£107) being still in the hands of the Messenger of the Court, Cala;
- (7) that in view of the fact that Ordinance No. 3 of 1884 has been repealed by Act No. 32 of 1917 in so far as it applied previously to Magistrates' Courts, and, further, having regard to the provisions of Rule 3 of Order XXV of Act No. 32 of 1917, Petitioners' writ issued as aforementioned will not participate in the proceeds of the said writs presently in the hands of the Messenger of the said Magistrate's Court;
- (8) that the said Robert Snodgrass has committed acts of insolvency by departing from his dwelling or absenting himself therefrom, and it is verily believed that his actions in this regard are intended to evade or delay payment of his just debts, more particularly that personal service of Petitioners' summons was effected against him, and also that there has been failure to satisfy Petitioners' writ in any respect or disposable property found;

- (9) that Petitioners will not be able to participate in the proceeds of the sale in execution of the respondent's assets, which proceeds are now in the hands of the Messenger of the Court, Cala, unless sequestration intervenes;
 - (10) that in the premises it will be to the benefit of Creditors that the Estate of the said Robert Snodgrass be placed under sequestration;
 - (11) that to the best of Petitioners' knowledge the estate of Respondent is not now nor has previously been placed under sequestration;
- also the verifying affidavit, and the certificate of the Magistrate, Albany, under Section 9 (2) (b) of Act No. 32 of 1916;

It is ordered:

That the Estate of the said Robert Snodgrass be and the same is hereby sequestrated in the hands of the Master of the Supreme Court at Capetown, and that a rule nisi do issue calling upon the said Robert Snodgrass to appear and show cause, if any, in this Court on Tuesday, the 6th day of May, 1924, why a final order of sequestration shall not be made against his said Estate.

CITATION

Addressed to NARAIN MATABADUL LALLA, believed to be resident in, or near the town of Basti, in the North-Western Provinces of India, in terms of an Order of the Supreme Court of South Africa (Natal Provincial Division) granted on the 30th day of April, 1924.

Take notice that the Honourable the Supreme Court of South Africa (Natal Provincial Division) did, on the 30th day of April, 1924, grant to Stanley Whitaker Moss-Blundell, presently resident in England, Gentleman (herein after called the Plaintiff), leave to sue you, Narain Matabadul Lalla, by edictal citation, in an action in which the Plaintiff claims from you payment of the sum of five hundred pounds (£500) sterling, with interest at the rate of eight per centum per annum reckoned from the 1st day of January, 1912, to date of payment, which you owe to and unlawfully withhold from the said Plaintiff under and by virtue of a certain Mortgage Bond No. 2173/1905, passed by you through your attorney and agent, Reginald Tomlinson, by virtue of a special power of attorney signed by you and dated the 19th day of December, 1905. The said sum is due by reason of your failure to pay the interest from time to time becoming due in terms of the said bond.

And, take notice, that you are hereby required to appear, either personally or by your attorney, before the said Supreme Court of South Africa (Natal Provincial Division) at Pietermaritzburg on Tuesday, the 5th day of August, 1924, at 10 o'clock in the forenoon, or so soon thereafter as Counsel can be heard, then and there to show cause why you have not paid the said sum and interest, and to acknowledge or deny your signature to the power of attorney under which the said bond was passed or the authority or signature of the agent, or the validity of the said debt; and also to plead to the provisional claim of the Plaintiff for payment thereof under security *de restituendo*, with costs, and also to show cause why the landed property specially hypothecated by the said bond should not be declared executable in satisfaction of the Plaintiff's claim.

And take further notice that if the amount due, that is to say, £500 sterling, principal, with interest at the rate of 8 per cent. per annum from the 1st day of January, 1912, to date of payment, and costs, be paid to the Plaintiff's Attorney before the 4th day of August, 1924, this application will not be proceeded with.
