HIGH COMMISSIONER'S NOTICE No. 54 of 1924.

BASUTOLAND.—CUSTOMS DUTIES.

It is hereby notified for general information that His Excellency the High Commissioner having been advised that—

- (a) superphosphates are being carried to South Africa from Great Britain, Holland, Belgium, and Germany; and that
- (b) cement is being carried to South Africa from Great Britain, Holland, Belgium, Germany, Norway, Sweden, and Denmark,

at rates of freight which are detrimental to the production or manufacture of those goods in South Africa, His Excellency has been pleased, under and by virtue of the powers in him vested by section eight, paragraph (3), of the Basutoland Customs Tariff Proclamation, 1914 (No. 83 of 1914), as amended by section twelve of the Basutoland Customs and Excise Duties Amendment Proclamation, 1923 (No. 32 of 1923), to determine the following minimum rates of freight for the carriage of the undermentioned goods to South African ports from the countries named:—

- (a) Superphosphates from Great Britain, Holland, Belgium, or Germany: 17s. 6d. per ton of 2,240 lb. gross weight;
- (b) cement from Great Britain, Holland, Belgium, Germany, Norway, Sweden, or Denmark: 17s. 6d. per ton of 2,240 lb. gross weight;

and that from and after the date of the publication of this notice in the *Gazette* there shall be charged, levied, collected, and paid on those goods on importation into Basutoland from the countries named herein—except such goods as were exported to Basutoland from those countries at the date of publication hereof in the *Gazette*—a special customs duty (or dumping freight duty) equal to the difference between the net freight rate paid, or to be paid, and the rate determined as aforesaid.

By Command of His Excellency
the High Commissioner.

HIGH COMMISSIONER'S NOTICE No. 55 of 1924.

BASUTOLAND.—EXCHANGE DUTIES.

It is hereby notified for general information that in view of the depreciated exchange value of the currency of Belgium and Italy whereby—

- (a) asbestos-cement sheets, superphosphates, and cement of Belgian manufacture; and
- (b) asbestos-cement sheets of Italian manufacture,

are being imported into South Africa at prices which are detrimental to South African industries, His Excellency the High Commissioner has been pleased, under and by virtue of the powers in him vested by section five of the Basutoland Customs and Excise

Duties Amendment Proclamation, 1922 (No. 46 of 1922), to determine that the Belgian franc and the Italian lira shall be converted into the currency in force in Basutoland at the rate of not more than 65 francs and 65 lire, respectively, to the £1 sterling, and that there shall be charged, levied, collected and paid on—

- (a) asbestos-cement sheets, superphosphates, and cement of Belgian manufacture;
- (b) asbestos-cement sheets of Italian manufacture,

imported into Basutoland, a special or exchange duty equal to the difference between the free on board value of the aforesaid articles as charged to the importer and the free on board value thereof at the rate of exchange as determined in this notice: Provided that the special or exchange duty shall not in any case exceed fifty per cent. of the value so determined; And provided further that the provisions of this notice shall not apply to Belgian or Italian asbestos-cement sheets when the c.i.f. price thereof to the importer in Basutoland is not less than one shilling and sixpence per square yard, such price when quoted (in part or in full) in Belgian francs or Italian lire to be computed at the rate of exchange current at the date of shipment.

By Command of His Excellency
the High Commissioner.
