Goewermentskennisgewing No. 2066 van 1930 word hierby ooreenkomstig gewysig:—

1. Regulasie No. 17 (d) word gewysig deur die toevoeging van die woorde „inspekteer en analiseer” na die woord „ondersoek”.

OPMERKING.—(a) Die aandag word ook gevestig op Goewermentskennisgewing No. 1957 van 1931 en Proklamasie No. 26 van 1934.

(b) Die aandag van uitvoerders word gevestig op die feit dat indien 'n monster van 'n besending droëvrugte, wat alreeds verskep is, aantoon dat die hoeveelheid arseen trioksied of swawel di-oksied die beperkings voorgeskryf in Proklamasie No. 26 van 1934 oorskry, dan sal die nodige stappe gedoen word om waarskynlike kopers oorsee in kennis te stel van die uitslag van die analiese.

KENNISGEWING INGEVOLGE ARTIKEL NEGE (4) VAN DIE „NIJVERHEID VERZOENINGS WET, 1924”, SOOS GEWYSIG.

Nademaal die „Industrial Council for the Motor Industry (Witwatersrand and Pretoria)” ingevolge subartikel (4) van artikel nege van die „Nijverheid Verzoenings Wet, 1924”, soos gewysig, aan my gerapporteer het dat die doel van die Ooreenkoms wat op 28 Desember 1933 deur die partye by genoemde „Council” aangegaan is, en die onderwerp is van 'n aansoek om 'n verklaring ingevolge subartikel (1) van artikel nege van genoemde Wet, soos gewysig, en afgekondig in Goewermentskennisgewing No. 135 in die Staatskoerant van 2 Februarie 1934, volgens sy mening waarskynlik verydeld sal word deurdat persone, wat nie onder die woordbepaling van „arbeider” in artikel vier-en-twintig van genoemde Wet, soos gewysig, val nie, in die Motornywerheid in diens geneem word teen lone en werkure wat verskil van dié wat in die Ooreenkoms uiteengesit word; en nademaal genoemde „Council” aan my 'n aanbeveling gemaak het betreffende die minimum lone wat aan sulke persone betaal, en die maksimum aantal ure wat in enige week deur sulke persone gewerk moet word ten einde so 'n gevolg te voorkom; en nademaal die lone en maksimum aantal ure, aldus aanbeveel, nie meer is nie as dié in genoemde Ooreenkoms vasgestel;

So is dit dat ek, ADRIAN PAULUS JOHANNES FOURIE, Minister van Arbeid, die minimum lone en maksimum aantal werkure, aldus aanbeveel, in die Skedule hiervan uiteensit, en verder bekendmaak dat sodanige lone en ure, met ingang van 26 Februarie 1934 en vir die res van die termyn waarvoor genoemde Ooreenkoms van krag sal wees, te wete, tot 4 Februarie 1935, in die Magistraatsdistrikte Krugersdorp, Johannesburg, Germiston, Boksburg, Benoni, Brakpan, Springs en Pretoria en die munisipale gebiede Nigel, Heidelberg (Transvaal) en Vereeniging, op toepassing is op alle persone wat by die Motornywerheid in diens is en wat nie onder die woordbepaling van „arbeider” in artikel vier-en-twintig van genoemde Wet, soos gewysig, val nie.

MALARIA.

Natal en Soeloeland.—Algemene afwisselende reëns in die Provinsie het 'n uitgebreide uitbroeiing van malaria-vektors in die hand gewerk. Gevalle van malaria word gerapporteer van so ver suid as Umzinto en uit die binneland so ver as Blaauwkransvallei naby Ladysmith. Alhoewel daar verspreide gevalle orals is, is dit nêrens in die vorm van 'n epidemie nie. Weer word nadruk gelê op die noodsaaklikheid van deeglike bespuiting van volwasse Gambia-muskiete en larwe.

Transvaal.—Bosveldstreke is aan opdroog met die gevolg dat die uitbroeiing van Gambia-muskiete tot die riviere beperk sal wees, tensy dit spoedig reënt. In die middelveld is die voorkoms van malaria gering behalwe langs die riviere. In die laeveld word orals 'n strawwe voorkoms van die siekte aangetref vernamlik daar waar die bestryding van muskiete nie gehandhaaf word nie.

EPIDEMIESE SIKTES IN ANDER LANDE.

Volgens die laas-beskikbare berigte is daar:—

Cholera in Calcutta, Madras.

Pes in die Kenya-kolonie en protektoraat; Uganda-protektoraat; Dakar; Madagaskar; Bagdad; Bombaai, Rangoon.

Fresh Outbreaks.—Barkly East Municipality, Barkly East District; Zangwa Location, Butterworth District; Tipani Location, Herschel District; Farm, Paarl District (Cape); Uithoek, Fouriesburg District; Philippolis Municipality, Philippolis District; Eliezer, Arcadia, Senekal District; Strydfontein, Smithfield District; Sabella, Wepener District; Theunissen Municipality, Winburg District (O.F.S.).

One sporadic case (native) occurred in Pietermaritzburg (Natal).

Outbreaks are being dealt with in the Districts of Aliwal North, Bathurst, Glen Grey, Herschel, Lady Grey, Ngamakwe, Queenstown, Tabankulu (Cape); Bethulie, Bloemfontein, Clocolan, Ficksburg, Fouriesburg, Ladybrand, Senekal, Smithfield, Thaba Nchu, Wepener, Winburg, Zastron (O.F.S.); Volksrust (Transvaal); Estcourt (Natal).

MALARIA.

Natal and Zululand.—General intermittent rains all over the Province have facilitated extensive breeding of malaria vectors. Cases of malaria are reported from as far south as Umzinto and as far inland as Blaauwkrans Valley near Ladysmith. While there is a sprinkling of cases all over it is not in epidemic frequency anywhere. The necessity for active spraying for adult Gambia and larvae is again emphasized.

Transvaal.—Bushveld areas are drying up and breeding of Gambia Mosquitoes will recede to river terrain unless rain falls soon. In the Middleveld the incidence of malaria is low except along river areas. In the Lowveld a high incidence of the disease is found everywhere especially where anti-mosquito measures are not practised.

EPIDEMIC DISEASES IN OTHER COUNTRIES.

At date of latest available information there existed:—

Cholera in Calcutta, Madras.

Examination Fee.

39. The fee for the several examinations of the Board hereinbefore referred to shall be such as may from time to time be determined by the Council. *SUBSCRIPTIONS.**Fees and Subscriptions.*

40. Each member of the Society shall pay an annual subscription at such time and of such amount as may from time to time be determined upon in General Meeting, and unless and until otherwise determined, the annual subscription shall be the sum of £3. 3s., payable in advance on the first day of January in each year. Any member may make application to the Council to be placed on the absentee list of members; and the annual subscription of an absentee member shall be £1. 1s. per annum payable in advance on the first day of January in each year. No member shall be entitled to be placed on the Absentee List unless he is resident outside Natal, or if resident in Natal intends to be absent for longer than a year at least, and he shall only be entitled to be entered in the Absentee List during the period he is absent from Natal. If any member on the Absentee List is resident in Natal during any part of a calendar year, he shall be liable for the full subscription of £3. 3s. for such year.

The Council may from time to time call upon members for payment of a contribution or contributions for the purpose of meeting expenses which it may incur in the interests and/or furtherance of the objects of the Society, not exceeding, however, in any one year, the sum of £2. 2s. each by members other than Absentee Members and £1. 1s. each by Absentee Members.

Resignation and Re-admission.

41. Any member may resign his membership by sending written notification of his resignation to the Council. Such resignation shall be published in the *Union Government Gazette* within three months of receipt thereof by the Council. Subject to the discretion of the Council such person shall be entitled to re-admission on proof to the Council that he complies at the date of his application for re-admission with the conditions of these By-laws, and tenders with his application payment of the registration fee, his annual subscription for the current year and any monies still unpaid which he may have owed to the Society at the date of his resignation.

42. Any member who is in arrear with his annual subscription or any levy or charge for a period of six months from the date when the same became payable under these By-laws shall be liable to be suspended from membership by the Council.

Compounding Annual Subscriptions.

45. The Council may, from time to time, prescribe a scale whereby members may make payment of a lump sum in consideration of which their annual subscription, as from the date of such arrangement, shall be commuted for life or a specific period, and the Council may, from time to time, alter or vary such scale at its discretion.

Determination of Membership.

46. Upon the Council being satisfied of the death of any member, his name shall be removed from the Register.

ADVERTENSIES.

Notice of Meetings.

49. The Council shall, not less than seven days before each General Meeting of the Society except as may be otherwise provided by the Act, send to each member at his address as registered, a notice mentioning the day, place and hour of meeting, and stating in the case of a Special General Meeting the business to be transacted thereat; and no other business shall be transacted thereat; and forwarding a copy of the Council's Report and of the Annual Accounts and Auditor's Report. But the non-receipt of such notice by any member shall not invalidate the proceedings of any meeting.

Chairman of Meetings.

50. At all meetings of the Society the President of the Society for the time being, and in his absence one of the Vice-Presidents of the Society, shall be Chairman; in their absence the Chairman shall be elected from among the members of the Council present, and if there be no member of the Council present, then from among the members of the Society present.

Quorum of Meetings.

51. Ten members personally present shall, subject to the provisions hereinafter contained, constitute a quorum at all General Meetings of the Society.

At all General Meetings, unless ten members are personally present within fifteen minutes of the time appointed for the meeting, the meeting shall stand adjourned for one week, to be then held at the same hour and place, unless the meeting shall have been convened on the requisition of members of the Society in terms of By-law No. 48, in which case the meeting shall be dissolved.

At an adjourned meeting in accordance with this By-law the members present shall form a quorum, and shall have full power to transact the business of the meeting, which would have been transacted had the meeting been held on the date for which it was called.

How Questions to be Decided.

52. Any question to be decided at a meeting of the Society shall be decided by a majority of the members present thereat and the Chairman shall have a casting vote. Each member shall be entitled to one vote, but no member shall be entitled to vote if he is in arrear with any subscription or sum payable by him to the Society.

Voting by Show of Hands unless Poll Demanded.

53. Every resolution or amendment proposed and seconded at a meeting of the Society shall be put to the meeting by the Chairman, and decided on by a show of hands, provided that a poll shall be taken upon the demand of not less than five members made immediately upon the declaration by the Chairman of the result of the show of hands, or upon the written requisition signed and submitted before the dissolution or adjournment of the meeting, by not less than one-tenth of the members present at the meeting. Unless a poll is so demanded a declaration by the Chairman that a resolution or amendment has on a show of hands been carried, or carried unanimously, or lost, and an entry to that effect in the minutes of the proceedings of the Society shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution or amendment.

How Poll to be Taken: Scrutineers.

54. If a poll is duly demanded, it shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the resolution or amendment for which the poll was demanded, and an entry to that effect in the minutes of the proceedings shall be conclusive evidence of the fact. The Chairman shall appoint scrutineers from among the members present, not being proposers or seconders of the resolution or amendment or persons the subject of or mentioned in and affected by such resolution or amendment. The scrutineers shall sign their report of the result of the poll, and the result shall be declared by the Chairman.

No Poll as to Election of Chairman or Adjournment.

55. No poll shall be taken as to the election of the Chairman or the adjournment of a meeting, and notwithstanding the demand for a poll, the meeting shall continue for the transaction of other business in respect of which a poll has not been demanded.

ARTICLED CLERKS.

Members in Public Practice Limited to Three Articled Clerks.

56. Only a member of the Society who proves to the satisfaction of the Council that he is in public practice may receive with the written consent of the Council in each case a person qualified in terms of these By-laws to serve under Articles of Clerkship.

No member shall be granted permission to have in his service at the same time more than two articled clerks where the member has been less than three years in public practice, and not more than three where a member has been more than three years in public practice.

Qualification of Articled Clerks.

57. No apprenticeship with a member of the Society shall be served except under written Articles of Clerkship duly executed by all the parties thereto, and no such deed shall be executed unless the written consent of the Council has first been obtained and until the clerk named therein has produced to the intended principal a certificate (called the "Preliminary Certificate") from the Council of the Society that he has passed the preliminary examination prescribed by the Society, or been exempted therefrom under the By-laws of the Society. Articles of Clerkship to be used by members of the Society shall be in the form prescribed by the Council from time to time.

Age Articles may Commence.

58. No period of service with a member of the Society under Articles of Clerkship shall be deemed to have commenced until the clerk in question has reached the age of seventeen years.

Period of Articles.

59. The period of service under Articles of Clerkship shall be five consecutive years; provided that the period of service for any person who, prior to entering into his Articles of Clerkship, is a graduate of a University recognized from time to time by the Council, shall be three consecutive years.

Condonation of Breach of Service of Articles.

60. The Council shall have the right, upon grounds which it may consider sufficient, to condone any breach of his articles by an articled clerk and may, upon such condonation, extend the period of such articles by not more than the full period of any break with or without terms and conditions being attached to such extension.

Every articled clerk shall during the whole term of service which he is required to serve, be and continue to be in the actual employment under the personal supervision of his employer or his partner or partners in the proper business practice and employment of an accountant. No articled clerk shall, during his period of Articles, engage in any other business or occupation, except with the written permission of his employer and the Council.

Registration of Articles.

61. Every articled clerk shall pay to the Society a registration fee of £10. 10s. Articles of Clerkship, together with the Council's written consent to enter into and execute the same, accompanied by a certificate of the date of birth of the clerk and the Preliminary Certificate referred to in By-law No. 57 hereof, shall within one month from the date upon which the articles were executed be lodged with the Society for registration, together with the registration fee herein provided. The period of service under Articles shall be deemed to commence on the date of registration thereof, provided that the Council may, upon good cause being shown, direct that such period shall be deemed to commence from a date not more than one month prior to the date of registration.

Transfer of Articled Clerks.

62. In the event of the employer of an articled clerk dying or for any other reason ceasing to be a member, or in the event of his ceasing to be or on demand by the Council failing to prove that he continues to be in public practice, or in any other event which in the opinion of the Council provides good cause, the Council may authorise and direct that Articles for the unexpired period of the original Articles be entered into between such clerk and another member of the Society who may be willing to enter into such Articles or that the Articles of such clerk be transferred for the unexpired period thereof to another member of the Society, willing to accept such cession or the Council may grant to such clerk such other relief as in the circumstances it may think just.

Any clerk who has entered into Articles, as in this clause provided, or whose Articles are so transferred as herein provided, shall, unless the Council directs otherwise, count as regards the transferee member in the quota of Articled Clerks prescribed by By-law No. 56.

Council's Right to Refuse to Register Articles.

63. The Council shall have the right to refuse to register the Articles of Clerkship of any clerk or to refuse to consent to the transfer or assignment of any existing Articles, and shall further have the right to cancel any existing Articles upon any grounds which according to its absolute discretion shall seem in the interests of the Society. The Council shall not be obliged to disclose the reason for such refusal or cancellation, and notification in writing to the member and to the clerk that the Council has decided to refuse to register, or to consent to the transfer or assignment of any Articles or has decided to cancel the existing Articles shall be final and conclusive.

Registration of Transfer of Articles.

64. No transfer of Articles of Clerkship from the Principal named therein to another member shall be valid unless and until the transfer has been duly registered. The transferee member and the clerk concerned shall each be responsible for applying for registration of the transfer.

ADVERTISEMENTS.

Expiration of Articles.

65. It shall be the duty of the Principal to advise the Society of the due completion by the clerk of the period of service under Articles and to forward the Articles duly endorsed to this effect to the Registrar. The endorsement shall also state whether or not the clerk concerned has performed his duties under the deed to the satisfaction of the Principal.

Cancellation of Articles.

66. If at a meeting of the Council specially convened with notice of this object, a resolution is passed that a complaint of misconduct made against an Articled Clerk by his employer, being a member of the Society, has been proved to the satisfaction of the Council and that the misconduct is of such a nature as to make the clerk unfit to become a member, the Articles under which the clerk has been serving shall, for the purpose of these By-laws, be deemed to be at an end and the registration thereof shall be cancelled.

If at such a meeting convened as above, a resolution is passed that a complaint of misconduct made by an articled clerk against his employer, being a member of the Society, has been proved and is in the opinion of the Council of such a nature as to make the employer unfit to continue to have a clerk under Articles, then the Articles under which the complainant has been serving shall, for the purposes of these By-laws, be deemed to be at an end, and the registration thereof shall be cancelled, provided that the Council may grant such relief to such clerk as in the circumstances it may think just.

Membership of Students' Society.

67. The Council shall have power to require that all clerks articled to members of the Society after the coming into force of these By-laws shall within three months of entering into such Articles, join the Accountants' Students' Society (Natal) or such other Students' Society as the Council may from time to time nominate, and shall remain members of such Students' Society until the termination of their Articles. A person submitting an application to sit any examination of the Society other than the Preliminary Examination shall forward with such application a certificate or certificates by the Secretary of such Students' Society stating:—

- (1) The period during which the applicant has been a member of such Students' Society;
- (2) That all subscriptions due by the applicant have been paid; and
- (3) That the applicant has attended at least 50 per cent. of the meetings and/or lectures of such Students' Society.

The Council shall have the power to dispense with the foregoing provisions of this By-law in cases where clerks are articled to members of the Society who practice in a place wherein there is no approved Students' Society, and also, they shall have power to dispense with all or any of the foregoing provisions of this By-law for any reason which they consider fit and proper.

Audit.

68. The Society at each Annual General Meeting shall elect from among its members an Auditor or Auditors, and shall fix the remuneration of the Auditor or Auditors.

Who Eligible as Auditor.

69. No person shall be eligible as an Auditor who is interested otherwise than as a member of the Society in any transaction thereof. No member of the Council shall be appointed an Auditor.

Retirement of Auditor.

70. The Auditor shall retire annually. Any casual vacancy in the office of Auditor occurring between the date of one Annual General Meeting and that of another may be filled by the Council.

Nomination of Auditor.

71. The Auditor who is in office shall be deemed to be nominated at each Annual General Meeting, unless he has expressed his desire not to be re-elected.

Other candidates for election as Auditor shall be nominated by at least two members of the Society. Such nomination shall be in writing, signed by the nominating members, and shall be accompanied by an intimation in writing from the candidate of his willingness to serve if elected. Such nominations must be in the hands of the Society at least three days prior to the date of the meeting.

Duties of Auditor.

72. The Council shall, not less than four weeks before each Annual General Meeting, deliver to the Auditor the accounts of the previous calendar year, and the Auditor shall examine such accounts and report thereon not less than twenty-one days before the date of the Annual General Meeting. The Accounts, together with his report, shall, with the notice calling the meeting, be sent to each member at his registered address.

Removal of Auditor.

73. The Society may at any time by resolution passed by a majority of two-thirds of the votes of members present and voting at a Special General Meeting, remove any Auditor from his office before the expiration of his period of office, and may by a resolution passed by a majority of the votes of members present and voting at that meeting, elect another qualified person in his stead, provided that if a poll be demanded as to the resolution for removal, the same majority of two-thirds shall be necessary on the taking of the poll for carrying that resolution. The person so elected shall hold office during such time only as the Auditor in whose place he was elected would have been entitled to hold the same if he had not been removed.

Registered Addresses of Members and Notices.

74. Any notice required by these By-laws to be given to a member may be given by sending it through the post in a prepaid letter addressed to such member at his registered address, and such notice shall be deemed to have been served at the time when the letter containing the same is posted. Every member shall give the Registrar written notice naming an address as his registered address. The addresses in the records of the Society of persons who are members at the commencement of these By-laws shall be deemed to be the registered addresses of such members.

*DISCIPLINE.**Committee to be Appointed for Purpose of Investigations.*

75. There shall be appointed in each year, by the Council from among its members, a Committee consisting of not less than five members, any three of whom shall have power to act, for the purpose of investigating questions which may arise under the Act, and of considering questions of professional practice generally, or of alleged misconduct of members or of articled clerks. This Committee shall be known as the Disciplinary Committee.

Officers or other Persons to lay Facts before Council.

76. It shall be the duty of the officers of the Society and of members of the Council, and the right of any member or of any person not a member, to bring to the notice of the Council any facts of which they are aware regarding the conduct of a member which may appear to them to require investigation by the Disciplinary Committee.

Upon receipt of any such information the Council may, if they think fit, summon before the Disciplinary Committee any member whose conduct may appear to the Council to require investigation, notwithstanding the absence of any complaint against him, and may enquire into his conduct, and may call upon him to produce any deed, document, book, paper, writing, or the like, in his possession or under his control in any way relating to or concerning the matter under enquiry.

Duty of Disciplinary Committee.

77. The Disciplinary Committee shall investigate all cases referred to it by the Council and shall report to the Council in writing thereon; if it appear to the Council from the report of the Disciplinary Committee that the member concerned has failed after reasonable notice, to appear before them or that he has been guilty of unprofessional or dishonourable or unworthy or irregular conduct, or of conduct which would in the absence of satisfactory explanation be derogatory to the Society, or render him unfit to remain a member, it may censure such member or take such other action as may be competent to it.

Advertising by Members.

78. Any member who shall advertise as an Accountant, or whether by advertising, touting or otherwise, attempt to obtain work in an improper manner, whether by himself or as a partner in a firm, shall be deemed guilty of an offence against these By-laws, and shall be liable to be dealt with by the Council as an offender.

Provided that this clause shall not be interpreted so as to prohibit any member or firm of which a member is a partner from advertising in respect of any business which they may carry on other than accountancy if and so long as no indication whatsoever is given in any advertisement by the member or firm so advertising by the member or firm so advertising that such member or firm, as the case may be, is an accountant or firm of accountants.

Infringement of Act by Non-members.

79. It shall be the duty of any member who may become aware of any infringement of the Act by any person not being a member, to report the matter to the Council. The Council may, should it think fit, instruct the Disciplinary Committee to investigate the matter and report thereon; if it appear to the Council that an infringement of the Act has been committed, they shall take such action as they may deem expedient for the protection of the rights of the Society under the Act.

ADVERTENSIES.

Saving Provisions as to Previous By-laws.

80. All By-laws in force at the date of promulgation of these By-laws shall stand repealed, provided that such repeal shall not affect the rights, privileges and duties of—

(1) Any person who before the promulgation of these By-laws entered upon Articles of Clerkship with a member of one of the South African Societies, or who at the date of the commencement of these By-laws was in service in the accountancy business of a practising member of one of the South African Societies, provided that:

- (a) The examinations which any such person may still have to pass to entitle him to admission to the Society shall be those prescribed by these By-laws;
- (b) He shall have made application to the Council within six months from the commencement of these By-laws, in a form approved by the Council, for registration of his rights under this By-law; and
- (c) The said rights, privileges and duties shall in all cases cease on 31st December, 1943.

(2) Any person who at the date of promulgation of these By-laws was serving under Articles of Clerkship in South Africa with a member of one of the bodies of Accountants incorporated outside South Africa, set forth in Section 6 of the Act.
