- (d) the class of goods he desires to import under rebate of the duty, and the estimated value of such importations per annum.

NOTE.—In the case of persons or firms already registered as manufacturers under rebate it will suffice if applicant furnishes the Director of Customs with particulars of the names under which he trades and the estimated value of the material he proposes to import per annum under this notice.

2. The applicant, if approved, shall enter into a bond with sufficient surety and to an amount not less than *one hundred* pounds, to be determined by the Director of Customs, the conditions of the bond being that all goods imported by him, taken out of bonded warehouse or received from another manufacturer under rebate for use in the industry to be named in the bond, will be used solely for the purpose specified, and if any portion of a consignment so imported or received be sold, used, removed from his factory, or store, or disposed of for any other purpose, without the written consent of the proper officer of customs, duty at full rate otherwise leviable shall be paid on the whole consignment.

3. The applicant shall thereupon be registered as a manufacturer under rebate, and permitted to receive, under these regulations and subject to withdrawal of the permission at any time by the Resident Commissioner, the goods enumerated under this notice, and such goods shall be conveyed to and stored only in the premises referred to in regulation No. 1, which shall also be registered.

The bill of entry shall specify the name and address of the manufacturer and the industry for which the goods are intended.

8. The manufacturer shall keep a stock-book in the form approved by the Director of Customs showing full particulars of all receipts and disposals, and in such manner that the goods entered for industrial purposes can readily be accounted for to the satisfaction of the proper officer of customs.
