(Die uitbreking het werklik plaasgevind op die Great Western Mine, en altesame het daar 19 gevalle van natuurelle (8 dodelik) voorgekom.) Alle voorsorgmaatreëls om die verspreiding van die siekte te verhoed, is geneem.

Distrik Winburg.—Twee gevalle van natuurelle (een dodelik) op die plaas Lusthof, 14 myl van Winburg.

Kaapprovinsie.

Distrik Kuruman.—Twee gevalle van natuurelle in die Seodin-natuurelgebied, 4½ myl noordwes van Kuruman, en een geval van 'n blanke op 'n plaas 14 myl noord van Kuruman. Alle voorsorgmaatreëls word geneem.

TIFUS-(LUIS)-KOORS.

Nuwe Uitbrekings.—Wilgespruit, distrik Lady Grey; Klipdrift, distrik Mount Currie; Munisipaliteit Oudtshoorn, distrik Oudtshoorn; Munisipaliteit Somerset-Oos, distrik Somerset-Oos (Kaap); Renishaw, distrik Umzinto (Natal).

Uitbrekings word in die volgende distrikte behandel: De Aar, Lady Grey, Mount Currie, Oudtshoorn, Queenstown, Somerset-Oos, Umzimkulu (Kaap); Fauresmith, Harrismith (Oranje-Vrystaat); New Hanover, Umzinto (Natal).

MALARIA.

Natal en Zoeloeland.—Uitbreiing van muskiete op 'n groot skaal vind langs die hele Noordkus van Natal en Zoeloeland plaas, asook in beperkte streke langs die Suidkus. Tot nog toe is baie min gevalle van malaria gerapporteer. Nog steeds moet nadruk gelê word op die noodsaaklikheid van die strengste voorsorgmaatreëls.

Transvaal.—Daar is 'n duidelike vermeerdering van die aantal nuwe besmettings in al die malariastreke van Noord-Transvaal, en brandpunte van besmetting bestaan daar waar beskermingsmaatreëls teen malaria, vernameklik teen volwasse muskiete, verwaarloos word. Albei die vektors, *A. gambiae* wat in modderpoele uitbroei, en *A. funestus* wat in strome uitbroei, kom nou in groot getalle te voorskyn, met die gevolg dat daar tans groot gevaar bestaan om die siekte op te doen.

EPIDEMIESE SIKTES IN ANDER LANDE.

Volgens die jongste berigte is daar:—

Cholera in Calcutta, Madras, Moulmein, Negapatam, Bangkok.

Pes in die Sentrale Streek (Madagascar); die Iringa-provinsie (Tanganyika-gebied); die Sentrale-provinsie (Kenya-kolonie en -protektoraat); die Buganda-distrik (Uganda-protektoraat); Bassein; Colombo; Pnom-Penh.

TYPHUS FEVER.

Fresh Outbreaks.—Wilgespruit, Lady Grey District; Klipdrift, Mount Currie District; Oudtshoorn Municipality, Oudtshoorn District; Somerset East Municipality, Somerset East District (Cape); Renishaw, Umzinto District (Natal).

MALARIA.

Natal and Zululand.—Active breeding is taking place all along the north coast section of Natal and Zululand and also in localised areas on the south coast. Very few cases of malaria have been reported to date. The necessity for taking stringent precautionary measures must again be emphasized.

Transvaal.—There is a definite increase in the number of new infections throughout the malarial areas of the Northern Transvaal and the foci of infection exist where protective measures, against the adult mosquito especially, are being neglected. Both the vectors, *A. gambiae*, a puddle breeder, and *A. funestus*, a stream breeder, are now hatching out on a large scale, with the result that the risk of contracting the disease is now great.

CIRCULAR TO SHAREHOLDERS.

In order to work the Company's mining property to the best advantage, the Company's Technical Advisers recommend the sinking of a vertical five-compartment rectangular shaft in the eastern section of the property to a depth of approximately 5,875 feet.

The far eastern mine workings are now inadequately ventilated, and the new shaft will greatly improve the working conditions and afford facilities for the rapid transport of men and materials, thereby effecting considerable economies in working costs. These savings should approximate £35,000 per annum.

The estimated cost of the shaft is £370,000, which added to the Company's existing capital commitments and further anticipated requirements up to the year 1940—due principally to the normal extension of mining operations—make a total of £650,350.

Your Directors have given careful consideration to the question of financing the above expenditure, and are of opinion that it would be in the best interests of Shareholders to raise a substantial portion of the money required by an issue of new shares.

Your Directors therefore recommend that the Capital of the Company be increased from £1,295,000 to £1,695,000 by the creation of 400,000 shares of £1 each, to be dealt with as follows:—

	Shares.	Shares.
To be offered to shareholders at 27s. 6d. per share in the proportion of one new share for every five shares held in the present capital; fractions of shares arising out of the offer will be disregarded	259,000	
To be issued to the underwriters at 27s. 6d. per share...	41,000	
Leaving in reserve ...		300,000 100,000 400,000

The offer of the whole of the 300,000 new shares, excluding the 100,000 shares to be held in reserve, has been underwritten jointly by The Central Mining and Investment Corporation, Limited, and Rand Mines, Limited, and as consideration they will take up 41,000 of the 300,000 new shares at 27s. 6d. per share and shall further have the option to purchase—

- (1) 20,000 of the reserve shares at 30s. per share for two years from 1st July, 1936, and
- (2) an additional 20,000 of these reserve shares at 35s. per share for three years from 1st July, 1936.

The balance of 60,000 reserve shares will be issued by the Directors only in such manner and at such times and prices as they may determine are advisable and necessary in order to furnish further working capital in connection with the Company's future capital expenditure or in connection with the Company's operations generally.

The above-mentioned 300,000 shares will realize £412,500, and will only rank for dividends declared subsequently to 1st July, 1936.

Attached hereto is a notice convening the necessary Extraordinary General Meeting of Shareholders, to be held in the Board Room, The Corner House, Johannesburg, on Wednesday, 6th May, 1936, immediately after the conclusion of the Ordinary General Meeting, which has been convened for 2.30 p.m. on that date. In the event of the resolutions set out therein being passed, Shareholders who are registered at the close of business on 23rd May, 1936, and holders of share warrants in circulation at that date will be entitled to subscribe for the new shares. The closing date for receipt of applications will be 20th June, 1936, but Shareholders will be notified after the Meeting of the procedure to be followed in connection with the offer.

Should you be unable to attend the Meeting, you are requested to complete the enclosed form of proxy as indicated at the foot thereof, and return it to the Transfer Secretaries, P.O. Box 2058, Johannesburg, so as to reach them not later than 24 hours before the time fixed for the holding of the Meeting.

IN THE SUPREME COURT OF
SOUTH AFRICA.
(Eastern Districts Local Division.)

5s. Revenue stamp cancelled.

Grahamstown, Saturday, 7th March, 1936.

In the matter between THOMAS ANDERSON DUNCAN, Applicant and ERASMUS STEPHANUS VAN ZYL, Respondent.

Upon reading the petition of the above-named Applicant setting forth:

1. That Erasmus Stephanus van Zyl, the Respondent, whose whereabouts are unknown, is justly and truly indebted to Petitioner in the sum of £900, being the amount of a certain Mortgage Bond No. 82/1935, passed by him in Petitioner's favour on the 2nd day of February, 1935, and by which the said Respondent hypothecated certain landed property and buildings and erections to be built on Lot No. 10, Vincent Gardens, Extension Township, situate in the Municipality of Cambridge, in the Division of East London, together with the interest thereon at 6 per cent. per annum from the 1st day of June, 1935, the capital amount of the said loan having been duly paid by Petitioner to Respondent on completion of the said buildings and erections.

2. That the said Respondent was until or about August, 1935, employed as an Immigration Officer stationed at East London, and that thereafter Petitioner ascertained that he had been transferred to Pretoria on the grounds of ill health.

3. That Petitioner from enquiries made, believes that the Respondent is now residing at Lourenço Marques with his brother, having resigned from the Department of Immigration.

4. That there is registered against the property described above, a second bond in favour of Joseph Heuzer de Villiers Venter for £180 which mortgage was passed on the 22nd July, 1935.

5. That in order to secure the payments provided for in such Mortgage Bond No. 82/1935, dated the 2nd February, 1935, the said Joseph Heuzer de Villiers Venter, on the 31st day of July, 1935, took cession of the payments under a Deed of Sale between the said Respondent and Patrick Joseph Frank Young, dated at East London, on the 28th June, 1935.

6. That your Petitioner verily believes that the said Respondent at the time that he gave cession of payments under the Deed of Sale to the second bondholder, the Respondent was insolvent and is still insolvent, and that he preferred an undue preference to the said Joseph Heuzer de Villiers Venter as against Petitioner and the other Creditors.

7. That as security for his claim Petitioner holds the said Mortgage Bond No. 82/1935, dated the 2nd February, 1935, which is valued in the full amount of Petitioner's claim with interest.

8. That Petitioner verily believes that the Respondent has been absent for more than twenty-one days from his usual place of residence and also from his business at Pretoria, Province of the Transvaal, within the Union.

9. That the said Respondent departed from East London ostensibly on transfer to Pretoria, but shortly after such transfer was retired from the employ of the Immigration Department, and has failed to communicate to his Creditors or to disclose his whereabouts, and it is firmly believed that he has done so with the object of delaying or avoiding payment of his debts.

10. That by reason of the Respondent's clandestine departure aforesaid he has left the Union with intent to defeat or delay Petitioner and his other Creditors

in obtaining payment of their debts; and that consequently he has thereby committed an act of insolvency and it will be to the advantage of his Creditors if his Estate were placed under sequestration.

Also the verifying affidavit and the certificate of the Magistrate, Albany, under Section 9 (2) (b) of the Act, No. 32 of 1916.

It is Ordered:

That the Estate of the said Erasmus Stephanus van Zyl be and the same is hereby placed under provisional sequestration in the hands of the Master of the Supreme Court, and that a rule nisi do issue calling upon the said Erasmus Stephanus van Zyl to show cause (if any) in this Court, on Thursday, the 2nd day of April, 1936, why a Final Order of Sequestration shall not be made against the said Estate.

This rule to be served by one publication in the *Gazette*, and by affixing it *ad valvas Curiae*.

By order of the Honourable Mr. Justice Gutsche, bearing date at Chambers, in Grahamstown aforesaid, the day, month and year aforesaid.

S. VAN PLETSEN,
