GENERAL CONDITIONS.

The leases to be issued will contain conditions relative to residence, improvements, fencing, minerals, outspans, roads, and such other conditions as are usually inserted in the agricultural leases granted under the Land Settlement Act, No. 12 of 1912, as amended.

Die huur, wat jaarliks vooruitbetaal moet word, word bereken op die koopprys volgens onderstaande persentasiebasis:—

Huur:

Eerste en tweede jaar: Niks.
Derde jaar: 2 persent per jaar.
Vierde en vyfde jaar: 3½ persent per jaar.
Ingeval van verlenging van huurkontrak na vyf jaar: 3½ persent per jaar.

Ingeval die opsie van voorwaardelike aankoop uitgeoefen word, sal die koopprys betaalbaar wees in 65 gelyke jaarlikse paaiemente wat kapitaal en rente insluit. Laasgenoemde word teen 'n rentekoers van 3½ persent bereken.

Inbesitneming.

Die huurkontrakte wat uitgereik moet word, sal die bepalings bevat dat die huurders die plase wat aan hulle toegeken word, persoonlik en op nuttige wyse moet bewoon binne drie maande vanaf datum van toekenning en daarna vir minstens elf maande elke jaar.

Boorgate—

Die huurkontrakte wat aangegaan moet word ten aansien van die hoewes waarop boorgate reeds gemaak is of later gemaak mag word, sal 'n klousule bevat wat die regering die reg van toegang verleen tot, en die reg om water te neem uit die boorgate vir boordoeleindes, gedurende 'n termyn van vyf jaar vanaf die datum van die huurkontrakte.

'n Voorwaarde van die huurkontrak sal wees, dat die suksesvolle applikant vir enigeen van bogenoemde hoewes waarop boorgate bestaan of voor of na toekenning gemaak mag word, met ingang van die datum van toekenning of van voltooiing van die werk, verantwoordelik gehou sal word vir die behoorlike versorging en instandhouding van die boorgat of boorgate op sy hoewe en aanspreeklik sal wees vir enige skade daaraan. Hy moet derhalwe onder geen omstandighede sonder behoorlike pompmasjinerie water daaruit trek nie.

Alle boorgate is in die reël met handpompe toegerus, maar dit is moontlik dat daar in sommige gevalle geen pomp opgerig is nie. In sulke gevalle behoort die suksesvolle applikant, alvorens pompmasjinerie op te rig, by die Direkteur van Besproeiing, Pretoria, navraag te doen betreffende die masjinerie wat die geskikste is vir die gebruik in verband met so 'n boorgat.

Die toets deur die Besproeiingsdepartement gedoen in verband met die hoeveelheid water wat uit genoemde boorgate gepomp kan word, was so betroubaar moontlik. Die regering aanvaar egter geen aanspreeklikheid vir enige verlies of skade nie wat deur 'n huurder gely mag word indien dit by 'n nuwe of uitgebreide toets blyk dat die water in die boorgat minder is as in hierdie kennisgewing vermeld, of ingeval ander besonderhede aangaande die boorgat gegee, onjuis mag blyk.

Opmetings—

As dit miskien later nodig is om die hoewe opnuut op te meet of 'n sertifikaat van gewysigde eiendomsbewys uit te neem weens foute in die bestaande opmeting, moet alle koste van so 'n opmeting of sertifikaat van gewysigde eiendomsbewys deur die huurder gedra word. Indien dit blyk dat die hoewe groter is as in hierdie kennisgewing vermeld, kom die voordeel daarvan aan die huurder toe sonder dat die koopprys van die hoewe verhoog word; blyk dit daarenteen dat die grond kleiner is as in hierdie kennisgewing vermeld, moet die huurder dit aanvaar sonder vermindering van die koopprys en in so 'n geval het hy, ten opsigte daarvan, geen eis teen die regering nie.

Onderverdelings—

'n Spesiale bepaling van die huurkontrak is dat, ingeval 'n hoewe aan twee of meer huurders toegeken word, die Minister, na goeddunke van die huurders kan verlang om die hoewe op hul eie koste onder te verdeel op 'n wyse soos deur die huurders ooreengekom en deur die Minister goedgekeur, of as hulle in gebreke bly om binne 'n tydperk van hoogstens drie maande so'n ooreenkoms te tref, dan op 'n wyse wat die Minister vasstel. Sodanige ooreenkoms tussen die huurders of vasstelling van die Minister moet vermeld—

(1) die aandeel van die onderverdelingskoste wat elke huurder moet betaal, met inbegrip van die koste van opmeting;

(2) indien 'n voorskot toegestaan is en die bedrag daarvan nie by die koopprys gevoeg is nie, die aandeel wat elke huurder moet ontvang van enige vee, gereedskap of ander goedere en vir watter bedrag elke huurder aanspreeklikheid moet aanvaar vir die aandeel wat hy ontvang het;

(3) wat die koopprys is van elke onderverdeling met behoorlike inagneming van alle verbeterings wat deur die Minister aangebring is of deur middel van 'n voorskot deur die Minister moontlik gemaak is, en watter deel van die reeds betaalde paaiemente kapitaal is.

The rentals, which are payable yearly in advance, are calculated on the purchase price on the following percentage basis:—

Rentals:

First and second years: Nil.
Third year: 2 per cent. per annum.
Fourth and fifth years: 3½ per cent. per annum.
In the event of extension of lease after five years: 3½ per cent. per annum.

In the event of the option of conditional purchase being exercised, the purchase price becomes payable in 65 equal yearly instalments, which include capital and interest, the latter being calculated at the rate of 3½ per cent.

Occupation—

The leases to be issued will contain conditions to the effect that the lessees shall personally and beneficially occupy the holdings allotted within three months from the date of allottment, and for at least eleven months in every calendar year.

Boreholes—

A clause will be inserted in the leases which it is proposed to issue in respect of those holdings on which boreholes have been or may be sunk, giving the Government access to and the right to take water from the boreholes for drilling purposes for a period of five years from the dates of the leases.

It will be a condition of lease that the successful applicant for any of the above holdings on which boreholes exist or may be sunk previous to or after allotment will be held responsible, as from the date of allotment or of completion of the work, for the proper care and maintenance of the borehole or boreholes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery.

All boreholes are, as a rule, equipped with hand-pumps, but it may possibly occur that in isolated cases no pump has been erected, in which case inquiries as to the most suitable machinery to be utilized in connection with any borehole should be made to the Director of Irrigation, Pretoria, by the successful applicant before proceeding to erect pumping machinery.

The pumping test made by the Irrigation Department in connection with the boreholes mentioned was as reliable as possible, but the Government accepts no responsibility for any loss or damage that may be sustained by a lessee should on a new or extended pumping test taking place the water supply in the borehole be found to be less than that stated in this notice, or in the event of the other particulars given in respect of the borehole being found to be inaccurate.

Surveys.

Should it at any time be found necessary to resurvey a holding, or take out a certificate of amended title, owing to errors in the existing survey, all costs incidental to such survey or certificate of amended title must be borne by the lessee. Should it be found that the holding is of greater extent than that stated in this notice the lessee shall benefit thereby, without any increase of purchase price being made; on the other hand, should the area be found to be less than that stated in this notice, the lessee shall accept such lesser area without reduction of the purchase price, and no claim against the Government will exist in respect of any reduced area.

Sub-divisions—

In the event of any of the holdings being alloted to two or more lessees it shall be a special condition of the lease that the Minister may at his discretion call upon the lessees to have the holding sub-divided at their own expense in a manner agreed upon by the lessees and approved by the Minister, or, failing such agreement within a period of not more than three months, in a manner to be determined by the Minister. Such agreement amongst the lessees or determination by the Minister shall state—

(1) the share to be borne by each lessee in respect of the costs of sub-division, inclusive of the costs of survey;

(2) where any advance has been made, the amount whereof has not been added to the purchase price, the share to be received by each lessee in respect of any stock, implements, or other things and the amount of the liability to be assumed by each lessee in respect of the share received by him;

(3) the purchase price of each sub-division, due regard being had to any improvements effected by the Minister or by means of an advance made by the Minister, and the share of the capital amount of such instalments as may have been paid.

Die huurders moet binne drie maande na so 'n ooreenkoms gesluit of 'n vasstelling deur die Minister gemaak is, onderneem om op hul eie koste sodanige maatreëls te tref as wat nodig is om volgens Wet die regte in die huurkontrak, ingevolge bogenoemde ooreenkoms of vasstelling deur die Minister, behoorlik te sedeer.

ALGEMENE OPMERKINGS.

Uitreiking van Kroongrondbriewe.

Kroongrondbriewe van hoewes kan in spesiale gevalle met toestemming van die Goewerneur-generaal uitgereik word voor afloop van 'n termyn van tien (10) jaar na datum van toekenning.

As 'n huurder, na vyf jaar vanaf toekenning van 'n hoewe, die Landraad kan oortuig dat die waarde van sy hoewe met permanente verbeterings van 'n deeglike aard een-vierde meer bedra as die totale skuld van die huurder aan die regering, is die Minister kragtens artikel *agt* van Wet No. 21 van 1922 bevoeg om 'n Kroongrondbrief uit te reik en vir die totale bedrag van die skuld wat oorbly, 'n verband aan te neem.

Die hoewes hierby geadverteer, is onderworpe aan die bepalings van artikel *nege* van Wet No. 45 van 1937, wat as volg lui:—

„ Na die inwerkingtreding van hierdie Wet mag geen grond wat 'n hoewe of 'n deel van 'n hoewe is, vervreemd, verpand, deur 'n ander serwituut as 'n serwituut van vruggebruik, van gebruik of van bewoning beswaar word, of verdeel word nie, sonder skriftelike toestemming van die Minister op aanbeveling van die landraad verleen op sodanige voorwaardes as wat die Minister wenslik ag om te stel . . . . . "

Omheinings—

Ingeval die regering, ingevolge die Omheiningswet, No. 17 van 1912, of enige wysiging daarvan, moet bydra tot bestryding van die koste van die tussenheinings of enige gedeelte daarvan ten opsigte van die hoewes in hierdie kennisgewing geadverteer, of om aanspreeklikheid vir die betaling van sodanige bydraes te aanvaar voor die registrasie van die huurkontrak, moet die suksesvolle applikant by die toekenning van 'n hoewe aan hom, die aanspreeklikheid vir die betaling van sodanige bydraes aanvaar. Die bedrag van sodanige bydraes moet deur die persone aan wie die hoewe toegeken word, in kontant aan die regering betaal word, of kan, as die persoon aan wie die hoewe toegeken word, sulks verkies, by die koopprys van die hoewe gevoeg word, en in so'n geval word die bedrag van die huur en rente op die koopprys dienooreenkomstig verhoog. Die suksesvolle applikante om enigeen van die hoewes wat heeltemal of gedeeltelik omhein is, moet ooreenkomstig die Omheiningswet van 1912, of wysigings daarvan, aanspreeklikheid aanvaar vir enige bedrae wat deur die eienaars van aangrensende plase kragtens genoemde wet geëis mag word.

Algemeen—

Ingeval van ongelukke van persone of vee wat plaasvind as gevolg van die bestaan van skagte, tonnels en ander toestande veroorsaak deur prospekteer- en mynwerksaamhede onderneem voor die datum van aanvang van die huurkontrak is die huurder nie geregtig tot vergoeding van die kant van die regering of die prospekteerder of die kleimeienaar nie.

Die regering behou alle regte op minerale, mineraalprodukte, mineraalolies, metale en edelgesteentes tensy anders vermeld in hierdie kennisgewing.

Die departement het alle pogings aangewend om die informasie in hierdie kennisgewing vervat, so korrek moontlik op te gee, maar is nie aanspreeklik vir moontlike onjuisthede daarin nie.

Die huur gedurende die huurtermyn van vyf jaar betaal word nie van die koopprys afgetrek ingeval die opsie van aankoop uitgeoefen word nie.

Applikante word aangeraai om die hoewes persoonlik te inspekteer alvorens aansoek daarom te doen. Landrade is by die oorweging van aansoeke om hoewes nie in die reël geneig om aan te beveel dat toekennings gemaak word aan applikante wat versuim het om die hoewes waarom hulle aansoek gedoen het persoonlik te inspekteer of deur iemand anders namens hulle te laat inspekteer nie. Die regering staan geen spoorweg- of ander vervoerkonsessies in verband met die inspeksie van hoewes toe nie.

Inbesitneming kan onmiddellik na toekenning toegestaan word tensy in die brief van toekenning anders bepaal word.

Alle aansoeke moet gedoen word op die voorgeskrewe vorm wat verkrygbaar is van die magistrate van die distrikte waarin die hoewes geleë is; die Sekretaris van Lande, Pretoria; die Provinsiale Verteenwoordiger, Department van Lande, Parlementstraat, Kaapstad; die Provinsiale Verteenwoordiger, Departement van Lande, Posbus 316, Bloemfontein; en die Provinsiale Verteenwoordiger, Departement van Lande, Pietermaritzburg.

Die departement het 'n personeel wat spesiaal aansoeke om en navrae betreffende grond behandel, en aspirant nedersetters wat informasie in verband met grondnedersetting verlang, word aangeraai om regstreeks met die Departement van Lande, Uniegebou, Pretoria, in verbinding te tree.

The lessees shall undertake, within three months after such agreement has been reached or determination has been made by the Minister, to take at their own expense such steps as may be necessary to effect proper and legal cession of the interests in the lease in accordance with the aforesaid agreement or determination by the Minister.

GENERAL REMARKS.

Issue of Crown Grants—

Crown grants of holdings may, in special cases, with the approval of the Governor-General, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee, after five (5) years' tenancy can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one-fourth the total indebtedness of the lessee to the Government, section *eight* of Act No. 21 of 1922 enables the Minister to issue a Crown Grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

The holdings hereby advertised are subject to the provisions of section *nine* of Act No. 45 of 1937, which reads as follows:—

" No alienation, hypothecation, encumbrance by means of a servitude (other than a servitude of usufructus, usus or habitatio) or division of any land which is a holding or portion of a holding shall be effected after the commencement of this Act without the consent in writing of the Minister, granted upon the recommendation of the Land Board, on such conditions as the Minister may think fit to impose . . ."

Fencing—

In the event of the Government being required, in terms of the Fencing Act, No. 17 of 1912, or any amendments thereof, to contribute towards the cost of fencing the boundaries, or any part thereof, of any of the holdings advertised in this notice, or to accept liability for the payment of such contribution prior to the registration of the lease, the successful applicant shall, on allotment being made to him, assume liability for the payment of such contribution. The amount of such contribution shall be paid by the allottee to the Government in cash, or at the option of the allottee it may be added to the valuation of the holding, in which case the rental payments and interest on the purchase price shall be increased accordingly. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced shall accept liability under the Fencing Act, 1912, or any amendment thereof, for any amounts which may be claimed by adjoining owners in terms of the said Act.

Miscellaneous—

In the case of accidents to persons or cattle consequent on the existence of shafts, tunnels, and other conditions arising out of prospecting and mining operations undertaken prior to the date of the commencement of the lease, the lessee shall not be entitled to compensation from the Government or the prospector or claimholder.

All rights to minerals, mineral products, mineral oils, metals, and precious stones are reserved to the Crown unless otherwise stated in this notice.

The Department has made every effort to render as accurate as possible the information given in this notice, but does not hold itself responsible for any inaccuracies which may be contained in this notice.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

Applicants are recommended personally to inspect the holdings before formally applying therefor. In considering applications for holdings, Land Boards decline, as a rule, to recommend allotments to applicants who have failed to inspect personally or to have had inspected on their behalf the holding applied for. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

Occupation can be granted immediately upon allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which can be obtained from the magistrates of the districts in which the farms are situate; the Secretary for Lands, Pretoria; the Provincial Representative, Department of Lands, Parliament Street, Capetown, the Provincial Representative, Department of Lands, P.O. Box 316, Bloemfontein, and the Provincial Representative, Department of Lands, Pietermaritzburg,

The Department has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement are advised to apply for such information direct to the Department of Lands, Union Buildings, Pretoria.
