DUITSE EFFEKTE.

Die Tesourie doen onderstaande aankondiging vir die inligting van Suid-Afrikaanse eienaars van Duitse effekte wat binne en buite Duitsland gehou word:—

Volgens inligting wat van die Unie se Sending in Keulen, Duitsland, ontvang is, het die Duitse Federale Regering onlangs 'n Effektehersieningswet (Wertpapierbereinigungsgesetz) en aanvullende Regulasies uitgevaardig. Die doel van hierdie Wet is om dit vir die eienaars van Duitse effekte wat in die kluise van die Berlin Wertpapiersammelbank, by banke in Berlyn wie se werksaamhede tydelik gestaak is, of by banke in die Oostelike Sone van Duitsland geblokkeer was, moontlik te maak om hulle weer van die hand te sit en om sodoende daartoe by te dra om normale toestande in die Duitse effektemark te herstel.

Die Wet is alleen van toepassing op effekte wat voor of op 8 Mei 1945, uitgereik is deur maatskappye met hoofkantoor in die Westelike Sones van Duitsland. ('n Dergelike wet is ten opsigte van maatskappye wat in die Westelike Sektor van Berlyn gevestig is aangeneem).

Ingevolge die Wet moet eienaars van vermelde geblokkeerde effekte hulle by 'n bank laat registreer (tensy hulle dit reeds voor die promulgasie van die Wet gedoen het) en om 'n sertifikaat van verhandelbaarheid aansoek doen. Eienaars van effekte wat in die buiteland gehou word, mag om 'n sertifikaat van verhandelbaarheid aansoek doen, wat toegestaan sal word indien (1) die betrokke effekte by 'n bank in die buiteland gedeponeer is (wat deur 'n sertifikaat met dié strekking van die betrokke buitelandse bank bewys moet word) en (2) die eiendomsreg van die eienaar vasgestel word ooreenkomstig 'n spesiale prosedure wat in die Regulasies kragtens die Wet uitgevaardig, voorgeskryf word.

Alhoewel aansoeke om registrasie en om sertifikate van verhandelbaarheid voor of op 30 Junie 1950, ingedien moes gewees het, sal aansoeke van buitelandse applikante nog oorweeg word en sal hulle baat by die voorsiening wat daar vir „Wiedereinsetzung in den alten Stand" (herstel van die *status quo*) gemaak is.

Aansoeke om registrasie sal aan spesiale ondersoekrade wat ingestel is, voorgelê word, en na 8 maande van die finale datum sal hierdie rade vasstel in watter gevalle wettige eiendomsreg bewys is en in watter gevalle daar beskou kan word dat daar 'n aanneemlike verklaring ten aansien van die eiendomsreg gedoen is. Die beslissing van die ondersoekrade sal die grondslag uitmaak van kredietinskrywings wat in die Gesamentlike Veilige Bewaringsrekenings gemaak sal word om effekte te vervang wat nietig verklaar is. Vir laasgenoemde effekte sal 'n Gesamentlike Sertifikaat by die bevoegde bank gedeponeer word en teen die Gesamentlike Srtifikate sal indiwiduele sertifikate aan diegene wat daartoe geregtig is, uitgereik word.

Suid-Afrikaanse eienaars van Duitse effekte wat in Duitsland of in die buiteland gehou word, word dus aangeraai om hul eise so spoedig moontlik by 'n Duitse bank te laat registreer. Aanvanklik hoef aansoeke nie van stawende dokumente vergesel te gaan nie. Dié dokumente kan op 'n later datum ingedien word en die Unie se Sending het die versekering ontvang dat buitelanders voldoende tyd gegee sal word om die nodige dokumentêre bewys in te dien.

GERMAN SECURITIES.

The Treasury issues the following announcement for the information of South African owners of German securities held in and outside Germany:—

According to advices received from the Union's Mission in Cologne, Germany, the German Federal Government recently promulgated a Security Revision Act (Wertpapierbereinigungsgesetz) and implementing Regulations. It is the purpose of this Act to render it possible for the owners of German securities which were blocked in the vaults of the Berlin Wertpapiersammelbank, with banks in Berlin whose operations were suspended for the time being or with banks in the Eastern Zone of Germany, to dispose of them again and thus to contribute towards the normalisation of conditions in the German securities market.

The Act applies only to securities issued on or before 8th May, 1945, by companies having their Head Offices in the Western Zones of Germany. (A similar Act has been passed in respect of companies located in the Western Sectors of Berlin).

In terms of the Act owners of such blocked securities must register them with a bank (unless they have already done so prior to the promulgation of the Act), and apply for a certificate of negotiability. Owners of securities held abroad may apply for a certificate of negotiability which will be approved if (1) the securities in question were deposited with a bank abroad (to be proved by a certificate to this effect from the foreign bank concerned) and (2) the title of the owner is established in terms of a special procedure prescribed by the Regulations issued under the Act.

Though applications for registration and for certificates of negotiability were to have been submitted by 30th June, 1950, applications from foreign applicants will still be considered and will benefit from the provision of "Wiedereinsetzung in den alten Stand" (restoration of the *status quo*).

Applications for registration will be referred to special examining boards which have been set up and after 8 months from the dead-line date, these boards will establish in which cases legitimate ownership has been proved and in which cases ownership can be considered as having been creditably stated. The decision of the examining boards will from the basis of credit entries to be made in the Collective Safe-Custody Accounts to replace securities which have been declared void. For the latter securities, a collective Certificate will be deposited with the competent bank while individual certificates will be issued to persons entitled thereto against the Collective Certificates.

South African owners of German securities held in Germany or abroad are accordingly advised to register their claims with a German bank as early as possible. Initially applications need not be accompanied by supporting documents. These may be submitted at a later date and the Union's Mission has received an assurance that foreigners will be given ample time to submit the necessary documentary proof.

Aangesien die „ Amt fuer Wertpapierbereinigung " in Bad Homburg, naby Frankfurt, gevestig is, word buitelandse effektehouers in hul eie belang aangeraai om een van ondervermelde vooraanstaande banke in Frankfurt te benoem om hul sake te behartig, ten einde die afhandeling van hul aansoeke te bespoedig:—

Deutsche Effekten u. Wechsel Bank,
Friedrich-Ebertstrasse 30.
Hessische Bank,
Friedrich-Ebertstrasse 24.
Mitteldeutsche Creditbank,
Neue Mainzer Strasse 32-36.
Rhein-Main Bank,
Friedrich-Ebertstrasse 34.

Van hierdie banke is die Rhein-Main Bank, na verneem word, die grootste maar dit staan applikante vry om enigeen van hulle of enige ander bank binne die Federale Republiek te benoem, en verdere navrae moet aan genoemde banke en *nie aan die Tesourie* gerig word nie.

Since the "Amt fuer Wertpapierbereinigung" is operating in Bad Homburg, near Frankfurt, foreign holders of securities are, in their own interests, advised to appoint one of the following leading banks in Frankfurt to attend to their affairs and to secure a speedier settlement:—

Deutsche Effecten u. Wechsel Bank,
Friedrich-Eberstrasse 30.
Hessische Bank,
Friedrich-Eberstrasse 24.
Mitteldeutsche Creditbank,
Neue Mainzer Strasse 32-36.
Rhein-Main Bank,
Friedrich-Eberstrasse 34.

Of these the Rhein-Main Bank is understood to be the biggest but applicants are free to appoint any of these or any other bank within the Federal Republic, and any further inquiries should be addressed to such banks *and not to the Treasury*.
