Die Register van Maatskappye word hersien met die doel om die name van Maatskappye wat blykbaar vir 'n geruime tydperk nie besigheid gedoen het nie, te verwyder. Die meerderheid van die maatskappye wie se name in die voorafgaande lys B. voorkom ressorteer klaarblyklik in daardie groep.

Recently the Register of Companies has been revised with a view to removing the names of companies which, apparently, have not been operating over a long period, and the majority of the companies listed in List B. above appear to fall into that category.

KENNISGEWING VAN VOORGENOME NAAMSVERANDERING.

Ek. EDMUND HESS, van Albertstraat 123, Waterkloof, Pretoria, 'n Direkteur van die Landbank, is voornemens om by die Goewerneur-generaal aansoek te doen om

magtiging kragtens Artikel 9 van die Wet op Vreemdelinge, 1937, om die van HESSE aan te neem om die volgende redes:—

Ek vind nou uit dit was die oorspronklike van my voorvaders. My oorlede vader is in 1849 in Duitsland gebore. In sy ou skoolrapporte van 1863 wat ek nou eers in hande gekry het, word sy van as HESSE aangegee en dié is ook onderteken deur sy vader as Hesse. Terwille van my enigste seun wil ek graag die oorspronklike van weer herstel.

Ek is ook voornemens om aansoek te doen om magtiging om die van van my vrou, GRATIA HESS (gebore ENGELA), en minderjarige seun, EWALD EDMUND WERNER HESS, te verander na die van HESSE.

Enigeen wat daarteen beswaar het dat ons bovermelde naam HESSE aanneem, moet sy beswaar met vermelding van redes daarvoor, so gou moontlik skriftelik by die Landdros van Pretoria indien.—Edmund Hess, p/a Landbank, Paul Krugerstraat, Pretoria, 18 Februarie 1960.

SCHEDULE OF STANDARD PRICES.

Definitions.

1. For the purpose of this Schedule the following words and phrases shall have the meanings herein assigned to them:—

- (a) “Cost of Coal” shall mean the sums expended for the purchase of coal consumed plus the costs of any transport, handling, preparation and treatment thereof incurred up to and including delivery of the coal at or into the power station bunkers.
- (b) “H.P. Installed” shall mean the aggregate of the rated H.P. of motors installed or the equivalent thereof, provided that (i) no charge shall be made if less than one H.P. is installed; (ii) if more than one H.P. is installed, any fraction of a H.P. in the aggregate number shall count as a complete H.P.; and (iii) if it be a condition that the consumer’s use of the supply is restricted to a lesser number of H.P. simultaneously than the H.P. installed, the H.P. to be charged for shall be the lesser number of H.P.

Welding, heating and electro-chemical apparatus, etc. shall be assessed on the basis that each kVA of the rating of such apparatus shall be regarded as equivalent to one H.P. installed.

- (c) “Maximum Demand” shall mean the highest load supplied by the Licensee to the consumer during any period of 30 (thirty) consecutive minutes in the month measured either in kilovolt amperes or amperes as the context may require. For the purpose of TARIFF (B) in paragraph 2 of this Schedule the demand in amperes shall be the aggregate of the amperes in each of the phases used for the supply to the consumer.
- (d) “Month” shall mean the period between monthly meter readings irrespective of whether such readings are taken on the last day of the calendar month or not.
- (e) “Notified Maximum Demand” shall mean:

- (i) the maximum demand notified in writing by the consumer and accepted by the Licensee as the maximum demand which the consumer requires the Licensee to be in a position to supply on demand; plus
- (ii) any increase in the notified maximum demand referred to in (i) above, notified in writing by the consumer giving reasonable notice thereof, and accepted by the Licensee; provided that such increase shall not form part of the notified maximum demand in respect of which a charge may be made in terms of this Schedule until the date on which the Licensee is required in terms of the notification to meet such increased maximum demand, or the date on which the Licensee is in a position to meet the requirements of the consumer in this respect, whichever is the later date; plus
- (iii) any increase in the maximum demand taken by and supplied to the consumer above the notified maximum demand for the time being in force, provided that in each instance where notice of the increase in the notified maximum demand is not given and the Licensee notifies the consumer that such increase or any portion thereof cannot be regarded as available to the consumer on demand until a future date, such increase or portion shall not, until such future date, form part of the notified maximum demand in respect of which a charge may be made in terms of this Schedule;
- (iv) provided that, subject to the provisions of the Act and this Licence, the notified maximum demand may be temporarily increased for a period of not less than one month on such terms and conditions as may be agreed between the Licensee and the Consumer.

- (f) “Room” shall, subject to the proviso to this definition, have the following meanings:—

- (b) premises having extensive external lighting requirements (for example railway stations and sports grounds);
 (c) supplies required for advertising signs; and
 (d) any special applications, such assessment for the purpose of the "Room" charge as the Licensee may make in the circumstances.

For the purposes of determining the floor area of any premises referred to the Licensee may calculate the floor area with reference to the external measurements of the premises in which case the floor area shall, for the purpose of this Schedule, be the area so calculated less 10% (ten per centum) thereof.

Provided that the Licensee may calculate the charge to be made in terms of this Schedule on the basis of any assessment of the number of "rooms" on the premises previously made and in force at the date of the introduction of this Schedule, until the period of three months has elapsed after written notice to the Licensee by a consumer that he requires a re-assessment of "rooms" in terms of this Schedule and in each such case "room" shall be deemed to have the meaning previously assigned to it.

"FIRST SCHEDULE.

SCHEDULE OF STANDARD PRICES.

Definitions.

1. For the purpose of this Schedule the following words and phrases shall have the meanings herein assigned to them:—

(a) "Cost of Coal" shall mean the sums expended for the purchase of coal consumed plus the costs of any transport, handling, preparation and treatment thereof incurred up to and including delivery of the coal at or into the power station bunkers.

(b) "H.P. Installed" shall mean the aggregate of the rated H.P. of motors installed or the equivalent thereof, provided that (i) no charge shall be made if less than one H.P. is installed; (ii) if more than one H.P. is installed, any fraction of a H.P. in the aggregate number shall count as a complete H.P.; and (iii) if it be a condition that the consumer's use of the supply is restricted to a lesser number of H.P. simultaneously than the H.P. installed, the H.P. to be charged for shall be the lesser number of H.P.

Welding, heating and electro-chemical apparatus, etc. shall be assessed on the basis that each kVA of the rating of such apparatus shall be regarded as equivalent to one H.P. installed.

(c) "Maximum Demand" shall mean the highest load supplied by the Licensee to the consumer during any period of 30 (thirty) consecutive minutes in the month measured either in kilovolt amperes or amperes as the context may require. For the purpose of TARIFF (B) in paragraph 2 of this Schedule the demand in amperes shall be the aggregate of the amperes in each of the phases used for the supply to the consumer.

(d) "Month" shall mean the period between monthly meter readings irrespective of whether such readings are taken on the last day of the calendar month or not.

(e) "Notified Maximum Demand" shall mean:

- (i) the maximum demand notified in writing by the consumer and accepted by the Licensee as the maximum demand which the consumer requires the Licensee to be in a position to supply on demand; plus
- (ii) any increase in the notified maximum demand referred to in (i) above, notified in writing by the consumer giving reasonable notice thereof, and accepted by the Licensee; provided that such increase shall not form part of the notified maximum demand in respect of which a charge may be made in terms of this Schedule until the date on which the Licensee is required in terms of the notification to meet such increased maximum demand, or the date on which the Licensee is in a position to meet the requirements of the consumer in this respect, whichever is the later date; plus
- (iii) any increase in the maximum demand taken by and supplied to the consumer above the notified maximum demand for the time being in force, provided that in each instance where notice of the increase in the notified maximum demand is not given and the Licensee notifies the consumer that such increase or any portion thereof cannot be regarded as available to the consumer on demand until a future date, such increase or portion shall not, until such future date, form part of the notified maximum demand in respect of which a charge may be made in terms of this Schedule;
- (iv) provided that, subject to the provisions of the Act and this Licence, the notified maximum demand may be temporarily increased for a period of not less than one month on such terms and conditions as may be agreed between the Licensee and the Consumer.

(f) "Room" shall, subject to the proviso to this definition, have the following meanings:—

- (i) In the case of a private residence, boarding-house or hotel, every room in each residence, boarding-house, or hotel, including enclosed verandahs wired for the use of electricity, and any detached room on such premises which may be used as a living room and is connected to the supply, but excluding any portion of the premises used as a kitchen, scullery, pantry, bathroom, open verandah, passage, lavatory, garage, and cloakroom, and excluding any enclosed verandah and entrance hall if the least dimension of such verandah and entrance hall is not greater than 9 (nine) feet, and excluding in the case of a private residence any detached room occupied by non-European domestic servants of the occupier of the private residence;
- (ii) in the case of an office, shop, store, hospital or the like premises, every 200 (two hundred) square feet of floor area, subject to a minimum assessment of one room;
- (iii) in the case of a business—garage, workshop, warehouse, school, hall, church, or the like premises, a floor area to be determined by the Licensee, which shall not be less than 200 (two hundred) square feet;
- (iv) in the case of—
 - (a) premises (for example farms and estates) having out-buildings such as sheds, stables, barns, byres, dairies, garages and the like;
 - (b) premises having extensive external lighting requirements (for example railway stations and sportsgrounds);
 - (c) supplies required for advertising signs; and
 - (d) any special applications, such assessment for the purposes of the "Room" charge as the Licensee may make in the circumstances.

For the purposes of determining the floor area of any premises referred to the Licensee may calculate the floor area with reference to the external measurements of the premises in which case the floor area shall, for the purpose of this Schedule, be the area so calculated less 10% (ten per centum) thereof.

Provided that the Licensee may calculate the charge to be made in terms of this Schedule on the basis of any assessment of the number of "rooms" on the premises previously made and in force at the date of the introduction of this Schedule, until the period of three months has elapsed after written notice to the Licensee by a consumer that he requires a re-assessment of "rooms" in terms of this Schedule and in each such case "room" shall be deemed to have the meaning previously assigned to it.

(g) "Unit" shall mean a kolowatt hour.
