(8) In effecting delivery of a registered postal article through a private post office box rented from the Postmaster-General, a printed receipt form bearing the registered number and the address of such registered article shall be placed in such a box, and the presentation at the proper post office of the said receipt signed either by the addressee or the person presenting the same purporting to sign for the addressee shall be a sufficient warrant for the delivery of such registered article to the applicant.

Identification of Recipient.

(9) Notwithstanding the provisions of sub-regulations (7) and (8) the officer delivering a registered postal article may, if he is in doubt regarding the bona fides of any person applying for a registered article, call upon such person to produce proof of his identity.

Undelivered Registered Articles.

(10) Every registered postal article which may from any cause be undeliverable to the person to whom it is addressed shall be returned to the sender, if known, by registered post without further charge for registration. Provided that in the case of a compulsorily registered article the sender shall be liable for all charges due.

Onbestelbare geregisteerde stukke.

(10) Alle geregisteerde posstukke wat om een of ander rede nie aan die geadresseerde pos sonder verdere registrasiekoste aan die afsender teruggestuur, indien hy bekend is, met dien verstande dat die afsender van 'n stuk wat aan verpligte registrasie onderworpe is, aanspreeklik is vir alle koste wat daarop betaalbaar is.

Straataflewering.

(b) Die straataflewering van pakkette is nie verpligtend nie, maar waar aflewering nie onderneem word nie, laat die Posmeester-generaal die geadresseerde van elke pakket daarvan verwittig dat dit by die plaaslike poskantoor ontvang is en gehou word.

Leë houers.

(4) Leë houers kan per landboupakketpos teruggestuur word mits die etiket waarop die oorspronklike verklaring voorkom, gemerk „Leeg teruggestuur" aangeheg is en die leë pakket geadresseer word aan die persoon wat die oorspronklike verklaring onderteken het. 'n Nuwe verklaring is nie nodig nie.

Regulasies van toepassing.

(5) Landboupakkette is in alle ander opsigte onderworpe aan die regulasies van toepassing op gewone pakkette.

Postarief.

(6) Die posgeld betaalbaar op landboupakkette word in Bylae B van hierdie regulasies voorgeskrif.

DEEL XVIII.

PAKKETVERSEKERINGSDIENS.

Pakkette kan teen verlies of beskadiging verseker word.

48. (1) Teen betaling van die versekeringsgeld, bo en behalwe die posgeld, voorgeskrif in item 19 (Aanvullende koste) van Bylae B van hierdie regulasies, en op onderstaande voorwaardes, kan pakkette (met inbegrip van landboupakkette) verseker word teen verlies of beskadiging terwyl dit in die Poskantoor se bewaring is.

Inlewering en adressering.

(2) (a) Pakkette wat verseker moet word, moet gedurende die ure wat die Posmeester-generaal vasgestel het, by 'n poskantooroonbank ingelewer word, en 'n etiket soortgelyk aan dié vervat in Bylae I van hierdie regulasies moet daarop geplak wees. Die etiket moet met ink ingevul word en die pakket mag nie aan voorletters of 'n denkbeeldige naam geadresseer word nie. Geen uitvegings word toegelaat nie.

Numbering of Insured Parcels.

(b) Every parcel duly handed in for insurance shall be given a distinctive number. A receipt bearing such number, the address of the relative article, the amount of the insurance fee paid and an impression of the date-stamp of the office at which the article is handed in for insurance shall be given to the sender by the receiving officer.

Compulsory Insurance.

(c) Any parcel which is posted or reposted, otherwise than as provided by sub-regulation (2) (a), and which bears any inscription or mark which reasonably indicates that it was the intention of the sender thereof that the parcel should be insured, or which there is reasonable cause to believe contains coin, paper money (including bills of exchange and similar instruments), precious metals, precious stones, jewellery or other valuables of a like nature, shall be treated as an insured parcel and shall be subject on delivery to a fine as prescribed by Schedule B to these regulations for a parcel posted in a posting box, plus a fee equal to the prescribed minimum charge for the insurance of a parcel and ordinary postage at parcel rates.

Packing of Insured Parcels.

(d) Every parcel up to and including a value of £10 presented for insurance must be enclosed in a strong cover appropriate to its contents and shall be fastened in such a manner as to prevent the removal of any part of the contents without breaking or tearing the case, wrapper or cover. It shall not be sufficient merely to tie parcels with string, but if string is used in addition to appropriate fastening the string need not be sealed. Parcels of a suitable type may, however, be accepted if securely tied with string the knots and ends of which are sealed with wax or the ends of which are secured by means of lead, steel or metal seals crushed with a press, all seals to bear distinct impressions of the same private device. The impressions shall be of a nature not readily imitated. If a parcel is secured by means of strips of adhesive paper or tape, each strip shall bear stamped or printed thereon some mark or word distinctive of the sender, such as his initials or name, or shall be signed or initialled by him or the person who tenders the parcel for insurance.

(e) Every parcel over a value of £10 presented for insurance shall be fastened as set forth in the foregoing sub-regulation (d) but in addition each joined or loose flap shall be sealed with wax or metallic seals and all seals shall bear distinct impressions of the same private device. A coin shall not be used for sealing and the device shall not consist merely of straight, crossed or curved lines which can readily be imitated.

Refusal if Conditions not Met.

(f) If a parcel tendered for insurance does not, in the opinion of the Postmaster-General, fulfil the prescribed conditions as to packing and sealing it shall not be accepted for insurance. Notwithstanding this, the onus of properly enclosing, packing and sealing the parcel lies with the sender, and the Postmaster-General shall not be liable for loss or damage arising from defects which may not have been observed at the time of posting.

To be Insured for Full Value.

(g) Unless otherwise authorised in writing by the Postmaster-General every parcel tendered for insurance shall be insured for the maximum amount insurable or the full value of the contents whichever be the lesser. No insured parcel shall contain bank notes and/or coin in excess of £200 in value.

Articles not Permissible.

(3) (a) No article which may not lawfully be sent through the post shall be eligible for insurance against loss or damage, and should any parcel containing any such article be accepted for insurance, such insurance shall be of no force and effect.

Nommer van versekerde pakkette.

(b) Alle pakkette wat behoorlik vir versekering ingelewer word, word 'n onderskeidende nommer gegee. Die ontvangbeaampte moet aan die afsender 'n inleweringsbewys gee waarop dié nommer, die adres van die betrokke stuk, die versekeringsgeld betaal en 'n afdruk van die datumstempel van die kantoor van inlewering voorkom.

Verpligte versekering.

(c) 'n Pakket wat op 'n ander wyse gepos of herpos word as wat in subregulasie (2) (a) bepaal word en waarop 'n opskrif of merk voorkom waarvan redelikewys afgelei kan word dat die afsender die pakket wou verseker, of waaromtrent daar rede is om te vermoed dat dit muntstukke, papiergeld (met inbegrip van wissels en dergelike dokumente), edelmetale, edelgesteentes, juweliersware of ander waardevolle artikels van 'n soortgelyke aard bevat, word as 'n versekerde pakket behandel en is by aflewering onderworpe aan 'n boete soos in Bylae B van hierdie regulasies voorgeskryf vir 'n pakket wat in 'n briewebus gepos word, plus die voorgeskrewe minimum koste vir die versekering van 'n pakket en die gewone posgeld teen die pakketpostarief.

Verpakking van versekerde pakkette.

(d) Elke pakket tot en met 'n waarde van £10 wat vir versekering aangebied word, moet in 'n sterk omslag wat vir die inhoud geskik is, opgemaak en op so 'n wyse vasgemaak word dat dit onmoontlik is om 'n gedeelte van die inhoud van die pakket te verwyder sonder om die houder, omhulsel of omslag te breek of te skeur. Dit is nie voldoende om pakkette slegs met lyn toe te bind nie, maar as lyn bo en behalwe 'n geskikte vasmaakmiddel gebruik word, is dit nie nodig om die lyn te verseël nie. Pakkette van 'n geskikte tipe kan egter aangeneem word as hulle stewig met lyn toegebind is waarvan die knope en ente met lak verseël is of waarvan die ente deur middel van lood-, staal- of metaalseëls vasgedruk is, en op al die seëls duidelike afdrucke van dieselfde private ontwerp voorkom. Die afdrucke moet van so 'n aard wees dat hulle nie maklik nagmaak kan word nie. As 'n pakket deur middel van kleefpapierstroke of kleefband toegemaak word, moet een of ander merk of woord wat kenmerkend is van die afsender op elke strook gestempel of afgedruk word, bv. sy paragraaf of naam, of deur hom of die persoon wat die pakket vir versekering aanbied, geteken of geparafeer word.

(e) Elke pakket van 'n waarde van bo £10 wat vir versekering aangebied word, moet vasgebund word soos in voorgaande subregulasie (d) beskryf, maar daarbenewens moet elke vaste of los klap met lak of metaal verseël word en op al die seëls moet duidelike afdrucke van dieselfde private ontwerp aangebring word. 'n Muntstuk moet nie vir verseëling gebruik word nie en die ontwerp moet nie bloot bestaan uit reguit, oorkruis of krom lyne wat maklik nagmaak kan word nie.

Weiering indien voorwaardes nie nagekom word nie.

(f) Indien 'n pakket wat vir versekering aangebied word na die mening van die Posmeester-generaal nie aan die voorwaardes in verband met verpakking en verseëling voldoen nie, word dit nie vir versekering aangeneem nie. Die verantwoordelikheid om die pakket behoorlik op te maak, te verpak en te verseël, berus nietemin by die afsender en die Posmeester-generaal is nie aanspreeklik vir enige verlies of beskadiging as gevolg van gebreke wat nie ten tyde van inlewering opgemerk is nie.

Moet vir volle waarde verseker word.

(g) Tensy die Posmeester-generaal andersluidende magtiging skriftelik verleen het, moet elke pakket wat vir versekering aangebied word vir die maksimum versekerbare bedrag of die volle waarde van die inhoud, watter bedrag ook al die minste is, verseker word. Geen versekerde pakket mag meer as £200 aan banknote en/of muntstukke bevat nie.

Ontoelaatbare artikels.

(3) (a) Geen artikel wat nie wettiglik deur die pos gestuur kan word, kan teen verlies of beskadiging verseker word nie en indien 'n pakket wat 'n artikel van dié aard bevat vir versekering aangeneem sou word, is sodanige versekering van nul en gener waarde.

Articles which may be Insured Against Loss Only.

(b) Liquids, perishables or fragile articles such as crockery, glassware, gramophone records, or other articles composed of brittle material, shall not be eligible for insurance against damage, but may be accepted for insurance against loss.

Redirection of Insured Parcels.

(4) (a) Any insured parcel which has not yet been delivered may be redirected to the addressee at a new address under the conditions applying to ordinary parcels. No fresh insurances fee is payable in such circumstances.

(b) (i) If, after having been duly delivered, an insured parcel is tendered at a post office counter for redirection to the addressee at a new address, and provided the wrapper and seals are intact, it shall be regarded as posted afresh and liable to fresh insurance fees, and in addition to fresh postage fees if the new address is not within the same delivery area.

(ii) If the person requesting redirection elects not to pay the charges mentioned in sub-regulation (b) (i) at the time of reposting, a fee equal to the prescribed minimum fee for insurance, and in addition the ordinary postage fee if the new address is not within the same delivery area, shall be collected from the addressee upon delivery, but in such case no compensation shall be payable in the event of damage or loss of any such parcel.

Conditions for Compensation.

(5) (a) Compensation shall in no case exceed the value of the parcel or of the contents thereof which may be lost or damaged; provided that in the case of an insured Cash on Delivery parcel compensation shall be limited to £40 as set forth in regulation 50 (7). In the case of documents which are of value because of the cost of preparation compensation shall not exceed the cost of their replacement.

(b) Compensation shall be strictly limited to the loss of or damage to the parcel insured or the whole or part of the contents thereof. No compensation shall be paid in respect of consequential loss arising out of the loss of or damage to an insured parcel or contents thereof, nor shall compensation be payable for loss or damage in respect of any parcel treated as an insured parcel in terms of sub-regulation (2) (c).

(c) When compensation has been given in respect of the loss of any insured parcel and such parcel or any portion of the contents thereof subsequently comes into the hands of the Postmaster-General, he may dispose of the same as he may deem fit.

(d) No compensation shall be payable in respect of any insured parcel duly delivered and accepted without reserve or in respect of any loss or damage which, in the opinion of the Postmaster-General, is due to improper or inadequate packing or to riot, civil commotion, war, military or usurped power, floods or tempest.

(e) When a claim for compensation in respect of damage to or loss of an insured parcel is submitted under these regulations, the Postmaster-General whose decision shall be final, shall determine whether the contents of the parcel were eligible for insurance against damage and loss, or loss only, in accordance with the provisions of sub-regulation (3).

(6) (a) The receipt given to the sender of an insured parcel at the time of posting shall accompany any application for compensation which may be made in respect of such parcel.

(b) Every application for compensation in respect of an insured parcel the contents of which have been lost or damaged during transmission by post shall be accompanied by the cover of such parcel in as nearly as possible the condition in which it was delivered by the Post Office.

Artikels wat slegs teen verlies verseker kan word.

(b) Vloeistowwe, bederfbare of breekbare artikels soos breekware, glasware, grammofoonplate of ander artikels wat uit maklik breekbare materiaal bestaan, kan nie teen beskadiging verseker word nie, maar kan vir versekering teen verlies aangeneem word.

Nasending van versekerde pakkette.

(4) (a) Op die voorwaardes wat ten opsigte van gewone pakkette geld, kan 'n versekerde pakket wat nog nie afgelewer is nie, na die nuwe adres van die geadresseerde nagestuur word. Geen nuwe versekeringsgeld word in sulke omstandighede gevorder nie.

(b) (i) As 'n versekerde pakket wat behoorlik afgelewer is, by 'n poskantoorbank vir nasending na die geadresseerde se nuwe adres ingelewer word, en mits die omslag en seëls ongeskonde is, word dit beskou as opnuut geos en is nuwe versekeringsgeld betaalbaar, sowel as nuwe posgeld indien die nuwe adres nie in dieselfde bestelkring is nie.

(ii) As die persoon wat versoek dat 'n versekerde pakket nagestuur word, verkies om nie die koste vermeld in sub-regulasie (b) (i) ten tyde van inlewering te betaal nie, word die voorgeskrewe minimum versekeringsgeld, sowel as die gewone posgeld indien die nuwe adres nie in dieselfde bestelkring is nie, by aflewering van die geadresseerde gevorder, maar geen vergoeding word in die geval van verlies of beskadiging van so 'n pakket betaal nie.

Voorwaardes vir vergoeding.

(5) (a) Vergoeding gaan in geen geval die waarde van die pakket of van die inhoud daarvan wat miskien verlore gegaan het of beskadig is, te bowe nie, met dien verstande dat vergoeding in die geval van 'n versekerde k.b.a.-pakket tot £40 beperk is soos in regulasie 50 (7) voorgeskryf. In die geval van dokumente wat waarde het vanweë die koste van opstelling daarvan, is die vergoeding nie meer as die koste verbonde aan die vervanging daarvan nie.

(b) Vergoeding is streng beperk tot die verlies of beskadiging van die versekerde pakket, of die hele inhoud of 'n gedeelte van die inhoud daarvan. Geen vergoeding word betaal ten opsigte van daaruitvloegende skade wat gelyk word as 'n versekerde pakket of die inhoud daarvan verlore raak of beskadig word nie. Daar word ook geen vergoeding betaal ten opsigte van verlies of beskadiging van 'n pakket wat ooreenkomstig subregulasie (2) (c) as 'n versekerde pakket behandel is nie.

(c) As vergoeding ten opsigte van die verlies van 'n versekerde pakket betaal is en so 'n pakket of 'n gedeelte van die inhoud daarvan kom later in besit van die Posmeester-generaal, kan hy daarmee doen wat hy goedvind.

(d) Geen vergoeding is betaalbaar nie ten opsigte van 'n versekerde pakket wat behoorlik afgelewer en sonder voorbehoud aangeneem is of ten opsigte van verlies of skade wat, na die mening van die Posmeester-generaal, toe te skryf is aan onbehoorlike of onvoldoende verpakking of aan oproer, burgeropstand, oorlog, militêre of wederregtelike toegeënde magte, oorstromings of storms.

(e) Wanneer 'n eis om vergoeding ten opsigte van verlies of beskadiging van 'n versekerde pakket kragtens hierdie regulasies ingedien word, stel die Posmeester-generaal, wie se beslissing finaal is, vas of die inhoud van die pakket teen beskadiging en verlies of slegs teen verlies verseker kon word, ooreenkomstig die bepalinge van subregulasie (3).

(6) (a) Die inleweringsbewys wat ten tyde van inlewering aan die afsender van 'n versekerde pakket gegee word, moet by die aansoek om skadevergoeding gaan wat ten opsigte van so 'n pakket gedoen word.

(b) By elke aansoek om vergoeding ten opsigte van 'n versekerde pakket waarvan die inhoud onderweg deur die pos verlore gegaan het of beskadig is moet die omslag van so 'n pakket gaan, sover moontlik in die toestand waarin die Poskantoor dit afgelewer het.

(c) Under no circumstances shall an application for compensation be entertained unless made within three calendar months of the date of posting of the relative insured parcel.

PART XIX.

(2) The Postmaster-General may, in his discretion, pay compensation up to £2 for the loss of, or damage to, an ordinary inland or agricultural parcel in respect of which an acknowledgment of posting has been issued.

When Compensation Not Payable.

(3) (a) Notwithstanding anything contained in sub-regulation (2) no compensation shall be payable in respect of the loss of or damage to parcels the contents of which may not lawfully be sent through the post or in respect of damage to parcels containing liquids, perishable or fragile articles such as crockery, glassware, gramophone records or other articles composed of brittle material.

(b) Compensation shall in no case exceed the value of the parcel or of the contents thereof which may be lost or damaged. In the case of documents which are of value because of the cost of preparation, compensation shall not exceed the cost of replacement.

(4) An application for compensation shall not be entertained unless made within three calendar months of the date of posting of the relative parcel.

Acknowledgment of Posting in Respect of Parcels for Certain Destinations.

(5) The sender of a parcel for a destination outside the Union, Basutoland, Bechuanaland Protectorate, Swaziland and South West Africa may, upon application at the time of handing in of the parcel and upon payment of the fee prescribed under item 5 of the Supplementary Charges in Schedule B to these regulations, obtain an acknowledgment of posting of the article. Possession of such receipt shall not entitle the holder thereof to compensation in the event of the loss of such parcel.

PART XX.

Cash on Delivery Parcels.

50. (1) The Cash on Delivery service shall be applicable to parcels (including agricultural parcels) only, but not to parcels containing precious stones, coin, bullion, bank notes or any other paper having a sign of monetary value, such as uncanceled stamps, coupons or scrip.

(2) The sum to be collected from the addressee of the parcel for payment to the sender thereof shall be known as the Trade Charge.

Verkryging van bewys van inlewering.

49. (1) Die afsender van 'n gewone binnelandse of landbouppakket kan, op aanvraag by inlewering van so 'n pakket, teen betaling van die koste voorgeskryf onder „Aanvullende koste" in Bylae B van hierdie regulasies, 'n bewys van inlewering verkry.

Vergoeding.

(2) Die Posmeester-generaal kan na goeëdunke vergoeding tot 'n maksimum van £2 betaal in geval van verlies of beskadiging van 'n gewone binnelandse of landbouppakket ten opsigte waarvan 'n bewys van inlewering uitgereik is.

Wanneer vergoeding nie betaalbaar is nie.

(3) (a) Ondanks enige bepaling vervat in subregulasie (2) word geen skadevergoeding betaal ten opsigte van die verlies of beskadiging van pakkette waarvan die inhoud nie wettiglik deur die pos gestuur kan word nie, of ten opsigte van pakkette wat vloeistowwe, bederfbare produkte, breekbare artikels soos breekware, glasware, grammofoonplate of ander artikels wat uit maklik breekbare materiaal bestaan, bevat.
