**S.A. MINERALS CORPORATION, LIMITED.**

(Incorporation in the Republic of South Africa.)

**NOTICE TO MEMBERS.****PILANSBERG NICKEL MINE.**

On 13th March, 1964, Members were informed that the newly appointed Technical Advisers were investigating the advisability either of endeavouring to turn the nickel mine to profitable account by improving the present plant and increasing its capacity to a rate of 6,000 tons milled per month, and adding a converter capable of producing high grade nickel matte, or of suspending operations.

In the light of the results of the investigations conducted by the Technical Advisers since that date, the Board considers that it would be advisable to adopt either of these two courses of action and has decided instead to proceed with a modified programme.

The Board's reasons for the rejection of these first two courses and for the adoption of the new plan are given below.

**Original Programme of Expansion or Suspension of Operations.**

Ore reserves as reported in the Annual Report and accounts for the year ended 30th June, 1963, have been checked by the Technical Advisers who report that they are unable to accept the bases on which those ore reserves were calculated. Current assessments indicate a fully developed ore reserve of 49,000 tons at an estimated ore reserve value of 2.77 per cent nickel, and a partially developed ore reserve estimated at 40,000 tons. Many additional pipes and occurrences are known to exist but until such time as these have been prospected and development carried out, the full ore reserve potential cannot be assessed.

In the light of the new ore reserve assessment and until such time as adequate knowledge of the additional pipes and sundry occurrences has been obtained, a decision to proceed with the expansion of the milling rate from its present 1,700 tons per month to 6,000 tons per month and the erection of a converter capable of producing a readily saleable high grade matte cannot be taken. The operations necessary to determine the potential of the pipes and occurrences are likely to take a year or more.

If the nickel mine were to be placed on a caretaking basis a significant continuing expenditure would nevertheless be incurred by the Corporation with no foreseeable source of revenue. Investigations were, therefore, carried out to determine whether some other course of action was not available.

**Modified Programme of Expansion.**

It has been established that with a capital expenditure of some R40,000, the milling rate can be increased to 4,000 tons per month. It has also been established metallurgically that the existing plant is capable of producing a product which is saleable, although at a lower price than high grade matte which would be produced with a converter. The revenue flowing from the sale of this product would, it is estimated, result in sufficient funds being available to meet to a large extent the nickel mine working costs, the expenditure incurred on the caretaking of the manganese and chrome mines, and the cost of continuing the exploration of additional pipes and occurrences.

It is estimated that the remaining net outgoings, including the above-mentioned capital expenditure, will be considerably less than the cost of maintaining the assets of the Corporation if operations are suspended.

Suitable arrangements have been made to extend the present loan facilities, which at the date of this notice amount to R285,000. By Order of the Board.—Johannesburg Consolidated Investment Company, Limited, Secretaries, per C. E. Bayvel, Johannesburg, 19th May, 1964. 6640—29

- (a) To pay all costs in connection with the sequestration proceedings, all legal costs and charges incurred by you, including all fees and disbursements due to you in connection with the administration of my estate. The costs of distributing the proceeds hereof to my creditors including any other amount which may have to be expended to give effect to this offer, the costs of drawing this offer and all other costs in connection therewith, all as preferent administration charges.
- (b) To pay all preferent and secured claims in full to the extent of their security.
- (c) To pay to concurrent creditors the sum of 62½ cent in the Rand in full and final settlement of all claims which they may have against me.
- (d) On acceptance of this offer of compromise, all creditors shall be deemed to have ceded, assigned and transferred and made over unto and in your favour all their right, title and interest in, and to the respective amounts due to them by me in terms of this offer, and you shall be regarded as my sole creditor and shall be entitled to enforce payment of the total amount of my liabilities, payable in terms of this offer of compromise, provided, however, that any creditors shall be entitled at any time hereafter to withdraw their claims against me and you shall implement the withdrawal of the said claim.
- (e) The amount payable by me in terms of this offer of compromise shall be paid in the following manner:—
  - (i) Immediately upon acceptance of this offer of compromise, you will allocate as an initial payment any funds at present in your possession, and any funds that might accrue to my estate from the sale of my portion of the farm called Sonop (a portion of Portion C) of the farm Seringboomkop No. 66, Registration Division H.O., District of Schweizer Reneke, over and above any amounts payable in respect of my obligations to the Land and Agricultural Bank of South Africa and to Mr. B. J. Vorster.
  - (ii) The balance of the total amount payable by you shall be paid as follows:—
    - (a) Two-thirds on the 31st July, 1965.
    - (b) One-third on the 31st July, 1966.

  - (b) She is endeavouring to obtain further 150 (one hundred and fifty) morgen for ploughing.

The crops raised on the above properties will be ceded to you by my wife, until the obligations mentioned in the foregoing paragraph are fulfilled.
- (g) In regard to the amounts payable to preferent and secured creditors, I shall be entitled to make arrangements with such secured creditors to pay the amount of their claims in such manner as is suitable to such creditors, provided, however, that the security of such creditors shall in no way be affected.
- (h) The amount payable by me in terms of this offer of compromise shall be distributed by you in order of preference as provided for under the provisions of the Insolvency Act No. 24 of 1936, as amended, and at such times as you in your sole discretion shall determine.
- (i) Subject to the consent of the majority of creditors, you shall be entitled to grant to me an extension of time in regard to the performance of my obligations in terms hereof.
- (j) In the event of my committing any breach of this offer of compromise, you are authorised to take such steps as you may deem desirable, provided, however, that before taking such steps, you shall be obliged to give to me 15 (fifteen) days notice calling upon me to make payment of any arrear instalments due hereunder, or to remedy any breach under this offer, and in the event of my failing to comply with your demand, you shall be entitled to either claim payment of such arrear instalment and/or the full balance which may then be owing.
- (k) Immediately upon the acceptance of this offer of compromise by creditors in terms of Section 119 of the Insolvency Act as aforesaid, I shall be re-vested with my assets save and except only those funds as mentioned aforesaid in paragraph (e)(i) of this offer of compromise.
