Tenders published for the first time are indicated by a * against the tender number.

Tenders should be on the Departmental Tender Form which must be filled in and completed in all respects.

Separate tenders in respect of each tender number are required to be submitted in sealed envelopes. The tender number, the due date and the name and address of the tenderer must be endorsed on the outside of the envelope.

NOTICE TO ALL TENDERERS.

It is brought to the notice of all concerned that as from the 3rd July, 1964, tender advertisements will appear once only in the bulletin. From that date informal tenders will also be advertised therein. It is therefore suggested that as from the 3rd July, 1964, at least the two previous issues should also be scrutinised in order to obtain full particulars of all current tender invitations.
