COMPANY ANNOUNCEMENT.

DISPOSAL OF ASSETS.

The Board of Directors wishes to advise Members that, after full examination of the tenders received for the purchase of the Mining Title, plant, equipment and buildings as a whole, the outcome of the advertisement placed in the press on 3rd December, 1964, it does not consider any of the tenders sufficiently attractive to warrant acceptance.

While the acceptance of an offer to purchase all the Company's assets for a lump sum would expedite the realisation of assets, it is considered, under the circumstances, to be more beneficial for members if the Company proceeds with the disposal of the assets piecemeal over a period of about a year. The necessary steps to implement this decision are accordingly being taken.—Head Office and Registered Office: Consolidated Building, corner of Fox and Harrison Streets, Johannesburg, 29th January, 1965. 2470—5

CIRCULAR TO SHAREHOLDERS.

(Capital Increase—Issue of Shares.)

Dear Sir/Madam,

At the Annual General Meeting of the Company held on 1st December, 1964, the resolutions set out in the Notice to Shareholders, dated 9th November, 1964, were passed.

In terms of these resolutions, whereby the nominal capital was increased to R10,000,000 by the creation of an additional 1,500,000 shares of R2 each, and authority was given to the Board of Directors to issue partly or wholly up to 1,700,000 shares of the reserve or new shares of the company and to offer these to members of the company at such time or times and in such proportions and at such price or prices and upon such terms and conditions as the Board of Directors may determine, the Board of Directors has decided to offer shareholders, registered in the books of the Company at the close of business on the 12th February, 1965, for subscription at 400c per share, one new share of R2 for every five shares in the Company held at that date, fractions being disregarded.

The issued capital will be increased to R8,000,000 by the issue of 700,000 shares in all. The offer to shareholders as set out in the preceding paragraph will involve 660,000 shares to be issued at 400c per share.

Shareholders are advised that Nederlandse Overzee Bank N.V. Amsterdam which reduced their shareholding, by an offer for sale to the public, dated 4th May, 1964, from 49 per cent of the issued capital of the Bank to 25 per cent have decided to exercise their right to take up the shares to which they are entitled.

Of the balance of 40,000 shares, 10,000 shares will be alloted to Nederlandse Overzee Bank N.V. in order to maintain their shareholding at 25 per cent in terms of the policy as expressed in the above offer for sale. The remaining 30,000 shares will be offered to the senior staff of the Netherlands Bank of South Africa, Limited, at the same price of 400c.

The new shares will not participate in the interim dividend of 5 per cent which will be declared to shareholders registered in the books of the Company at the close of business on 12th February, 1965. In all other respects the new shares will rank pari passu with those already issued.

The dividend for the year ended 30th September, 1964, amounted to 10 per cent and the Directors are confident that the dividend for the current financial year can be maintained at the same rate per share on the increased capital.

The Board of Directors has found it advisable to increase the capital in view of the Company's continued expansion of activities and its commitments in respect of its trade investments, particularly in regard of its wholly owned subsidiary, Netherlands Finance and Investment Corporation, Limited, the activities of which have greatly expanded as well.
