* As indicated in paragraph 56 of the Board's report, the recommendation in respect of wages is based on the assumption that the Honourable the Minister of Labour will suspend the Cost of Living Allowance Regulations framed under the War Measure No. 43 of 1942, i.e. the Board's recommendation implies the consolidation of the cost of living allowance with the wage.

* Soos in alinea 56 van die Raad se verslag vermeld word, rus die aanbeveling oor lone op die veronderstelling dat Sy Edele die Minister van Arbeid die Regulasies op Lewenskostetoelaes, uitgevaardig ingevolge Oorlogsmaatreël No. 43 van 1942, sal opskort; met ander woorde, die Raad se Aanbeveling veronderstel die konsolidering van die duurtetoeslag met die loon.

(*b*) *Part-time Employee.*—A part-time employee shall be paid not less than three-fourths of the wage prescribed in paragraph (*a*) for an employee in the same area, of the same class and sex and with the same experience: Provided that a part-time caretaker may, if he is normally required to work for not more than two ordinary hours of work on any day, be paid not less than one-fourth of the wage prescribed in paragraph (*a*) for a caretaker.

(*c*) *Casual Employee.*—A casual employee shall be paid in respect of every day or part of a day of employment not less than one twenty-sixth of the monthly wage prescribed in paragraph (*a*) for an employee in the same area and of the same sex who performs the same class of work as the casual employee is required to do: Provided that, where the employer requires or permits a casual employee to perform the work of a class of employee for whom wages on a rising scale are prescribed, the expression "monthly wage" shall mean the monthly wage prescribed for a qualified employee of that class, and provided further that, where the employer requires or permits a casual employee to work for a period of not more than four consecutive hours on any day, his wage for such day may be reduced by not more than fifty per cent.

(2) *Basis of Contract.*—For the purpose of this clause the contract of employment of an employee, other than a casual employee, shall be on a monthly basis and, save as provided in clause 4 (6), an employee shall be paid in respect of a month not less than the full monthly wage prescribed in sub-clause (1), read with sub-clause (3), for an employee of his class in the area in which he works, whether he has in each week of such month worked the maximum number of ordinary hours of work applicable to him in terms of clause 5 or less.

(3) *Differential Wage.*—An employer who requires or permits a member of one class of his employees to perform for longer than one hour in the aggregate on any day, either in addition to his own work or in substitution therefor, work of another class for which either—

(*a*) a wage higher than that of his own class, or
(*b*) a rising scale of wages terminating in a wage higher than that of his own class,

is prescribed in sub-clause (1), shall pay to such employee in respect of that day—

(i) in the case referred to in paragraph (*a*), not less than the daily wage calculated at the higher rate, and
(ii) in the case referred to in paragraph (*b*), not less than the daily wage calculated on the notch in the rising scale immediately above the wage which the employee was receiving for his ordinary work:

Provided—

(i) that the provisions of this sub-clause shall not apply where, in terms of sub-clause (1), the difference between classes is based on age, experience or sex;
(ii) that, unless expressly otherwise provided in a written contract between an employer and his employee, nothing in this Determination shall be so construed as to preclude an employer from requiring an employee to perform work of another class for which the same or a lower wage is prescribed than that prescribed for such employee.

(4) *Calculation of Wages.*—(*a*) The daily wage of an employee, other than a casual employee, shall be his monthly wage divided by twenty-six.

(*b*) The weekly wage of an employee shall be his monthly wage divided by four and one-third.

(*c*) The hourly wage of an employee, other than a casual employee, shall be his weekly wage divided by the number of ordinary weekly hours of work prescribed in clause 5 for an employeee of his class.

4. Payment of Remuneration.

(1) *Employees Other than Casual Employees.*—Save as provided in clause 6 (5), any amount due to an employee, other than a casual employee, shall be paid monthly or weekly in cash or, with the consent of the employee, by cheque during the hours of work on the usual pay day of the establishment for such employee or on termination of employment if this takes place before the usual pay day, and such amount shall be contained in an envelope or container on which shall be recorded, or which shall be accompanied by, a statement showing—

(*a*) the employer's name;
(*b*) the employee's name or pay-roll number and occupation;
(*c*) the number of ordinary hours of work worked by the employee;
(*d*) the number of overtime hours worked by the employee;
(*e*) the employee's wage;
(*f*) the details of any other remuneration arising out of the employee's employment;
(*g*) the details of any deductions made;
(*h*) the actual amount paid to the employee; and
(*i*) the period in respect of which payment is made;

and such envelope or container on which these particulars are recorded or such statement shall become the property of the employee.

(2) *Casual employee.*—An employer shall pay the remuneration due to a casual employee in cash on termination of his employment.

(*b*) *Deeltydse werknemer.*—'n Deeltydse werknemer moet minstens drie-vierdes betaal word van die loon wat in paragraaf (*a*) voorgeskryf word vir 'n werknemer in dieselfde gebied, van dieselfde klas en geslag en met dieselfde ondervinding: Met dien verstande dat 'n deeltydse opsigter, indien normaalweg van hom verlang word om vir hoogstens twee gewone werkure op enige dag te werk, minstens 'n kwart van die loon wat in paragraaf (*a*) vir 'n opsigter voorgeskryf word, betaal kan word.

(3) The notice prescribed in sub-clause (1) may be given on any work day and shall run from the day on which it is given: Provided—

(i) that the period of notice shall not run concurrently with nor shall notice be given during an employee's absence on leave granted in terms of clause 6 or any period of military training which an employee is undergoing in pursuance of the Defence Act, 1957;
(ii) that notice shall not be given during an employee's absence on sick leave in terms of clause 7.
