HISTORICAL INTEREST.

This building was originally completed in 1680 as the Dutch East India Company's Slave Lodge. It was converted for use as government offices in the 19th century by Thibault (Inspector of Government Buildings), Anreith (sculptor) and Schutte (contractor). For a time it housed the Supreme Court.

NOTICE TO SHAREHOLDERS AND DECLARATION OF DIVIDEND ON PREFERENCE AND ORDINARY SHARES.

Your directors are pleased to advise shareholders that your company achieved a record profit for the year ended 30 June 1967 of R830,000 (subject to audit), compared with R710,500 for the previous year.

It will be realised that taxation has taken a substantially larger slice this year (R304,000) leaving a net after-tax profit of R526,000 for the year. (Previous year R522,000). Tax has been provided on the profit of R830,000 at the ruling rate and is subject to adjustment.

Rising costs (and those threatened through wage adjustments) and general monetary restrictions which affect orders and especially railway business will be detrimental to the company's profitability during the coming financial year; it is already apparent that the current year's profits will be at a substantially lower level.

The directors would like to point out that in the past ordinary dividends amounted to about 55 per cent of profits after tax. Even, therefore, with substantially reduced profits the current dividend rate should be maintained without drawing from reserves. It is the policy of the Board to equalize dividends.

Although the impact of reduced work and heavier costs will be felt this year, your directors take an optimistic view of the long-term advance of your company's interests and are planning accordingly to bring this about.

Notice is hereby given that the following dividends have been declared, in South African currency, in respect of the financial year ended 30 June 1967 payable to shareholders registered in the books of the company at the close of business on the 8th September 1967:—

(*a*) *Preference shares.*—Dividend 48 of 2½ per cent (5½ cents per R2 share) on the issued 5½ per cent Cumulative Preference Shares of tthe company (to make a total of 5½ per cent for the year);

(*b*) *Ordinary shares.*—Final Dividend 112 of 17½ per cent (8¾ cents per 50 cent share) on the issued ordinary shares of the company (to make an unchanged total of 30 per cent or 15 cents for the year).

The preference and ordinary share transfer books and registers of members will be closed from the 9th to the 22nd September 1967, both days inclusive, and dividend warrants will be posted to shareholders on or about the 27th September 1967.

In terms of the Income Tax Act, 1962 (as amended), non-resident shareholders' tax of 15 per cent will be deducted by the company from dividends payable to shareholders whose addresses in the share registers are outside the Republic of South Africa.
