GROSVENOR CONSOLIDATED INVESTMENTS LIMITED.

(Incorporated in the Republic of South Africa.)

PRELIMINARY TRADING ESTIMATES AND DECLARATION OF FINAL ORDINARY DIVIDEND No. 44.

An unchanged final dividend of 19½c share has been declared payable to shareholders out of the profits for the year recently concluded.

Profitability in certain sections of the motortrade declined markedly over the year, and the Grosvenor subsidiaries were amongst those affected; this likelihood was predicted in our last annual report. Notwithstanding an increased turnover within the Grosvenor Group, earnings fell to R825,000 before tax, compared with R1,580,000 for the previous year. The recovery expected from the introduction of new models in the last quarter failed to materialise through the late arrival of stocks. The new financial year however has commenced on a better note, and the prospects for the current year are more encouraging.

Taxation for the year is estimated at R300,000. The ordinary and preference dividends will absorb R487,000, a balance of R38,000 will therefore be carried forward.

The above dividend will be paid to shareholders registered in the books of the Company at the close of business on the 13th September 1968. The ordinary share registers will be closed from the 14th September to the 23rd September both days inclusive. Dividend warrants will be posted to shareholders on the 1st October 1968.

In terms of the Income Tax Act, 1962, as amended, Non-Resident Shareholders' Shareholders' Tax of 15 Per Cent will be deducted from dividends payable to shareholders whose addresses in the share register are outside the Republic of South Africa.

Dividends are payable in South African currency and dividends payable from the London Office will be paid in British currency at the rate of £1 sterling to R1.720715 South African currency provided there is no difference that the Board may regard as material between the foregoing rate of exchange and the bank rate of exchange on the 16th September 1968. Should there be any such material difference, the London Office will pay the equivalent in British currency calculated at the telegraphic rate of exchange ruling on the 16th September 1968.—By Order of the Board.—E. C. Fagan, Secretary. Registered Offices: Standard Bank Buildings, 18 Eloff Street, Johannesburg. Transfer Offices: 63 Fox Street, Johannesburg, 21 August 1968. 20082—30

(*c*) that all actions and the execution of all writs, summonses and other processes against the Company be stayed, and shall not be proceeded with without the leave of this Court being had and obtained;

(*d*) if a provisional judicial manager is appointed by the Master, he shall have such powers as may be given to him by the Master, and without derogating from the generality of this provision, shall have the powers generally vested in the board of directors of the said Company and shall further, with the consent of the Master, be empowered to borrow money with or without security on behalf of the said Company for the purpose of meeting essential commitments such as for salaries, wages and other necessary expenses in and about the business of the said Company.
