NOTICE TO SHAREHOLDERS

DECLARATION OF ORDINARY DIVIDEND No. 34

Notice is hereby given that a final dividend for the year ended 30 June 1968, of two cents per share has been declared payable on or about the 22 November 1968 to all ordinary shareholders registered in the books of the Company at the close of business on 1 November 1968.

Due to lower profits arising mainly from decreased profitability in the foundries the final dividend has been reduced. As predicted in the interim statement published in February 1968, profits are lower by approximately one-third and consequently it has been decided to reduce the final dividend to two cents making a total distribution for the year of three cent (1967: 6 cents) which is covered 2.21 by taxed profits.

Although overall profitability increased towards the end of the financial year and the opening months of the current year maintained this improvement, it would be imprudent to attempt to forecast the profitability for the ensuing year in the light of conditions prevailing in the industry.

The transfer books and register of members of the Company will be closed from 2 November 1968 to 8 November 1968, both days inclusive.

In terms of the Income Tax Act, 1962, as amended, a Non-Resident Shareholders' Tax of 15 per cent will be deducted from dividends payable to shareholders whose addresses are outside the Republic.

The audited consolidated profits of the Company and its subsidiaries for the year ended 30 June 1968, are summarised hereunder:—
