CIRCULAR TO SHAREHOLDERS

PROPOSED REVISION OF MEMORANDUM AND ARTICLES OF ASSOCIATION

Dear Sir/Madam

The Company was registered on 18 March 1892, with a form of constitution which was applicable at that time but which is now out-moded and no longer practical.

The articles of association, as the single form of constitution is called, comprises certain clauses which are currently found in a memorandum of association together with clauses which are currently termed articles of association.

Experience has, in recent years, increasingly indicated that in the interests of greater efficiency the Company's constitution should be brought up to date by separating that part of the existing constitution which represents a memorandum of association from the rest, adopting clauses which will complete the function of a memorandum of association appropriate to a financial, investment and mining company, and by replacing the remaining clauses by a modern set of articles of association which are in a form acceptable to the stock exchanges on which the Company's shares are listed or quoted. The directors have accordingly decided to submit proposals to shareholders for this purpose.

In preparing the proposed new documents certain changes have been made to the provisions of existing articles so as to bring them into line with modern company procedure. The proposed changes of significance to shareholders are:—

1. *Directors.*—In view of the development and diversification of the Company's interests it is considered desirable to provide that the maximum number of directors shall be 10 instead of the previous maximum of seven.

2. *Forfeiture of Dividends.*—In the light of the law on the subject and the requirements of The Johannesburg Stock Exchange, the existing provision that dividends remaining unclaimed for a space of five years after the date of declaration thereof shall be forfeited for the benefit of the Company, *until claimed*, has been replaced by a provision that dividends remaining unclaimed for a space of 12 years after the date of declaration thereof shall be forfeited for the benefit of the Company.

3. *Voting rights of foreign shareholders.*—The existing articles of association provide that no share held by a foreigner or a foreign corporation or a corporation under foreign control or held by a person directly or indirectly on behalf of such holder shall whilst it is so held confer upon the holder any right to attend and vote in person or by proxy at any general meeting of the Company. A foreigner is defined as any person who is not a national of the Republic of South Africa or a British Subject and there is a similar connotation relating to a foreign corporation or a corporation under foreign control. The opportunity has been taken to obtain the permission of the Hon. the Minister for Commerce and Industries, in terms of

section 15 (2) (a) of the Companies Act, 1926, as amended, of the Republic of South Africa for the removal of this restriction, and the proposed new articles of association therefore contain no such restriction on the voting rights of members. Other changes in the proposed new articles are of an administrative nature and are not of material significance to shareholders.

Your attention is drawn to the notice accompanying this circular convening an extraordinary general meeting of the Company to follow immediately after the annual general meeting of the Company which will be held at 3.30 p.m. on Tuesday, 6 May 1969, to consider proposals in this regard.

The proposed memorandum of association and new articles of association have received the approval of the Committee of The Johannesburg Stock Exchange and of the Council of The Stock Exchange, London.

Copies of the proposed memorandum and articles of association will lie for inspection during normal business hours at the registered office of the Company, The Corner House, 63 Fox Street, Johannesburg, and at the office of the London secretaries, Charter Consolidated Limited, 40 Holborn Viaduct, London, E.C.1, from the date of the notice up to and including the date of the meeting. Yours faithfully, Rand Mines Limited, Secretaries per M. B. Dunderdale, Registered Office: The Corner House, 63 Fox Street, Johannesburg, 4 March 1969.

(w) To acquire by purchase, exchange, amalgamation or otherwise howsoever and to undertake and carry on all or any part of the business or undertaking of any person or company either carrying on any business similar to that which this Company is authorised to carry on or possessed of property, assets or rights suitable for any of the purposes of the Company and to purchase or otherwise acquire the shares or stock or any interests or securities of any such person or company.

(x) To distribute, by way of dividend or bonus, amongst the members, such specific assets belonging to the Company as may be determined by the Company, and in particular shares, stock, debentures or securities of any other company held by or otherwise belonging to the Company, but so that no distribution amounting to a reduction of capital be made except with the sanction (if any) for the time being required by law.

(y) To establish and support or aid in the establishment and support of associations, institutions, clubs, hospitals, funds, trusts, and conveniences calculated to benefit the Company or any of the officers or ex-officers or employees or ex-employees of the Company or any other persons who are rendering or have rendered services to the Company, or any of the dependants or connections of any such persons, and to grant to any such persons, dependants or connections, pensions, gratuities and allowances, and to make payments towards insurance thereof respectively and generally to make donations, subscribe or guarantee money to or for charitable or benevolent objects or to or for any exhibition, or to or for any public, general or useful object.

(z) To do all such other things as are incidental, or which the Company, may think conducive to the attainment of the above objects, and so that the word "company" in this clause shall, except when used with reference to the Company, be deemed to include any partnership or other body or persons, whether incorporated or not incorporated and whether domiciled in the Republic of South Africa or elsewhere, and so that the objects specified in each paragraph of the clause shall, except when otherwise expressed in such paragraph, be regarded as independent objects, and shall be in no way limited or restricted by reference to or inference from the terms of any other paragraph or the name of the Company."

(v) renumbering the said clauses 2 to 6 inclusive, amended as aforesaid, as clauses 1 to 5 inclusive."

(B) "That the existing clauses of the articles of association numbered 2 to 6 inclusive, amended and renumbered as provided in paragraph (A) of this special resolution be hereupon deemed to be the Company's Memorandum of Association so that the memorandum of association of the Company will be in the form contained in document "A" laid before this meeting, and for purposes of identification, signed by the Chairman thereof."

2. "That the new Articles of Association contained in document "B" laid before this meeting and, for purposes of identification, signed by the chairman thereof, be and they are hereby adopted as the articles of association of this Company to the exclusion of and in substitution for the existing clauses of the articles of association numbered 1 and 7 to 153 inclusive."

The effects of and reasons for asking shareholders to consider the passing of these resolutions are given in the circular which is attached to this notice.

A member entitled to attend and vote at a meeting may appoint one or more proxies to attend, vote, speak and act in his stead. A proxy need not be a member of the Company.

A proxy form is enclosed for the convenience of members who are unable to attend the meeting but wish to be represented. the holders the rights and privileges and
subjecting them to the limitations in the
Articles of Association of the Company
set forth, and 10,000 (ten thousand) ordi-
nary shares of R1 (one rand) each of
which 134,000 (one hundred and thirty-
four thousand) preference shares and
8,500 (eight thousand five hundred) ordi-
nary shares have been issued and are
