Following the change in the financial year end of the Company the next published audited accounts will cover the 18 months ending 31 December 1972.

The latter months of the 12 months ended 30 June 1972 saw the successful beginning of the transformation of the Company into its new role as an acquirer industrial finance company. To reflect this change the name of the Company was changed on 1 August 1972.

As part of its declared aim to improve assets and earnings per share, the Company disposed of its Uitenhage tannery for cash and rationalised shoe production by concentrating production in one factory. Stan-Optical Holdings Limited was acquired and final steps are currently being taken to complete the acquisition of Cymot Holdings Limited. This acquisition programme will be pursued strongly during the remaining months of the year and also during the coming financial year, when the benefits arising from it will begin to be reflected in the financial results. On the basis of present projections the directors, in the absence of unforeseen circumstances, will recommend dividends totalling not less than 12 cents for the current financial period of 18 months.

ORDINARY DIVIDEND

The directors have declared an interim dividend (No. 23) of 4,0 cents per share payable to shareholders registered at the close of business on 29 September 1972.

This dividend is declared in the currency of the Republic of South Africa and dividend warrants will be posted on or about 27 October 1972.

In terms of the South African Income Tax Act, 1962 (as amended), Non-Resident Shareholders' Tax of 15 per cent will be deducted by the Company from dividends payable to shareholders whose addresses in the register of members are outside the Republic of South Africa.

The transfer books and ordinary register of members will be closed from 2 to 13 October 1972, both days inclusive.

Comparative figures for the same period of the previous year are not available. The nature of the Company's business normally results in lower earnings in the first half of a financial year which ends on 31 December.
