(viii) And upon a breach of any of the foregoing conditions each and every owner of transferred subdivisions (and their successors in title in perpetuity) of the following properties or any part thereof shall be entitled and is deemed to be irrevocably authorised and empowered by any transferee and his successors in title to apply for and obtain an interdict restraining any person or persons from committing or continuing to commit a breach of any of the foregoing special conditions and servitudes, viz:

4. The Government Lot No. 14.
5. Subdivision A and the Remainder of the Government Lot 15.
6. The Government Lot No. 16.
7. Subdivision J of Lot 12.

The word "owner" in this clause (viii) shall be deemed to include each and every registered owner of land whose deeds of title contain conditions similar to the foregoing conditions.

(c) Subject also to the further special conditions as created by Notarial Deed of Servitude No. 154/1952^{s} registered evenly herewith in favour of the owners of transferred subdivisions (and their successors in title in perpetuity) or portions of certain land heretofore held by Durban North Estates Limited and more fully referred to in the said conditions, which said special conditions are fully set out in condition (d) after the property numbered 1 and described in Deed of Transfer No. 4908/1952, which conditions read as follows:—

"(d) Subject also to the following further special conditions as created by Notarial Deed of Servitude No. 154/1952^{s} registered evenly herewith in favour of the owners of transferred subdivisions (and their successors in title in perpetuity) of portions of certain land heretofore held by Durban North Estates Limited and more fully referred to in the said conditions, viz:

(i) No buildings or erections shall be placed on the said land or any portion or subdivision thereof within twenty-five (25) feet of the boundary line of any road or public place upon which the property, portion or subdivision abuts or of any road or public place which may hereafter be created on the property hereby transferred.

(ii) No buildings or erections shall be placed on the land hereby transferred or any portion or subdivision unless and until the plans thereof shall have been made to comply with all the conditions hereof.

(iii) In particular adequate sanitary conveniences shall in each case be erected or provided for if any building or erection intended for human habitation or use is placed on the property or any portion or subdivision thereof and no separate buildings or erections for sanitary purposes shall be made on the property or any portion or subdivision thereof.

(iv) No fence shall be of such a nature as would be likely to depreciate the value of any adjoining property or would be unsightly nor shall it be allowed to fall into disrepair.

(v) The Transferee or any tenant or occupier of the said property hereby transferred or portion thereof shall not do or suffer to be done anything which in the bona fide opinion of the said Durban North Estates Limited is noisome, injurious or objectionable or a public or a private nuisance or a source of damage, disturbance or annoyance to the owners, tenants or occupiers of land and buildings in the neighbourhood of the property hereby transferred. If the Transferee, tenant or occupier of the said property shall by act or omission commit a breach of any of the provisions of this clause, Durban North Estates Limited may give him notice in writing to make good such breach within a time specified in such notice as fixed by Durban North Estates Limited and upon his failure so to do Durban North Estates Limited may but shall not be bound to enter upon the property hereby transferred and take steps to abate such nuisance and may recover the cost from any person served with such notice.

(vi) Upon a breach of any of the obligations contained in the foregoing conditions on the part of the Transferee to be observed, Durban North Estates Limited shall be entitled and are hereby irrevocably authorised and empowered by the Transferee and his successors in title to apply for and obtain an interdict restraining any person or persons from committing or continuing to commit a breach of any of the aforesaid conditions.

(vii) Durban North Estates Limited shall be entitled to assign or delegate the rights conferred upon them by the foregoing including their powers of consent, approval and the like.

(viii) Any reference in this deed of transfer to the "Transferee" shall be deemed to include his successors in ownership to the said property or his assigns.

(ix) In so far as any condition in this transfer contained confers any rights upon owners of other property than that hereby transferred (hereinafter referred to as other owners) it shall be deemed and regarded as a stipulation made by Durban North Estates Limited and the Transferee on his own behalf and on behalf of his successors in title for the benefit of such other owners and such other owners shall be entitled to the benefit thereof and their acceptance thereof shall be sufficiently evidenced either by notice thereof to the Transferee or his successors in title or by the institution of proceedings against the Transferee or his successors in title in virtue of this clause. And whereas the Transferee has already recorded in his contract of purchase the following admission, it is a condition of this transfer that the Transferee and his successors in title shall on such acceptance by such other owners in such event be under the same liability to other owners as if he had directly contracted with them as on the 23rd day of June, 1949 so that the said other owners shall have the same rights in respect of any breach of the Transferee or his successors in title as Durban North Estates Limited have or would have had notwithstanding that such breach may have occurred prior to such acceptance.

(d) The conditions referred to in clause (b) and (c) above shall also operate as servitudes in favour of the said Durban North Estates Limited.

Die Minister het ook, kragtens artikel 165 van genoemde Wet, die bevoegdheid hom verleen by artikel 63 (5) van die Wet om die bepaling van die hoeveelheid water wat jaarliks voorsien kan word, op te skort wanneer 'n watertekort in genoemde Staatswaterbeheergebied ondervind word of na verwagting ondervind sal word en enige water vir voorsiening en verdeling beskikbaar toe te wys op die wyse wat hy goedvind, oorgedra aan die Seksie-ingenieur, Departement van Waterwese, Cradock, om sodanige bevoegdheid uit te oefen na oorlegpleging met die adviserende komitee ingestel kragtens artikel 68 van die Wet ten opsigte van genoemde Staatswaterbeheergebied.
